INDEX TO VOLUME LXXIII

July 3, 1972 to December 25, 1972

A

ABM (Anti-Ballistic Missile) *see* National Defense — Armaments — Missiles

ANZUS

Two allies who are loosening ties with U S; D 18 p 62,63

AT&T *see* American Telephone and Telegraph Company

ABEL, I W *see* Labor — Unions — Steelworkers

ABOUREZK, JAMES

Winners, losers — what they say; Dem James Abourezk, winner in Sen race, in "USN & WR" invu, discusses his victory in South Dakota, McGovern's defeat, issues in his campaign, what tended to hurt Repub candidates in South Dakota, N 20 p 66

ABRAMS, CREIGHTON W

With Gen Abrams as Chief — changes ahead for Army; Pres Nixon nominated Gen C Abrams to be Army Chief of Staff, Adm T Moorer for second two-yr term as JCS chrmn; two main tasks facing Gen, views on Vietnam war, careers of Gen Abrams, Adm Moorer, (p) Jl 3 p 54

Change in leaders for changing Army; Pres Nixon chose Gen Creighton W Abrams to be Army Chief of Staff, Gen Alexander M Haig, Jr to be Army Vice Chief of Staff; task, career, assessment of each; prospect for changes in Army, confirmation delayed by Lavelle case, (p) O 23 p 42

ABROAD *see* Inflation — Abroad

ABSENTEEISM *see* Labor

ACCIDENTS

Why cutting traffic toll is so difficult; as Amers drive more, more ... traffic deaths edge upward, vehicle-miles driven in U S ... deaths, pct change, 1967, 1972, pct decrease in fatalities per miles traveled in past five yrs, chart, Jl 24 p 72

When legal drinking age is lowered — ; Michigan, Tennessee records indicate impact of younger drinkers on highway deaths, N 13 p 62

Out of major tragedy — new impetus for safer travel; two commuter trains collided in Chicago — 44 killed, more than 350 injured; accident record: railroads, recreational boats, private airplanes, pipelines; growing danger of campers, snowmobiles, minibikes, RR tank cars, private aircraft, N 13 p 80,81

ACTION

Whatever happened to super peace corps — more aid now to more people; no of Action volunteers in U S, abroad, increase predicted; description of seven volunteer programs under Action, no of volunteers in each, N 27 p 86,87

ACUPUNCTURE

AMA learns of latest gains in health care, Jl 10 p 77

ADVISORY COMMITTEES AND COMMISSIONS *see* Government

AEROSPACE INDUSTRY *see* Aviation

AFGHANISTAN

New focus on Asian buffer; U S, Red China, Russia are helping Afghanistan maintain neutrality, stability; other countries plus U N sponsor aid projects — public health, educ, roads, agric improvement, indus growth; nation lacks tax collection, records, civil cts, mineral exploration laws; high child mortality, widespread poverty, ineffectual Parliament, debt, starvation, shortage of trans, N 6 p 57-60

Afghanistan, map, N 6 p 57

Straw bricks..windmills ... veils ... land suspended in time; description of Afghanistan — its people, history, way of life, crime, N 6 p 60

AFRICA

Zambia, Ghana, Ivory Coast posted trade deficits in 1971, developing nations suffer from slow econ recovery of indus nations, inflation; (bw) S 18 p 50

Trend in Africa for local people to take over trade, commerce, (bw) O 30 p 80

Poor African nations are turning to tourism to boost income, (bw) N 27 p 58

AFRICA, NORTH *see* Mediterranean; Middle East

AGE, LEGAL

Adulthood at 18 — how it's working; "USN & WR" coast-to-coast survey reveals: businessmen, bankers are opening lines of credit to young people, 18-20, increase in auto sales to "new adults", youths are serving on juries, increase in public drinking, crime, auto accidents, increase in marriages without parental consent, social-service, welfare programs affected in various ways, high-school courses offered on use of credit, other financial subjects; social, econ changes lie ahead, N 13 p 60-62

When legal drinking age is lowered — ; Michigan, Tennessee records indicate impact of younger drinkers on highway deaths, N 13 p 62

AGED *see also* Employment and Unemployment — Discrimination; Health and Medicine — Medical Insurance; Social Security

Pres Nixon announced program, "Project Find", aimed at getting aged to sign up for free food or stamps, qualifications, income limits, Ag 14 p 29

What elderly voters say about candidates; no of older, younger Amers expected to vote; invus of older Amers by "USN & WR" staff mbrs give their ideas on econ matters, Vietnam, morality in govt, images of candidates, inner convictions; dispute over notice inserted with higher Soc Sec benefits, pamphlets on programs for aged, N 6 p 35-37

Older voters — who they are; no, pct of total voting-age population; impact by States, voting turnout in 1968, no, pct who are women, black, chart, N 6 p 35

AGED—Contd.

Impact of over-65s — State by State; States, total U S: no of people over 65, more than 17%, 15-17%, 13-15%, less than 13% of voting-age population, chart, N 6 p 37

Among key voting groups — big shift to Nixon; older voters: retirement communities, other areas where older people live — cities, precincts, Nixon's pct of vote, 1968, 1972, chart, N 20 p 17

AGNEW, SPIRO T *see also* Elections

Agnew: off running for '72 ... maybe '76; Pres Nixon selected Agnew as his running mate, set re-election campaign in motion, said ticket offers clear choice; Agnew's role in 1972, 1970 campaign, duties, activities in Admin; position on issues, future, (p) Ag 7 p 23,24

Vice Presidency, how job has grown; Vice Pres Agnew's official duties, no of official missions abroad, States visited, speeches in 3 1/2 yrs; qtrs, staff, (C) Ag 14 p 16,17

Eyes on top spot — Agnew in '72 pointing for '76; Vice Pres Agnew, nominated for second term, now sets out on course expected to lead to Pres; Repub Convention delegates, in Miami Herald poll, favored Agnew for pres nomination in '76; Agnew's strength among party professionals, elected officials, from new formula for allocating delegates; role in campaign, assignment in second term, S 4 p 20

Will it be Agnew in '76? Agnew is considering running for Pres, new image, approach to suit needs of changing political situation; record in politics, Vice Pres; other potential candidates, N 20 p 28

Winners, losers — what they say; Spiro T Agnew, re-elected Vice-Pres, gives an exclusive statement to "USN & WR" on election, N 20 p 56

AGRICULTURE *see also* Food; Grain; Labor — Unions — Farm Workers; Meat; Wheat

Land values in Midwest are headed up, (tb) Jl 24 p 62

Why land boom in U S is picking up speed; price of farmland, 1961, now; change in no, size of farms, volume of acres sold, (C) O 30 p 40-42

Among key voting groups — big shift to Nixon; Midwest farmers: in townships with 75% or more farm population — States, townships, produce, Nixon's pct of vote, 1968, 1972, chart, N 20 p 17

Income

Better times on farm: November boost for Nixon; "USN & WR" staff mbrs touring country's wheat, corn belts report feeling of optimism among farmers, small-town businessmen, bankers because farm prices, price supports are up, commercial loans are

AGRICULTURE—Contd.
available, record harvest is forecast, farmers have changed their view of Nixon; univ surveys show increase in average net income; with increased demand for meat, many have turned to feed-lot operations, but worry about rising expenses, compulsory growth to show profit, average size of farm in 1960, 1972; farm co-operative's complaints, Agric Sec Butz vigorous defense has won their approval, Jl 3 p 23-25
In prospect: record yr for farm income; net farm income, 1962-1972, average income per farm, 1969, 1971, 1972, chart, Jl 3 p 23
Banks' surveys indicate higher income for farmers, those in California, wool, lamb producers, (tb) O 16 p 74

Prices

Pattern of wholesale prices ... indus goods rise steadily, farm products move erratically; wholesale prices: indus commodities, farm products, mthly, 1970-1972, chart, N 20 p 86
One result of wheat shortage: prices are skyrocketing; export price per bushel of hard red winter wheat at Gulf ports, 1964-1972, chart, D 11 p 31

Production

Amer's fabulous "breadbasket", Russia's "fertile triangle"; rainfall, growing season, corn, wheat production, Agric Sec Butz comments, chart, map, Jl 31 p 24
Now rising threat of widespread hunger; D 11 p 29-31
It's tough winter for crops, fuel; fuel shortages hit several parts of U S, fed govt set up operations center to relieve hard-pressed areas; crops are lost in snowbound fields, fuel shortage halts use of crop dryers, D 25 p 23

Surpluses

$750 millions in food for Russia, what it means; Agric Sec Butz said grain agreement with Russia will benefit all of U S econ, greatest impact will be on future trade, peaceful coexistence, told Brezhnev Russians need salesmanship; major obstacle to broadening trade remains settlement of Lend-Lease debt, (C) Jl 24 p 47
Biggest grain sale in history — key facts; amount, grains, price, credit terms, payment, Jl 24 p 47
Russians need food — only U S can fill order; Agric Sec Butz said only U S is capable of producing grain needed by Russia to give its people promised 25 pct increase in protein foods over next five-yrs, since visit of N Khrushchev in 1955, Russian experts have focused attention on U S farm methods; Russian private plots account for large share of total farm output, output from farms has been trending steadily upward, Russian diet has improved; background for negotiations, role of Russia's Agric Min Matskevich, reasons for difference in agric production between Russia, U S; no of U S acres withheld from production this yr, Jl 31 p 24-26
Amer's farmers are setting new records for exports; value of exports, $billions, 1961-1972, chart, Jl 31 p 25
What U S sells abroad ... who buys goods; 9 farm products, all other farm products, value of exports, 1972 ... major buyers of U S farm exports: 10 countries, value, 1971, chart, Jl 31 p 25
Why Russia needs U S help; crop failure has forced Russians to turn to U S for huge quantities of grain, Soviet purchases have already exceeded three-yr grain contract, they must raise sizable amount of cash, may sell gold; U S Agric Dept ests 1972 Soviet grain harvest, West German appraisal of Russian winter-crop failures; U S grain for

AGRICULTURE—Contd.
sale is in good supply, impact of Soviet buying on prices of wheat, other grains; Agric Dept increased export subsidy, rising wheat prices could cause bread, bakery products price hikes, (C) Ag 28 p 22,23
Russia's slumping grain production ... what U S can sell other countries; major grains (million metric tons), 1970, 1971, 1972 ... major grains, soybeans, U S supply for coming yr, U S will need in coming yr, left over for export, reserves, (millions of bushels), chart, Ag 28 p 22,23
Spurt of activity in trading with Reds; sales of wheat, jetliners to Red China were announced, Sen McGovern accused Nixon Admin of allowing grain exporters to reap windfall profits on wheat sales to Soviets, Agric Sec Butz denied charges, S 25 p 44
All about that Soviet wheat deal; Q&A to cut through confusion of charges, countercharges on massive sale of wheat to USSR; how much wheat is involved, effect on farmers, price of bread, bakery products, price paid by USSR, how export subsidy works, cost of subsidy to Amer taxpayer, charges that sellers were "tipped off", Sec Butz's answer to criticism, conflict of interest charged to C D Palmby, O 9 p 28-30
Rapid run-up in U S wheat price; price per bushel of hard winter wheat, U S-Soviet grain deal announced, Russia steps up wheat buying, July 3-September 27, 1972, chart, O 9 p 28
Will U S have enough wheat for its own needs? official ests for current marketing yr, starting July 1, 1972 — total supply, U S consumption, U S exports, total use, carryover stocks, bushels, chart, O 9 p 29
Farmers view grain deal with mixed feelings; "USN & WR" survey by staff mbrs reports views of farmers in heart of Kansas wheat belt to sale of grain to Russia, O 9 p 30
Railroads will profit from wheat sales to Russia, (tb) O 9 p 76
Some of USSR's grain purchases will go to Cuba, East Europe, (bw) N 13 p 90
China will buy more grain than ever; sellers: Canada, Australia, U S, (bw) N 13 p 90
Bridging U S-Soviet Gap — trade is just start; N 27 p 39-42
"Times" of London suggests U S should impose same conditions on grain sales to Russia as on grain sent to India, (wg) D 18 p 68

AIR CONDITIONING

U S sales of air-conditioning, refrigeration equipment are rising briskly in Europe, Communist countries, (ca) Ag 7 p 78

AIR POLLUTION *see* Pollution

AIRLINES *see* Aviation — Airlines

AIRPLANES *see* Aviation — Aircraft

AIRPORTS *see* Aviation — Airports

ASIA—Contd.
Victory soon in fight against drug traffic? "USN & WR" invu with Nelson G Gross, State Dept's adviser on drugs, (C) S 25 p 50-60
Illicit opium network of Southeast Asia, map, S 25 p 51
7.5 billions — U S price tag for rebuilding Indo-China; U S plans biggest postwar project in history, reconstruction program has three goals; previous commitment; other nations will share burden; U S authorities give country-by-country reconstruction picture, N 20 p 47,48

ASSASSINATION *see* Crime

ASTHMA
AMA learns of latest gains in health care, Jl 10 p 77

ASTRONAUTS *see also* Space — Space Flight to Moon
Why more astronauts are hanging up their space suits; tarnished public image, sagging morale, waning public interest, cong budget cuts imposed on NASA, no of spacemen in astronaut corps since 1959, no on active duty, resignations, deaths, ex-astronauts in business, astronaut salaries before, after loss of exclusive contracts, D 11 p 25,26

ATLANTA, GEORGIA
New role of suburbs; (C) Ag 7 p 52-56

ATOMIC ENERGY

International
Nuclear-arms race spreads despite superpower pacts; big-powers keep on testing atomic bombs, small nations are approaching point where they could build A-bomb, amount of plutonium being mfred around world is skyrocketing; French success, nations capable of developing nuclear weapons, Amer assessment of French tests indicates improved weapons, French, Brit, Chinese armaments; U S, world plutonium stockpile, now, 1982, 1990; no need for tests, Japan's capability in rockets, A-bombs, Jl 31 p 56-58
Small powers keep on gathering plutonium, know-how; est amount of plutonium accumulated by free-world producers, excluding U S, pounds, 1972, 1981, 1990; amount produced that would be weapons-grade material, no of smaller nations that have know-how to construct nuclear bombs, chart, Jl 31 p 57
Atomic bombs should be banned for all nations; David Lawrence editorial; world is in danger of possible use of atomic bombs by any one of several countries; time has come for all nations to join in effort to protect humanity against terror man himself has created and which must be eliminated if our civilization is to be preserved, S 4 p 84
U S firms invest in French nuclear indus, (ca) O 16 p 90

Military
What hath man wrought! David Lawrence editorial; reprint of Aug 17, 1945, editorial which was written few days after first atomic bomb was dropped on Japan; today it is not too late to confess our guilt, ask God, world to forgive our error, Ag 28 p 72,71

Tests
Nuclear-arms race spreads despite superpower pacts; big-powers keep on testing atomic bombs, small nations are approaching point where they could build A-bomb, amount of plutonium being mfred around world is skyrocketing; French success, nations capable of developing nuclear weapons, Amer assessment of French tests indicates

ATOMIC ENERGY—Contd.
improved weapons, French, Brit, Chinese armaments; U S, world plutonium stockpile, now, 1982, 1990; no need for tests, Japan's capability in rockets, A-bombs, Jl 31 p 56-58

Big powers keep on testing new A-bombs; U S, Russia, France, Red China, Brit: no of atomic tests, underground, in atmosphere, total by "nuclear club" since Treaty of 1963, chart, Jl 31 p 56

ATROCITIES *see* Vietnam — Military Action — Casualties — Atrocities

AUSTRALIA *see also* Investments — Foreign

Upcoming natl elections, issues, (wg) Ag 28 p 44

Sino-Japanese trade deals could undercut Australian mineral sales to Japan, (wg) O 16 p 84

Hike in Australian wool prices will hit finished products by next March, (bw) O 30 p 79

Australia revalues currency upward, trade rises, exports of wheat, wool soar, capital flows in, Govt restricts borrowing overseas, foreign take-overs of local firms, (bw) N 6 p 101

Old friend pulls away from U S; natl elections in Australia could reverse long — standing natl policies affecting U S, impact on Amer military bases, investment, views of labor's Whitlam on defense, investment, N 20 p 99

Gloom in boom: Australia pays penalties of making it big; James Wallace, "USN & WR" Intl Staff, reports some difficulties Australia is facing: labor unrest, inflation, overcrowded cities, sluggish indus growth, rising competition in intl trade, invasion of foreign capital; Australians have little control over great resources, foreign investment since W W II, total from Brit, U S; foreign cos pct of control in some basic indus, why Australians use money from abroad, unemp is low, changes in migration patterns, strikes have been costly, effect of Japanese trade, D 4 p 74-76

Australia, map, D 4 p 74

Growing U S stake in Australia; direct investment by U S businesses in Australia, $s, 1961-1971, chart, D 4 p 75

In Australia's West: riches, big talk — need for cash; plans for development in iron-ore reserves, natural gas fields, need for foreign capital, cost, production of iron-ore, Australia's exports, Amer cos with stakes in Western Australia, Japanese market, total amount of U S investments, Pilbara project — construction plan of six basic indus, D 4 p 77

Western Australia, map, D 4 p 77

After Vietnam: changed role for U S in Asia; D 11 p 16-21

Now rising threat of widespread hunger; D 11 p 29-31

New Zealand's, Australia's newly chosen Prime Mins rush to switch policies, both leaders have same goal; assessment of what lies ahead for U S, Asia, South Pacific, New Zealand, Australia; two leaders are study in contrasts, (p) D 18 p 62,63

Australian first: mandatory belt use; casualties have decreased since auto seat belts became mandatory, D 18 p 65

U S cos may be affected by Labor Party moves to create price-justification board, natl stock-market-regulatory agency, nationwide corp-orgn act, (bw) D 18 p 90

AUTOMOBILE ACCIDENTS CLAIMS *see* Insurance — Automobile

AUTOMOBILE INSURANCE *see* Insurance — Automobile

AUTOMOBILES

Motor vehicle registrations in 1971, (tb) Jl 10 p 56

Ratio of autos owned by Amers, multicar families with incomes over $15,000, chart, Jl 17 p 49

First look at '73 cars; new models have fancy interiors, new rear side window shapes, tougher bumpers, lower insurance rates; freeze on prices, few new models, names, shortages may develop since opening day prices are not firm, compact-model features, few convertibles, optional or standard equipment includes sun roofs, radial tires, anti-theft alarms, electronic ignition systems; Amer Motors new car warranty, il, (C) S 18 p 24-27

Prices

Price tag on greater safety: $615 per car by '76; safety features: 1968-76, average retail cost per U S car, total extra cost, chart, Jl 24 p 73

New moves by Govt against rising prices; Ag 28 p 57

Making cars safer: cost so far; Price Comm heard J F Beggs, Trans Dept Under Sec, discuss safety standards effects on auto prices; fewer deaths due to safety standards, 1966-1971; ratio of retail-price increases attributed to safety items, 1968-1971; how systems approach would reduce cost, how bumper, flammability of vehicle-interior materials standards will affect prices; Chrysler Corp execs defend price rises, need for model changes, O 16 p 61,62

During four auto-model yrs of 1968 through 1971: average prices of new cars rose $524 at retail, safety features required by fed standards cost $81.50, voluntary changes by mfrs for safety reasons cost $39, total cost for safety changes, $s, pct of 1968-71 price increases, chart, O 16 p 61

Production

As Soviets move into auto age — ; auto output under latest Russian five-yr plan, 1970-1975, also sweeping expansion by 1975 of highways (miles), service stations, dealer-service centers, gasoline (pct increase), chart, Jl 24 p 53

U S mfrs of automotive equipment expand production in France, Netherlands, Japan, (ca) Jl 24 p 76

Auto cos add to emp rolls, causes of heavy production, no of emps at each co, N 6 p 106

Safety

see also Tires

Making it safer to drive — what's happened, what's ahead; traffic deaths are heading for record levels this yr, fed safety standards for cars set since 1968, improvements in highways, Natl Highway Traffic Safety Admin has set up three priority programs: safer cars, experimental vehicles, alcohol countermeasures, details of programs; safety programs are big business, costs to car buyers, benefits, safety experts find public support lacking, too many crashes blamed on driver error which are not drivers' fault, Jl 24 p 72-74

Why cutting traffic toll is so difficult; as Amers drive more, more ... traffic deaths edge upward, vehicle-miles driven in U S ... deaths, pct change, 1967, 1972, pct decrease in fatalities per miles traveled in past five yrs, chart, Jl 24 p 72

Price tag on greater safety: $615 per car by '76; safety features: 1968-76, average retail cost per U S car, total extra cost, chart, Jl 24 p 73

Urged: tougher laws for safety on highways; Natl Highway Traffic Safety Admin proposed eight standards as guide for State legis, urged States to pass six safety laws; educ's part, co-operation from States is mixed, Ag 14 p 31

About those millions of auto recalls; Q&A explains how recall campaign works, why so many cars, trucks have defects, expense, time to customers, cos, Ag 14 p 56,57

For every 2 cars sold, 1 recall notice issued; since Motor Vehicle Safety Act took effect on Sept 1, 1966 — no of vehicles sold in U S, vehicles recalled by mfrs, 1966-1972, total, chart, Ag 14 p 57

Making cars safer: cost so far; Price Comm heard J F Beggs, Trans Dept Under Sec, discuss safety standards effects on auto prices; fewer deaths due to safety standards, 1966-1971; ratio of retail-price increases attributed to safety items, 1968-1971; how systems approach would reduce cost, how bumper, flammability of vehicle-interior materials standards will affect prices; Chrysler Corp execs defend price rises, need for model changes, O 16 p 61,62

During four auto-model yrs of 1968 through 1971: average prices of new cars rose $524 at retail, safety features required by fed standards cost $81.50, voluntary changes by mfrs for safety reasons cost $39, total cost for safety changes, $s, pct of 1968-71 price increases, chart, O 16 p 61

Moves to make you use your seat belt; States are urged by Fed Govt to make it illegal for anyone to drive, ride in car without "buckling up"; experts maintain that lap, shoulder belts provide protection against death or serious injury in many types of crashes; studies show importance of both belts; no of persons to be killed in vehicle accidents this yr; ct order delays air bags installation, what motorists will find on next yr's cars; Brooklyn, Ohio, has required use of seat belts since 1966, advocates, critics of proposal to require use of safety belts, D 18 p 64-66

Australian first: mandatory belt use; casualties have decreased since seat belts became mandatory, D 18 p 65

Sales

Auto sales in Europe, Japan are headed up, (bw) Jl 24 p 68

End of boom in foreign-car sales? foreign-car sales are down 5%, lag is showing up in all three of most popular makes, reasons for change, importers are expanding services, putting sale efforts on larger, specialty cars, Ag 28 p 30

Stemming tide of imports; foreign-car sales as pct of all U S sales, 1965-1970, qtrly, 1971, chart, Ag 28 p 30

Strikes, inflation, imported autos have cut profits of Amer car builders in Brit, (ca) Ag 28 p 58

U S auto mfrs in Europe are bolstering their already powerful sales position, (ca) Ag 28 p 58

Sales of 1972 models, outlook for 1973 models, (tb) S 11 p 56

Business woes mount for Volkswagen; sinking sales in Germany, abroad, loss of markets to Opel hurt VW; why VW's balloon burst, why sales of larger models are down, success of Audi, R Leiding is fighting back in two directions, O 23 p 43

Volkswagen sales are slipping in U S ... and in West Germany; in first 9 mos — U S VW sales ... in first 8 mos — German VW sales, 1971, 1972, charts, O 23 p 43

AUTOMOBILES—Contd.

EEC rules for all imported cars will reduce sales of Amer cars in U K, (ca) N 6 p 66

Sales of European cars improve, labor costs, prices, strikes, imports depress profits, (bw) N 6 p 101

Sales are ahead of last yr, Los Angeles bank forecasts sales in 1973, (tb) N 27 p 62

AVIATION

Gen aviation products, small planes have best June sales, (tb) Jl 24 p 62

Business impact in revenue, emp of space shuttle award to North Amer Rockwell, (tb) Ag 7 p 50

Back from aerospace slump: Seattle, Northwest; orders for Boeing aircraft from China, other foreign, domestic airlines stir hopes for steady business recovery; example of indus that make solid, diversified base of indus, commerce in Puget Sound area; how jobs have gained in various fields, record of Boeing's production, problems brought; how Boeing brought business, problems to Everett; future of area will not depend on only one indus again, O 9 p 41-43

Are you getting enough sleep? "USN & WR" invu with Dr R J Wyatt of Natl Inst of Mental Health ... . advice on adjusting to air travel ... , (C) O 16 p 45-48

Aircraft

China ordered two Concorde SSTs, (wg) Ag 7 p 34

U S banks loan Yugoslavia funds for intl trade; JAT airlines orders six DC-9s, (ca) Ag 28 p 58

Two U S aircraft firms have set up assembly plants in Argentina, (ca) S 11 p 90

Europe's supersonic Concorde: flying white elephant; two main reasons U S airlines are reluctant to buy Concorde, principal concern is question of profits; orders for Concorde, basis of conservationists opposition, supersonic jets could be banned from Kennedy Intl Airport, U S lead at stake, S 25 p 80,81

Concorde has flown variety of tests, set records for speed, cruising altitude, distance; major problems, S 25 p 81

Airlines

Japan Air Lines might start air routes to mainland China, (bw) D 11 p 98

Airports

Now, "taxpayers' revolt" at some U S airports; head taxes at several U S airports has brought strong opposition from travelers, delayed flights, legis is pending to outlaw tax, Jl 31 p 82,83

Airport head taxes are common in many major cities of Europe, Africa, Asia, South Amer, Jl 31 p 83

World boom in airports: bonanza for U S firms; cos with extensive experience in airport design, construction are capturing share of world business, reasons for sudden expansion of air terminals, major projects, foreign competition, financial backers, Ag 7 p 71,72

Airport construction in Europe, Japan, Canada, (bw) S 18 p 49

Reasons for airport traffic congestion in Italy; proposed cost for improving airports, (bw) D 11 p 98

Why it's so hard to police U S airports; no of Amer air travelers on average day, pieces of luggage, no of jetliners, daily trips, airports, boarding gates, chart, D 18 p 22

South Vietnam: no of South Vietnamese regulars, regional militia, security forces, U S forces, South Korean, others vs North Vietnamese troops, Communist Viet Cong, S 25 p 40

Atomic Energy

International

Small powers keep on gathering plutonium, know-how; est amount of plutonium accumulated by free-world producers, excluding U S, pounds, 1972, 1981, 1990; amount produced that would be weapons-grade material, no of smaller nations that have know-how to construct nuclear bombs, Jl 31 p 57

Tests

Big powers keep on testing new A-bombs; U S, Russia, France, Red China, Brit: no of atomic tests, underground, in atmosphere, total by "nuclear club" since Treaty of 1963, Jl 31 p 56

Australia

Growing U S stake in Australia; direct investment by U S businesses in Australia, $s, 1961-1971, D 4 p 75

Automobiles

Ratio of autos owned by Amers, multicar families with incomes over $15,000, Jl 17 p 49

Prices

Price tag on greater safety: $615 per car by '76; safety features: 1968-76, average retail cost per U S car, total extra cost, Jl 24 p 73

During four auto-model yrs of 1968 through 1971: average prices of new cars rose $524 at retail, safety features required by fed standards cost $81.50, voluntary changes by mfrs for safety reasons cost $39, total cost for safety changes, $s, pct of 1968-71 price increases, O 16 p 61

Production

As Soviets move into auto age — ; auto output under latest Russian five-yr plan, 1970-1975, also sweeping expansion by 1975 of highways (miles), service stations, dealer-service centers, gasoline (pct increase), Jl 24 p 53

Safety

Why cutting traffic toll is so difficult; as Amers drive more, more ... traffic deaths edge upward, vehicle-miles driven in U S ... deaths, pct change, 1967, 1972, pct decrease in fatalities per miles traveled in past five yrs, Jl 24 p 72

Price tag on greater safety: $615 per car by '76; safety features: 1968-76, average retail cost per U S car, total extra cost, Jl 24 p 73

For every 2 cars sold, 1 recall notice issued; since Motor Vehicle Safety Act took effect on Sept 1, 1966 — no of vehicles sold in U S, vehicles recalled by mfrs, 1966-1972, total, Ag 14 p 57

CHARTS—Contd.

During four auto-model yrs of 1968 through 1971: average prices of new cars rose $524 at retail, safety features required by fed standards cost $81.50, voluntary changes by mfrs for safety reasons cost $39, total cost for safety changes, $s, pct of 1968-71 price increases, O 16 p 61

Sales

Stemming tide of imports; foreign-car sales as pct of all U S sales, 1965-1970, qtrly, 1971, Ag 28 p 30

Volkswagen sales are slipping in U S ... and in West Germany; in first 9 mos — U S VW sales ... in first 8 mos — German VW sales, 1971, 1972, O 23 p 43

Aviation

Airports

Why it's so hard to police U S airports; no of Amer air travelers on average day, pieces of luggage, no of jetliners, daily trips, airports, boarding gates, D 18 p 22

Bankers

When bank econs look ahead — replies of 33 bank econs to questionnaire from "USN & WR"; more growth — but at slowing rate; Question: what are your projections of total U S output — gnp — now for 4th qtr 1972, 2nd qtr 1973, 4th qtr 1973 (average est, annual rate in billions) in current dollars, in 1958 prices? O 23 p 62

When bank econs look ahead — replies of 33 bank econs to questionnaire from "USN & WR": unemp heading down; Question: what level of unemp do you foresee? average estimate, December 1972, June 1973, December 1973, pct, O 23 p 63

When bank econs look ahead — replies of 33 bank econs to questionnaire from "USN & WR"; crackdown soon against inflation; Question? when do you foresee need to tighten monetary, fiscal policy against inflation? by end of 1972, by spring 1973, by late 1973: no of econs, O 23 p 63

When bank econs look ahead — replies of 33 bank econs to questionnaire from "USN & WR"; slight pickup in inflation; Question: what are your projections of rate of rise in consumer price index? average estimate: 1972, second half; 1973, first half; 1973, second half; pct, O 23 p 63

Ending wage-price controls; responses of 33 bank econs when asked when they thought wage-price controls should be dropped? by yr-end, spring 1973, late 1973, spring 1974, still later, no of econs, O 23 p 64

Size-up of 1973; as investment bankers view it — business, inflation, credit, bond, stock prices, Dow Jones indus average, investment, D 11 p 34,35

Banking and Finance

As U S banks expand operations abroad; U S banks with foreign branches, foreign branches of those banks, nos, value of assets in those branches, $s, mid-1965, mid-1972, D 4 p 64

In every part of world — Amer bank; 56 countries, no of branches of U S banks in each, D 4 p 65

Budget, Household

Family budget — where money goes; out of each $100 of income, typical family spends — food, clothing, health care, taxes, housing, trans, other, $s, (p&m) Jl 24 p 75

Capital Punishment

Where 600 are under sentence of death; States, no of persons awaiting execution; States that have abolished death penalty, limited death penalty, maintain capital punishment, Jl 10 p 25

CHARTS—Contd.

How toll of executions has declined in past four decades ... ; prisoners executed in U S by civil authorities, 1930-1972, D 4 p 60

Charities

Giving to colleges is rising rapidly — but spending by colleges climbs even faster; total value of gifts, spending on higher educ, school yr 1960-61, 1965-66, 1970-71, pct up, pct share of college spending covered by gifts, Jl 31 p 45

Chile

Since Socialists took office in Chile ... more than half of U S holdings have been natlized; value of U S holdings in November, 1970, now; 16 U S cos natlized, Jl 10 p 53

Civil Service

Before another Govt pay raise — how private salaries compare ... look at some gains over past 5 yrs: average annual pay, 21 jobs, govt scale, comparable job in indus, $s ... average increase in pay from June, 1967, to March, 1972, 9 jobs, govt, comparable job in indus, pct, S 25 p 66

Fed payroll under Nixon; down in emps ... but up sharply in $s, no of civilian workers, exec branch, Jan, 1969, Sept, 1972, pct change ... total fed pay, 1969, 1972, $s, pct change, N 27 p 55

Bureaucracy Nixon wants to control; no of people on White House staff, 11 Cabinet depts, 82 ind agencies, comms, bds, total, no, ratio of jobs under Nixon's appointive power, D 11 p 13

Eight raises for Govt emps since mid-1966: date, average increase, pct, D 25 p 51

How salaries for Govt jobs will compare with those in business ... what military pay is to be; govt scale now, Jan, 1973, comparable jobs in indus ... rank: typical yrs of service, old, new pay, $s, D 25 p 51

Coal

More, more strip-mined coal; total soft-coal output in U S, output of strip-mined coal, tons, strip-mined coal as share of all soft coal, pct, 1964, 1968, 1972, S 25 p 77

Commerce

Amer's farmers are setting new records for exports; value of exports, $billions, 1961-1972, Jl 31 p 25

What U S sells abroad ... who buys goods; 9 farm products, all other farm products, value of exports, 1972 ... major buyers of U S farm exports: 10 countries, value, 1971, Jl 31 p 25

From surplus to deficit — U S trade balance keeps worsening; trade surplus, deficit, mthly averages in millions of dollars, 1964-1972, (p&m) Ag 28 p 59

Trade trend that worries Amers; U S imports from Japan, U S exports to Japan, trade balance, $million, favoring U S, Japan, 1960-1972, S 11 p 27

Foreign orders for U S durables take sudden leap; export orders for factory durable goods, except motor vehicles, 1970-1972, $billions, (p&m) D 18 p 78

Communist Countries

Commerce

Eastern Europe: how rich market for U S? in 7 Communist Nations of East Europe — total population, output, amount of trade with U S, total output per person, $s, imports, exports, basic facts, country by country — 7 nations, population, trade with U S (millions), Ag 14 p 37

Congress

Women in Cong: no net change; no of women: before, after election, N 20 p 83

Labor's power in new Cong; no of candidates for House, Sen seats endorsed by AFL-CIO, no won, lost, other winners considered

CHARTS—Contd.

friendly to labor, no of Reps, Sens expected to support labor-backed measures, House, Sen seats gained by labor, N 20 p 100

Pay of top execs frozen by White House; examples in exec, legis, judicial branches, D 25 p 17

Legislation

Your State's portion in revenue sharing ... how 50 biggest cities would fare; under bill passed by House: States, cities, amount received in first full yr (millions), amount per person in State's population, Jl 3 p 46,47

What States stand to get ... "shares" for 50 biggest cities; States, cities, under bill passed by House June 22, total in first full yr (millions), per person in State's, city's population, under bill reported to Sen August 16, for gen revenue sharing, total in first full yr (millions), per person in State's, city's population, for "social services" allocation included in Sen plan but not in House plan (for States only) total in millions, Ag 28 p 68,69

What 92nd Cong did ... what it balked at, 20 bills that were passed, 16 that were not, O 30 p 14

Construction

Construction activity is now on high plateau; value of new construction, $billions, mthly, 1970-1972, (p&m) O 16 p 68

Contracts, Defense

Now, upward trend in defense business; defense contracts awarded, $billions, half-yrs, 1968-1972, O 9 p 96

Cost of Living

Food prices vs other living costs; all items except food, food, 1966-1971, April, May, 1972, Jl 3 p 20

When bank econs look ahead — replies of 33 bank econs to questionnaire from "USN & WR"; slight pickup in inflation; Question: what are your projections of rate of rise in consumer price index? average estimate: 1972, second half; 1973, first half; 1973, second half, pct, O 23 p 63

Cost of living; 1972, 1973, pct change, N 20 p 26

Counties

50 richest counties ... 50 richest cities; among counties of 50,000 or more population ... among cities of 100,000 or more population — median family income, $s, O 9 p 46

Credit

Demand for credit breaking all records; from study by Salomon Bros, fed govt borrowing, mortgages, corp bonds, State, local bonds, other long-term borrowing, installment credit, business loans, other short-term borrowing, total demand for credit, $billions, 1971, 1972, 1973, S 4 p 59

Support for business ... sharp rise in borrowing by people; amount of consumer installment credit extended, 1970-1972, (p&m) O 23 p 93

Money — getting tighter? no of investment bankers that predict what borrowers will face in mos ahead: much, moderately easier credit, not much change, moderately, much tighter credit, D 11 p 35

Crime

Crime trends now; violent crimes, crimes against property, cities over 1 million population, cities over 25,000, suburban areas, rural areas, first qtr, 1972, compared with first qtr, 1971, pct change, up, down, Jl 24 p 83

In just three yrs ... arrests for U S narcotics violations have nearly doubled; no of arrests, 1969-1972; drugs seized: marijuana, hashish, heroin, cocaine, other narcotics, pounds, total, 1971 Ag 7 p 32

Natl trends in crime, 1971 compared with 1970; 7 types of crime, all serious crimes: cities of more than 250,000, cities of 100,000-250,000, suburbs, rural, over all, pct, S 11 p 84

Big-city crime — record; in nation's 50 largest cities, FBI figures for 1971 on serious crimes revealed — no of cities that showed drop, rise; cities: decrease, increase in 1971, compared with 1970, pct, S 11 p 84

Cost of "ordinary" crime: nearly 16 billions yrly; direct cost in 1971, by major indus — retailing, services, mfg, trans, wholesaling, total direct costs, $s, ... spending for services, equipment, other crime-prevention measures, arson damage, $s, total cost, O 2 p 39

Crimes Aboard Aircraft

Why alarm over plane hijackings; no of attempts, no that have succeeded, since Jan 1, 1969, 1971, 1972, Jl 3 p 11

One sign of progress in drive to thwart U S skyjackers; on U S-registered aircraft: attempts at skyjacking, skyjackings that succeeded, pct of attempts that succeeded, 1969-1971, 1972 (through July 7), Jl 17 p 26

High risks for skyjackers — but still they try; hijackings attempted, successes, failures, hijackers killed or wounded, hijackers captured on U S airlines in 1972, N 27 p 15

Why it's so hard to police U S airports; no of Amer air travelers on average day, pieces of luggage, no of jetliners, daily trips, airports, boarding gates, D 18 p 22

Dentists

Nixon Admin proposed four solutions on how to end "doctor draft"; ratio of volunteer, drafted doctors on active duty now, no of doctors needed in 1972, 1974, S 11 p 21

Depression, Business

After 22 mos of recovery ... latest expansion vs pattern of past; average of 4 earlier recoveries, current recovery (based on official indicators of current business trends), mos before recession lows, recession low, mos after recession lows, O 30 p 71

Disarmament

Big edge U S concedes to Russia in nuclear missiles, upper limits set by SALT I agreements of 1972; no of land-based missiles, sea-based missiles, total offensive nuclear missiles, Russia, U S; separate pact provision, N 27 p 72,73

Dividends

Dividend trend — more increases, fewer cuts; cos taking action in first 8 mos: no of favorable actions — declaring "extras", raising dividends, resuming payments ... unfavorable actions — reducing dividends, omitting payments, 1969-1972, S 18 p 67

Divorce

Marriages have been increasing steadily ... but divorces are rising even more sharply; no of marriages in U S ... divorces, annulments, pct change, 1961-1971, ratio of marriages, divorce or annulment, 1962, 1972, Ag 14 p 30

Divorce rate at all-time high; rate of divorce per 1,000 married women, age 14-44: mid-1940s, mid-1950s, late 1960s, 1972 ... as family income rises, chance of divorce drops; among families with husband age 35 to 54 — pct of families in which at least one spouse was married more than once, family income: under $5,000-$15,000, up, O 30 p 39

Drugs

In just three yrs ... arrests for U S narcotics violations have nearly doubled; no of arrests, 1969-1972; drugs seized: marijuana, hashish, heroin, cocaine, other narcotics, pounds, total, 1971, Ag 7 p 32

High cost of drug addiction: nearly 5 billions yrly; based on study by Univ of California, Los Angeles, conducted for U S Bur of Narcotics, Dangerous Drugs — value of property stolen by addicts, combatting drug-related crime, value of potential production lost due to drug addiction, treatment of addicts, educ, prevention, research, annual cost, total, S 11 p 76

Sudden spurt in antidrug fight; through operations of Bur of Narcotics, Dangerous Drugs in U S, abroad: arrests for trafficking in drugs, no, retail value of drugs seized, $s, pct increase, yr ended June 30, D 25 p 32

Economic Conditions

Latest indicators of business activity (wkly) stock prices (daily), consumer, wholesale prices, indus production, retail store sales (mthly): yr ago, mo ago, latest, printed wkly in "Plus & Minus",

"USN & WR" index of business activity; printed mthly in "Trend of Amer Business" newsletter,

In prospect, further upswing in total spending; (gnp) yr ago, now, gain in past yr, yr from now, gain in next yr, $billions, pct, "real" growth, pct, in next 12 mos, Jl 17 p 16

How much growth in sight? look at key indicators — output of indus, people's incomes, profits of corps, cost of living, people at work, out of work, unemp rate, retail sales (total, selected hard, soft goods), construction, home bldg, factory wages, farmers' income, dividends, people's savings, auto production, steel shipments, wholesale prices, yr ago, now, yr from now, Jl 17 p 18

Total spending in U S is picking up speed; gnp, $billions, qtrly, 1969-1972, (p&m) Ag 7 p 51

Higher taxes? further controls? — what business advisers expect; replies from poll of Natl Assoc of Business Econs: Q — are you forecasting value-added tax, raise in personal income taxes, corp taxes in 1973, has Pres Nixon's econ policy been successful in slowing inflation in 1972, do you expect controls over wages or prices, or both, to be in effect throughout 1973, yes, no, no answer, pct, S 18 p 13

As econs see business prospects under Nixon — or McGovern; replies from poll of Natl Assoc of Business Econs: Q — under which Admin are we likely to see following development in 1973, 1976? — higher "real" total output, tax rates, prices, unemp, stock-market prices, interest rates, fed spending: under Repubs, Dems, no difference, pct, S 18 p 14

Outlook for jobs, prices, profits, stocks; key points from poll of Natl Assoc of Business Econs: total U S output (gnp), output of indus, business profits, unemp, business spending for plant, equipment, home bldg, retail prices, defense spending, stock market, interest rates, 4th qtr, 1972, 1973, pct change, up, down, S 18 p 15

One reason for businessmen's optimism — ; index of leading econ indicators, mthly, 1970-1972, O 16 p 31

When bank econs look ahead — replies of 33 bank econs to questionnaire from "USN & WR"; more growth — but at slowing rate; Question: what are your projections of total U S output — gnp — now for 4th qtr 1972, 2nd qtr 1973, 4th qtr 1973 (average est, annual rate in billions) in current dollars, in 1958 prices? O 23 p 62

After 22 mos of recovery ... latest expansion vs pattern of past; average of 4 earlier recoveries, current recovery (based on official indicators of current business trends), mos before recession lows, recession low, mos after recession lows, O 30 p 71

When wars end — what happens to stock market? index based on Dow Jones indus

CHARTS—Contd.

average, with price on day war ended equaling 100, mthly closing prices: day war ended, W W I, W W II, Korean War, change one year after war's end, pct, N 13 p 23

Three measures that show declining influence of Vietnam war on U S econ — : govt spending, emp, total U S output, gnp, N 13 p 24

Outlook now for business; total spending (gnp) in U S, people's incomes, output of indus, retail sales, home bldg, cost of living, corp profits, unemp, factory wages, 1972 (est), 1973 (est), pct change, N 20 p 26,27

Total spending in U S; gnp: 1972, 1973, billions, pct change, N 20 p 26

Look at business across U S; Eastern, Central, Western cities, U S average: dept store sales compared with yr ago, extent of unemp, nonfarm emp compared with yr ago, income of average factory worker, factory workers' income compared with yr ago, construction activity compared with yr ago, N 27 p 65,67

Size-up of 1973; as investment bankers view it — business, inflation, credit, bond, stock prices, Dow Jones indus average, investment, D 11 p 34,35

Ahead for business; what no of investment bankers expect in broad trend of business during 1973: strong, slow rise, leveling out, downturn, D 11 p 34

Abroad

Cost of meat, food has moved up sharply in Western Europe, Canada, Japan, Argentina, how prices of food have increased (pct) in major countries over 12-mo period ending April, 1972, prices of meat abroad, Jl 3 p 21

Upturn in Europe — slow but widespread; pct change in indus output, latest 6-mo period: 7 West European nations, Western Europe (average), Jl 3 p 29

Two trends that alarm Europe's businessmen; prices are rising faster than in U S ... gains in real output are lagging behind U S, — annual rate (pct) of increase in consumer prices ... annual rate (pct) of rise in gnp: Belgium, France, West Germany, Italy, Netherlands, Switzerland, United Kingdom, U S, 1965-70, latest 12 mos, 1972, S 18 p 53

Widening gap between rich, poor nations; total natl output per person in developed, less-developed countries, $s, 1960-1971, O 16 p 53

20 wealthiest nations ... among poorest — 20 examples; total natl output per person, $s, annual rate of increase in past decade, pct, O 16 p 54

Economic Controls

Since price curbs were imposed; change in average prices across U S since August, 1971: items that have climbed most sharply, have barely risen, have fallen, pct change up, down, Jl 31 p 17

When cos ask for price hikes — record so far; no of requests for price boosts, results — increases approved, scaled down, flatly rejected, average price increase, no or pct, mid-November, 1971 — mid-July, 1972, Jl 31 p 18

Key facts about control program; who's covered now: no of workers, renters, doctors, businesses, pct; how big bureaucracy: control agency — Price Comm, Pay Bd, COLC, IRS, no of employes involved in controls, total; when cos ask for price boosts: no of requests for price hikes that had been acted upon by Price Comm, as of early August — increases approved, scaled back, flatly rejected, no, pct; size of wage-price hikes approved: average price increase approved, average wage increase approved, pct, Ag 21 p 14

One yr under "new econ policy" ... some indications of effects: cost of living (2nd qtr 1971, 1972), average size of pay increases negotiated by unions (first half of 1971, 1972), change in gnp, discounting inflation (in yr before, since NEP), rate of unemp (July 1971, 1972), amount of gold $100 buys in European free markets (July 1971, Aug 9, 1972), pct, up, down, Ag 21 p 15

Ending wage-price controls; responses of 33 bank econs when asked when they thought wage-price controls should be dropped? by yr-end, spring 1973, late 1973, spring 1974, still later, no of econs, O 23 p 64

Economists

Higher taxes? further controls? — what business advisers expect; replies from poll of Natl Assoc of Business Econs: Q — are you forecasting value-added tax, raise in personal income taxes, corp taxes in 1973, has Pres Nixon's econ policy been successful in slowing inflation in 1972, do you expect controls over wages or prices, or both, to be in effect throughout 1973, yes, no, no answer, pct, S 18 p 13

As econs see business prospects under Nixon — or McGovern; replies from poll of Natl Assoc of Business Econs: Q — under which Admin are we likely to see following development in 1973, 1976 — higher "real" total output, tax rates, prices, unemp, stock-market prices, interest rates, fed spending: under Repubs, Dems, no difference, pct, S 18 p 14

Outlook for jobs, prices, profits, stocks; key points from poll of Natl Assoc of Business Econs: total U S output (gnp), output of indus, business profits, unemp, business spending for plant, equipment, home bldg, retail prices, defense spending, stock market, interest rates, 4th qtr, 1972, 1973, pct change, up, down, S 18 p 15

Education

Fewer, fewer Catholic Schools, pupils; pupils in Catholic grade schools, high schools, Catholic grade schools, high schools in operation, 6 yrs ago (1965-66 school yr), latest (1971-72 school yr), decline no or pct, Ag 28 p 60

Colleges and Universities

Slower growth ahead in college enrollments; students registered; 4-yr, 2-yr colleges, total, 1965, 1972, 1979, rise in last, next seven yrs, no of students, pct, S 4 p 37

Costs

Giving to colleges is rising rapidly — but spending by colleges climbs even faster; total value of gifts, spending on higher educ, school yr 1960-61, 1965-66, 1970-71, pct up, pct share of college spending covered by gifts, Jl 31 p 45

Integration

Among voting groups — big shift to Nixon; areas where busing was issue: Los Angeles, San Francisco, Detroit, Nashville, Nixon's pct of vote, 1968, 1972, N 20 p 16

Teachers

Pay gains for college teachers: fastest in top, bottom jobs; average annual compensation, including salary, fringe benefits of full-time faculty mbrs: profs, asst profs, instructors, 1961-62, 1971-72, pct change, D 11 p 55

Pay teachers get — sampling; average compensation, including salary, fringe benefits, in 1971-72 school yr — colleges: prof, instructor, $s, D 11 p 57

Elections and Politics

In 1972 election — 55 million nonvoters? people in U S of voting age, who will register to vote, who will vote, nos, pct, Ag 28 p 16

CHARTS—Contd.

Profile of registered voters; based on Gallup Poll — pct of voting-age Amers registered to vote in this yr's election, by party, age, sex, race, educ, region, religion, occupation, Ag 28 p 18

Profile of today's young voters; no of new potential voters aged 18-24-pct of women, men, white, black, single, married, widowed or divorced, living in cities, suburbs, small towns, rural areas, emped, unemped, in school, armed forces, housekeeping, or "other"; educ status: not graduated from high school, with high school diplomas, some college educ, four yrs of college; pct of total registered voters, S 11 p 30,31

In past two campaigns ... how leads in polls narrowed; Gallup Poll shows: Johnson vs Goldwater, 1964, Nixon vs Humphrey, 1968, Nixon vs McGovern, 1972, August, September, October, final poll, actual result, pct, S 25 p 18

Since Civil War — only three presidents have won as much as 60% of popular vote; Election (1864-1968): Dem's, Repub's share of popular vote, pct; candidates winning minority of popular vote, majority of electoral votes, O 16 p 25

Bouncing back from landslide loss, what record shows — ; elections in 1920, 1928, 1932, 1936, 1956, 1964, elections in which party that lost won Pres in next election, N 20 p 32

Turnout of voters for Pres; 1960-1972, in nos, 1948-1972, as proportion of voting-age population, pct, N 20 p 82

Congress

Election outlook at campaign kickoff; Sen, House, Govs: present lineup by party, no up for election, seats at stake — Repubs gain needed to win control, outlook now, S 11 p 17

House today; House line up now (state by state): Democrats 256, Republicans 179 — needed for control, 218; gains or losses in House seats expected by each party: Dems — loss of 11 seats, Repubs — gain of 25 seats; no of additional seats Repubs need to control House, O 30 p 32,33

Next House; as Dems see it — 245 Dems, 190 Repubs, as Repubs see it — 231 Dems, 204 Repubs, O 30 p 33

Riding Pres's coattails into Cong — what record shows; Pres election yr, 1916-1968, party winning White House, party — pres, change in House seats for Pres's party, O 30 p 34

Lineup in Cong — old, new; no of Dems, Repubs before, after election, in House, Sen; no of seats lost, gained by Dems in House, Sen, margin of control, N 20 p 36,37

Shift in House: how parties will stand; States — Dems, Repubs, gain Dem or loss Repub, Dem margin before, after 1972 election, N 20 p 37

Shift in House seats — Repubs gain fewer than average; gains in House seats in pres-election years by party winning White House — average gain 1916-68, 1948-68, 1972, seats, N 20 p 82

More Repub office holders were defeated for re-election; among incumbents running for re-election — in races for House, Sen, Gov seats, no of incumbents defeated, including Dems, Repubs, N 20 p 83

Women in Cong: no net change; no of women: before, after election; election results in House, Sen races, no of women won, major-party candidates lost, N 20 p 83

More blacks in Cong; no of Negroes before, after election, election results in House, Sen races, N 20 p 83

CHARTS—Contd.

How Sen Kennedy's candidates came out; results of Sen Kennedy's campaigning for 33 Dem candidates for Gov, Sen, House in 1972 election; score: no won, lost for Gov, Sen, Rep, N 20 p 83

Big winners for 1972; among races for Sen or Gov, biggest pct of votes for Sen, Gov; pcts of some other big winners, N 20 p 83

Where Repubs gained — lost; Northeast, Midwest, South, Border States, West: Gov, Sen, House, net loss, gain, no net gain, N 20 p 83

Labor's power in new Cong; no of candidates for House, Sen seats endorsed by AFL-CIO, no won, lost, other winners considered friendly to labor, no of Reps, Sens expected to support labor-backed measures, House, Sen seats gained by labor, N 20 p 100

Conventions — Democratic Party

McGovern's victory on first ballot; roll call: States, for McGovern, Jackson, Wallace, others, total, Jl 24 p 21

Democrats

Dems' waning strength in South; Dem candidate, Dems' share of total popular vote, in U S, Dems' share in South, Dems' share outside South, 1928-1968, pct, Ag 28 p 15

Election of 1972

In 10 Northeastern States — ; States, with electoral votes, leaning to Nixon, McGovern, in doubt, O 9 p 19

In South, Border regions; no of States, with no of electoral votes, leaning to Nixon, McGovern, in doubt, O 16 p 21

In 11 States of Midwest — ; no of States, with no of electoral votes, leaning to Nixon, McGovern, in doubt, O 23 p 16

In 13 States of Far West; States, with no of electoral votes, leaning to Nixon, McGovern, in doubt, map, O 30 p 28

States, electoral votes — leaning to Nixon, McGovern, in doubt; totals, N 6 p 27

Election of 1972 — Campaign

As Nixon backers see race ... as McGovern backers see race ... needed to win: 270 electoral votes; no of electoral votes leaning to Nixon, McGovern, in doubt, no of electoral votes in each State, Jl 3 p 14,15

Election of 1972 — Campaign — Democrats

Dems' strategy for 1972; needed to win: 270 electoral votes, best prospects (States) for Dems, with their electoral votes in big-city States, Northeast, Midwest, Far West, South, Border regions, subtotals of electoral votes, no of votes still needed in each group, region, total, Jl 17 p 12,13

McGovern formula for '72; count on all States H Humphrey won in 1968 except for Texas, go all out for four other big-city States, woo, win 7 smaller States: States, no of electoral votes, total, Jl 31 p 21

Election of 1972 — Campaign — Republicans

Repub strategy for '72; needed to win: 270 electoral votes — 1. start with South, Border States, 2. Midwest, 3. Northeast, 4. Far West, 5. 5 big indus States, States, no of electoral votes, total, no of electoral votes needed to win, Ag 28 p 12,13

Election of 1972 — Candidates — Democrats

Near finish line, how Dem race stands; total Convention votes, total needed to nominate, candidates, no of delegates, Jl 3 p 16

Election of 1972 — Results

Electoral-vote landslide; no of States, electoral votes for Nixon, McGovern; popular vote, State by State, Nixon, McGovern, totals, N 20 p 14,15

Among key voting groups — big shift to Nixon; income groups, residential patterns, areas where busing was issue, "Wallace vote", racial, ethnic groups, college students, older voters, union-labor households, midwest farmers, Nixon's pct of vote, 1968, 1972; pct of vote for Nixon, McGovern, N 20 p 16,17

How polls made out; Gallup, Harris, Sindlinger final polls for Nixon, McGovern, others, undecided; actual vote, pct, N 20 p 18

Big year for ticket splitting; Nixon States that elected Dem Govs, Sens, N 20 p 82

Turnout of voters for Pres; 1960-1972, in nos, 1948-1972, as proportion of voting-age population, pct, N 20 p 82

Pres candidates vs their parties; vote totals based on votes for Pres, Sen: Nixon, Repubs; McGovern, Dems, pct, N 20 p 82

Scope of Nixon's victory; popular vote, pct of popular votes, electoral vote, plurality, N 20 p 82

Facts that help put election in focus; statistical results show scope of Nixon's victory, pres candidates vs their parties, turnout of voters for Pres, Nixon in South: new high for Repubs, big year for ticket splitting, shift in House seats — Repubs gain fewer than average, popular vote for Pres — region by region, more blacks in Cong, more Repub office holders were defeated for re-election, women in Cong, where Repubs gained — lost, how Sen Kennedy's candidates came out, big winners of 1972 in races for Sen, Gov, N 20 p 82,83

Popular vote for Pres — region by region; Northeast, Midwest, South, Border, West: Nixon, McGovern, no, pct of votes, N 20 p 83

Finance

Unions in politics: growing financial role; spending by labor unions in direct support of pres, cong candidates, based on official reports — 1956, 1960, 1964, 1968, $million; union share, (pct), of all direct political spending on natl-level candidates 1956, 1968, prediction for spending in 1972, O 23 p 19

Skyrocketing expenses of campaigning; est spending in campaigns for all offices — fed, State, local, 1952-1972, N 13 p 20

Regions, States and Cities

Dems' waning strength in South; Dem candidate, Dems' share of total popular vote in U S, Dems' share in South, Dems' share outside South, 1928-1968, pct, Ag 28 p 15

Election outlook at campaign kickoff; Sen, House, Govs: present lineup by party, no up for election, seats at stake — Repubs gain needed to win control, outlook now, S 11 p 17

In 10 Northeastern States — ; States, with electoral votes, leaning to Nixon, McGovern, in doubt, O 9 p 19

In South, Border regions; no of States, with no of electoral votes, leaning to Nixon, McGovern, in doubt, O 16 p 21

In 11 States of Midwest — ; no of States, with no of electoral votes, leaning to Nixon, McGovern, in doubt, O 23 p 16

In 13 States of Far West; States, with no of electoral votes, leaning to Nixon, McGovern, in doubt, map, O 30 p 28

Score on Governors; no of Dems, Repubs, party changes from Dem to Repub, Repub to Dem, N 20 p 49

Nixon in South: new high for Repubs; votes for Repub pres candidates as pct of 2-party vote in South: 1872, 1912, 1932, 1948-1972, pct, N 20 p 82

Popular vote for Pres — region by region; Northeast, Midwest, South, Border, West: Nixon, McGovern, no, pct of votes, N 20 p 83

Where Repubs gained — lost; Northeast, Midwest, South, Border States, West: Gov, Sen, House, net loss, gain, no net gain, N 20 p 83

Big winners for 1972; among races for Sen or Gov, biggest pct of votes for Sen, Gov; pcts of some other big winners, N 20 p 83

In State legis: pickup for Dems; no, names of States in which Dems, Repubs will control both houses, where legis will be divided; no of states in which Govs will deal with legis in one or both branches controlled by opposite party, Dems, Repubs will be in control of Govships, both houses of legis, N 27 p 53

Employment and Unemployment

Unemp is declining slightly for blue-collar workers — but not for white-collar groups; unemp rates: blue-collar workers, white-collar workers, pct, 1971, 1972, Jl 3 p 51

"USN & WR" Econ Unit forecasts emp by mid-1973: total labor force, armed forces, civilian labor force, emped, unemped, 2nd qtrs, 1972, 1973, change, (tb) Jl 17 p 63

One key to unemp problem ... factory output is soaring — but not factory work force; factory production, emp, 1969-1972, (p&m) Jl 31 p 70

When bank econs look ahead — replies of 33 bank econs to questionnaire from "USN & WR": unemp heading down; Question: what level of unemp do you foresee? average estimate, December 1972, June 1973, December 1973, pct, O 23 p 63

Jobs are moving to suburbs; in 15 largest metropolitan areas — workers in central cities, suburbs, 1960, 1970, change, pct, O 30 p 61

Jobs Amers hold; occupation: emp in 1970, no, change since 1960, pct, male, female workers, O 30 p 61

Unemp; pct, 1972, 1973, pct change, N 20 p 27

Who unemployed are; all civilian workers, age, sex, race, marital status, full or part-time, occupation, indus: no of unemped now, rate of unemp, change in rate from yr ago, pct, D 25 p 42

Discrimination

Big surge in sex-discrimination cases ... but race bias ranks first in complaints; actionable charges of sex discrimination filed with EEOC, 1967-1972 ... basis of discrimination complaints: race, sex, natl origin, other, religion, pct, D 11 p 90

Executives

Indus where salaries are highest; average pay of chief execs — salary, bonus, other cash compensation — in cos with $1-billion sales level, $s, D 4 p 35

Expense Accounts

When IRS looks at expense-account claims ... dining out, country clubs, house parties, yachts, Jl 10 p 46,47

Floods

Disastrous wk in June; toll: States, deaths, homeless, property damage, totals, Jl 10 p 16

Food

World grain output: sudden turn for worse; wheat, feed-grain, rice production, millions of metric tons, 1961-1972, D 11 p 30

Prices

Food prices vs other living costs; all items except food, food, 1966-1971, April, May, 1972, Jl 3 p 20

Cost of meat, food has moved up sharply in Western Europe, Canada, Japan, Argentina, how prices of food have increased (pct) in major countries over 12-mo period ending April, 1972, prices of meat abroad, Jl 3 p 21

CHARTS—Contd.

One yr's rise in grocery bills; average rise in food costs, beef, veal, pork prices, pct up, mthly 1971, 1972, S 11 p 18

Latest meat-price trends across U S; "USN & WR" spot check of five cities, prices per lb: 5 cuts of beef, pork, July, now, S 11 p 19

Gas, Natural

Why U S firms are buying natural gas abroad; annual consumption of natural gas in U S, new gas found in U S, trillion cubic feet, 1969-1972, Jl 24 p 60

Needed by 1985; 2,000 more tankers for U S; imports of oil (barrels per day), imports of liquefied natural gas (LNG) (cubic feet per day), 1972, 1985; Chase Manhattan Bank reports no of standard sized tankers required today, no of standard tankers or supertankers, ships to haul oil, LNG by 1985, S 4 p 56

Gold

Gold on free market, price is rising faster, faster; price of ounce of gold in London markets, 1969-1972, Jl 10 p 20

Who holds world's gold; value of all mined gold in world: Govts (7 nations, IMF, other govts), private holdings, $billions, Jl 10 p 21

New supplies of free-world gold, use of gold in indus, arts, millions, billions, pct of total supplies, 1961, 1971, change in demand for gold in decade by indus, arts, hoarders, govts for money reserves, Jl 10 p 22

Government

How many "advisory coms"? no one really knows, White House est: total, no affiliated with HEW, Agric, Defense Depts; Cong est: no of coms, staff mbrs, spending, Jl 17 p 79

State and Local

"Take" from State lotteries: from 5 to 500 millions in eight yrs; States, total amount collected, 1964, 1970, 1972, S 25 p 61

Government Employes

Record of decade ... whose wages have gone up fastest? among full-time workers in 11 major indus, fed, State, local govts, average annual pay in 1971, pct increase from 1961, S 25 p 65

Govt-private pay gap is widening; average annual pay of full-time workers: in Govt (fed, State, local), private indus (nonfarm workers), 1961, 1966, 1971, S 25 p 65

Government Officials

Pay of top execs frozen by White House; examples in exec, legis, judicial branches, D 25 p 17

Government Ownership

Since Socialists took office in Chile ... more than half of U S holdings have been natlized; value of U S holdings in November, 1970, now; 16 U S cos natlized, Jl 10 p 53

Government Payments

Your State's portion in revenue sharing ... how 50 biggest cities would fare; under bill passed by House: States, cities, amount received in first full yr (millions), amount per person in State's population, Jl 3 p 46,47

Social-service program that's zooming; Fed grants to States for job, family counseling, day-care centers, treatment of alcoholic, drug-abuse cases, other social services for people on welfare or those who are potential welfare clients — $millions, $billions, 1967-1974, Ag 14 p 26

What States stand to get ... "shares" for 50 biggest cities; States, cities, under bill passed by House June 22, total in first full yr (millions), per person in State's, city's population, under bill reported to Sen August 16, for gen revenue sharing, total in first full yr (millions), per person in State's, city's population, for "social services" allocation included in Sen plan but not in House plan (for States only) total in millions, Ag 28 p 68,69

Dividing up revenue-sharing dollar — ; 33 cents goes to States for spending as legis choose, with no strings attached; 67 cents goes to counties, cities, towns for spending on these programs, O 2 p 20

Where first $5 billion in "sharing" goes; for 50 States ... for 130 biggest cities: total for 1972 (millions), per person in State's, city's population, O 9 p 94,95

Five yrs of revenue sharing: 30 billion dollars; amounts earmarked for State, local govts in first five years of revenue-sharing — for States, localities, billions, 1972-1976, total, O 9 p 95

First payouts from fed revenue sharing; for 50 States ... States: total for 1972 (millions), per person in State's population, change from Sept est, D 25 p 48

First payouts from fed revenue sharing; for 50 biggest cities ... cities: total for 1972 (millions), per person in city's population, change from Sept est, D 25 p 48

Government Subsidies

Social-service program that's zooming; Ag 14 p 26

Governors

Score on Governors; no of Dems, Repubs, party changes from Dem to Repub, Repub to Dem, N 20 p 49

Where Repubs gained — lost; Northeast, Midwest, South, Border States, West: Gov, Sen, House, net loss, gain, no net gain, N 20 p 83

More Repub office holders were defeated for re-election; among incumbents running for re-election — in races for House, Sen, Gov seats, no of incumbents defeated, including Dems, Repubs, N 20 p 83

Big winners for 1972; among races for Sen or Gov, biggest pct of votes for Sen, Gov; pcts of some other big winners, N 20 p 83

How Sen Kennedy's candidates came out; results of Sen Kennedy's campaigning for 33 Dem candidates for Gov, Sen, House in 1972 election; score: no won, lost for Gov, Sen, Rep, N 20 p 83

Grain

World grain output: sudden turn for worse; wheat, feed-grain, rice production, millions of metric tons, 1961-1972, D 11 p 30

Health and Medicine

In past decade ... gains, reverses in battle against disease; reported cases of communicable diseases in U S: tuberculosis, hepatitis, measles, polio, whooping cough, syphilis, gonorrhea, mumps, German measles, diphtheria, tetanus, 1962-1971, D 25 p 66,67

Household Appliances

Ratio of families having washing machines, dryers, freezers, dishwashers, air-conditioning, Jl 17 p 49

Housing

Ratio of Amer households owning homes they live in, Jl 17 p 49

In 1960s 2 of every 3 homes added were in suburbia ... home bldg is still at record level; no of occupied dwelling units in suburbs, in cities, other than nonsuburban areas: 1960, 1970, change, 1960-70, pct; no, pct of total increase in housing units in suburbs in 1960 ... private dwelling units in suburbs authorized by bldg permits, 1967-1972, O 16 p 40,41

Mixed pattern in home bldg; housing units started: single-family homes ... apartments (structures of 5 or more units) — 1971 low (Feb), 1972 peak (Feb), latest (Sept), change since housing peak, pct up, down, N 6 p 80

Home bldg; housing starts, no, 1972, 1973, pct change, N 20 p 26

Finance

How "variable-rate mortgage" works; example: 30-yr home loan of $25,000 starting at 7 pct interest, mthly payments on standard mortgage with 7% interest rate fixed for life of loan, mthly payments on variable-rate plan — if interest rates rise, decline, 1st, 2nd, 3rd, 4th, 5th, last 5 yrs; homeowner's payments over 30-yr period: on principal, interest, total payments, Ag 21 p 67

One part of housing boom that is losing steam; homes started for low-income families eligible for fed subsidies — 1969-1972, ratio of subsidized housing to no of housing starts, 1971, 1972, S 11 p 66

How real estate rush adds to housing costs; sampling of increases in prices of typical sites for moderate-priced homes — metropolitan areas, price of site, $s, 1961, 1971, increase, pct, O 30 p 42

Financing home: cost is edging up again; average interest rates on conventional new-home mortgage, Mar 1968 (6.75%)-Oct 1972 (7.70%), N 6 p 80

Four ways to finance home; example: 30-yr loan on $30,000 home — conventional loans: 80%, 95% loan; loan backed by FHA, VA ... down payment, $s; mortgage, $s at pct; mthly payment (principal, interest), $s; mortgage insurance mthly payment, $s, D 18 p 85

Incomes and Salaries

Low pay, scarce jobs — plight of poor in big cities; Sen subcom study shows cities where at least third of inner-city labor force — counting unemped — is paid less than $80 wk, cities: pct of labor force earning less than $80 wk, 1970, Ag 14 p 25

Record of decade ... whose wages have gone up fastest? among full-time workers in 11 major indus, fed, State, local govts, average annual pay in 1971, pct increase from 1961, S 25 p 65

Govt-private pay gap is widening; average annual pay of full-time workers: in Govt (fed, State, local), private indus (nonfarm workers), 1961, 1966, 1971, S 25 p 65

Before another Govt pay raise — how private salaries compare ... look at some gains over past 5 yrs: average annual pay, 21 jobs, govt scale, comparable job in indus, $s ... average increase in pay from June, 1967, to March, 1972, 9 jobs, govt, comparable job in indus, pct, S 25 p 66

So worker's pay goes up — how much will be left? Example: typical worker in private indus, average earnings in 1965, 1972, increase in pay since 1965, $s — increase in fed income, Soc Sec taxes, "inflation tax" (31.5% increase since 1965) leaving, out of increase, $s, O 2 p 19

50 richest counties ... 50 richest cities; among counties of 50,000 or more population ... among cities of 100,000 or more population — median family income, $s, O 9 p 46

Family income — where your State stands; median family income in 1969: States, U S Average, $s, O 30 p 60

Among key voting groups — big shift to Nixon; income groups: high, middle, low income, blue-collar workers, Nixon pct of vote, 1968, 1972, N 20 p 16

People's incomes; 1972, 1973, pct change, N 20 p 27

Indus where salaries are highest; average pay of chief execs — salary, bonus, other cash compensation — in cos with $1-billion sales level, $s, D 4 p 35

CHARTS—Contd.

Pay gains for college teachers: fastest in top, bottom jobs; average annual compensation, including salary, fringe benefits of full-time faculty mbrs: profs, asst profs, instructors, 1961-62, 1971-72, pct change, D 11 p 55

Pay teachers get — sampling; average compensation, including salary, fringe benefits, in 1971-72 school yr — colleges: prof, instructor, $s, D 11 p 57

Pay of top execs frozen by White House; examples in exec, legis, judicial branches, D 25 p 17

How salaries for Govt jobs will compare with those in business ... what military pay is to be; govt scale now, Jan, 1973, comparable jobs in indus ... rank: typical yrs of service, old, new pay, $s, D 25 p 51

Indians, American

Amer's 800,000 Indians; where most of them live, significant population proportion in certain states, tribes, income, N 20 p 110

Industry

Finance

As profits rise ... corps are in better financial shape; total cash available to corps, allowance for depreciation, depletion, profits after taxes, dividends, $billions, qtrly 1967-1972, (p&m) S 4 p 65

Finance — Profits

Profit surge of '72; after-tax earnings (annual rates in billions of dollars), qtrly, 1966-1972, Ag 7 p 42

As cos report their earnings; 64 cos, profits after taxes, 2nd qtrs, 1971, 1972, pct change, up, down, Ag 7 p 43

Profit margins: on rise, but still relatively low; after-tax profits of mfg corps on each dollar of sales, qtrly, 1966-1972, S 18 p 67

As cos report their earnings; profits after taxes: cos, 3rd qtrs, 1971, 1972, pct change, N 6 p 74

Corp profits; billions, 1972, 1973, pct change, N 20 p 27

Plant and Equipment

Spending patterns in coming yr; spending by people, business, Govt, yr ago, now, up, yr from now, $billions, pct, 2nd qtrs, 1971, 1972, 1973, Jl 17 p 17

Laying groundwork for expansion ... comeback in orders for machine tools; machine-tool orders, 1968-1972, $s, (p&m) N 27 p 83

Production

Busier factories: operating rate is moving up again; factory output as pct of plant capacity, qtrly, 1969-1972, (p&m) Jl 10 p 57

Productivity of workers shows steady gains, help in stemming inflation; productivity (output per man-hr), qtrly, 1967-1972, (p&m) Jl 17 p 56

One key to unemp problem ... factory output is soaring — but not factory work force; factory production, emp, 1969-1972, (p&m) Jl 31 p 70

Output of all kinds of goods is moving up, at factory; factory production: consumer goods, business equipment, defense products, 1970-1972, (p&m) N 6 p 84

Gains in productivity are speeding up; productivity (output per man-hr in nonfarm sector), 1968-1972, (p&m) N 13 p 76

Output of indus; 1972, 1973, pct change, N 20 p 27

Inflation

When bank econs look ahead — replies of 33 bank econs to questionnaire from "USN & WR"; crackdown soon against inflation; Question? when do you foresee need to tighten monetary, fiscal policy against inflation? by end of 1972, by spring 1973, by late 1973: no of econs, O 23 p 63

Speedup in inflation? no of investment bankers that predict pace of inflation in 1973: much, moderately faster, about same, moderately, much slower, D 11 p 34

Interest Rates

When bank econs look ahead — replies of 33 bank econs to questionnaire from "USN & WR"; upward tilt in borrowing costs; Question: what will be trend of interest rates between now, mid-1973, on long term bonds, home mortgages, installment, business loans? no of econs: down moderately, little change, up moderately, up sharply, O 23 p 62

Key interest rates: on rise again; short-term rates: Treas bills, bank loans to prime borrowers, Fed Reserve loans to banks, business borrowing on commercial paper, borrowing by finance cos; long-term rates: Treas, top-grade corp, State-local tax-exempt bonds, 1969-70 high, 1972 low, latest, pct, D 18 p 83

Inventories

Booming factories, inventories begin to rise as sales climb sharply; factory inventories, sales, 1969-1972, (p&m) S 18 p 82

Puzzle for econs: in relation to sales, business inventories are still down; ratio of business inventories to sales, 1970-1972, (p&m) D 11 p 94

Investment Funds

Lure of tax-exempt-bond funds; taxable income-jt return, after deductions, exemptions, $12,000 to $16,000 — over $200,000, income-tax bracket, bond fund that yields 5 1/2% is equal to taxable investment with this yield, pct, S 11 p 86

Investments

Where people are putting their money — where they are taking it out; net additions in 1972: savings accounts, corp bonds, tax-exempt bonds, mortgages, $s — net reductions in 1972: U S Govt securities, corp stocks, mutual funds, other investment-co shares, $s, (p&m) O 2 p 59

Growing role of big investors in stock market; average daily trading by insts as pct of public transactions on New York Stock Exchange, 1960, 1966, 1969, 1971 (first half); average daily trading volume, total, shares traded by individuals, insts, 1960, 1971, O 16 p 76

Two signs that small investors are backing away from stock market; sales, purchases of mutual-fund shares, small or odd-lots of stock, 1966, 1972, O 16 p 77

What to invest in; no of investment bankers that say where they would invest if they personally received some unexpected money, what indus they like for own new stock investments, D 11 p 35

Foreign

As U S banks expand operations abroad; U S banks with foreign branches, foreign branches of those banks, nos, value of assets in those branches, $s, mid-1965, mid-1972, D 4 p 64

In every part of world — Amer bank; 56 countries, no of branches of U S banks in each, D 4 p 65

Foreign — Australia

Growing U S stake in Australia; direct investment by U S businesses in Australia, $s, 1961-1971, D 4 p 75

Foreign — Canada

How U S dominates some key Canadian indus; 12 indus, pct of total assets controlled by Amers, S 11 p 60

Rise of Amer's investment stake north of border; direct investments by U S cos in Canadian indus, $billion, 1950-1971, S 11 p 61

Foreign — Chile

Since Socialists took office in Chile ... more than half of U S holdings have been natlized; value of U S holdings in November, 1970, now; 16 U S cos natlized, Jl 10 p 53

Foreign — Mexico

U S business stake in Mexico: leveling out after long rise; direct investments by U S cos in Mexican indus, 1950-1970, latest, $millions, behind flattening out of U S investments –, O 2 p 35

Ireland, Northern

Island troubled by religious differences; Northern, Republic of Ireland; population, no of Protestants, Roman Catholics, others, Jl 31 p 41

Big build-up of Brit troops ... rising toll in Ireland's war; no of Brit troops in Northern Ireland, no of military, civilian deaths, 1969-1972, total no of people killed since 1969 (civilians, Brit, North Irish troops, police force), Ag 14 p 22

Ireland, Republic of

Island troubled by religious differences; Northern, Republic of Ireland: population, no of Protestants, Roman Catholics, others, Jl 31 p 41

Judiciary

Pay of top execs frozen by White House; examples in exec, legis, judicial branches, D 25 p 17

Kennedy, Edward M

How Sen Kennedy's candidates came out; results of Sen Kennedy's campaigning for 33 Dem candidates for Gov, Sen, House in 1972 election; score: no won, lost for Gov, Sen, Rep, N 20 p 83

Kissinger, Henry A

Kissinger travel log: no of trips, countries, times to Paris, miles traveled, been at Mr Nixon's side during meetings with foreign leaders, no of meetings, 1969, 1970, 1971, 1972, no of times he met on his own with leaders in Red China, Russia, West Germany, India, Pakistan, S 18 p 38

Labor

"USN & WR" Econ Unit forecasts emp by mid-1973: total labor force, armed forces, civilian labor force, emped, unemped, 2nd qtrs, 1972, 1973, change, (tb) Jl 17 p 63

Where absenteeism takes biggest toll; rate of absenteeism among full-time workers in 1971, change from 1967, pct: by type of worker, indus, sex, N 27 p 49

Unions

No of women in unions is growing steadily; no of female union mbrs, 1958-1970, N 13 p 104

10 unions with most women members; no of women — total, as pct of all union mbrs, N 13 p 104

Look at union mbrship in different indus ... in some specific lines of business; based on 1970 Census — union mbrs, no, as pct of total emp in indus, D 18 p 98

Unions — Collective Bargaining

Where strikes could come next yr; some major labor contracts that expire late this yr or in 1973: date, union, O 30 p 84

Unions — Political Activity

States where union mbrs could tip election; 7 States, no of electoral votes, union mbrs, pct of '72 voting-age population, candidates, margin of victory in 1968, Ag 21 p 23

Unions' lineup on candidates; political endorsements for McGovern, Nixon: union, mbrship, total, Ag 21 p 24

CHARTS—Contd.

Unions in politics: growing financial role; spending by labor unions in direct support of pres, cong candidates, based on official reports — 1956, 1960, 1964, 1968, $million; union share, (pct), of all direct political spending on natl-level candidates 1956, 1968, prediction for spending in 1972, O 23 p 19

Among key voting groups — big shift to Nixon; union-labor households: districts with large union-mbr populations — cities, precincts, Nixon's pct of vote, 1968, 1972, N 20 p 17

Labor's power in new Cong; no of candidates for House, Sen seats endorsed by AFL-CIO, no won, lost, other winners considered friendly to labor, no of Reps, Sens expected to support labor-backed measures, House, Sen seats gained by labor, N 20 p 100

Unions — Strikes

Where strikes could come next yr; some major labor contracts that expire late this yr or in 1973: date, union, O 30 p 84

Unions — United Mine Workers

UMW: shrinking, but still big business; mbrs, union treasury, welfare, retirement fund, other assets, D 4 p 92

Wages

Key facts about control program; who's covered now: no of workers, renters, doctors, businesses, pct; how big bureaucracy: control agency — Price Comm, Pay Bd, COLC, IRS, no of employes involved in controls, total; when cos ask for price boosts: no of requests for price hikes that had been acted upon by Price Comm, as of early August — increases approved, scaled back, flatly rejected, no, pct; size of wage-price hikes approved: average price increase approved, average wage increase approved, pct, Ag 21 p 14

Shrinking pattern of pay boosts; yr-to-yr increases are declining, (all indus), pct, 1968-(first six mos) 1972, trend shows up across board, mfg, nonmfg, construction, all indus, pct, 1971, first 6 mos of 1972, S 4 p 78

Factory wages; average hrly pay in mfg, $s, pct change, N 20 p 27

Wages — Fringe Benefits

"Extras" grow twice as fast as wages; average per employe in private indus: fringe benefits, regular pay, total earnings, 1961, 1971, pct increase, pct of fringe benefits in payroll costs, 1961, 1971, Ag 28 p 48

Where benefits went; of $2,544 in fringe benefits per employe in 1971: 10 benefits, $s, Ag 28 p 48

How indus compare; pct of payroll costs going into "fringes" in 1971 — 14 mfg, 5 nonmfg indus, pct, Ag 28 p 48

"Fringes": how common? pct of cos paying various kinds of employe benefits that are not required by law — 14 benefits, pct, Ag 28 p 49

Wages — Minimum Wage

How wage floors have risen in 34 yrs; wage floor, 1939-1968, Jl 31 p 72

Law Enforcement

Sudden spurt in antidrug fight; through operations of Bur of Narcotics, Dangerous Drugs operations in U S, abroad: arrests for trafficking in drugs, no, retail value of drugs seized, $s, pct increase, yr ended June 30, D 25 p 32

Lotteries

"Take" from State lotteries: from 5 to 500 millions in eight yrs; States, total amount collected, 1964, 1970, 1972, S 25 p 61

Machine Tools

Laying groundwork for expansion ... comeback in orders for machine tools; machine-tool orders, 1968-1972, $s, (p&m) N 27 p 83

CHARTS—Contd.

Marriage

Marriages have been increasing steadily ... but divorces are rising even more sharply; no of marriages in U S ... divorces, annulments, pct change, 1961-1971, ratio of marriages, divorce or annulment, 1962, 1972, Ag 14 p 30

McGovern, George S

Impact of McGovern tax ideas on people, business; est by McGovern tax advisers on 11 proposals — increase or decrease in yrly fed taxes by calendar yr 1975 on individuals, corps, total, $billions, O 2 p 84

Meat

Big jump in beef eating; per capita consumption of beef in U S: pounds, 1952, 1972, Jl 10 p 30

One yr's rise in grocery bills; average rise in food costs, beef, veal, pork prices, pct up, mthly 1971, 1972, S 11 p 18

Latest meat-price trends across U S; "USN & WR" spot check of five cities, prices per lb: 5 cuts of beef, pork, July, now, S 11 p 19

Metropolitan Areas

Your State's portion in revenue sharing ... how 50 biggest cities would fare; under bill passed by House: States, cities, amount received in first full yr (millions), amount per person in State's population, Jl 3 p 46,47

Low pay, scarce jobs — plight of poor in big cities; Sen subcom study shows cities where at least third of inner-city labor force — counting unemped — is paid less than $80 wk, cities: pct of labor force earning less than $80 wk, 1970, Ag 14 p 25

What States stand to get ... "shares" for 50 biggest cities; States, cities, under bill passed by House June 22, total in first full yr (millions), per person in State's, city's population, under bill reported to Sen August 16, for gen revenue sharing, total in first full yr (millions), per person in State's, city's population, for "social services" allocation included in Sen plan but not in House plan (for States only) total in millions, Ag 28 p 68,69

Big-city crime — record; in nation's 50 largest cities, FBI figures for 1971 on serious crimes revealed — no of cities that showed drop, rise; cities: decrease, increase in 1971, compared with 1970, pct, S 11 p 84

Natl trends in crime, 1971 compared with 1970; 7 types of crime, all serious crimes: cities of more than 250,000, cities of 100,000-250,000, suburbs, rural, over all, pct, S 11 p 84

50 richest counties ... 50 richest cities; among counties of 50,000 or more population ... among cities of 100,000 or more population — median family income, $s, O 9 p 46

Where first $5 billion in "sharing" goes; for 50 States ... for 130 biggest cities: total for 1972 (millions), per person in State's, city's population, O 9 p 94,95

How real estate rush adds to housing costs; sampling of increases in prices of typical sites for moderate-priced homes — metropolitan areas, price of site, $s, 1961, 1971, increase, pct, O 30 p 42

Among key voting groups — big shift to Nixon; residential patterns: city dwellers, suburbanites, small-town, rural voters, Nixon's pct of vote, 1968, 1972, N 20 p 16

Look at business across U S; Eastern, Central, Western cities, U S average: dept store sales compared with yr ago, extent of unemp, nonfarm emp compared with yr ago, income of average factory worker, factory workers' income compared with yr ago, construction activity compared with yr ago, N 27 p 65,67

First payouts from fed revenue sharing; for 50 biggest cities ... cities: total for 1972 (millions), per person in city's population, change from Sept est, D 25 p 48

CHARTS—Contd.

Mexico

Mexico — struggling to keep up with exploding population; area, population, econ, indus, agric, O 2 p 34

U S business stake in Mexico: leveling out after long rise; direct investments by U S cos in Mexican indus, 1950-1970, latest, $millions, behind flattening out of U S investments –, O 2 p 35

Middle East

Israeli-Arab Relations

Spread across Middle East: 2.7 million Palestinians; no in Lebanon, Syria, Israel, West Bank, Jordan, Gaza, scattered throughout other Mideast states, S 25 p 32

Minerals

With 5% of world's people, U S consumes 30% of world's minerals; of total output of key minerals each yr, U S uses following proportions, pct, D 4 p 81

Stockpile of strategic materials ... shrinking source of mineral supplies; amounts of minerals in stockpile in mid-1965, mid-1972, tons, pounds, D 4 p 82

Mines and Mining

More, more strip-mined coal; total soft-coal output in U S, output of strip-mined coal, tons, strip-mined coal as share of all soft coal, pct, 1964, 1968, 1972, S 25 p 77

Mutual Funds

Two signs that small investors are backing away from stock market; sales, purchases of mutual-fund shares, small or odd-lots of stock, 1966,1972, O 16 p 77

National Defense

Armaments -- Missiles

Big edge U S concedes to Russia in nuclear missiles, upper limits set by SALT I agreements of 1972; no of land-based, sea-based missiles, total offensive nuclear missiles, Russia, U S; separate pact provision, N 27 p 72,73

Armed Forces

While U S strength dwindles in Vietnam — back near peak power in Thailand; U S military forces in Thailand, 1965-1972, U S military forces in Vietnam, April, 1969, August, 1972, Ag 21 p 31

Look at today's draft — what's ahead for 1973; all-volunteer armed forces will cost more, no of men on duty, cost, cost per man, 1965, 1973, S 11 p 21

Look at today's draft — what's ahead for 1973; ratio of blacks in uniform is rising, men in uniform, pct who are blacks, 1969-1972; no of men or pct decline in armed forces, blacks since 1969, no of whites, blacks now; black enlisted, voluntary enlistees in Army, Navy, Air Force, Marine Corps, pct, 1972, S 11 p 21

Blacks in services: figures show this — ; at end of Korean War, decade ago, latest count, ratio of blacks in armed forces, no of blacks now in uniform: Army, Navy, Air Force, Marines — enlisted men, officers, no, proportion of service group, pct, N 27 p 27

How salaries for Govt jobs will compare with those in business ... what military pay is to be; govt scale now, Jan, 1973, comparable jobs in indus ... rank: typical yrs of service, old, new pay, $s, D 25 p 51

Finance

Look at today's draft — what's ahead for 1973; all-volunteer armed forces will cost more, no of men on duty, cost, cost per man, 1965, 1973, S 11 p 21

CHARTS—Contd.

Now, upward trend in defense business; defense contracts awarded, $billions, half-yrs, 1968-1972, O 9 p 96

Three measures that show declining influence of Vietnam war on U S econ — : govt spending, emp, total U S output, gnp, N 13 p 24

Nationality

Shifting makeup of Amer's foreign stock; country of origin of foreign-born or those with foreign-born parent: Northern, Southern, Eastern Europe, Amers, Asia, countries, no in 1970, change since 1960, O 30 p 61

Among key voting groups — big shift to Nixon; racial, ethnic groups: Black, Jewish, Italian, Latin-Amer voters, States, Nixon's pct of vote, 1968, 1972, N 20 p 17

Negroes

Look at today's draft — what's ahead for 1973; ratio of blacks in uniform is rising, men in uniform, pct who are blacks, 1969-1972; no of men or pct decline in armed forces, blacks since 1969, no of whites, blacks now; black enlisted, voluntary enlistees in Army, Navy, Air Force, Marine Corps, pct, 1973, S 11 p 21

Blacks in services: figures show this — ; at end of Korean War, decade ago, latest count, ratio of blacks in armed forces, no of blacks now in uniform: Army, Navy, Air Force, Marines — enlisted men, officers, no, proportion of service group, pct, N 27 p 27

Politics and Suffrage

Among key voting groups — big shift to Nixon; racial, ethnic groups: Black, Jewish, Italian, Latin — Amer voters, States, Nixon's pct of vote, 1968, 1972, N 20 p 17

More blacks in Cong; no of Negroes before, after election, election results in House, Sen races, N 20 p 83

Nixon, Richard M

Administration and Policies

Fed payroll under Nixon; down in emps ... but up sharply in $s, no of civilian workers, exec branch, Jan, 1969, Sept, 1972, pct change ... total fed pay, 1969, 1972, $s, pct change, N 27 p 55

Administration and Policies — Appointments and Resignations

Bureaucracy Nixon wants to control; no of people on White House staff, 11 Cabinet depts, 82 ind agencies, comms, bds, total, no, ratio of jobs under Nixon's appointive power, D 11 p 13

Administration and Policies — Cabinet, Aides and Advisers

Spread of White House bureaucracy ... since Nixon took office; no of White House staff mbrs: at end of 1968, 1970, latest, increase under Nixon, no or pct, no in groups on White House staff, their duties, N 27 p 56

Administration and Policies — Foreign Relations

Kissinger travel log: no of trips, countries, times to Paris, miles traveled, been at Mr Nixon's side during meetings with foreign leaders, no of meetings, 1969, 1970, 1971, 1972, no of times he met on his own with leaders in Red China, Russia, West Germany, India, Pakistan, S 18 p 38

Nurseries

Day care — what is available; Natl Council of Jewish Women survey of day-care facilities in U S: profit-making facilities, non-profit centers, day-care homes, parent's homes, no, capacity, charges, pct rated "good" or higher, D 11 p 64

Occupations

Jobs Amers hold; occupation: emp in 1970, no, change since 1960, pct, male, female workers, O 30 p 61

CHARTS—Contd.

Palestinians

Spread across Middle East: 2.7 million Palestinians; no in Lebanon, Syria, Israel, West Bank, Jordan, Gaza, scattered throughout other Mideast states, S 25 p 32

Pension Funds

Surge in private pension funds ... where money is invested; total assets of pension plans, $billions, 1961-1972 ... cents of each dollar of assets in noninsured pension funds invested in common stocks, corp bonds, mortgages, U S Govt securities, other assets, O 2 p 60

Pension Plans

Suppose you retire before age 65 — ; typical mthly pensions emp would receive if he retired at various earlier ages — age at retirement, 64 - 55 yrs, mthly pension, $s, O 23 p 56

Close look at 841 private pension plans; CB study of pension plans of 641 mfg cos shows pct of plans providing various types of benefits, requirements for early retirement, pct of retirements in typical yr, rate among cos that provide "sweetener" to early retirees, O 23 p 58

Petroleum

Needed by 1965; 2,000 more tankers for U S; imports of oil (barrels per day), imports of liquefied natural gas (LNG) (cubic feet per day), 1972, 1985; Chase Manhattan Bank reports no of standard sized tankers required today, no of standard tankers or supertankers, ships to haul oil, LNG by 1985, S 4 p 56

Physicians

Nixon Admin proposed four solutions on how to end "doctor draft"; ratio of volunteer, drafted doctors on active duty now, no of doctors needed in 1972, 1974, S 11 p 21

Poland

Red-bloc nation trying to speed recovery; Poland: area, population, output, trade, living standards, agric, S 25 p 99

Pollution

Price tag on clean environment — 287 billions in '70s; outlays by govt, business to fight air, water, solid-waste, noise, radiation, other pollution, total, $s, pct, Ag 21 p 82

Water

Your State's share of antipollution funds; what Cong voted for each State to eliminate water pollution during 1972-75 period: States, $s, O 30 p 38

Population

Some facts about this Nation's people; based on Census Bur study of U S population in 1970 — income, age, educ, jobs, housing, origins, family size, marriage, mobility, commuting, O 30 p 59

Shifting makeup of Amer's foreign stock; country of origin of foreign-born or those with foreign-born parent: Northern, Southern, Eastern Europe, Amers, Asia, countries, no in 1970, change since 1960, O 30 p 61

Will U S population level off? Census Bur "high", "low" projections: with nearly 2, 3 children per family, 1972-2020, D 25 p 59

If current trends hold ... how age mix of Amers will change; children, teen-agers, young adults, younger middle-age, older middle-age group, people 65, over, now, yr 2000, pct change, D 25 p 60,61

U S fertility rate hits all-time low; fertility rate, 1930-1972, D 25 p 62

Poverty

People in poverty: long decline comes to halt; no of people living in poverty, as officially defined, 1960-1971, ratio of Amers who live in poverty, 1962, 1972, Ag 14 p 23

CHARTS—Contd.

Who are poor? based on official definition of poverty level — children, elderly make up majority of poor, poverty is most common in central cities, rural area, South leads in no of poor, 7 out of 10 poor are white, poor trail in educ, no, pct of all poor, Ag 14 p 24

Low pay, scarce jobs — plight of poor in big cities; Sen subcom study shows cities where at least third of inner-city labor force — counting unemped — is paid less than $80 wk, cities: pct of labor force earning less than $80 wk, 1970, Ag 14 p 25

Presidency

Riding Pres's coattails into Cong — what record shows; Pres election yr, 1916-1968, party winning White House, party — pres, change in House seats for Pres's party, O 30 p 34

Bouncing back from landslide loss, what record shows — ; elections in 1920, 1928, 1932, 1936, 1956, 1964, elections in which party that lost won Pres in next election, N 20 p 32

Prices

Since price curbs were imposed; change in average prices across U S since August, 1971: items that have climbed most sharply, have barely risen, have fallen, pct change up, down, Jl 31 p 17

When cos ask for price hikes — record so far; no of requests for price boosts, results — increases approved, scaled down, flatly rejected, average price increase, no or pct, mid-November, 1971 — mid-July, 1972, Jl 31 p 18

Two trends that alarm Europe's businessmen; prices are rising faster than in U S ... gains in real output are lagging behind U S, — annual rate (pct) of increase in consumer prices ... annual rate (pct) of rise in gnp: Belgium, France, West Germany, Italy, Netherlands, Switzerland, United Kingdom, U S, 1965-70, latest 12 mos, 1972, S 18 p 53

Pattern of wholesale prices ... indus goods rise steadily, farm products move erratically; wholesale prices: indus commodities, farm products, mthly, 1970-1972, N 20 p 86

Price changes in past yr; average change in prices across U S from Oct, 1971 to Oct, 1972, items that fell in price, barely rose, increased sharply, pct, D 11 p 28

Prisoners of War

Amer prisoners: their fate in four wars; W W I, W W II, Korean War, Vietnam War: number taken prisoner, died in captivity, repatriated, S 18 p 33

Propane

Propane output has doubled in decade; production of propane in U S, 1962-1972, gallons, D 18 p 97

Public Opinion Polls

Gallup Poll shows voter preferences for Nixon, McGovern, indicates popular vote for each, Jl 3 p 16:3

As Dems start campaigning — standings in polls; Gallup Poll shows McGovern trailing Pres Nixon; pct of votes, in three-way race: Nixon, McGovern, Wallace, undecided; in 1968: Nixon, Humphrey, Wallace, undecided; in two-way race: Nixon, McGovern, undecided, after Dem Convention, pre-Convention polls, Jl 31 p 20

Profile of registered voters; based on Gallup Poll — pct of voting-age Amers registered to vote in this yr's election, by party, age, sex, race, educ, region, religion, occupation, Ag 28 p 18

Nixon vs McGovern, how race stands now; latest Sindlinger report, favoring Nixon, McGovern, undecided, other, pct, S 4 p 25

CHARTS—Contd.

Growth of Nixon lead in Gallup Poll; Nixon, McGovern, undecided, in poll taken Aug 5 to 12, Aug 26,27, pct-point change, up, down, S 11 p 15

In past two campaigns ... how leads in polls narrowed; Gallup Poll shows: Johnson vs Goldwater, 1964, Nixon vs Humphrey, 1968, Nixon vs McGovern, 1972, August, September, October, final poll, actual result, pct, S 25 p 18

Latest State polls — ; results in surveys of 16 states across nation: Nixon, McGovern, undecided or others, pct, O 23 p 26

Three natl surveys — with one conclusion; Gallup Poll, Harris Survey, Sindlinger & Co, based on personal, telephone invus, no of persons, no planning to vote: Nixon, McGovern, others, undecided or not sure, pct, O 23 p 27

Which is "worst tax"? — people's choice; poll conducted for U S Advisory Comm on Intergovtal Relations shows how Amers rank opposition to local property, fed income, State income, State sales tax, don't know, pct of total U S public, O 23 p 70

In homestretch: what Gallup Poll shows; Nixon, McGovern: mid-July, early, late Aug, late Sept, early, mid-Oct, N 6 p 25

How polls made out; Gallup, Harris, Sindlinger final polls for Nixon, McGovern, others, undecided; actual vote, pct, N 20 p 18

Purchasing Power

Real pay of workers: on upgrade; average wkly pay, after taxes for nonfarm workers, 1969-1972, Jl 24 p 69

How different groups of employes have fared in "real" pay; 7 groups of employes: average wkly pay now, before taxes, gain in pay from yr ago, change in "real" pay — after allowing for taxes, Jl 24 p 69

How workers' take-home pay is outstripping cost of living; take-home pay (average wkly pay after taxes, for nonfarm workers), cost of living (consumer prices), mthly 1969-1972, (p&m) S 11 p 54

Are you holding your own against inflation, taxes? for married worker with two children, taking into account inflation, higher fed taxes — if you earned this much in 1965 — $4,000 to $75,000, you need this much to be as well of — $s, additional amount needed — $s or %, O 2 p 19

So worker's pay goes up — how much will be left? Example: typical worker in private indus, average earnings in 1965, 1972, increase in pay since 1965, $s — increase in fed income, Soc Sec taxes, "inflation tax" (31.5% increase since 1965) leaving, out of increase, $s, O 2 p 19

Railroads

Turnaround in RR earnings; net railway operating income, $s, 1966-1972; earnings in cents on each dollar of investment this yr, Jl 17 p 60

Bankrupt RR trims its losses; Penn Central profit, loss, 1966-1971, first half, 1972, Ag 28 p 31

Trend in Amtrak's operations — ; in four mos ended August 31 — revenues are growing moderately but losses still are heavy, 1971, 1972, $s, pct change, D 4 p 51

Upswing in freight hauling: truckers far outpace railroads; intercity freight hauled by trucks, railroads, third qtr — 1968-1972, (p&m) D 4 p 68

Real Estate

Skyrocketing value of land; total market value of all taxable land in U S, as appraised by local govts, billions, 1962-1972, O 30 p 40

All types are sharing in rise; price increases in past decade, over U S — homesites, farmland, recreation land, highways, shopping centers, indus parks, O 30 p 41

How real estate rush adds to housing costs; sampling of increases in prices of typical sites for moderate-priced homes — metropolitan areas, price of site, $s, 1961, 1971, increase, pct, O 30 p 42

Religion

Catholic Church

Fewer, fewer Catholic Schools, pupils; pupils in Catholic grade schools, high schools, Catholic grade schools, high schools in operation, 6 yrs ago (1965-66 school yr), latest (1971-72 school yr), decline, no or pct, Ag 28 p 60

Retail Trade

Boom in retail trade ... how it's showing up in stores; total retail sales, change in past yr, billions, pct ... 9 kinds of businesses: retail sales, millions, July 1971-1972, pct gain in past yr, Ag 28 p 24,25

Since recovery began ... retail sales of hard goods rise more sharply than soft goods; retail sales on nondurable, durable goods, 1969-1972, (p&m) S 25 p 82

Outlook for merchants: very merry Christmas; retail sales, Oct-Dec, 1968-1972, $billions, N 13 p 69

Retail sales; billions, 1972, 1973, pct change, N 20 p 27

Holiday shopping: biggest splurge ever; retail sales, Dec, 1968-1972, D 25 p 26

Retirement

More, more people are retiring early on Soc Sec; no of workers who had retired on Soc Sec before age 65 — or pct of all retired workers collecting benefits, in early 1962, 1967, 1972, O 23 p 55

Suppose you retire before age 65 — ; typical mthly pensions emp would receive if he retired at various earlier ages — age at retirement, 64 - 55 yrs, mthly pension, $s, O 23 p 56

Close look at 841 private pension plans; CB study of pension plans of 641 mfg cos shows pct of plans providing various types of benefits, requirements for early retirement, pct of retirements in typical yr, rate among cos that provide "sweetener" to early retirees, O 23 p 58

Russia

Soviet five-yr plan: no 1 target, more goods for consumers: 8 consumer products, output in 1970, target for 1975, pct change, up, down; sharp step-up in consumer services: value of 7 services, 1970, target for 1975 (millions of dollars), pct change; upgrading average Russian's diet: pounds consumed per person — 6 fish, farm products, 1970, 1975 target, pct change up, Jl 24 p 52

As Soviets move into auto age — ; auto output under latest Russian five-yr plan, 1970-1975, also sweeping expansion by 1975 of highways (miles), service stations, dealer-service centers, gasoline (pct increase), Jl 24 p 53

Agriculture

Amer's fabulous "breadbasket", Russia's "fertile triangle"; rainfall, growing season, corn, wheat production, Agric Sec Butz comments, Jl 31 p 24

Russia's slumping grain production ... what U S can sell other countries; major grains (million metric tons), 1970, 1971, 1972 ... major grains, soybeans, U S supply for coming yr, U S will need in coming yr, left over for export, reserves, (millions of bushels), Ag 28 p 22,23

Military

Big edge U S concedes to Russia in nuclear missiles, upper limits set by SALT I agreements of 1972; no of land-based, sea-based missiles, total offensive nuclear missiles, Russia, U S; separate pact provision, N 27 p 72,73

Savings

Sign of optimism ... people are saving less; personal savings at seasonally adjusted annual rates, 1969-1972, (p&m) Ag 21 p 57

Where people are putting their money — where they are taking it out; net additions in 1972: savings accounts, corp bonds, tax-exempt bonds, mortgages, $s — net reductions in 1972: U S Govt securities, corp stocks, mutual funds, other investment-co shares, $s, (p&m) O 2 p 59

Selective Service

Nixon Admin proposed four solutions on how to end "doctor draft"; ratio of volunteer, drafted doctors on active duty now, no of doctors needed in 1972, 1974, S 11 p 21

Look at today's draft — what's ahead for 1973; most enlistees have high-school diploma, high-school graduates as pct of all enlistees, in first six-mos, 1971, 1972, S 11 p 21

Look at today's draft — what's ahead for 1973; toward "zero" draft ... as enlistments stay up, no of draftees, 1952-67 average, 1968-73 ... no of enlistments 1971, 1972, S 11 p 21

Look at today's draft — what's ahead for 1973; all-volunteer armed forces will cost more, no of men on duty, cost, cost per man, 1965, 1973, S 11 p 21

Shipbuilding

Needed by 1985: 2,000 more tankers for U S; imports of oil (barrels per day), imports of liquefied natural gas (LNG) (cubic feet per day), 1972, 1985; Chase Manhattan Bank reports no of standard sized tankers required today, no of standard tankers or supertankers, ships to haul oil, LNG by 1985, S 4 p 56

Social Security

Coming boost in pensions; mthly Soc Sec benefits for workers, married couples retired at 65: under old, new law, average mthly pay subject to Soc Sec taxes in working yrs: $76 or less-$1,000, Jl 17 p 32

Top pensions: rise ahead; maximum mthly pensions for — men, married couples retiring January 1 at 65, under old, new rules, yr of retirement: 1972-2000, Jl 17 p 33

Soc Sec taxes go up, too; maximum annual tax voted by Cong on emp, employer (each), on self-employed person, 1972, 1973, 1974-85, 1986-92, yrly pay: $3,000-$12,000, over, Jl 17 p 33

More, more people are retiring early on Soc Sec; no of workers who had retired on Soc Sec before age 65 — or pct of all retired workers collecting benefits, in early 1962, 1967, 1972, O 23 p 55

New rule on earnings after retirement; after Jan 1 pensioners under 72 can earn up to $2,100 yr without losing benefits, — no ceiling applies to those over 72; if you earn up to $2,100-$8,326, your pension will be $3,113-0, O 30 p 17

Paying for Soc Sec: upward march of taxes; yrly wage subject to tax, minimum tax on worker, his employer, self-employed person's maximum tax, 1937-2011, after, D 18 p 40

28 million people — nearly 1 out of every 7 Amers — get Soc Sec benefit now; total benefits paid (millions), no of people getting mthly benefits, people getting benefits, as pct of all Amers, 1940, 1947, 1957, 1967, 1972, D 18 p 41

Soc Sec takes rising share of natl income, one fifth of all fed taxes; total of Soc Sec taxes, contributions, as pct of U S natl income, as pct of all fed receipts, 1937, 1947, 1957, 1967, 1972, D 18 p 41

CHARTS—Contd.

Yrly income still exceeds outgo in Soc Sec accounts ... ; total income, outgo, excess of income over outgo, 1937, 1947, 1957, 1967, 1972, $millions, D 18 p 42

... but outflow of benefits now is greater than reserves on hand as each yr begins; total assets in Soc Sec Trust funds at start of yr, total benefits paid out in yr, 1937, 1947, 1957, 1965 (last yr that assets exceeded benefits), 1966 (first yr that benefits exceeded assets), 1972, $millions, D 18 p 42

Peek at future: pensions of $33,000 yr for retired couple by yr 2011? maximum wages subject to tax, maximum mthly benefit for worker retiring at age 65 in yr, 1972-2011, D 18 p 43

Space

Space Flight To Moon

Sea of Serenity, sixth — final — target on moon; five earlier landings, Apollo 11, 12, 14, 15, 16, map, D 11 p 22

Spending

Total spending in U S is picking up speed; gnp, $billions, qtrly, 1969-1972, (p&m) Ag 7 p 51

Consumer

Spending patterns in coming yr: spending by people, business, Govt, yr ago, now, up, yr from now, $billions, pct, 2nd qtrs, 1971, 1972, 1973, Jl 17 p 17

Government

Spending patterns in coming yr; spending by people, business, Govt, yr ago, now, up, yr from now, $billion, pct, 2nd qtrs, 1971, 1972, 1973, Jl 17 p 17

Bigger role in econ ... Govt accounts for growing proportion of spending in U S; spending by fed, State, local govts as pct of total U S spending, (p&m) Ag 14 p 61

Fed billions pour out faster, faster ... money in pipeline piles up, assuring still more spending; budget expenditures: billions, 1969-1973, change from preceding yr — in total dollars, in pct ... carry — over of funds authorized but unspent: billions, change in pool of unspent funds, billions, 1969-1973, O 23 p 84,85

Standard of Living

Affluence in Amer; ratio of Amers owning autos, homes, TV sets, color TV, other appliances, Jl 17 p 49

States

Your State's portion in revenue sharing ... how 50 biggest cities would fare; under bill passed by House: States, cities, amount received in first full yr (millions), amount per person in State's population, Jl 3 p 46,47

Disastrous wk in June; toll: States, deaths, homeless, property damage, totals, Jl 10 p 16

Where 600 are under sentence of death; States, no of persons awaiting execution; States that have abolished death penalty, limited death penalty, maintain capital punishment, Jl 10 p 25

Gas, cigarette, sales taxes — how your State compares; tax rates as of July 1, 1972 — States: gasoline (per gallon), cigarette (per pack), sales (pct), Jl 31 p 67

States where union mbrs could tip election; 7 States, no of electoral votes, union mbrs, pct of '72 voting-age population, candidates, margin of victory in 1968, Ag 21 p 23

What States stand to get ... "shares" for 50 biggest cities; States, cities, under bill passed by House June 22, total in first full yr (millions), per person in State's, city's population, under bill reported to Sen August 16, for gen revenue sharing, total in first full yr (millions), per person in State's, city's population, for "social services" allocation included in Sen plan but not in House plan (for States only) total in millions, Ag 28 p 68,69

"Take" from State lotteries: from 5 to 500 millions in eight yrs; States, total amount collected, 1964, 1970, 1972, S 25 p 61

Where first $5 billion in "sharing" goes; for 50 States ... for 130 biggest cities: total for 1972 (millions), per person in State's, city's population, O 9 p 94,95

Your State's share of antipollution funds; what Cong voted for each State to eliminate water pollution during 1972-75 period: States, $s, O 30 p 38

Family income — where your State stands; median family income in 1969: States, U S average, $s, O 30 p 60

States, electoral votes — leaning to Nixon, McGovern, in doubt; totals, N 6 p 27

Electoral-vote landslide; no of States, electoral votes for Nixon, McGovern; popular vote, State by State, Nixon, McGovern, totals, N 20 p 14,15

How casualties in Vietnam vary, State by State; States: deaths, deaths per 100,000 population, D 18 p 27

First payouts from fed revenue sharing; for 50 States ... States: total for 1972 (millions), per person in State's population, change from Sept est, D 25 p 48

Midwest

In 11 States of Midwest — ; no of States, with no of electoral votes, leaning to Nixon, McGovern, in doubt, O 23 p 16

Northeast

In 10 Northeastern States — ; States, with electoral votes, leaning to Nixon, McGovern, in doubt, map O 9 p 19

South

In South, Border regions; no of States, with no of electoral votes, leaning to Nixon, McGovern, in doubt, O 16 p 21

West

In 13 States of Far West; States with no of electoral votes, leaning to Nixon, McGovern, in doubt, map, O 30 p 28

Stocks and Bonds

Stock market: pattern of zigs, zags; Dow Jones indus averages, 1971, 1972; daily closings, July 21-28, 1972, Ag 7 p 26

Growing role of big investors in stock market; average daily trading by insts as pct of public transactions on New York Stock Exchange, 1960, 1966, 1969, 1971 (first half); average daily trading volume, total, shares traded by individuals, insts, 1960, 1971, O 16 p 76

Two signs that small investors are backing away from stock market; sales, purchases of mutual-fund shares, small or odd-lots of stock, 1966, 1972, O 16 p 77

"Breaking 1,000": elusive goal for stock market; closing prices, Dow Jones indus average, 1966-1972: record high Feb 9, 1966 - Aug 14, 1972, O 23 p 73

When wars end — what happens to stock market? index based on Dow Jones indus average, with price on day war ended equaling 100, mthly closing prices: day war ended, W W I, W W II, Korean War, change one year after war's end, pct, N 13 p 23

"Breaking 1,000": new highs for stock market; Dow Jones Indus Average, mthly, 1966-1972, daily closing prices, Nov, 1972, N 27 p 32,33

Leading latest surge — ; 20 fastest-gaining groups of stocks from mid-Oct — Nov 15, N 27 p 33

Size-up of 1973; no of investment bankers that expect trend in bond prices in mos ahead to be sharply, moderately upward, not much change, moderately, sharply down, D 11 p 35

Outlook for stock prices; no of investment bankers that predict broad trend of stock prices during most of 1973: sharply, moderately upward, not much change, moderately, sharply down, D 11 p 35

Outlook for stock prices; no of investment bankers that predict where Dow Jones indus average will be in mid-1973: under 900, 900-950, 950-1,000, 1,000-1,050, more than 1,050, D 11 p 35

What to invest in; no of investment bankers that say where they would invest if they personally received some unexpected money, what indus they like for own new stock investments, D 11 p 35

Strategic Materials

With 5% of world's people, U S consumes 30% of world's minerals; of total output of key minerals each yr, U S uses following proportions, pct, D 4 p 81

Stockpile of strategic materials ... shrinking source of mineral supplies; amounts of minerals in stockpile in mid-1965, mid-1972, tons, pounds, D 4 p 82

Suburbs

In 1960s 2 of every 3 homes added were in suburbia ... home bldg is still at record level; no of occupied dwelling units in suburbs, in cities, other than nonsuburban areas: 1960, 1970, change, 1960-70, pct; no, pct of total increase in housing units in suburbs in 1960 ... private dwelling units in suburbs authorized by bldg permits, 1967-1972, O 16 p 40,41

Jobs are moving to suburbs; in 15 largest metropolitan areas — workers in central cities, suburbs, 1960, 1970, change, pct, O 30 p 61

Among key voting groups — big shift to Nixon; residential patterns: city dwellers, suburbanites, small-town, rural voters, Nixon's pct of vote, 1968, 1972, N 20 p 16

Supreme Court

Way Ct divides; pattern shown by votes of nine justices in past Ct term: four Nixon appointees, Chief Justice Burger, Justices Blackmun, Powell, Rehnquist; three holdovers from so-called Warren Ct, Justices Douglas, Brennan, Marshall; two "swing men", Justices White, Stewart, Jl 17 p 29

In two decades: Supreme Ct's case load more than tripled; no of cases put on Supreme Ct docket, 1952-1972, Ag 21 p 39

Pay of top execs frozen by White House; examples in exec, legis, judicial branches, D 25 p 17

Tax-Exempt Bonds

Lure of tax-exempt-bond funds; taxable income — jt return, after deductions, exemptions, $12,000 to $16,000 — over $200,000, income-tax bracket, bond fund that yields 5 1/2% is equal to taxable investment with this yield, pct, S 11 p 86

Taxes

Which is "worst tax"? — people's choice; poll conducted for U S Advisory Comm on Intergovtal Relations shows how Amers rank opposition to local property, fed income, State income, State sales tax, don't know, pct of total U S public, O 23 p 70

Estate and Gift

When there's choice between gift taxes, estate taxes — ; facts on gift, estate taxes, example, D 18 p 57

Evasion

Tax drive gets results; criminal income-tax cases referred to Justice Dept for prosecution, 1968-1971, deficiencies, penalties,

CHARTS—Contd.

interest collected, $s, pct rise in 3 yrs, D 4 p 25

Individual Income

Individual income tax returns filed for 1970; adjusted-gross-income class, over $50,000-over $1,000,000, total returns, number showing no tax, tax due, average tax paid, Ag 7 p 64

Effect on individual income tax liability of Tax Reform Act of 1969 ... Revenue Act of 1971; calendar yr 1971 levels of income: adjusted-gross-income class, $0-$3,000 to $100,000 over, tax under 1968 law, 1972 law, change under 1972 law from 1968 law, $millions, pct, total, Ag 7 p 65

Where tax "subsidies" go; est by Treas Under Sec Cohen, in testimony before Jt Econ Com of Cong, shows tax preferences individuals were allowed in 1971: annual income, less than $3,000-$100,000 over, 32 benefits from personal deductions, exclusions, $s, total, Ag 7 p 66

Suppose you get 5% pay raise — ; man with wife, 2 children gets 5% pay boost on Jan 1, 1973: base pay now $150, $250, $400, $500, take-home pay now; base pay after 5% raise — fed income tax takes this, Soc Sec tax takes this; take-home pay after raise; change from present take-home pay, D 18 p 39

Legislation

Impact of McGovern tax ideas on people, business; est by McGovern tax advisers on 11 proposals — increase or decrease in yrly fed taxes by calendar yr 1975 on individuals, corps, total, $billions, O 2 p 84

Property

Burden of real estate taxes on elderly; study by Advisory Comm on Intergovtal Relations shows — average property taxes paid for each $100 of annual income: all homeowners in U S, elderly homeowners, elderly homeowners with incomes of less than $2,000, $s, property levies in some areas of Northeast, O 23 p 69

Which is "worst tax"? — people's choice; poll conducted for U S Advisory Comm on Intergovtal Relations shows how Amers rank opposition to local property, fed income, State income, State sales tax, don't know, pct of total U S public, O 23 p 70

Property tax collections grow in $s ... but make up shrinking share of all State-local levies; State-local property taxes ... property taxes as pct of all State-local taxes: 1961, 1966, 1972, N 6 p 92

Social Security

Soc Sec taxes go up, too; maximum annual tax voted by Cong on emp, employer (each), on self-employed person, 1972, 1973, 1974-85, 1986-92, yrly pay: $3,000-$12,000, over, Jl 17 p 33

Taxes for pensions: sharp rise next yr, more to come; maximum tax on each worker, with employers paying matching amount: now 1972, next year 1973, in future years — 1974-77, 1978-80, 1981-85, by 2011, 1986, after (self-employed only), yrly pay $3,000-$12,000, over, O 30 p 16

Suppose you get 5% pay raise — ; man with wife, 2 children gets 5% pay boost on Jan 1, 1973: base pay now $150, $250, $400, $500, take-home pay now; base pay after 5% raise — fed income tax takes this, Soc Sec tax takes this; take-home pay after raise; change from present take-home pay, D 18 p 39

How Soc Sec taxes will bite into your paycheck; Soc Sec tax 5.85% will be levied on maximum of $10,800 of worker's salary; wkly pay, Soc Sec Tax, length of time tax will be levied, D 18 p 39

CHARTS—Contd.

Paying for Soc Sec: upward march of taxes; yrly wage subject to tax, maximum tax on worker, his employer, self-employed person's maximum tax, 1937-2011, after, D 18 p 40

Soc Sec takes rising share of natl income, one fifth of all fed taxes; total of Soc Sec taxes, contributions, as pct of U S natl income, as pct of all fed receipts, 1937, 1947, 1957, 1967, 1972, D 18 p 41

Yrly income still exceeds outgo in Soc Sec accounts ... ; total income, outgo, excess of income over outgo, 1937, 1947, 1957, 1967, 1972, $millions, D 18 p 42

Peek at future: pensions of $33,000 yr for retired couple by yr 2011? maximum wages subject to tax, maximum mthly benefit for worker retiring at age 65 in yr, 1972-2011, D 18 p 43

State and Local

Gas, cigarette, sales taxes — how your State compares; tax rates as of July 1, 1972 — States: gasoline (per gallon), cigarette (per pack), sales (pct), Jl 31 p 67

Television

Pct of families owning TV, color TV, Jl 17 p 49

Thailand

While U S strength dwindles in Vietnam — back near peak power in Thailand; U S military forces in Thailand, 1965-1972, U S military forces in Vietnam, April, 1969, August, 1972, Ag 21 p 31

Tobacco

Cigarettes' comeback; no of cigarettes smoked per person aged 18, over, all-time high, Surgeon Gen's report, cigarette packages required to carry warning of health hazards, cigarette ads banned on TV, print ads start warning of health hazards, 1962, 1972, O 9 p 92

Transportation

Some facts about this nation's people; based on Census Bur study of U S population in 1970 — ... commuting, O 30 p 59

Trucks and Trucking Industry

Upswing in freight hauling: truckers far outpace railroads; intercity freight hauled by trucks, railroads, third qtr — 1968-1972, (p&m) D 4 p 68

One record set — another in sight; new-truck sales, 1967-1972, D 18 p 37

Underdeveloped Countries

Widening gap between rich, poor nations; total natl output per person in developed, less-developed countries, $s, 1960-1971, O 16 p 53

20 wealthiest nations ... among poorest — 20 examples; total natl output per person, $s, annual rate of increase in past decade, pct, O 16 p 54

United Arab Republic

Soviet military forces in Egypt: total personnel, no of fighter planes, Soviet-manned missiles, Naval forces; military arms Soviets have given to Cairo: Soviet equipment in Egyptian armed forces at latest count — Air Force, Army, Navy, Jl 31 p 31

United Nations

Who pays U N dues; U S, Russia, China, Japan, Brit, France, others, millions of $s, pct, 1972, D 18 p 88

United States

Finance — Balance of Payments

From surplus to deficit — U S trade balance keeps worsening; trade surplus, deficit, mthly averages in millions of dollars, 1964-1972, (p&m) Ag 28 p 59

Toward stronger dollar? shrinking deficit in U S balance of payments: U S balance of payments, surplus, deficit, 1968-1972, S 25 p 68

CHARTS—Contd.

Finance — Bonds

U S savings bonds: coming back into favor; value of savings bonds redeemed, bought, 1963-1972, Jl 31 p 59

Finance — Budget

No matter who is in White House, fed spending grows explosively; fed outlays, $billions: Kennedy, Johnson, Nixon yrs, 1962-1973, Ag 7 p 14

Where govt outlays are climbing fastest; fed spending: defense, space, foreign, all civilian programs, $billions, 1963, 1973, change in decade, pct, Ag 7 p 15

Govt's worsening budget picture; est for yr that started July 1 — revenues, outlays, deficit: last January, June 5, latest, Ag 21 p 47

Fed billions pour out faster, faster ... money in pipeline piles up, assuring still more spending; budget expenditures: billions, 1969-1973, change from preceding yr — in total dollars, in pct ... carry-over of funds authorized but unspent: billions, change in pool of unspent funds, billions, 1969-1973, O 23 p 84,85

Tough task: cutting $258-billion budget; in yr ending June 30, 1973 — problem: much of spending is "relatively uncontrollable," — programs, $billions, total, thus: only $1 in $3 of spending is "relatively controllable, " — programs, $billions, total spending open to cutbacks, $billions, Nixon dilemma, O 30 p 56

Finance — Debt

Foreigners financing U S deficits? U S Treas debt outstanding, share of debt held by foreign Govt banks, $billions, pct, 1969, now; public debt in last three yrs, billions provided by foreign govts, Ag 14 p 53

Vietnam

Three measures that show declining influence of Vietnam war on U S econ — : govt spending, emp, total U S output, gnp, N 13 p 24

Military Action

While U S strength dwindles in Vietnam — back near peak power in Thailand; U S military forces in Thailand, 1965-1972, U S military forces in Vietnam, April, 1969, August, 1972, Ag 21 p 31

Record of U S troop withdrawals, date of announcement, size of troop cut, S 11 p 28

Lineup of opposing forces in Indo-China; Laos: no of regular Govt troops, U S-armed tribesmen, Amer advisers vs North Vietnamese troops, Communist Pathet Lao ... Cambodia: no of Govt, South Vietnamese troops vs North Vietnamese troops, Communist Khmer Rouge ... North Vietnam: no of North Vietnamese Regulars, regional militia, security forces, Russian military specialists, Chinese advisers, Army engineers ... South Vietnam: no of South Vietnamese regulars, regional militia, security forces, U S forces, South Korean, others vs North Vietnamese troops, Communist Viet Cong, S 25 p 40

Six mos after Hanoi's big invasion of South; extent of Communist inroads: Northern provinces, Central Coastal Plain, Mekong Delta, Binh Long Province, Central Highlands, O 9 p 35

Military Action — Casualties

Amers that Reds hold in captivity — how many, where held, how long, no of prisoners released, escaped, Ag 28 p 21

U S war dead in Indo-China; deaths in combat, from nonhostile causes, Jan 1, 1961-Sept, 1972 — by age: 17-over 40; branch of service; cause of death; length of service: under 1-5 yrs or longer; no of deaths, D 18 p 27

CHARTS—Contd.

How casualties in Vietnam vary, State by State; States: deaths, deaths per 100,000 population, D 18 p 27

Volkswagen Company

Volkswagen sales are slipping in U S ... and in West Germany; in first 9 mos — U S VW sales ... in first 8 mos — German VW sales, 1971, 1972, O 23 p 43

Voters and Voting

Older voters — who they are; no, pct of total voting-age population; impact by States, voting turnout in 1968, no, pct who are women, black, N 6 p 35

Impact of over-65s — State by State; States, total U S: no of people over 65, more than 17%, 15-17%, 13-15%, less than 13% of voting-age population, N 6 p 37

Wallace, George C

Among key voting groups — big shift to Nixon; "Wallace" vote: precincts where George Wallace ran well in 1968, in 1972 primaries — Maryland, Chattanooga, Tenn, Detroit, Lake County, Ind, Nixon's pct of vote, 1968, 1972, N 20 p 16

War

When wars end — what happens to stock market? index based on Dow Jones indus average, with price on day war ended equaling 100, mthly closing prices: day war ended, W W I, W W II, Korean War, change one year after war's end, pct, N 13 p 23

Weather

Temperature outlook for winter; Natl Weather Service long-range prediction for next 90 days: regions warmer than normal, close to normal, colder than normal, D 11 p 72

Welfare

Social-service program that's zooming; Fed grants to States for job, family counseling, day-care centers, treatment of alcoholic, drug-abuse cases, other social services for people on welfare or those who are potential welfare clients — $millions, $billions, 1967-1974, Ag 14 p 26

Wheat

Rapid run-up in U S wheat price; price per bushel of hard winter wheat, U S-Soviet grain deal announced, Russia steps up wheat buying, July 3-September 27, 1972, O 9 p 28

Will U S have enough wheat for its own needs? official ests for current marketing yr, starting July 1, 1972 — total supply, U S consumption, U S exports, total use, carry-over stocks, bushels, O 9 p 29

One result of wheat shortage: prices are skyrocketing; export price per bushel of hard red winter wheat at Gulf ports, 1964-1972, D 11 p 31

White House

Spread of White House bureaucracy ... since Nixon took office; no of White House staff mbrs: at end of 1968, 1970, latest, increase under Nixon, no or pct, no in groups on White House staff, their duties, N 27 p 56

Wine

In past decade ... wine drinking in U S has more than doubled; wine sales in U S, gallons, 1962-1972, O 23 p 45

Soaring price of wine — some examples; retail prices per bottle at leading Washington, D C, wine shop — 12 imported wines, 4 domestic wines, 5 yrs ago, today, O 23 p 46

Women

10 unions with most women members; no of women — total, as pct of all union mbrs, N 13 p 104

No of women in unions is growing steadily; no of female union mbrs, 1958-1970, N 13 p 104

CHARTS—Contd.

Women in Cong: no net change; no of women: before, after election; election results in House, Sen races, no of women won, major-party candidates lost, N 20 p 83

Youth

Politics and Suffrage

Profile of today's young voters; no of new potential voters aged 18-24 — pct of women, men, white, black, single, married, widowed or divorced, living in cities, suburbs, small towns, rural areas, emped, unemped, in school, armed forces, housekeeping, or "other"; educ status: not graduated from high school, with high school diplomas, some college educ, four yrs of college; pct of total registered voters, S 11 p 30,31

Among key voting groups — big shift to Nixon; college students: areas where students live adjacent to univs — univs, cities, precincts, pct of vote, Nixon, McGovern, N 20 p 17

CHAVEZ, CESAR *see* Labor — Unions — Farm Workers

CHESS

Seller's market now for chess sets; "USN & WR" survey shows Fischer-Spassky intl chess match has sparked big upsurge in chess sales, everything else connected with game, effect on other games, Ag 7 p 48

CHEYENNE, WYOMING

Tip-off to vote: mood in 3 "weathervane" counties; O 30 p 24-27

CHICAGO, ILLINOIS

New role of suburbs; (C) Ag 7 p 52-56

Did riots kill these neighborhoods? (SR) (C) D 18 p 30-34

"CHICAGO SEVEN"

Supreme Ct reversed U S District Ct convictions of five antiwar activists for inciting violence at 1968 Dem Natl Convention, D 4 p 73

Trade trend that worries Amers; U S imports from Japan, U S exports to Japan, trade balance, $million, favoring U. S, Japan, 1960-1972, chart, S 11 p 27
U S-Canadian trade relations, one-way street? concessions by U S, restrictive moves by Canada, S 11 p 62
Bankers, OECD econs abroad say U S has improved its competitive price position against Europe, relatively slower rate of inflation, advances in Amer productivity gains, unit labor costs will probably cause improvement in U S's balance of payments, (bw) S 11 p 63
Amer, Russians are trading indus know-how, machinery at rapidly accelerating clip, (ca) S 11 p 90
Amers announce sale of both technology, products to Communist Countries, (ca) S 11 p 90
Zambia, Ghana, Ivory Coast posted trade deficits in 1971, developing nations suffer from slow econ recovery of indus nations, inflation; (bw) S 18 p 50
Cutting trade gap: chances now; last yr, U S ran up its first trade deficit, this yr, things are getting worse; finished goods from abroad represent 60% of all imports, examples; shifting trade balance is touching off new pressures to restrict imports, boost exports to Russia, China, other Communist nations; Nixon Admin is putting pressure on Japan, other nations to lower trade barriers, buy more U S products, (ptg) S 18 p 56,57
In past decade ... U S imports have more than tripled; value of goods imported by U S, $billion, 1962-1972, some examples of growing flood of foreign goods: autos, radio, TV sets, textiles, iron, steel, footwear, trans equipment, computers, office machinery, clothing, machinery (nonelectrical), 1962, 1972, $million, $billion, pct up since 1962, (ptg) S 18 p 56,57
Greater oil imports will put burden on U S balance of payments, J Winger of Chase Manhattan Bank est annual oil imports by 1985, cost to balance of payments, Continental Oil's chrmn J G McLean suggests major oil-producing nations invest in U S to offset deficits from fuel costs, amount oil exporting nations may collect between 1970, 1985, (bw) O 9 p 56
Shultz spells out U S goals for trade, money reforms; excerpts from text of address made by Treas Sec George P Shultz to bd of govs of IMF, proposes freer trade, modernized currency setup for all nations, six principles underlying monetary reform, means to utilize principles in workable intl agreement, O 9 p 101,102
French use heavy-handed salesmanship to get business in foreign markets, competition with U S for sales of fighter planes to Swiss brought pressure to bear, (bw) O 16 p 84

COMMERCE—Contd.
Amer automotive cos seek rare metals from Russia, South Africa for exhaust-control devices, (ca) O 16 p 90
Amer imports in Japan cost 2 or 3 times more than in U S, import procedures are still not simple, (ca) O 23 p 53
Trans improvements that will raise econ capabilities include Pacific Intl Freeport Center in Utah, (tb) O 23 p 71
"USN & WR" survey shows how American cos are coping with Japanese competition in markets in Brit, Canada, Asia, Europe; Japan's tariff on film, (ca) N 6 p 66
What business can expect in era of change; excerpts from address by J Irwin Miller, Bd Chrmn, Cummins Engine Co, Inc, N 13 p 65-68
Impact of grain exports, sales of durable goods on balance of trade, (tb) N 20 p 96
Plans for world-trade negotiations will be made at GATT session in September, 1973, (bw) N 27 p 57
Amer execs expect gains in their foreign operations despite inflation; opinions of co officers attending Natl Foreign Trade Council convention on controls on currency exchanges, movement of capital; changing markets for some cos, (ca) N 27 p 71
Trade deficit was lowest for yr in October, deficit in 1971, 10 mos of 1972, D 11 p 82
Shake-up in econ high command — why; George P Shultz, Council on Econ Policy Chrmn, will co-ordinate domestic, foreign econ operations, hopes to restore U S to its one-time position as world's no 1 competitor, D 18 p 15,16
Foreign orders for U S durables take sudden leap; export orders for factory durable goods, except motor vehicles, 1970-1972, $billions, (p&m) D 18 p 78

COMMISSION FOR INDUSTRIAL PEACE, NATIONAL
Work vs welfare: where Nixon stands; text of Pres Nixon's Labor Day address, S 18 p 76-78

COMMISSIONS, ADVISORY *see* Government

Outlook for Italy's Communists improves as Premier lost support of left-wing Socialists, others, (wg) Jl 10 p 44
Slowdown on road to Marxism in Chile; Pres Allende has staged major Cabinet shake-up, acted to slow down take-overs of business firms, farms, criticism mounts; vast changes in yr, effect on econ, reasons for shortages, bypassing price controls; indus' problems, failure of co-operative farms, raises swallowed by inflation, fractures in coalition, outlook for Marxist regime, Jl 10 p 53,54
FBI gets "new look"; "USN & WR" invu with FBI's Acting Dir L P Gray, Jl 10 p 58-62

COMMUNISM—Contd.
Marcos tells why he chose martial law; invu with Pres Marcos of the Philippines by K M Chrysler of "USN & WR", O 16 p 36-38
Small no of disciplined Communists seek to persuade non-Communists to join governing coalition for common aim of getting U S out of Europe at 34-nation talks in Helsinki to prepare for European security conf, (wg) D 4 p 45

COMMUNIST COUNTRIES *see also* Chile; China; Cuba; Investments — Foreign; Russia; Warsaw Pact
Hungary, Rumania are having trouble getting people to work, (bw) S 4 p 74
Moscow, its satellites have launched shrill campaign against Chinese alliances with Western Europe, (wg) S 11 p 51
Freedom for POW's — what Communist record shows; S 18 p 33-35
"An Insidious Weapon" in "Krasnaya Zvezda" (Red Star) written by Lt Gen A Shevchenko denies possibility of "peaceful coexistence of various ideologies", warns of Amer psychological warfare, "class peace" is not acceptable, (wg) N 6 p 41
Col Julian Sokol, Polish intelligence officer, lists 5 advantages of Capitalism over Communism, warns of U S "ideological subversion," (wg) N 6 p 41
How communist countries reacted to Nixon landslide, (wg) N 20 p 69
Purges still are easing out "liberal" Communists in Soviet-occupied Czechoslovakia; some capitalistic methods used in Hungary; U S, Poland agree on trade; Yugoslavia signs credit with Russia, (wg) N 20 p 70
Communists are using capitalist money, Euro-bonds securities are issued by Natl Bank of Hungary; securities have unusual option, est of how much Communist countries can raise in Euro-bonds, (bw) D 11 p 97
Russia faces food shortages, breakdowns of production of consumer items, restlessness among non-Russians; two big problems: boredom, alcoholism; major disaster in this yr's crop made govt start natl competition with prizes for top producers, (wg) D 18 p 67

Commerce
$750 millions in food for Russia, what it means; Agric Sec Butz said grain agreement with Russia will benefit all of U S econ, greatest impact will be on future trade, peaceful coexistence, told Brezhnev Russians need salesmanship; major obstacle to broadening trade remains settlement of Lend-Lease debt, (C) Jl 24 p 47
Biggest grain sale in history — key facts; amount, grains, price, credit terms, payment, Jl 24 p 47
Other deals with Russia: how officials see prospects; in series of press briefings, top officials announced grain agreement with Russia, told how bargaining began, what new trade comm (U S-USSR Commercial Comm) will do; transcript of remarks made by Dr Kissinger, Agric Sec Butz, Commerce Sec Peterson, Jl 24 p 48-51
Amer mbrs of U S — USSR Commercial Commission, il, Jl 24 p 48
Russians need food — only U S can fill order; Agric Sec Butz said only U S is capable of producing grain needed by Russia to give its people promised 25 pct increase in protein foods over next five-yrs, since visit of N Khruschev in 1955, Russian experts have focused attention on U S farm methods; Russian private plots account for large share of total farm output, output from farms has been trending steadily upward, Russian diet has improved; background for negotiations, role of Russia's

COMMUNIST COUNTRIES—Contd.

Agric Min Matskevich, reasons for difference in agric production between Russia, U S; no of U S acres withheld from production this yr, Jl 31 p 24-26

Occidental Petroleum Corp has signed five-yr accord with Russians, agreed to provide technical assistance in five fields, it is expected to bring in billions, involve several other U S cos, Japan; Amer equipment, know-how is needed to develop Siberian oil, gas; Hammer, co chrmn, explains terms, payments, Jl 31 p 26

How we will do business with Russia; in "USN & WR" invu, Samuel Pisar, expert on intl trade, discusses why there will be increase in trade between Soviets, U S; big adjustments needed before large-scale trade begins, reason Russians want most-favored-nation treatment, why Russia wants to trade with U S instead of Japan, Europe; what Soviets can offer Amer, sizable market for U S products, problems U S cos face, establishing offices, jt ventures, dealing with Russians, price-setting, deciding on profits, (C) Jl 31 p 27-29

U S sales of air-conditioning, refrigeration equipment are rising briskly in Europe, Communist countries, (ca) Ag 7 p 78

Trade, travel, diplomacy: U S upswing in East Europe; Russia's own need to do business with U S has accelerated Amer drive to broaden trade, travel, diplomatic relations with Communist satellites; U S "invasion" takes many forms, examples; State Dept describes results of shift in tactics in each Communist country, factors behind Red-bloc nations turning to West, "USN & WR" staff mbr's assessment of outlook for future trade, Amer sales in 1971 to USSR, Eastern European countries; country-by-country report on extent of U S relations, prospects for future, Ag 14 p 36-43

Amer inroads behind Iron Curtain; Communist Countries, map, Ag 14 p 36,37

Eastern Europe: how rich market for U S? in 7 Communist Nations of East Europe — total population, output, amount of trade with U S, total output per person, $s, imports, exports, basic facts, country by country — 7 nations, population, trade with U S (millions), chart, Ag 14 p 37

U S banks loan Yugoslavia funds for intl trade; JAT airlines orders six DC-9s, (ca) Ag 28 p 58

When Red China displays its wares in North Amer ... ; Chinese are main attraction at Canadian Natl Exhibition, they have biggest exhibit with variety of wares; U S exhibit emphasizes tourism, Ag 28 p 67

What Amer wants from Russia in trade deals; in "USN & WR" invu, Peter G Peterson, Commerce Sec, discusses meeting of jt U S-Soviet Commercial Comm in Russia, need for comprehensive agreement, examples, credit, business facilities, most-favored-nation treatment, Lend-Lease debt settlement, other commercial issues; why "we can succeed" on accord, why Russians are eager to trade, areas of trade interests, what Russians hope to sell to us, what we want from them would be natural resources, enormous sums that would be involved, Occidental Petroleum Corp agreement, how it fits into trade framework; Kama River truck plant, cos involved; peaceful purpose, amount of trade by 1975, 1980; Vietnam "myth", S 4 p 40-44

Russian orders for equipment for Kama River truck plant pulled West German machinery mfrs out of profit squeeze, (bw) S 11 p 64

Amer, Russians are trading indus know-how, machinery at rapidly accelerating clip, (ca) S 11 p 90

COMMUNIST COUNTRIES—Contd.

Amers announce sale of both technology, products to Communist Countries, (ca) S 11 p 90

Spurt of activity in trading with Reds; White House adviser Kissinger reported multibillion-dollar trade agreement with Soviets is near; sales of wheat, jetliners to Red China were announced, details of Occidental Petroleum Corp trade pact with Russia were being arranged; Sen McGovern accused Nixon Admin of allowing grain exporters to reap windfall profits on wheat sales to Soviets, Agric Sec Butz denied charges, S 25 p 44

Japanese trade with North Vietnam has dropped due to U S Navy blockage of ports, (bw) S 25 p 88

All about that Soviet wheat deal; Q&A to cut through confusion of charges, countercharges on massive sale of wheat to USSR; how much wheat is involved, effect on farmers, price of bread, bakery products, price paid by USSR, how export subsidy works, cost of subsidy to Amer taxpayer, charges that sellers were "tipped off", Sec Butz's answer to criticism, conflict of interest charged to C D Palmby, O 9 p 28-30

Farmers view grain deal with mixed feelings; "USN & WR" survey by staff mbrs reports views of farmers in heart of Kansas wheat belt to sale of grain to Russia, O 9 p 30

Tokyo sources report strong buyer interest in new ships from foreign shipowners, orders from Communist nations, developing countries, (bw) O 23 p 81

Meaning of big trade deal between U S, Russia; Lend-Lease debt settled, new trade pact, shipping agreement signed; products each nation wants, Cong still must approve "most favored nation" status for Russia to set trade agreement in motion in 1973, Cong approval depends on action to stop USSR migration tax on Jews, O 30 p 36,37

Japanese firms are out to sell China indus plants, (bw) O 30 p 80

World's biggest business deals flowing from Soviet gas; 2 gas field projects in northern Siberia would involve $8, 10 billion; final agreement will bring in foreign cos, govts, in addition to U S, Russia; pct of Amer supplies that would come from Russia, shortage expected by 1980, 1985; 2 reasons why Russians are eager to conclude agreement; many problems will have to be overcome before project is concluded, N 6 p 67,68

Where Amer cos vie for Siberia's gas riches; two projects now getting U S-Soviet study, map, N 6 p 67

Agreements between U S firms, Moscow are pointing up demand for Amer skills, technology in petrochemicals, container shipping, steel-making, tractors, pipelayers, (ca) N 20 p 89

Bridging U S-Soviet gap — trade is just start; how broad co-operation has developed since Pres Nixon's visit to Moscow after 55 yrs of hostility, Soviet negotiating manners have changed, trade deals open new era in commercial relationship; groups of Amers, Russians are working together in fields such as science, technology, health problems, shipping, Navy, fishing incidents, copyrights, econs, environment, trans, agric, space; unsolved problems in broadcasting, cultural exchange, tourism, air service, language, N 27 p 39-42

U S cos will provide stainless-steel, silver-plate flatware mfg equipment for plant in Russia, (ca) D 11 p 58

U S cos join in mfr, sale of appliance controls, sale of equipment for battery plant in Yugoslavia, (ca) D 18 p 96

COMMUNIST COUNTRIES—Contd.

Amer cos use "package deals" to set agreements with Russians, list of cos approved by Russians, Chase Manhattan execs tell what has to be approved by Soviet officials, describe who should head office in Moscow, (ca) D 18 p 96

CONFERENCE BOARD

CB survey found exodus of corps from NYC will continue, but not at runaway; reasons cited for remaining, leaving Manhattan, O 9 p 44,45

Optimistic outlook of execs, anals attending CB's "Business in 1973" meeting, prospect of real econ growth, inflationary pressures, (tb) O 9 p 75

Many at CB meeting are losing enthusiasm for wage-price controls, (tb) O 9 p 76

Why nationwide trend to early retirement; (C) O 23 p 55-58

CONGER, CLEMENT *see* White House

CONGRESS *see also* Elections and Politics — Congress

Supreme Ct ruled on freedom of press, (Branzburg v Hayes), cong immunity, (Grand v U S), barring aliens, (Kleindienst v Mandel), Jl 10 p 27

Natl Taxpayers Union rates most, least frugal Sens, Sen McGovern, (Whis) Ag 28 p 8:1

"A new majority"; David Lawrence editorial; numerical majority in both houses is meaningless when there are lots of defections from either party which can shift balance; Pres Nixon's appeal for "new majority" is believed to be effort to retain in Cong mbrs of both parties who have supported his programs, S 11 p 96

Capitol Hill: it keeps on spreading; Sen voted to double size of office bldg, acquire land for parking garage; Union Station will have visitors center, J Madison Library, is under construction, fight to extend Capitol's West Front is anticipated, O 2 p 58

93rd Cong: big changes but still split govt; what Nixon faces when 93rd Cong meets on Jan 3, problems result from unusual cong election results; Presidents who won by landslides when their party fared badly in Cong elections; new Sen will have more liberal tint; Dem, Repub leadership in House, Sen; Women, Negro winners, other interesting results, N 20 p 36-38

Women in Cong: no net change; no of women: before, after election, chart, N 20 p 83

Labor's power in new Cong; no of candidates for House, Sen seats endorsed by AFL-CIO, no won, lost, other winners considered friendly to labor, no of Reps, Sens expected to support labor-backed measures, House, Sen seats gained by labor, chart, N 20 p 100

No of Sens, Reps from "Old South" who will head Cong coms; Southwest, West are favored to win more political power as populations grow faster, (t) N 27 p 12

Pay of top execs frozen by White House; examples in exec, legis, judicial branches, chart, D 25 p 17

Hearings and Investigations

Both sides of great debate over nuclear weapons; official records of arguments for, against arms agreement with Russia; H Kissinger, Pres adviser, briefed Congmen; Sen H Jackson's statements, Sec of State Rogers, Amb G Smith, Arms Control, Disarmament Agency dir, testimony before

CONGRESS—Contd.

Sen Foreign Relations Com; Defense Sec Laird, Adm Moorer, JCS chrmn, testimony before Sen Armed Services Com; Defense Sec Laird testimony before Sen Foreign Relations Com, exchanges with Sen Fulbright, Jl 3 p 58-63

Tighter gun controls — both sides of dispute; Sen Judiciary Com voted for stringent legis that would ban sale of guns, House Judiciary Com started hgs on bill proposed by Com Chrmn Cellar that would outlaw "Saturday-night specials", require registration, licensing of all firearms; excerpts from testimony by M Rich, Natl Rifle Assoc vice-pres, Rep J Rarick, Sen Kennedy, Gov Mandel of Maryland, Jl 10 p 68-70

Budget soars, worry spreads; Pres Nixon asked Cong to set rigid ceiling on fed outlays, threatened to veto bills that call for excessive spending, est deficit for 1972-73; A Burns FRB chrmn, in testimony before Jt Econ Com, indicated big deficits push up interest rates, prices; increases in spending have been favored by exec branch, Cong, examples; history of efforts, failures to improve handling of budget since 1921, effect of spending ceiling, why debt ceiling fails, Ag 7 p 14,15

Who really pays fed taxes — latest official report; testimony of Treas Under Sec Edwin S Cohen before Joint Econ Com, Ag 7 p 64-67

Real crisis of cities; M Landrieu, Mayor of New Orleans, in testimony before Sen Finance Com, outlined how policies of Fed, State Govt have been major cause for fiscal crisis of cities, said 90 pct of fed funds now credited to cities go for welfare benefits, only revenue sharing will provide assistance, Ag 14 p 58

Slow econ, or speed it up? two views; H Stein, CEA chrmn, W Heller, Univ of Minnesota econ professor, present each side of their case on econ before Jt Econ Com, Ag 14 p 70,71

U Alexis Johnson, Under Sec of State, told House Foreign Affairs subcom, that he finds absurd concept that trillion-dollar econ is too poor, exhausted to provide for, manage both its foreign, domestic problems, (wg) Ag 21 p 34

No letup in plight of Catholic schools; House Ways, Means Com bill, cosponsored by W Mills, Pres Nixon, allows tax credit for parents, new fed aid to public schools, Ag 28 p 60

Customer gripes — industry's side of story; Sen Consumer Subcom report lists most significant steps taken by Amer corps to offset consumer complaints, examples cited on product safety, environmental protection, labeling, public service, O 23 p 94,95

End controls? how debate is going; Cong hgs are debating econ controls extension; opinions expressed in testimony of Chrmn Boldt, Grayson, other statements, N 27 p 68

Legislation

see also Taxes — Legislation

Revenue sharing: who'd get what; House approved revenue-sharing bill that would favor States with income taxes, heavy urbanization, substantial poverty; how money is split between State, local govts; how plan would affect different areas, communities, which States do best per capita, House formula favors wealthier States, measure's chances in Sen, Jl 3 p 46,47

Your State's portion in revenue sharing ... how 50 biggest cities would fare; under bill passed by House: States, cities, amount received in first full yr (millions), amount per person in State's population, chart, Jl 3 p 46,47

Unfinished jobs ahead for Cong; Pres Nixon's major legis goals are still held up, record of legis accomplishments in last 18 mos, prospects for welfare reform, revenue sharing, natl health insurance, govt reorgn, water pollution, minimum wage, child care, jobs, public works, defense spending, consumers; bills on which no action is expected, Jl 10 p 33

Tighter gun controls — both sides of dispute; Sen Judiciary Com voted for stringent legis that would ban sale of guns, House Judiciary Com started hgs on bill proposed by Com Chrmn Cellar that would outlaw "Saturday-night specials", require registration, licensing of all firearms; excerpts from testimony by M Rich, Natl Rifle Assoc vice-pres, Rep J Rarick, Sen Kennedy, Gov Mandel of Maryland, Jl 10 p 68-70

Can spending really be cut? "USN & WR" invu with C W Weinberger, Dir, OMB, (C) Jl 17 p 21-25

Higher paychecks for millions soon; Sen approved minimum wage boost of $2 this yr, $2.20 in 1974, millions to benefit, House passed more limited bill; Sen McGovern, labor support Sen proposal, provision that lifted exemptions on overtime payments, no of new workers covered, Jl 31 p 72

Now, Dems start over again; McGovern announced Sen Eagleton would step aside as Dem vic-pres nominee; McGovern's defense spending amdt was defeated, Ag 14 p 13-15

When bus fares are cut back ... ; Sen passed operating subsidy measure for transit cos, Ag 14 p 44

Cong passed amdt to Equal Pay Act which will close pay gap for women, also extends coverage of equal-pay rules to execs, professional admin emps, examples of jobs, Ag 14 p 69

Gun control: Sen vote to crack down on handguns, but — ; bill would outlaw sale of "Saturday-night specials", Sens Kennedy, Hart admts rejected, adopted Sen Brock's amdt repealing 1968 law's requirement for record of buyers of .22 caliber rim-fire cartridges, opponents views of gun controls, no of guns owned in U S, no of handguns per 1000 people here, abroad; no of killings by firearms, 1970, Ag 21 p 37

House, Sen conferees approved bill to provide low-interest loans, grants to people who suffered from Hurricane Agnes, South Dakota flood, those hit by disasters in 1971, including California earthquake; amount of loans, grants; House Appropriations Com approved 1.6 billion dollars for relief; complaints about slowness of relief, total amount of damage from Hurricane Agnes, Ag 21 p 70

Revenue sharing's chances; two widely different revenue-sharing bills are now before Cong, Sen approved bill that grants relatively more money to less populous, poorer States, House bill favors heavily populated States, examples; how funds will be divided between States, counties, cities, towns; restrictions on spending, reason for trust funds, States could choose to have Fed Govt collect State income taxes, Ag 28 p 68,69

What States stand to get ... "shares" for 50 biggest cities; States, cities, under bill passed by House June 22, total in first full yr (millions), per person in State's, city's population, under bill reported to Sen August 16, for gen revenue sharing, total in first full yr (millions), per person in State's, city's population, for "social services" allocation included in Sen plan but not in House plan (for States only) total in millions, chart, Ag 28 p 68,69

Revenue sharing — where billions will go; Sen, House agreed on fed program, O 2 p 20-22

Tighter rules for private pensions — outlook now; Sen Labor Com approved Retirement Income Security for Emp Act (RISE) that would tighten rules in three basic areas, assets, no of individuals in pension plans; pct of assets of noninsured plans in common stocks, corp, other bonds, U S Govt bonds, 1960-1971; Sen subcom's conclusions from study of 11 terminated pension plans, key provisions of Javits-Williams bill, O 2 p 60-62

Legis regulating pension plans has little chance to pass due to Sen Finance Com stripping Sen Labor Com's bill of its key provisions, O 9 p 81

Struggle over busing: report from three fronts; filibuster in Sen defeated antibusing bill, outcome of controversy may be decided by election, provisions of defeated bill, O 23 p 37,38

Push to put lid on Govt spending; Pres Nixon's plan to limit Fed spending touched off bitter clash in Cong, Nixon, Rep Mills see spending ceiling as political issue; spending earmarked for programs in "relatively uncontrollable" areas, programs in "relatively controllable" areas, proposals for long-range remedy of "spending syndrome" in Congress, O 23 p 84,85

Record Cong is taking to voters; 92nd Cong passed laws on educ, health, consumer interests, pollution control; one of Pres's 5 top legis goals — revenue sharing — was passed, cong leaders assessment of performance, pct of Pres's proposals passed in 91st, 92nd Cong; victories won by Nixon, spending-ceiling bill defeated, veto of water-pollution-control bill overridden, other actions by Cong, O 30 p 13,14

What 92nd Cong did ... what it balked at, 20 bills that were passed, 16 that were not, chart, O 30 p 14

More Soc Sec: tax you pay, aid you get; Cong approved Soc Sec package — more than 5 billion yr for widows, early, late retirees, low-paid workers, disabled; new, other provisions, higher taxes, O 30 p 16,17

From Cong — tough new rules for "clean water;" Cong overrode Pres Nixon's veto of Fed Water Pollution Control Act of 1972, provisions of measure, deadlines, penalties set by law; extent of water pollution in U S, how much is caused by municipalities, indus; cost to govt, indus to comply with 1977 standards during 1973-80 period, annual cost of 1983 standards; cost for each family, O 30 p 38

Tougher, tougher laws to cut down on noise; "USN & WR" survey shows more attention focused on this problem; 92nd Cong adopted Noise Control Act of 1972 — main provisions; NYC, Chicago, other areas' efforts to control problem, N 6 p 49,52

In battle over spending, barrage of Nixon vetoes; 9 bills Nixon vetoed; Pres approved 2 bills for veterans; funds impounded by Pres in fiscal yrs, 1971, 1972, pct of spending; exec branch is searching for cuts in next budget, N 6 p 89

As funds run low for new highways — ; Cong did not pass 1972 road bills, fight over two major issues; $25 billion needed to complete Fed highway program, cost est initially, in 1970, now; reasons for new costs; some States lack funds now, N 13 p 52

If Cong moves against air pirates — ; main points in different bills approved by Sen,

CONGRESS—Contd.
House which failed to pass before adjournment, N 27 p 16
New laws to keep in mind; laws passed in Cong which did not attract attention, but affect millions of people, N 27 p 47
Moves to restore death penalty; Cong will consider const amdt to restore capital punishment after Supreme Ct banned it, lawyers see Ct approving execution meeting certain standards, proposals by com of 11 State attorneys, death-penalty actions in individual States, D 4 p 60
At hand: lower U S share of U N costs; Cong passed legis forbidding U S to pay more than 25% of U N assessments, D 18 p 88

CONNALLY, JOHN B, JR *see also* Elections
U S, India: freeze that won't thaw; Pres Nixon's envoy, J Connally, discovered unrestrained Anti-Amerism, strong Russian influence in meeting with Prime Min I Gandhi; record of relationship since 1947, Amer's Kashmir policy, aid to Pakistan, Bangladesh policy turned India against U S; role of Vietnam War, China, Russia in disagreement, Jl 17 p 70,71
J Connally announced he would remain Dem, work for Nixon's re-election, in TV invu described his views, role in campaign, Ag 7 p 24

CONSERVATION *see also* Pollution
Drive to save Amer's shorelines; Pres Nixon, Cong are working on measures to stimulate orderly development, preservation of vast coastal areas; Natl Park Service has acquired choice coastal, lakeshore property since 1969, examples, seeks additional acreage; problems in establishing new parks, Redwood Natl Park has been center of controversy; private groups that have been active in preservation, California project (OLAF), il, Jl 31 p 38-40
Battle over mining that scars land; legis is expected soon to control strip mining, controversy between conservationists, indus centers on conflicting requirements; reason for growth, area that has been, could be strip-mined; effects of strip mining in West Virginia, health hazards, reclamation projects, reclamation laws in three States, opposition in Far West, what Cong bills provide, S 25 p 76-78
Customer gripes — industry's side of story; O 23 p 94,95
What business can expect in era of change; excerpts from address by J Irwin Miller, Bd Chrmn, Cummins Engine Co, Inc, N 13 p 65-68
Big boost for clean environment, voice of voters; decisions made by voters on Winter Olympics, NYS water, air, parks, California coastline, Florida recreation lands, other environmental issues; losses, gains of conservationist-backed candidates in Cong, N 20 p 52

CONSTRUCTION *see also* Housing; Real Estate
In construction: growing fight over nonunion labor; shift of bldg jobs to open shop firms is resulting in protest marches, violence, vandalism; recent incidents, P Fosco, LIU pres, claims one third of construction is nonunion, Labor Dept survey of union, nonunion pay scale, 1969, average union rate in 1972; Assoc Builders, Contractors condemn vandalism, violence; costly strike-lockout in Chicago, issues, Jl 10 p 34,35

Public appearances of Nixon women in 1972, Pat Nixon, Julie Nixon Eisenhower, Tricia Nixon Cox, no of appearances, events, States, Jl 3 p 41
President's family — in campaign spotlight; S 4 p 27

CREDIT *see also* Economic Controls; Interest Rates
Bank-credit loans, investments set record for first half of 1972, while bank investments shrank, consumer-installment loans, bank

CREDIT—Contd.
loans to brokers soared; large banks have increased their prime rates, Jl 24 p 65
Experts' size-up: borrowing is going to cost more; econs, bankers forsee rise in borrowing costs for consumers, businesses, Govt, less money for home mortgages, higher interest yields on Treas notes, bills, State, local, corp bonds, disagree over degree of stringency; trend is discernible already toward higher rates, factors behind changes, prospects; Salomon Bros study sized up prospective demand, supply situation, shows shifts in borrowing, where money will come from; econs predict demand for loans will center on short-term market, S 4 p 59-61
Demand for credit breaking all records; from study by Salomon Bros, fed govt borrowing, mortgages, corp bonds, State, local bonds, other long-term borrowing, installment credit, business loans, other short-term borrowing, total demand for credit, $billions, 1971, 1972, 1973, chart, S 4 p 59
Growth of money supply from December, 1972 through August, 1972; interest rates that are rising as loan demand rises, (tb) S 25 p 71
Good yr in 1973, but ... bankers give their views; O 23 p 62-66
Support for business ... sharp rise in borrowing by people; amount of consumer installment credit extended, 1970-1972, (p&m), chart, O 23 p 93
Money — getting tighter? no of investment bankers that predict what borrowers will face in mos ahead: much, moderately easier credit, not much change, moderately, much tighter credit, chart, D 11 p 35
Tighter money, but how tight; decisions that are being made; FRB seeks expanding econ without too much inflation, three somewhat conflicting goals, orders moderation in growth of money supply; FRS urges bankers not to raise "prime" interest rates above 6%; how banks adjust, FRB faces four obstacles to broad objective, effect of upturn, optimistic outlook of bankers, D 18 p 83,84

CREDIT CARDS
FRB mbr G Mitchell urged bankers to take steps to protect their credit-card users from being defrauded by unscrupulous merchants, S 25 p 70

CRIME *see also* Law Enforcement
Bicycle-theft insurance is growing business, (tb) Jl 3 p 50
FBI gets "new look"; "USN & WR" invu with FBI's Acting Dir L P Gray, ... organized crime ... , Jl 10 p 58-62
Turning point in fight against crime? Attorney Gen Kleindienst announced lowest increase in crime rate since 1962, based on FBI's Uniform Crime Reports; decrease in Washington, D C, other large cities; increase in suburbs, FBI acting Dir Gray gave other details, reported drive against organized crime reached all-time high, is hurting underworld, Jl 24 p 83
Crime trends now; violent crimes, crimes against property, cities over 1 million population, cities over 25,000, suburban areas, rural areas, first qtr, 1972, compared with first qtr, 1971, pct change, up, down, chart, Jl 24 p 83
In just three yrs ... arrests for U S narcotics violations have nearly doubled; no of arrests, 1969-1972; drugs seized: marijuana, hashish, heroin, cocaine, other narcotics, pounds, total, 1971, chart, Ag 7 p 32
How Nixon came close to being assassinated, from Bremer's diary; A Bremer's diary, read to jurors at his trial for shooting G Wallace, said he missed six chances to shoot Pres Nixon in Canadian capital; Bremer was convicted, Ag 14 p 50
Commerce Dept est cost of ordinary crimes to businesses, (t) Ag 21 p 8
Gains, setbacks in war on crime; FBI's annual report shows vast improvement in fight against crime among major cities, over all crime continued to mount; Attorney Gen Kleindienst says we are encouraged by trends, no of officers killed in 1971, most deaths were by firearms, pct of crimes unsolved, no of serious crimes reported, chances of becoming victim of crime, S 11 p 84
Natl trends in crime, 1971 compared with 1970; 7 types of crime, all serious crimes: cities of more than 250,000, cities of 100,000-250,000, suburbs, rural, over all, pct, chart, S 11 p 84
Big-city crime — record; in nation's 50 largest cities, FBI figures for 1971 on serious crimes revealed — no of cities that showed drop, rise; cities; decrease, increase in 1971, compared with 1970, pct, chart, S 11 p 84
Arab terrorism — outraged world seeks answer; Arab guerrillas (Black September group) killed two Israelis in Olympic Village, more died when Arab grenade blew up helicopter; Israel raided guerrilla bases in Syria, Lebanon; Israel's two-pronged policy against Arab extremists; terrorist strength has dwindled, support in Arab world, sanctuaries; world's civil-aviation powers failed to agree on action to deny sanctuaries for air pirates; Black September group's operations, victims, record of tragedy at Munich, desperate ambush, more terrorism threatened, S 18 p 16-21
Massacre at Olympic Games was one more in growing list of terrorist acts by Arab guerrillas in past two yrs, list of major incidents, S 18 p 17
Violence — how to cure it; David Lawrence editorial; whole world denounces, condemns tragic violence at Olympic Games at Munich where all 11 Israeli athletes were killed; violence can be defeated, but it will take not only intensive action by our own Govt but cooperation between all govts of world, S 18 p 92
Growing toll of crimes against business; Fed Bur of Domestic Commerce study reports cost of losses from crime, expense of fighting it; security costs of guards, detectives, crime-prevention devices; Library of Cong reports direct, indirect expense of theft in trans indus; pct of losses to retailers from 7 "ordinary" crimes against business, example of employe theft in chain stores in Maryland, Virginia; crime syndicates blamed for crime in trucking, crackdown on thefts, pilferage at ports, airports; theft of negotiable securities from brokerage firms, banks; how businessmen can solve crime problem, O 2 p 39-41
Cost of "ordinary" crime: nearly 16 billions yrly; direct cost in 1971, by major indus — retailing, services, mfg, trans, wholesaling, total direct costs, $s, ... spending for services, equipment, other crime-prevention measures, arson damage, $s, total cost, chart, O 2 p 39
Coping with criminals: official advice to businessmen; U S Law Enforcement Assistance Admin, local police authorities, Gen Adjustment Bur, insurance adjusting firm suggest eight ways to protect themselves against criminals, O 2 p 40
Pirating, counterfeiting stereophonic tape recordings is one of fastest growing rackets; S M Gortikov, pres of Recording Indus Assoc of Amer, est spending for legal, pirated copies, describes control efforts, operations of pirates, O 2 p 41
U S presses other nations to curb terror attacks; State Sec Rogers asked U N for intl action, Interpol adopted Amer resolution, Pres Nixon set up Cabinet Com to Combat Terrorism, two State Dept coms, State Dept ordered all travelers passing through U S to have visas; skyjackings, Olympic Games slaughter prompted moves; why Africans, Arabs resist action, O 9 p 26,27
Rogers: "Suppress these demented acts;" excerpts from address of State Sec W P Rogers to Gen Assembly of U N calling for action on several proposals to stop activities of intl terrorists, seven examples of violence, record of crimes involving aircraft, diplomats this yr; three treaties that should be enacted, O 9 p 26,27
FBI cited continuing gains in war on crime during first six mos, 1972, no of robberies, violent, property crime compared with 1971; no of cities showing drop in crime, increase in suburban, rural crime; Attorney Gen Kleindienst replies to Sen McGovern's challenge on statistics, O 9 p 65
Terrorism and guerrilla warfare; David Lawrence editorial; during last few years, world has witnessed brutality, cruelty by terrorist groups which have kidnapped or killed many persons for political purposes or financial gain; U N has no more important task than to prevent lawlessness of all kinds which menaces peace of world, O 9 p 108
Special Report: Behind rise in crime, terror; skyjackings, kidnapings, wanton murder, assault, political terrorism — causes, explanations; goals of terrorism; role of New Left, race; shift of guilt from individual aggressor to society; problems in cts; devices used by airline cos, businessmen, home owners; violent veterans; elements of hope — family, real answer, (SR), (C) N 13 p 41-49
"Terrorism is developing into form of total war"; "Economist" of London describes danger of letter bombs, skyjacking; 3 serious letter-bomb campaigns, defense against future attacks; no of successful hijack attempts 1971, 1972; danger in pathological hijackers, three levels to tackle problem, D 11 p 49,50
Big gains in drive to cut off narcotics; D 25 p 32-34

Crimes Aboard Aircraft
Drive against skyjackers; pilots called worldwide 24-hr strike to dramatize their demand for stronger action against hijackers, U S official's views, U N's recommendations, Intl Civil Aviation Orgn's actions, Sen Commerce Com proposed amdt to prohibit flights between U S, nations that continue to harbor skyjackers; House, Sen Com approved funds for security devices; J O'Donnell, ALPA pres, told "USN & WR" that pilot patience has run out; labor's moves, DOT support, B Davis, antihijacking chief, S Browne, CAB chrmn, urge increased use of FBI, sky marshals; no of persons arrested, confiscated weapons, hijacking attempts, new devices under consideration, success rate in 1972, (C) Jl 3 p 11-13
Why alarm over plane hijackings; no of attempts, no that have succeeded, since Jan 1, 1969, 1971, 1972, chart, Jl 3 p 11
Worldwide scope of air piracy; examples of this yr's more spectacular hijackings in India, Turkey, U S, Austria, Czechoslovakia, Jl 3 p 12
Views of J O'Donnell, ALPA pres, B Davis, antihijacking chief, J Volpe, Trans Sec, S

CRIME—Contd.
Tipton, ATA pres, S Browne, CAB chrmn on how to curb skyjacking, Jl 3 p 13
Tougher tactics in war against plane hijackers; killings of three air pirates signals get-tough policy of pilots, FBI agents, FAA officials; Lt Gen Davis ordered airlines to change policy, fate of hijackers in Vietnam, San Francisco, Indiana, Utah, Nevada; modification of jetliners proposed, outcome of hijackings to Algeria, in Buffalo, N Y; security on-ground ordered, Jl 17 p 26-28
One sign of progress in drive to thwart U S skyjackers; on U S-registered aircraft: attempts at skyjacking, skyjackings that succeeded, pct of attempts that succeeded, 1969-1971, 1972 (through July 7), chart, Jl 17 p 26
"New tactics are saving lives of passengers;" Lt Gen Benjamin O Davis, Jr, Asst Sec of Trans, in "USN & WR" invu discusses measures for combating hijackers; legal problems for airlines, airlines' reaction, why policy was changed, how airlines, airports can stop hijackings on ground, use of magnetometers, safe havens abroad, Jl 17 p 28
Trans Sec Volpe told U N's Intl Civil Aviation Orgn meeting to end air piracy by closing sanctuaries, shock of Munich massacre did not bring agreement on how to crack down on countries that offer sanctuary, S 18 p 18
Special report: behind rise in crime, terror; (SR) (C) N 13 p 41-49
Skyjackings — growing menace, can they be stopped? two promising developments, status of fed legis, hijackings of Eastern plane by murder, bank-robbery suspects, Southern plane by 3 men in 29-hr ordeal; indus' views, crackdown in Cuba, airline's financial security threatened, sky marshals' effectiveness; pilots appeal to Pres Nixon to work out deal to end sanctuary in Cuba, provide airports with fed officers to be used during boarding, (C) N 27 p 15-17
High risks for skyjackers — but still they try; hijackings attempted, successes, failures, hijackers killed or wounded, hijackers captured on U S airlines in 1972, chart, N 27 p 15
If Cong moves against air pirates — ; main points in different bills approved by Sen, House which failed to pass before adjournment, N 27 p 16
Pirating plane to Cuba: "trip to futility"; Ron Collister, Canadian Broadcasting Co newsman, describes hijacker's life in Havana, no of U S aircraft hijacked to Cuba, no of Amer air pirates landing in Cuba, what has happened to them, N 27 p 17
Cuba can help to stop hijacking in the U.S.; David Lawrence editorial; virtually all who have hijacked planes in this country have either ordered pilot to fly to Cuba or have ultimately forced landing there; Cuba could set example of awareness of its responsibility to world by showing potential hijackers that nothing is to be gained by flying to that country, N 27 p 88
Air pirates: Castro pulls welcome mat; Havana, Washington both agree to talk about mutual problem, Swiss handle negotiations; what U S, Castro want; Cuban refugees are key to agreement, Cuba has jailed 2 groups of skyjackers, one will be tried for events in Cuba, D 4 p 44
"Terrorism is developing into form of total war:" "Economist" article, D 11 p 49,50
Closer going-over for all air passengers; electronic screening, hand search of luggage, armed guards at gates, new, improved magnetometers installed at terminals to detect concealed weapons, possible skyjackers; present, future no of magnetometers; antiskyjacking measures ordered by Trans Sec Volpe, no of armed guards needed at airports, antiskyjacking cost, D 18 p 22
Why it's so hard to police U S airports; no of Amer air travelers on average day, pieces of luggage, no of jetliners, daily trips, airports, boarding gates, chart, D 18 p 22

CRIMINAL LAW *see also* Capital Punishment
Tougher trials for criminals — Brit plan; Criminal Law Revision Com recommends changes in rules of evidence that would strengthen hands of police, cts; key recommendations, Jl 10 p 45

French police closed five heroin refiners, tons of heroin have been seized in Europe, (wg) Ag 14 p 52
Quantity, value of drugs barred from U S in past 12 mos, (Whis) Ag 28 p 8:2
Marijuana vote with impact on race for White House; Californians will vote on proposition that would permit private use, cultivation of marijuana by adults; orgns for, against; impact on pres race, present California law, fed law S 4 p 50
Latest turn in treatment of drug addicts; Univ of California at Los Angeles study for Fed Govt proposes confinement-treatment for drug addicts, then strictly supervised release program; cost of drug addiction, six treatment methods studied, N Bejerot, Swedish psychiatrist, says studies show drug addicts spread their habit like contagious diseases; Nixon Admin experts oppose, support idea, some favor methadone treatment, other experts favor therapeutic community programs such as Phoenix House, S 11 p 76,77
High cost of drug addiction: nearly 5 billions yrly; based on study by Univ of California, Los Angeles, conducted for U S Bur of Narcotics, Dangerous Drugs — value of property stolen by addicts, combatting drug-related crime, value of potential production lost due to drug addiction, treatment of addicts, educ, prevention, research, annual cost, total, chart, S 11 p 76
Antitrust ... Crime ... Drugs ... Busing; "USN & WR" invu with Attorney Gen Kleindienst, (C) S 11 p 78-83

DRUGS—Contd.

Victory soon in fight against drug traffic? in "USN & WR" invu, Nelson G Gross, State Dept's adviser for Intl Narcotics Matters, discusses progress in curbing flow of heroin into U S, pct reduction, increase in cost, cost per bag, cost per day to support habit, no of addicts in country, NYC; heroin from Southeast Asia, countries, insurgents involved, Burma problem, leader, effect of Vietnam war, Amer servicemen on drug market; key transit points having U S agents, heroin addiction in Southeast Asia; "World Opium Survey 1972" reports no of tons of illicit opium produced, production, drug-abuse control in Red China; amount of illicit production in Afghanistan, Pakistan, routed into Iran, plans to cut off Afghanistan supply, problems; drug abuse in Russia; size of U S market for heroin, how U S curbed drug traffic via Turkish-French connection, costs, results; problem in Mexico, situation in Latin Amer; amount U S govt is spending on drug control; intl groups, individuals involved in drug traffic; treatment for addicts, methadone treatment; when heroin addiction can be brought under control, (C) S 25 p 50-60

New Target in U S drive to halt drug traffic; illicit opium network of Southeast Asia — Golden Triangle, Burma, Thailand, Laos, South Vietnam, major cities, map, S 25 p 51

Amer, foreign narcotics agents seized more heroin in Europe in first half of 1972 than in all 1971, (Whis) N 13 p 13:1

"March of the News:" big gains in drive to cut off narcotics; record seizures of heroin, crackdown on overlords, pushers lowers street crime; intl co-operation produced dramatic action against major smuggling rings, NYC starts comprehensive attack on rings funneling heroin from Europe to U S via Latin Amer, statistics show accomplishment in drive against drug abuse by foreign, domestic law-enforcement agencies; changes in sources of supply, smuggling routes; drug-traffic arrests, seizures of narcotics, examples of how smuggling rings try to move their contraband product; Bur of Narcotics, Dangerous Drugs agents, regional, district, overseas offices; Gen Accounting Office reported on need for manpower, co-ordination of U S Govt agencies, daily profits of drug traffickers; breakdown on countries of origin from which heroin comes to Amer market, D C Police Chief Wilson describes narcotics problem, treatment for addicts, D 25 p 32-34

Sudden spurt in antidrug fight; through operations of Bur of Narcotics, Dangerous Drugs in U S, abroad: arrests for trafficking in drugs, no, retail value of drugs seized, $s, pct increase, yr ended June 30, chart, D 25 p 32

DRUNKENNESS *see* Alcoholism

DUMAS, ARKANSAS

In Dumas, Ark, black churches are growing again, reflect natl changes, but retain distinctive characteristics, Revs Courtney, Scott comment on role, cooperation of white, black churches, S 25 p 47

E

EAGLETON, THOMAS F *see also* Elections and Politics — Election of 1972 — Candidates — Democrats

Why Eagleton was picked; after Sen Kennedy declined nomination, McGovern picked Sen Eagleton for vice-pres nominee, early Muskie supporter, record, career, (p) Jl 24 p 25

EAGLETON, THOMAS F—Contd.

Eagleton sees united party emerging from "diversity", excerpts of Sen T Eagleton's acceptance speech to Dem Natl Convention, Jl 24 p 87

Eagleton's own story of his health problems; excerpts from news conf in Custer, S D, when Dem nominee for Vice Pres told how, why he was hospitalized; what he told reporters in Los Angeles following day, Ag 7 p 16,17

How McGovern sees issues; "USN & WR" invu with Sen G McGovern, Dem nominee for pres, Ag 7 p 18-22

Now, Dems start over again; McGovern announced Sen Eagleton would step aside as Dem vice-pres nominee; Dem's reaction to Eagleton affair, internal bickering, McGovern misjudged political impact of Sen Eagleton's disclosure, feared it blurred issues, "old", "new" politicians split, Ag 14 p 13-15

Log of Eagleton affair, July 14-31, Ag 14 p 14

Text of statements by Sens McGovern, Eagleton announcing his withdrawal as Dem vice pres nominee, Ag 14 p 15

EAST GERMANY *see also* Berlin, Germany; Communist Countries

East Germany's E Honecker has natlized nearly all private indus, but excluded small retail shops, (bw) Jl 10 p 50

East Germany's key people in Communist party, Govt are forbidden to contact any visiting West Berliners, (wg) Jl 31 p 44

Trade, travel, diplomacy: U S upswing in East Europe; Ag 14 p 36-43

Germany, East Germany have begun negotiations to recognize each other, enter U N as ind states, prospects for German reunification, (wg) Ag 21 p 34

East, West Germany are talking of creating "two states within one nation", (wg) S 18 p 65

Both Germanys are looking at problems of their own, W Brandt could lose power in election, East Germany could be crippled by exodus if Berlin Wall is abandoned, (wg) N 13 p 40

With two Germanys closer together — ; "basic treaty" initialed by two Govts, its objectives; some changes for better in East Germany, use of "murder machines", other measures to seal border; how "back door" trade with West Germany profits East Germany, N 20 p 84

EAST-WEST TRADE *see* Communist Countries — Commerce

EAVESDROPPING *see also* Watergate Incident

Tighter limits now on wiretapping, Supreme Ct decision; wiretapping ruled unconst, unless carried out under fed-ct order, wiretaps on suspected foreign-espionage or subversion cases are unaffected, (Gelbard v U S) Jl 3 p 45

FBI gets "new look"; "USN & WR" invu with FBI's Acting Dir L P Gray, Jl 10 p 58-62

Antitrust ... Crime ... Drugs ... Busing; "USN & WR" invu with Attorney Gen Kleindienst, (C) S 11 p 78-83

ECONOMIC CONDITIONS *see also* Automobiles; Banking and Finance; Construction; Credit; Economic Controls; Industry; Inflation; Prices; Retail Trade; Spending; Standard of Living; Stocks and Bonds

Latest indicators of business activity (wkly), stock prices (daily), consumer, wholesale prices, indus production, retail store sales (mthly): yr ago, mo ago, latest, printed wkly in "Plus & Minus", chart,

"USN & WR" index of business activity; printed mthly in "Trend of Amer Business" newsletter, chart,

Econ at mid-1972 matches with predictions for yr: gnp, other econ indicators, (tb) Jl 10 p 55

M Whitman, CEA mbr, predicts rapid growth in second half, leading business indicators rise for 12th straight mo, (tb) Jl 10 p 55

Changes in econ indicators since 1968, (t) Jl 17 p 6

Business: brisk now, strong rise ahead, special report on midyr outlook; Econ Unit forecasts faster business upturn through first half, 1973; key to uptrend is spending by business, with help from consumers, Govts; four problems that are not expected to hold up advance, inflation is keenest worry, how annual rates of increase in gnp shape up for each qtr, July, 1972-1973, (sr) (C) Jl 17 p 16-18

In prospect, further upswing in total spending; (gnp) yr ago, now, gain in past yr, yr from now, gain in next yr, $billions, pct, "real" growth, pct, in next 12 mos, chart, Jl 17 p 16

How much growth in sight? look at key indicators — output of indus, people's incomes, profits of corps, cost of living, people at work, out of work, unemp rate, retail sales (total, selected hard, soft goods), construction, home bldg, factory wages, farmers' income, dividends, people's savings, auto production, steel shipments, wholesale prices, yr ago, now, yr from now, chart, Jl 17 p 18

GNP in 2nd qtr, "real" growth compared to 1966, 1971, 1972, (tb) Jl 31 p 53

As business comes back with rush — ; officials in Washington, econs around country fear strong spurt in business, increased fed spending will rekindle inflation; gnp is reaching boom proportions, reasons why stock market is erratic, Pres, Admin officials warn Cong to restrain fed spending or face tax hike, Ag 7 p 13

Commerce Asst Sec H C Passer expects sharper jump in leading indicators in June means major expansion through 1973, (tb) Ag 7 p 49

Econ Unit forecasts higher gnp for 1972, 1973; rise above 1971 in billions, pct; pct in "real" growth, (tb) Ag 7 p 50

Total spending in U S is picking up speed; gnp, $billions, qtrly, 1969-1972, chart, (p&m) Ag 7 p 51

Econ impact of end of Vietnam War on budget, emp, defense spending, (t) Ag 14 p 8

Slow econ, or speed it up? two views; H Stein, CEA chrmn, W Heller, Univ of Minnesota econ professor, present each side of their case on econ before Jt Econ Com, Ag 14 p 70,71

April-June gnp equalled highest rate of real growth in 13 yrs, (tb) Ag 28 p 56

How big boom ahead? forecast of top econs; econs attending Natl Assoc of Business Econs meeting in Williamsburg, Va, predicted re-election of Pres Nixon, somewhat slower econ growth than in past nine mos, but continued expansion, gave "USN & WR" staff mbrs their appraisal of inflation, consumer spending, fed deficit, business investments, stock prices, profits, econ controls, unemp, prices, three top econ problems; Price Comm chrmn Grayson warned econs not to base forecasts, plans on end of controls by specific date, threat of continued price increases, growing fed deficits tempered optimistic forecast, (C) S 18 p 13-15

ECONOMIC CONDITIONS—Contd.

Higher taxes? further controls?-what business advisors expect; replies from poll of Natl Assoc of Business Econs: Q — are you forecasting value-added tax, raise in personal income taxes, corp taxes in 1973, has Pres Nixon's econ policy been successful in slowing inflation in 1972, do you expect controls over wages or prices, or both, to be in effect throughout 1973, yes, no, no answer, pct, chart, S 18 p 13

As econs see business prospects under Nixon — or McGovern; replies from poll of Natl Assoc of Business Econs: Q — under which Admin are we likely to see following development in 1973, 1976? — higher "real" total output, tax rates, prices, unemp, stock-market prices, interest rates, fed spending: under Repubs, Dems, no difference, pct, chart, S 18 p 14

Outlook for jobs, prices, profits, stocks; key points from poll of Natl Assoc of Business Econs: total U S output (gnp), output of indus, business profits, unemp, business spending for plant, equipment, home bldg, retail prices, defense spending, stock market, interest rates, 4th qtr, 1972, 1973, pct change, up, down, chart, S 18 p 15

Businessmen, econs report on business upturn in major regions (tb) S 18 p 71

Wharton projects gnp, capital investment, unemp, (tb) S 25 p 72

Faster business recovery is expected for rest of yr, Govt raised gnp forecast for 1972's total output, (tb) O 2 p 71

Back from aerospace slump: Seattle, Northwest; orders for Boeing aircraft from China, other foreign, domestic airlines stir hopes for steady business recovery; example of indus that make solid, diversified base of indus, commerce in Puget Sound area; how jobs have gained in various fields, record of Boeing's production, problems brought; how Boeing brought business, problems to Everett; future of area will not depend on only one indus again, O 9 p 41-43

Optimistic outlook of execs, anals attending CB's "Business in 1973" meeting, prospect of real econ growth, inflationary pressures, (tb) O 9 p 75

Bright prospects business leaders see, sampling of views at top; business leaders in private conversations tell "USN & WR" staff mbrs what they think about business outlook, wage, price controls, time to end them, election, sales of color TV, pens, inventories, plant, equipment spending, supply of money, credit, outlook for profits, unemp, O 16 p 31,32

One reason for businessmen's optimism — ; index of leading econ indicators, mthly, 1970-1972, chart, O 16 p 31

Good yr in 1973, but ... bankers give their views; bankers, bank econs attending Amer Bankers Assoc convention see rapid growth, record prosperity, but renewed inflation; consensus of 33 econs polled by "USN & WR" on outlook, need for govt action on budget, money supply, controls; outlook for business, office rentals, stock market, interest rates, unemp, inflation, tax increases, wage, price controls; factors causing dull, dawdling stock market; two ways deficit spending will raise credit costs, FRB policy, two areas of unemp, effect of teen-agers, veterans, women on growing work force, O 23 p 62-66

When bank econs look ahead — replies of 33 bank econs to questionnaire from "USN & WR"; more growth — but at slowing rate; Question: what are your projections of total U S output — gnp — now for 4th qtr 1972, 2nd qtr 1973, 4th qtr 1973 (average est, annual rate in billions) in current dollars, in 1958 prices? chart, O 23 p 62

When bank econs look ahead — replies of 33 leading bank econs to questionnaire from "USN & WR"; bank econs in survey, O 23 p 63

Some shadows on bright business outlook; excerpts from mthly letter of Natl City Bank of Minneapolis written by Walter W Heller, former CEA Chrmn; reasons for financial community's unease, uncertainty; solid underpinnings of U S expansion, contributions of major sectors to growth in demand, forces shaping '73 econ now "at work", how inflationary pressures are abating, courses under McGovern, Nixon, FRB Chrmn Burns, O 23 p 75,76

Advance in gnp in third qtr, forecast for gnp, inflation rate in 1972, (tb) O 30 p 65

After 22 mos of recovery ... latest expansion vs pattern of past; average of 4 earlier recoveries, current recovery (based on official indicators of current business trends), mos before recession lows, recession low, mos after recession lows, chart, O 30 p 71

How econ impact of cease-fire in Vietnam will differ from 1945-46, 1953-54, (t) N 6 p 5

Changes since U S entered Vietnam war in 1965, now, in population, income, gnp, food costs, house prices, emp, (t) N 6 p 6

"Turn for better"; text from summary of remarks by Walter E Hoadley to annual meeting of Amer Life Convention on Oct 18, 1972, in San Francisco; business leaders, public are urged to take closer look at facts — where U S really stands now, chronic negativism should be rejected, ground rules, guidelines to be established for rest of century, N 6 p 38

Impact of truce: boon to business; business econs see positive effects from truce in Vietnam: more consumer spending, stronger stock, bond market, fears from inflation eased, price, wage, controls may be relaxed or removed; no sudden changes, Econ Unit study shows that defense related emp will be only slightly affected by ending of war, reduction in private indus emp was planned before cease-fire possibilities; no defense-budget cut, how business, capitalism suffered from war, N 13 p 23-25

When wars end — what happens to stock market? index based on Dow Jones indus average, with price on day war ended equaling 100, mthly closing prices: day war ended, W W I, W W II, Korean War, change one year after war's end, pct, chart, N 13 p 23

Three measures that show declining influence of Vietnam war on U S econ — : govt spending, emp, total U S output, gnp, chart, N 13 p 24

What business can expect in era of change; excerpts from address by J Irwin Miller, Bd Chrmn of Cummins Engine Co, Inc, to Business Council; clear roles for both govt, business due to new or changed forces; businesses, individuals should be encouraged by govt to invest, operate along lines of natl interest; system of taxes should provide incentives to define natl goals, interests which should be supported by business, N 13 p 65-68

Outlook now for business; incomes, retail trade, production, profits are expected to increase substantially during next 12 months, solutions are near for 2 problems that have restricted planning econ strategy, Econ Unit est rise in gnp, (C) N 20 p 26,27

Total spending in U S; gnp: 1972, 1973, billions, pct change, chart, N 20 p 26

ECONOMIC CONDITIONS—Contd.

Outlook now for business; total spending (gnp) in U S, people's incomes, output of indus, retail sales, home bldg, cost of living, corp profits, unemp, factory wages, 1972 (est), 1973 (est), pct change, charts, N 20 p 26,27

Factors that indicate third yr of econ recovery is healthy, (tb) N 20 p 95

GNP in 3rd qtr was higher than forecast, other optimistic signs, (tb) N 27 p 61

Econs at Univ of Michigan conf warn of tough problems facing econ, Nixon Admin, (tb) N 27 p 61

Cities where business is best; business expansion in urban areas, growth, decline in sales, jobs, incomes, construction; hopeful business climate shown in invus with businessmen, bank econs, others; boom in Tampa-St Petersburg, Fla, (C) N 27 p 64-67

Look at business across U S; Eastern, Central, Western cities, U S average: dept store sales compared with yr ago, extent of unemp, nonfarm emp compared with yr ago, income of average factory worker, factory workers' income compared with yr ago, construction activity compared with yr ago, chart, N 27 p 65,67

Boom yr on way, what bankers see ahead; results of "USN & WR" security indus questionnaire survey, talks with brokers attending Securities Indus Assoc convention; what investment specialists foresee, how much inflation, worry about upcoming wage disputes, federal spending, need for controls next yr, comfort drawn from cash pile-up, outlook for stocks influenced by stock market performance on Nov 14 when Dow Jones closed above 1,000, where to invest money, choices of specific indus, (C) D 11 p 34-36

Size-up of 1973; as investment bankers view it — business, inflation, credit, bond, stock prices, Dow Jones indus average, investment, charts, D 11 p 34,35

Ahead for business; what no of investment bankers expect in broad trend of business during 1973: strong, slow rise, leveling out, downturn, chart, D 11 p 34

Business recovery is still vigorous in third yr despite occasional dips, (tb) D 11 p 81

Abroad

Cost of meat, food has moved up sharply in Western Europe, Canada, Japan, Argentina, how prices of food have increased (pct) in major countries over 12-mo period ending April, 1972, prices of meat abroad, chart, Jl 3 p 21

Business comeback in Europe, too; bankers, Common Market experts agree that econ is improving faster than expected, forecast bigger gains for later 1972, 1973, U S can expect better break in markets overseas; retail sales, indus output, foreign trade, stock prices are up, capital investments slow; Common Market warns against rapid rise in wages, prices; signs of recovery in West Germany are plentiful, optimism in France, Brit faces inflation threat, Italy's troubles, progress elsewhere, Jl 3 p 29-31

Upturn in Europe — slow but widespread; pct change in indus output, latest 6-mo period: 7 West European nations, Western Europe (average), chart, Jl 3 p 29

New leaders in France, Germany, Japan offer fresh approaches to econ ills, (bw) Jl 24 p 67

Record individual savings are showing up in Europe, Canada, Japan, despite inflation, (bw) Jl 31 p 73

OECD study reports continued rapid growth in intl tourist business, (bw) Ag 14 p 73

Bankers, OECD econs abroad say U S has improved its competitive price position against Europe, relatively slower rate of

ECONOMIC CONDITIONS—Contd.

inflation, advances in Amer productivity gains, unit labor costs will probably cause improvement in U S's balance of payments, (bw) S 11 p 63

Europe looks at '70s, sees trouble coming: businessmen, bankers, union leaders, econs, politicians foresee permanent trouble on monetary front, slower econ growth, more social unrest; labor relations have been worsening, bank econ H Volk has brighter view of future, two big worries are unsettled monetary policies, inflation; outlook for single currency in dollar class, recurring monetary crisis has failed to hurt world trade, OECD survey shows increase for 1973; anals cite evils of inflation at intl, natl level; govts lack credibility in fighting inflation, need to control econ growth, experts foresee higher taxes, without much improvement in living conditions, S 18 p 52-54

Two trends that alarm Europe's businessmen; prices are rising faster than in U S ... gains in real output are lagging behind U S, — annual rate (pct) of increase in consumer prices ... annual rate (pct) of rise in gnp: Belgium, France, West Germany, Italy, Netherlands, Switzerland, United Kingdom, U S, 1965-70, latest 12 mos, 1972, chart, S 18 p 53

OECD econ experts foresee new wage demands, expansion in Govt spending in '70s, A Zanker, "USN & WR" Intl Staff mbr anals OECD report, S 25 p 103

Boom in property values in European countries, Japan, (bw) O 2 p 51

Worry for world leaders — "have-not" nations lag while "haves" get richer; widening gap between rich, poor nations may cause political upheavals, troubles for foreign investors, trade; econ growth rate of poor, rich countries, 1970-71; examples of warning signs are extent of child mortality, malnutrition, higher rate of population growth in poor nations, now, yrs 2020, 2040; widespread urban, rural unemp; educ lag, school dropouts, uneven distribution of income between poor, rich; low productivity of workers, World Bank study found how growth rate (gnp) varies in nations with per capita incomes of less than $200 - more than $500 with 67%-4% of developing nations total population, oil exporters, O 16 p 53,54

Widening gap between rich, poor nations; total natl output per person in developed, less-developed countries, $s, 1960-1971, chart, O 16 p 53

20 wealthiest nations ... among poorest — 20 examples; total natl output per person, $s, annual rate of increase in past decade, pct, charts, O 16 p 54

Brit has another go at voluntary controls; key points of program of voluntary controls proposed by Prime Min Heath, limits on price, wage increases; union leaders reaction, failure of past anti-inflation programs, effect of entry into EEC are behind incomes-policy decision; union demands are rising, strike record is highest since 1926, O 16 p 95-97

Idle plant capacity, nagging inflation limit outlays for spending on plant, equipment in Europe, Canada, Japan, (bw) O 23 p 81

Book by P Clarke says small business in Brit, France, West Germany are showing spark, survival power, (bw) D 11 p 98

ECONOMIC CONTROLS

D Rumsfeld, COLC dir, reports corp dividends are running well under 4% ceiling, Jl 3 p 48

New moves to hold down food prices — outlook; Pres Nixon lifted meat import quotas, imposed controls over raw foods; move was

ECONOMIC CONTROLS—Contd.

designed to exert discipline on markups, profit margins; marketing experts say worldwide demand for meat is strong, outrunning supplies, is chief influence on prices; farmer's share of income from beef, pork; fruit, vegetable, egg prices, August, 1971, January, July, 1972, Jl 10 p 30,31

Latest decisions on rent controls; guidelines on parking space, dormitory-rental charges of State univs, private colleges, rounding off rent to nearest dollar, increased "security deposit", painting lobby, halls considered maintenance, rental units not under controls, rental space at marinas, decreases in allowable costs, special assessments, retaliatory action by landlord against tenant complaints, rental space for mobile homes, steps to take if tenant believes rent increase is not justified, Jl 24 p 66

Are controls working? what survey shows; talks with people in all regions of country show that majority believe wage, price controls are doing little to curb living costs, businessmen claim that competition really regulates prices, people expect more inflation, Michigan Univ Survey Research Center poll shows pct of people that believe inflation will continue, were aware of price increases; "USN & WR" survey shows these doubts are widespread, their viewpoints on what's needed, price increases, markups over limit, pessimistic opinions, (C) Jl 31 p 15-17

Since price curbs were imposed; change in average prices across U S since August, 1971: items that have climbed most sharply, have barely risen, have fallen, pct change up, down, chart, Jl 31 p 17

Price controllers tighten rules another notch; COLC, Price Comm reimposed price controls on lumber indus, pressured auto mfr to scale back price hike, rejected large no of requests for exemptions, price hikes, ordered raft of price rollbacks, 2 "triple rollbacks", refund record, examples of recent rollbacks, Jl 31 p 18

When cos ask for price hikes — record so far; no of requests for price boosts, results — increases approved, scaled down, flatly rejected, average price increase, no or pct, mid-November, 1971 — mid-July, 1972, chart, Jl 31 p 18

Profits hit record high; Econ Unit survey of 734 cos shows second-qtr earnings are up 13.5 pct over same three-mos in 1971, closer look at earnings, effect of price controls, (C) Ag 7 p 42-44

COLC raised personal exemption from wage controls from minimum-wage level of $1.90 hr to $2.75 after ct ruling, workers now exempt from wage controls, Ag 7 p 58

Businessmen abroad assess results of Nixon's new econ policy yr ago, Germans, Canadians applaud new U S policies, (bw) Ag 7 p 69,70

How Price Comm has tried in several cases to "fine tune" holding down prices, encourage productivity gains, (tb) Ag 14 p 60

Controls — success or failure? fed officials believe controls will be lifted before next August, date is indefinite, Nixon Admin claims "new econ policy" (NEP) has been success, indicators show less inflation, unemp, slower rise in wages, rise in gnp, major problems with dollar, wholesale prices; wage-price-rent controls have been cutback to cover only half of today's workers, renters, fewer corps; D Rumsfeld, COLC dir, told "USN & WR" his views on how successful wage-price controls have been, what lies ahead, (C) Ag 21 p 13-15

Key facts about control program; who's covered now: no of workers, renters, doctors,

ECONOMIC CONTROLS—Contd.

businesses, pct; how big bureaucracy: control agency — Price Comm, Pay Bd, COLC, IRS, no of employes involved in controls, total; when cos ask for price boosts: no of requests for price hikes that had been acted upon by Price Comm, as of early August — increases approved, scaled back, flatly rejected, no, pct; size of wage-price hikes approved: average price increase approved, average wage increase approved, pct, chart, Ag 21 p 14

One yr under "new econ policy" ... some indications of effects: cost of living (2nd qtr 1971, 1972), average size of pay increases negotiated by unions (first half of 1971, 1972), change in gnp, discounting inflation (in yr before, since NEP), rate of unemp (July 1971, 1972), amount of gold $100 buys in European free markets (July 1971, Aug 9, 1972), pct, up, down, chart, Ag 21 p 15

"USN & WR" survey of corp leaders shows how wage, price controls affected profits, (tb) Ag 28 p 55

New moves by govt against rising prices; D Rumsfeld, COLC dir, turned to "jawbone" tactics as way to get auto indus to reduce its legally acceptable price increases; temporary freeze put on coffee prices, more emphasis is being placed on voluntary rollbacks of prices, rents, wages; actions taken by Price Comm, Pay Bd on wage guidelines, airline fares, price-increase violators, insts denied exemption from price controls, Ag 28 p 57

Govt actions that seem to counter price controls, (tb) S 4 p 64

Unions settling for less under wage controls; BLS survey shows smaller pay gains, shorter-than-usual contracts, pay gains, fringe benefits divided more uniformly over life of contracts in first half of 1972, examples; effect of wage controls, steelworkers' gain from cost-of-living clauses, average construction settlements, S 4 p 78,79

Profits, dividends — headed for squeeze? profit margins are on rise, cos boost dividends, but Price Comm is taking tougher stance on price increases, roll backs, violations; how profit controls inhibit earnings, dividends; how cos can get free of profit curbs, voluntary guidelines on dividends, examples of how they work in four corp situations; advice to stockholders, S 18 p 67,68

Now: rising pressure for longer controls; many businessmen, public, as shown in Gallup Poll, support continuing wage, price controls; risk of resurgent inflation after lifting controls, rising prices bother controllers; Price Comm officials have three assumptions on future of controls, three reasons given by Price Comm, Pay Bd officials for continuance of controls; comments of Price Comm Grayson, H Stein, G Meany, O 2 p 17,18

Latest moves to curb price boosts; moves by IRS agents, Price Comm to cope with rising prices of beef, lumber, autos, lawyers' fees, bread, O 2 p 18

Nat Assoc of Business Econs heard Price Comm Chrmn Grayson cite role of productivity in bringing end to wage-price controls, factors contributing to sluggish productivity, O 2 p 95

Many at CB meeting are losing enthusiasm for wage-price controls, (tb) O 9 p 76

Making cars safer: cost so far; Price Comm heard J F Beggs, Trans Dept Under Sec, discuss safety standards effects on auto prices; fewer deaths due to safety standards, 1966-1971; ratio of retail-price increases attributed to safety items, 1968-1971;

ECONOMIC CONTROLS—Contd.
how systems approach would reduce cost, how bumper, flammability of vehicle-interior materials standards will affect prices; Chrysler Corp execs defend price rises, need for model changes, O 16 p 61,62

Good yr in 1973, but ... bankers give their views; O 23 p 62-66

Ending wage-price controls; responses of 33 bank econs when asked when they thought wage-price controls should be dropped? by yr-end, spring 1973, late 1973, spring 1974, still later, no of econs, chart, O 23 p 64

As business looks beyond election ... ; most mbrs of Business Council favor continuation of wage-price controls; business is expected to grow next year, interest rates will go up, taxes will increase, outlook for collective bargaining, effect of profit-margin regulations, warning on gen reputation of business, O 30 p 23

Purchasing mgrs prefer price ceilings over wage controls, (tb) O 30 p 65

What controls have done to prices; C Jackson Grayson, Jr, Chrmn of Price Comm, in "USN & WR" invu, discusses effects of controls on price index, inflation rate, food prices, grain sales abroad are problem, cos reaching profit margins, complaints about rents, lumber, health insurance; need for controls after March, popularity of controls with businessmen, consumers; where price-controls have been most effective, price increases on autos, interest rates, co-operation of business, unions; effects of price controls on productivity in indus, possible changes in price-control system, (C) N 6 p 70-73

Pay Bd officials reported how wage controls functioned during Phase 2's first yr, N 20 p 103

End controls? how debate is going; Cong hgs are debating econ controls extension; opinions expressed in testimony of Chrmn Boldt, Grayson, other statements, N 27 p 68

What controls are doing to execs' pay; "USN & WR" survey shows latest developments, cos seek aid of compensation experts to work out long-range pay plans to attract, hold key emps; Pay Bd's regulations, changes explained; McKinsey & Co, Inc reveals exec-pay hikes; impact of income taxes spurs interest in new types of fringes, future of stock options, premium-price payments, discount option plans, D 4 p 35,36

Price Comm calls for investigations of lumber, wood-producing cos for price violations, (tb) D 4 p 53

For shoppers: not all prices have gone up; items used for Govt's consumer price index have either dropped in price or gone up less than half as fast as over-all cost of living, reasons why so many items are cheaper, D 11 p 28

Com on Interest, Dividends provides dividend-payment guidelines for corps, banks, D 18 p 77

New timetable for controls; Treas Sec Shultz announced Admin will ask Cong to extend controls in some form before they expire; Govt officials pay raises disallowed; fed agencies' hiring, promotions frozen; how things now stand on wage, price controls; important revisions in rules affecting wages, prices, rents are being debated by Sec Shultz, D Rumsfeld, COLC, Pay Bd officials; Jt Econ Com recommendations, business views from auto maker, fertilizer, cement producers, lumber cos; profit margins cause relaxed spending; business execs surveys indicate vast majority want continuation of price controls, labor leaders request change in controls, pluses, minuses which will help decide success or failure of Phase 3, (C) D 25 p 15-17

"ECONOMIST"

"Terrorism is developing into form of total war"; "Economist" of London describes danger of letter bombs, skyjacking; 3 serious letter-bomb campaigns, defense against future attacks; no of successful hijack attempts, 1971, 1972; danger in pathological hijackers, three levels to tackle problem, D 11 p 49,50

ECONOMISTS *see also* Bankers

How big boom ahead? forecast of econs attending annual meeting of Natl Assoc of Business Econs, (C) S 18 p 13-15

Higher taxes? further controls? — what business advisers expect; replies from poll of Natl Assoc of Business Econs: Q — are you forecasting value-added tax, raise in personal income taxes, corp taxes in 1973, has Pres Nixon's econ policy been successful in slowing inflation in 1972, do you expect controls over wages or prices, or both, to be in effect throughout 1973, yes, no, no answer, pct, chart, S 18 p 13

As econs see business prospects under Nixon — or McGovern; replies from poll of Natl Assoc of Business Econs: Q — under which Admin are we likely to see following development in 1973, 1976? — higher "real" total output, tax rates, prices, unemp, stock-market prices, interest rates, fed spending: under Repubs, Dems, no difference, pct, chart, S 18 p 14

Outlook for jobs, prices, profits, stocks; key points from poll of Natl Assoc of Business Econs: total U S output (gnp), output of indus, business profits, unemp, business spending for plant, equipment, home bldg, retail prices, defense spending, stock market, interest rates, 4th qtr, 1972, 1973, pct change, up, down, chart, S 18 p 15

Good yr in 1973, but ... bankers give their views; O 23 p 62-66

When bank econs look ahead — replies of 33 leading bank econs to questionnaire from "USN & WR"; bank econs in survey, O 23 p 63

Impact of truce: boon to business; N 13 p 23-25

Econs at Univ of Michigan conf warn of tough problems facing econ, Nixon Admin, (tb) N 27 p 61

EDUCATION

No letup in plight of Catholic schools; Natl Catholic Educ Assoc report shows decline in enrollment, no of schools operating; major reason for drop in Catholic schools, State cts rule out parochial-school aid, House Ways, Means Com bill, cosponsored by W Mills, Pres Nixon, allows tax credit for parents, new fed aid to public schools, Ag 28 p 60

Fewer, fewer Catholic Schools, pupils; pupils in Catholic grade schools, high schools, Catholic grade schools, high schools in operation, 6 yrs ago (1965-1966 school yr), latest (1971-72 school yr), decline, no or pct, chart, Ag 28 p 60

Profile of today's Amers: new findings from Census, O 30 p 59-61

Supreme Ct refused to review lower-ct ruling which upheld right of Dallas teachers to strike students with paddles or tennis shoes, D 4 p 73

Whatever happened to prayer in school — it's thriving despite Ct rulings; "USN & WR" staff mbrs survey shows widespread devotional services in classrooms; what Ct held in prayer cases of 1962, 1963; area by area survey, moves in Cong to reinstitute prayer in schools, orgn campaigning against return of school prayers, D 11 p 47,48

Colleges and Universities

After graduation — then what? many educs doubt that colleges are doing enough to train, motivate students for working world as thousands of college graduates are undecided about careers, comments of uncommitted graduates, college placement dirs; social problems posed by these graduates cause colleges to re-examine their liberal-arts curricula, career counseling services; VISTA, Peace Corp reject many; schools that approve dropping out, attitudes of Harvard, Yale, Princeton, State Univs are different, educs believe problem may be solving itself, Ag 28 p 33-35

300,000 college vacancies — why; educs forsee gen leveling off of college enrollments in 1970s, Natl Assoc of College Admissions Counselors indicates no of vacancies, but say majority of nation's colleges are not facing crisis in applications, it is small ind insts; Rev Reinert, Assoc of Amer colleges chrmn, told "USN & WR", that master planning is needed in higher educ, A Ostar, Amer Assoc of State Colleges, Univs dir, says many public four-yr insts are losing students, means smaller budgets; educs cite factors that contribute to declining enrollment; "USN & WR" countrywide college-by-college survey of enrollment prospects, (C) S 4 p 36-38

Slower growth ahead in college enrollments; students registered: 4-yr. 2-yr colleges, total, 1965, 1972, 1979, rise in last, next seven yrs, no of students, pct, chart, S 4 p 37

Univ without walls — new venture in higher educ; Dr Ernest L Boyer, Chancellor of State Univ of New York, in "USN & WR" invu, describes program at Empire State College that does not have campus, consists of admin bldg, five learning centers located in NYS; how it contrasts with typical college, response from public, no of students, kinds of people enrolling, entrance, residence requirements; cost to student, degree depends upon agreed-to goals, educ progress; growing rejection of formal educ, credit may be given for work related to educ goal, varying types of examinations, time spent with teacher, dropout rate, fields of study, tying program to indus, role of adjunct professors, involvement of business, indus, labor-unions, retirees; faculty support, how costs are reduced, others experimenting with nonresidential degrees, future of Empire State College, (C) O 2 p 64-70

"A lot of 'beautiful people' ... no one left to do chores;" excerpts from speech by Dr Peter L Berger, prof of sociology at Rutgers Univ before Amer Assoc of State Colleges, Univs; effects of "greening" impulse on higher educ, society; need for structured curricula, objective standards, criteria of evaluation, respect for hard intellectual work, understanding of values of specialization, D 4 p 56-58

Costs

Return of givers — happy surprise for colleges; fund-raising experts predict record-breaking yr of gifts from private benefactors, recent gifts; J Howard, Rockford College pres, is leading campaign for changes in 1969 Tax Reform Act; record of fund drives, amounts, role of students, pct of voluntary support that meets expenditures, Jl 31 p 45,46

Giving to colleges is rising rapidly — but spending by colleges climbs even faster;

EDUCATION—Contd.
total value of gifts, spending on higher educ, school yr 1960-61, 1965-66, 1970-71, pct up, pct share of college spending covered by gifts, chart, Jl 31 p 45
Evanston, Ill proposes "tuition tax" on students attending Northwestern Univ, three small colleges, S 18 p 68
Public school costs this yr, pct forecast for 1970s compared with 1961, (t) S 25 p 8
Supreme Ct upheld Fed Ct ruling that Ohio plan to pay tuition grants to parents of children in private, church-related schools is unconst (Essex v Wolman), Pres candidates, House Com favor income tax credits against tuition payments, O 23 p 83

Federal Aid

On way ... "West Point" for doctors; law sets up academy to train doctors for military, provides for medical, dental scholarships at civilian schools; description, rules for Uniformed Services Univ of Health Sciences, Armed Forces Health Professions Scholarship Program; health authorities' opposition, rate of attrition for doctors in services, O 9 p 64

Integration

Big-city woes as mayors see them; Jl 3 p 52,53
How McGovern sees issues; "USN & WR" invu with Sen G McGovern, Dem nominee for pres, Ag 7 p 18-22
Where busing issue is hottest at start of new school yr; battle over busing is being waged in many cities, Cong, election campaign; scores of Southern Districts are continuing plans begun yr or two ago, effect of Cong moratorium, edicts in Southwest, new or expanded busing orders in Southern cities, on West Coast busing is issue in several major cities, issue in Northern cases is whether racial isolation that exists is de facto, or result of official action, S 11 p 58,59
Antitrust ... Crime ... Drugs ... Busing; "USN & WR" invu with Attorney Gen Kleindienst, (C) S 11 p 78-83
Work vs welfare: where Nixon stands; text of Pres Nixon's Labor Day address, S 18 p 76-78
Struggle over busing: report from three fronts; filibuster in Sen defeated antibusing bill, Supreme Ct heard arguments on Denver involving *de facto* segregation, outcome of controversy may be decided by election; provisions of defeated bill, Atlanta, Ga, school bd voted to appeal ct ruling that will require busing; charges by opponents of bill, arguments of attorneys, Admin reps in Denver case, O 23 p 37,38
Among voting groups — big shift to Nixon; areas where busing was issue; Los Angeles, San Francisco, Detroit, Nashville, Nixon's pct of vote, 1968, 1972, chart, N 20 p 16

Courts

Struggle over busing: report from three fronts; Supreme Ct heard arguments on Denver involving *de facto* segregation, Atlanta, Ga, school bd voted to appeal ct ruling that will require busing; arguments of attorneys, Admin reps in Denver case, O 23 p 37,38
Segregation, Northern style — how Nixon would deal with it; excerpts from memorandum submitted to Supreme Ct by U S Justice Dept attorneys in Denver school case on *de facto* segregation, (Keyes v Denver School District) O 23 p 39,40
Denver school case — its background, issues; (Keyes v Denver School District) O 23 p 39

Teachers

Are lifetime jobs for profs in jeopardy? unionization at colleges, univs may replace tenure; insts which have abolished, changed tenure procedures; pros, cons of unionization; 4 trends in reshaping process, D 11 p 55-57
Pay gains for college teachers: fastest in top, bottom jobs; average annual compensation, including salary, fringe benefits of full-time faculty mbrs: profs, asst profs, instructors, 1961-62, 1971-72, pct change, chart, D 11 p 55
Profs' tenure — what it is; definitions given by Amer Assoc of Univ Profs, Chancellor Maurice B Mitchell, Univ of Denver; Pres Kingman Brewster, Jr, Yale Univ, D 11 p 56
Pay teachers get — sampling; average compensation, including salary, fringe benefits, in 1971-72 school yr — colleges: prof, instructor, $s, chart, D 11 p 57

EGYPT *see* United Arab Republic

EHRLICHMAN, JOHN D

Nixon's tax goals, from White House; in "USN & WR" invu, John D Ehrlichman, Asst to Pres for Domestic Affairs, discusses Nixon's ideas for tax changes for home-owners, where money would come from, value-added tax, no serious proposal to eliminate capital-gains tax, tax credits for parents who send children to parochial schools, corp taxes, Advisory Comm on Intergovt Relations has been asked to make recommendations on decrease of property taxes, timetable for President's tax proposals, S 11 p 42
Nixon cooling on natl sales tax; Ron Ziegler, Press Sec to Pres, J Ehrlichman, Asst to Pres for Domestic Affairs, explain Nixon's position on tax reform in White House news conf; issues of property tax relief, value-added tax, tax increases, Admin's record discussed; Treas Sec Shultz gave House Com Admin's thinking on value-added tax, property taxes, tax reform, O 2 p 80,81

EISENHOWER, DAVID

President's family — in campaign spotlight; S 4 p 27

EISENHOWER, JULIE NIXON (Mrs David)

Pat, Julie, Tricia — out meeting people; Pat Nixon, her daughters are setting fast pace of public appearances; First Lady has also traveled extensively outside U S; Repub planners outline campaign plans for Mrs Nixon, Julie, Tricia, their husbands, friends point out distinctive personalities of three women, their special interests, States each has visited since January 1, Jl 3 p 40-42
Public appearances of Nixon women in 1972, Pat Nixon, Julie Nixon Eisenhower, Tricia Nixon Cox, no of appearances, events, States, Jl 3 p 41
President's family — in campaign spotlight; S 4 p 27

ELECTIONS AND POLITICS *see also* Congress; Labor — Unions — Political Activity; Negroes — Politics and Suffrage; Public Opinion Polls; Youth — Politics and Suffrage

How population groups may realign for November election, (t) Jl 10 p 4
What stock market is saying now; price swings have been pronounced, but indecisive; factors that have been favorable, less-favorable for stocks; various studies show how stocks act in pres-election yr; hedged predictions, Ag 7 p 26,27
'72 drive for new voters; Dem, Repub Parties, labor, other orgns are planning most intensive registration drives, political anals point out importance of enrolling voters; Dems', Repubs' efforts, goals, methods of registration; reasons people do not register, factors that make for low registration, other barriers; Gallup Poll profile of registered voters, examples of new registration techniques, (C) Ag 28 p 16-18
In 1972 election — 55 million nonvoters? people in U S of voting age, who will register to vote, who will vote, nos, pct, chart, Ag 28 p 16
Profile of registered voters; based on Gallup Poll — pct of voting-age Amers registered to vote in this yr's election, by party, age, sex, race, educ, region, religion, occupation, chart, Ag 28 p 18
Youth vote: big scramble for unknown quantity; top priority by Repub, Dem campaigners is to register young voters between ages of 18 to 24, get them to vote; McGovern plan, C MacGregor, Nixon's campaign mgr, intends to beat them at their own game, experts est no of young voters, how they will vote; Gallup Poll shows pct of youth favoring McGovern, Nixon; Repub registration push, McGovern efforts among students, servicemen, reservists, blacks, Chicanos; success of drive depends on county officials, (C) S 11 p 30-32
Profile of today's young voters; no of new potential voters aged 18-24 — pct of women, men, white, black, single, married, widowed or divorced, living in cities, suburbs, small towns, rural areas, emped, unemped, in school, armed forces, housekeeping, or "other"; educ status: not graduated from high school, with high school diplomas, some college educ, four yrs of college; pct of total registered voters, chart, S 11 p 30,31
In past two campaigns ... how leads in polls narrowed; Gallup Poll shows: Johnson vs Goldwater, 1964, Nixon vs Humphrey, 1968, Nixon vs McGovern, 1972, August, September, October, final poll, actual result, pct, chart, S 25 p 18
Is there such a thing as "clean" politics? David Lawrence editorial; charges, countercharges aimed solely at injuring reputation or prestige of candidate are not "clean" politics; people want to hear views of candidates on problems facing nation, what their programs would be; voters really are interested in facts, not slanders of political combat, S 25 p 104
About political landslides ... ; public-opinion polls, political experts find Nixon may receive landslide victory; history of landslide victories since Civil War, pct of popular vote in races; winner will set new high for votes received with 85 million Amers expected to vote, O 16 p 25
Since Civil War — only three presidents have won as much as 60% of popular vote; Election (1864-1968): Dem's, Repub's share of popular vote, pct; candidates winning minority of popular vote, majority of electoral votes, chart, O 16 p 25
Bouncing back from landslide loss, what record shows — ; elections in 1920, 1928, 1932, 1936, 1956, 1964, elections in which party that lost won Pres in next election, chart, N 20 p 32
Turnout of voters for Pres; 1960-1972, in nos, 1948-1972, as proportion of voting-age population, pct, chart, N 20 p 82

Congress

No of seats Repubs need to win majority in Sen, House, (t) Jl 17 p 6
Election outlook at campaign kickoff; Sen, House, Govs: present lineup by party, no up for election, seats at stake — Repubs gain needed to win control, outlook now, chart, S 11 p 17

ELECTIONS AND POLITICS—Contd.

Nixon on war ... troop cuts ... campaign funds, tactics; S 11 p 68-70

Voting trends in key area, Northeast: first in survey series; "USN & WR" survey signals Nixon landslide as of now, what survey of State polls, political leaders, newspaper editors, voters in indus Northeast indicates; how Nixon ran in these States in 1960, 1968 elections; reasons for Nixon to win decisive victory in area, why McGovern is losing votes, outlook for State races for Sen, House, Govs, State legis in area, on State-by-State basis, (C) O 9 p 18-20

Control of Sen: close races to watch; 16 key races out of 33 contests could decide which party will have majority, Repub gains since election of 1964, contenders in 16 Sen races, outlook, O 9 p 23-25

Candidates for Sen seats in 16 States, il, O 9 p 24,25

Shake-up, whoever wins control of House; biggest House turnover since New Deal started in 1932 is in prospect due to deaths, retirements, resignations, defeats in primaries; 34 Dems, 25 Repubs will not return, additional 50 or more seats may change hands in gen election; major shifts in mbrship of both parties in Cong shown by newcomers or "freshmen" in elections since 1932; seniority turnover, its effect on coms; shift in attitudes of mbrs, leaders of both parties see Repub gains in Cong, new, unusual conditions affecting election; marginal House districts listed by unions, parties, O 30 p 32-35

House today; House line up now (state by state): Democrats 256, Republicans 179 — needed for control, 218; gains or losses in House seats expected by each party: Dems — loss of 11 seats, Repubs — gain of 25 seats; no of additional seats Repubs need to control House, chart, O 30 p 32,33

Next House; as Dems see it — 245 Dems, 190 Repubs, as Repubs see it — 231 Dems, 204 Repubs, charts, O 30 p 33

Riding Pres's coattails into Cong — what record shows; Pres election yr, 1916-1968, party winning White House, party — pres, change in House seats for Pres's party, chart, O 30 p 34

Final pre-election survey by "USN & WR" political staff, (t) N 6 p 6

Way people voted — why; Pres Nixon received largest popular vote in history, biggest majority; McGovern received worst electoral-vote defeat ever suffered by any Dem nominee; Dems control both houses of Cong; previous pres candidates who lost in landslide, no of electoral votes; voting groups, cities, areas, vote pct to Nixon-Agnew; Nixon's up, down political career; Dems reaction, Repub setbacks in Cong, Gov races; Cong results, examples of ticket splitting between pres, local candidates; Gov's elections, two major factors in State races, political trends, second term's outlook, N 20 p 13-18

93rd Cong: big changes but still split govt; what Nixon faces when 93rd Cong meets on Jan 3, problems result from unusual cong election results; Presidents who won by landslides when their party fared badly in Cong elections; new Sen will have more liberal tint; Dem, Repub leadership in House, Sen; Women, Negro winners, other interesting results, N 20 p 36-38

Lineup in Cong — old, new; no of Dems, Repubs before, after election, in House, Sen; no of seats lost, gained by Dems in House, Sen, margin of control, chart, N 20 p 36,37

Shift in House: how parties will stand; States — Dems, Repubs, gain Dem or loss Repub, Dem margin before, after 1972 election, chart, N 20 p 37

Sen races — who won, who lost; no of seats won by Repubs, Dems; where Dems gained, lost seats; States: names of winners, losers, N 20 p 43

Winners, losers — what they say; invus, statements given to "USN & WR" by Pres, Vice Pres candidates, Party leaders, candidates for Gov, Sen, House, N 20 p 55-68

Shift in House seats — Repubs gain fewer than average; gains in House seats in pres-election years by party winning White House — average gain 1916-68, 1948-68, 1972, seats, charts, N 20 p 82

More Repub office holders were defeated for re-election; among incumbents running for re-election — in races for House, Sen, Gov seats, no of incumbents defeated, including Dems, Repubs, chart, N 20 p 83

More blacks in Cong; no of Negroes before, after election, election results in House, Sen races, chart, N 20 p 83

Big winners for 1972; among races for Sen or Gov, biggest pct of votes for Sen, Gov; pcts of some other big winners, charts, N 20 p 83

Where Repubs gained — lost; Northeast, Midwest, South, Border States, West: Gov, Sen, House, net loss, gain, no net gain, chart, N 20 p 83

How Sen Kennedy's candidates came out; results of Sen Kennedy's campaigning for 33 Dem candidates for Gov, Sen, House in 1972 election; score: no won, lost for Gov, Sen, Rep, chart, N 20 p 83

Women in Cong: no net change; no of women: before, after election; election results in House, Sen races, no of women won, major-party candidates lost, chart, N 20 p 83

Meaning of '72 vote to labor unions; victories, defeats in House, Sen; COPE's spending on Sen, House races, vote drives; Reps, Sens considered friendly toward labor movement, significance of labor union's refusal to endorse pres candidates, Sen Griffin won in Michigan despite union opposition, G Meany's opinion, N 20 p 100-102

Labor's power in new Cong; no of candidates for House, Sen seats endorsed by AFL-CIO, no won, lost, other winners considered friendly to labor, no of Reps, Sens expected to support labor-backed measures, House, Sen seats gained by labor, chart, N 20 p 100

Conventions

Conventions — system that ought to be reformed; David Lawrence editorial; weaknesses in convention system have long been well known, but both parties have been reluctant to adopt alternative — natl primaries; if primaries were held in all States, nominations were tied to results, voters would have more opportunity to judge ability, qualifications of candidates, Jl 24 p 88

Democratic Party

As divided Dems brace for showdown — ; bitter fights on Convention floor are in prospect over platform, party rules, seating delegates, pres nomination; key platform proposals, candidates Sen McGovern, H Humphrey, E Muskie approved platform, Gov Wallace denounced it, other proposals awaiting decisions in Miami, controversy over reorgn of party charter, credentials com stripped McGovern of 151 California delegates, McGovern's reaction to setback; seesaw conflict over Mayor Daley's slate, other delegate contests, political observers anal basic cause of Dem Party friction, Jl 10 p 11-13

Delegates to Dem Convention will be asked to ratify new charter for Natl Dem Party, proposals, Jl 10 p 13

How Miami Beach hopes to cope with Conventions; officials have elaborate security plans to protect delegates, are determined to prevent violence, protest leaders indicate they plan to harass Repubs, location, size of Convention Center, communications system, cost, policing, security costs, Police Chief Pomerance's power, outlook; key worry is mass demonstrations by militant orgns, Jl 10 p 14,15

Dem platform — what's being proposed; text of key passages from majority draft of 1972 Dem Platform, Jl 10 p 78,79

Division vs unity, big issue at Dem Convention; bitterly divided Dems headed into Convention with prospects of disorder over delegate seats, platform, role of labor, backers of McGovern; no of Dem Sens, House mbrs, Govs not in delegations, (C) Jl 17 p 11

George McGovern — can he unite his party? Pres nominee Sen McGovern heads splintered Dem party, strategy will be to build new coalition of discontented, major elements counted on to win in November, McGovern strategists say this is yr of underdog, problems they face, McGovern's peace overtures, Mrs J Westwood is natl party chrmn, Sen Eagleton is vice-pres nominee, departures from traditional campaigning, moves in wks ahead; key convention battle was over seating delegates, make-up of delegates, how disputes were settled, demonstrations were minor, (C) Jl 24 p 19-21

McGovern's victory on first ballot; roll call: States, for McGovern, Jackson, Wallace, others, total, chart, Jl 24 p 21

Why Eagleton was picked; after Sen Kennedy declined nomination, McGovern picked Sen Eagleton for vice-pres nominee, early Muskie supporter, record, career, (p) Jl 24 p 25

Wallace's strategy now; Convention rejected Wallace's nomination, his platform ideas; Gov Wallace's advisers told "USN & WR" staff mbrs that Gov intends to sit out election, called party's new platform "suicide note", indicated Wallace votes will go to Nixon, plans for 1976, Jl 24 p 29

Platform for '72, promises Dems make; major issues adopted, controversial subjects not mentioned, all Wallace proposals were rejected, Jl 24 p 32,33

McGovern: "Amer politics will never be same again"; text of McGovern's acceptance speech to Dem Natl Convention, Jl 24 p 84-87

Eagleton sees united party emerging from "diversity", excerpts of Sen T Eagleton's acceptance speech to Dem Natl Convention, Jl 24 p 87

New political "reforms"; Paul L Martin, who reports political affairs for "USN & WR", headed magazine's special staff at Dem Natl Convention, has written anal of dilemmas in electoral process; full text of Mr Martin's explanation of current problems is presented, Ag 21 p 84

Supreme Ct reversed U S District Ct convictions of five antiwar activists for inciting violence at 1968 Dem Natl Convention, D 4 p 73

Republican Party

Miami Beach girds for protests; demonstrators warn Repubs that relatively mild protests at Dem Convention were merely dress rehearsal, law-enforcement officers, Convention officials have tightened security, erected new barriers; protest organizers have drawn up "Manual for Repub Convention" that outlines series of demonstrations, orgns, mbrs; Repubs have re-

ELECTIONS AND POLITICS—Contd.

vamped Convention facilities, cut costs, Ag 21 p 19,20

To attract interest of TV viewers, Repubs plan to have Convention votes, speeches during prime TV time, present natly known personalities, films on accomplishment of Nixon Admin; Convention business agenda, Ag 21 p 20

Eyes on top spot — Agnew in '72 pointing for '76; Vice Pres Agnew, nominated for second term, now sets out on course expected to lead to Pres; Repub Convention delegates, in Miami Herald poll, favored Agnew for pres nomination in '76; Agnew's strength among party professionals, elected officials, from new formula for allocating delegates; role in campaign, assignments in second term, S 4 p 20

How protesters lost "battle of Miami Beach"; demonstrator's failure to create chaos at Convention showed waning strength of antiwar protest, effective police tactics, mass arrests prevented wholesale disorder; Vietnam Veterans Against War staged well-disciplined protest, day-by-day developments, tight security for Pres, protest leaders cite reasons for diluted efforts, S 4 p 21,22

Platform for '72, promises Repubs make; major issues adopted, S 4 p 28,29

Nixon's bid to disenchanted: "join our new majority"; text of Pres's acceptance speech to Repub Natl Convention, S 4 p 66-70

Agnew outlines "hard questions to be decided"; text of Vice Pres Agnew's acceptance speech to Repub Natl Convention, S 4 p 71,72

Democrats

Delegates to Dem Convention will be asked to ratify new charter for Natl Dem Party, proposals, Jl 10 p 13

Dems' waning strength in South; Dem candidate, Dems' share of total popular vote in U S, Dems' share in South, Dems' share outside South, 1928-1968, pct, chart, Ag 28 p 15

Can Dems rebuild their party? facing pres election defeat, many Dems fear break-up in New Deal coalition that has lasted since it was formed forty yrs ago by F D Roosevelt; polls indicate Pres Nixon is leading Sen McGovern in most groups that formed Dem coalition, Dems blame convention reforms, radical candidate; comms will consider delegate-selection guidelines, party reorgn, natl charter for Dem Party; indifference of party regulars, labor, candidates led to takeover by reformers; views on E Kennedy's, McGovern's roles in control of party after election, (C) O 2 p 24-27

Hubert Humphrey talks about future of his party; in "USN & WR" invu, Sen Hubert H Humphrey discusses future of quota system for convention delegates, need for better balance instead of extremism, need for active coalition of reformers, old regulars; two-party system in South, return of union workers, ethnic voters in North to Dem Party, O 2 p 26,27

After McGovern, Dems struggle to pick up pieces; Dems struggle to regroup, rebuild, search for new leadership, role of Sens McGovern, Kennedy, Dem Govs, Gov Wallace; Mayors Lindsay, Daley deny Dem Party was weakened by pres vote; pres possibilities, financial difficulties, control of Dem Natl Com, N 20 p 31,32

Winners, losers — what they say; invus, statements given to "USN & WR" by Pres, Vice Pres candidates, Party leaders, candidates for Gov, Sen, House, N 20 p 55-68

How Communist countries reacted to Nixon landslide, (wg) N 20 p 69

Facts that help put election in focus; statistical results show scope of Nixon's victory, pres candidates vs their parties, turnout of voters for Pres, Nixon in South: new high for Repubs, big year for ticket splitting, shift in House seats — Repubs gain fewer than average, popular vote for Pres — region by region, more blacks in Cong, more Repub office holders were defeated for re-election, women in Cong, where Repubs gained — lost, how Sen Kennedy's candidates came out, big winners of 1972 in races for Sen, Gov; charts, N 20 p 82,83

Scope of Nixon's victory; popular vote, pct of popular votes, electoral vote, plurality, chart, N 20 p 82

Turnout of voters for Pres; 1960-1972, in nos, 1948-1972, as proportion of voting-age population, pct, chart, N 20 p 82

Pres candidates vs their parties; vote totals based on votes for Pres, Sen: Nixon, Repubs; McGovern, Dems, pct, charts, N 20 p 82

Big year for ticket splitting; Nixon States that elected Dem Govs, Sens, chart, N 20 p 82

Popular vote for Pres — region by region; Northeast, Midwest, South, Border, West:

ELECTIONS AND POLITICS—Contd.

Nixon, McGovern, no, pct of votes, chart, N 20 p 83

Meaning of '72 vote to labor unions; victories, defeats in House, Sen; COPE's spending on Sen, House races, vote drives; Reps, Sens considered friendly toward labor movement, significance of labor union's refusal to endorse pres candidates, Sen Griffin won in Michigan despite union opposition, G Meany's opinion, N 20 p 100-102

Election of 1976

Will it be Agnew in '76? Agnew is considering running for Pres, new image, approach to suit needs of changing political situation; record in politics, Vice Pres; other potential candidates, N 20 p 28

Finance

Cost of McGovern's, all candidates' primary campaigns, (t) Ag 7 p 10

Nixon on war ... troop cuts ... campaign funds, tactics; S 11 p 68-70

Labor's tactics in '72 campaign; unions, split into three segments, are putting big money, effort into election campaigns; picture that emerges from reports on contributions, invus with labor leaders across country; contributions to Sen candidates, activities of Labor Com for McGovern-Shriver, other unions; reports of labor-union mbrs support for Nixon, effects of AFL-CIO leadership's neutrality policy on votes, contributions, political activity after election; COPE's spending in Sen, House contests; union contributions to liberal Sens, Reps, (C) O 23 p 19-25

Unions in politics: growing financial role; spending by labor unions in direct support of pres, cong candidates, based on official reports — 1956, 1960, 1964, 1968, $million; union share, (pct), of all direct political spending on natl-level candidates 1956, 1968, prediction for spending in 1972, chart, O 23 p 19

History's costliest campaign; Herbert E Alexander, Citizen's Research Foundation dir indicates that total spending on Pres, State, local contests cost more than $400 million, spending per voter, Nixon, McGovern campaign costs; pres campaign costs, 1964-1972, sums contributed by big donors, unions, N 13 p 20

Skyrocketing expenses of campaigning; est spending in campaigns for all offices — fed, State, local, 1952-1972, chart, N 13 p 20

Political Broadcasting

TV in election campaigns — call for changes; excerpts from letter written by Robert D Squier, Jane M Squier, TV operations dirs for leading Dems in 1968, 1972 campaigns; how candidates use TV, role of broadcasters, reforms proposed, N 27 p 84,85

Political Parties

Sindlinger poll shows no of registered Dems, Repubs, S 4 p 25:2

For Wallace's old party: new leader, brisk bid for votes; Rep J Schmitz, Amer Party nominee for Pres, mounts aggressive campaign; issues he favors, opposes; career, goal of Amer Party, (p) S 25 p 22

Primaries

McGovern won majority of delegates in NYS primary, Jl 3 p 16

Conventions — system that ought to be reformed; David Lawrence editorial; weaknesses in convention system have long been well known, but both parties have been reluctant to adopt alternative — natl primaries; if primaries were held in all States, nominations were tied to results, voters would have more opportunity to judge ability, qualifications of candidates, Jl 24 p 88

ELECTIONS AND POLITICS—Contd.

Regions, States and Cities

"Solid South" for Repubs? signs point to clean sweep of Southern States for Nixon-Agnew ticket, G Wallace's backers support Nixon, prevailing mood is not pro-Repub, its anti-McGovern; size-up of Southern States by leading Dems, political experts; reasons for Repubs' optimism; McGovern campaign strategy in South, Negro vote could be decisive factor; Pres Johnson endorsed McGovern-Shriver ticket, Ag 28 p 14,15

Dems' waning strength in South; Dem candidate, Dems' share of total popular vote in U S, Dems' share in South, Dems' share outside South, 1928-1968, pct, chart, map, Ag 28 p 15

Marijuana vote with impact on race for White House; Californians will vote on proposition that would permit private use, cultivation of marijuana by adults; orgns for, against; impact on pres race, present California law, fed law, S 4 p 50

As campaign slugging begins — ; ... outlook for major races for Sen, House, Govs if there is Nixon landslide, S 11 p 15-17

Election outlook at campaign kickoff; Sen, House, Govs: present lineup by party, no up for election, seats at stake — Repubs gain needed to win control, outlook now, chart, S 11 p 17

Govs attending Southern Govs Conf foresee Nixon-Agnew sweep of their region, are concentrating on cong, statehouse races; their size-up of election, S 18 p 32

Voting trends in key area, Northeast: first in survey series; "USN & WR" survey signals Nixon landslide as of now, what survey of State polls, political leaders, newspaper editors, voters in indus Northeast indicates; how Nixon ran in these States in 1960, 1968 elections; reasons for Nixon to win decisive victory in area, why McGovern is losing votes, outlook for State races for Sen, House, Govs, State legis in area, on State-by-State basis, (C) O 9 p 18-20

In 10 Northeastern States — ; States, with electoral votes, leaning to Nixon, McGovern, in doubt, chart, map, O 9 p 19

Nixon Solid South? outlook; "USN & WR" survey of Southern, Border States finds Nixon may carry every State; no of States, electoral votes for Nixon if election were held today, size of popular vote majorities are fantastic; how South has voted in pres elections since 1948, McGovern is central issue of many underlying reasons for change from Dems to Repubs, political factors helping Nixon, Nixon landslide could favor Repub candidates for Sen, House, Gov; States losing, gaining seats in cong redistricting; outlook for State races for Sen, House, Govs, State legis for region, State-by-State basis for Border States, South, (C) O 16 p 21-24

In South, Border regions; no of States, with no of electoral votes, leaning to Nixon, McGovern, in doubt, chart, O 16 p 21

Where race stands in Amer's heartland; survey in Midwest by staff mbrs of "USN & WR" finds Nixon would win 9 of eleven States, with 118 electoral votes, McGovern none, two in doubt; Nixon's record in these States in 1960, 1968 elections; how race stands after regional surveys of 37 States, D C, in no of States, electoral votes for Nixon, McGovern, States in doubt; reasons for massive voter resistance, outlook for State races for Sens, Govs, Reps; current outlook on State-by-State basis, O 23 p 16-18

In 11 States of Midwest — ; no of States, with no of electoral votes, leaning to Nixon, McGovern, in doubt, map, chart, O 23 p 16

ELECTIONS AND POLITICS—Contd.

Race in West: one more region for Nixon; "USN & WR" survey of Western States, no of electoral votes, voting record in 1960, 1968 elections; combination of positive, negative factors contribute to Nixon's lead; possible changes in State races for Gov, Sen, House; outlook in each State in Pres, Gov, Sen, House races, O 30 p 28-30

In 13 States of Far West; States, with no of electoral votes, leaning to Nixon, McGovern, in doubt, map, chart, O 30 p 28

In 18 Gov races ... ; "USN & WR" survey indicates few changes in coming elections, current lineup, party switches, vacancies, local issues, when Repubs, Dems held most govships, N 6 p 32

Lineup of Governors now; 30 Dems, 20 Repubs, States with Dem, Repub Govs, States electing Govs, map, N 6 p 32

Way people voted — why; Pres Nixon received largest popular vote in history, biggest majority; McGovern received worst electoral-vote defeat ever suffered by any Dem nominee; Dems control both houses of Cong; previous pres candidates who lost in landslide, no of electoral votes; voting groups, cities, areas, vote pct to Nixon-Agnew; Nixon's up, down political career; Dems reaction, Repub setbacks in Cong, Gov races; Cong results, examples of ticket splitting between pres, local candidates; Gov's elections, two major factors in State races, political trends, second term's outlook, N 20 p 13-18

In 18 statehouse races ... ; Dems gained slightly, results in States where control of Govship shifted, in other States, Puerto Rico, N 20 p 49

Score on Governors; no of Dems, Repubs, party changes from Dem to Repub, Repub to Dem, map, chart, N 20 p 49

Yeas, nays on off-beat issues; voter's reactions to proposals on State ballots concerning: death penalty, marijuana, abortion, lotteries, obscenity, liquor, busing, taxes, Olympics, racing, school aid, auto insurance, hunting, N 20 p 50

Big boost for clean environment; voice of voters; decisions made by voters on Winter Olympics, NYS water, air, parks, California coastline, Florida recreation lands, other environmental issues; losses, gains of conservationist-backed Cong candidates, N 20 p 52

Winners, losers — what they say; invus, statements given to "USN & WR" by Pres, Vice Pres candidates, Party leaders, candidates for Gov, Sen, House, N 20 p 55-68

Nixon in South: new high for Repubs; votes for Repub pres candidates as pct of 2-party vote in South: 1872, 1912, 1932, 1948-1972, pct, chart, N 20 p 82

Where Repubs gained — lost; Northeast, Midwest, South, Border States, West: Gov, Sen, House, net loss, gain, no net gain, chart, N 20 p 83

Big winners for 1972; among races for Sen or Gov, biggest pct of votes for Sen, Gov; pcts of some other big winners, charts, N 20 p 83

Popular vote for Pres — region by region; Northeast, Midwest, South, Border, West: Nixon, McGovern, no, pct of votes, chart, N 20 p 83

How taxes, bond issues fared in election; results of vote on tax proposals, bond issues, other revenue measures; special groups got property-tax relief, lotteries supported, plans supported, defeated on spending, N 20 p 90-92

California voters turned down proposed law that would have barred boycotts of farm products, outlawed strikes by agric workers at harvest time, N 20 p 102

ELECTIONS AND POLITICS—Contd.

In State legis: pickup for Dems; no, names of States in which Dems, Repubs will control both houses, where legis will be divided; no of states in which Govs will deal with legis in one or both branches controlled by opposite party, Dems, Repubs will be in control of Govships, both houses of legis, chart, N 27 p 53

Republicans

Shift at top of Repubs, too; party chrmn to succeed Sen Dole will be elected in Jan, George Bush is Pres Nixon's choice, Bush's main goal, career, D 25 p 31

ELECTRIC POWER *see also* Fuel

Will this summer's power needs be met? in "USN & WR" invu, John N Nassikas, FPC chrmn, discusses regions most likely to be affected by power shortages, reasons for deficiencies, affect of pollution controls on plant in Southwest, other critical regions, Natl Power Survey forecast for power needs for 1970-1990, why there has been great slippage in schedule; natural gas shortage, supply-demand deficit, incentives for exploration, development, higher prices, imports, where gas is in shortest supply, why natural gas, electricity will not be rationed; ways to balance electric-power load by off-peak usage of appliances, no of power plants, generating capacity needed by 1990; offshore sites for nuclear plants; defines natl power grid, natlization of indus, fed or private system of interties, why bldg of interties has been delayed, govt regulation of power indus needs improvement, Jl 24 p 56-59

Where brownouts, blackouts could hit; summer outlook for power supplies in West Central, Northeast, East Central, Southeast, South Central, West, map, Jl 24 p 57

If utility runs short of electricity — ; 6 steps in power co's contingency plan when power shortage threatens, Jl 24 p 59

Vast blanket of hot smog — ; ... where electric service was disrupted during hot air inversion ... , Jl 31 p 62:2

ELECTRONICS

Amer firms negotiate for control of Brit computer co, sales in Italy, Hong Kong, (ca) Jl 17 p 78

Computers, products, services expect record sales, (tb) Jl 24 p 62

Amer computers are being used for quality control for Swedish steel mill to editing, setting type, composing two Japanese newspapers, (ca) S 25 p 97

Supreme Ct ruled that computer programing cannot be patented, D 4 p 73

ELIAS, EDWARD K *see also* Vietnam — Military Action — Casualties

Life as war prisoner — first-hand accounts; recently released POWs, Gartley, Charles, Elias, told reporters at news confs how they, others were treated by North Vietnamese; literature provided, none brainwashed, shelter during bombings, diet, clothing, medical care, activities, mail deliveries, O 16 p 66,67

EMMETSBURG, IOWA

Tip-off to vote: mood in 3 "weathervane" counties; O 30 p 24-27

EMPIRE STATE COLLEGE

Univ without walls — ; "USN & WR" invu with Dr Ernest L Boyer, (C) O 2 p 64-70

EMPLOYMENT AND UNEMPLOYMENT *see also* Unemployment Compensation

Unemp is declining slightly for blue-collar workers — but not for white-collar groups;

EMPLOYMENT—Contd.

unemp rates: blue-collar workers, white-collar workers, pct, 1971, 1972, chart, Jl 3 p 51

Can spending really be cut? "USN & WR" invu with C W Weinberger, Dir, OMB, (C) Jl 17 p 21-25

June unemp rate was lowest in 18 mos, (tb) Jl 17 p 63

Prudential Insurance Co poll finds Western execs high in optimism, (tb) Jl 17 p 63

"USN & WR" Econ Unit forecasts emp by mid-1973: total labor force, armed forces, civilian labor force, emped, unemped, 2nd qtrs, 1972, 1973, change, chart, (tb) Jl 17 p 63

Civilian emp gains in past four qtrs, expected gains are greater than gains during booms that followed W W II, Korean War, (tb) Jl 17 p 63

One key to unemp problem ... factory output is soaring — but not factory work force; factory production, emp, 1969-1972, chart, (p&m) Jl 31 p 70

Can affluent Amer end poverty? (C) Ag 14 p 23-25

Jobless rate continues decline, no of workers, advance in help-wanted index, decline in no of areas with high jobless rates, (tb) Ag 14 p 59

Emp in August was all-time high, unemp unchanged, unemp claims dropped, (tb) S 11 p 55

Back from aerospace slump: Seattle, Northwest; orders for Boeing aircraft from China, other foreign, domestic airlines stir hopes for steady business recovery; example of indus that make solid, diversified base of indus, commerce in Puget Sound area; how jobs have gained in various fields, record of Boeing's production, problems brought; how Boeing brought business, problems to Everett; future of area will not depend on only one indus again, O 9 p 41-43

No of unemped declined in September, third qtr; emped reached all-time high, list of labor market areas with high jobless rates is lowest since March, 1971, (tb) O 16 p 73

Good yr in 1973, but ... bankers give their views; O 23 p 62-66

When bank econs look ahead — replies of 33 bank econs to questionnaire from "USN & WR": unemp heading down; Question: what level of unemp do you foresee? average estimate, December 1972, June 1973, December 1973, pct, chart, O 23 p 63

Profile of today's Amers: new findings from Census; O 30 p 59-61

Jobs are moving to suburbs; in 15 largest metropolitan areas — workers in central cities, suburbs, 1960, 1970, change, pct, chart, O 30 p 61

Jobs Amers hold; occupation: emp in 1970, no, change since 1960, pct, male, female workers, chart, O 30 p 61

Are there jobs enough for all? "USN & WR" invu with Robert O Snelling, Sr, chrmn of Snelling and Snelling, Inc; surplus of job openings of every type, study of help-wanted ads found job openings nationwide exceed unemped, Govt's unemp figures are ridiculous, people have to be motivated to work, young people lack incentive, Govt should offer workers incentive to move where jobs are, unemp compensation is basic problem, people Govt counts as unemped, how Govt fosters unemp, disparity between jobless rate for married, single people; unemped should be required to take best job available; all service indus need workers, unemp-compensation laws discourage emp, U S Emp Service vs private emp services; pre-emp counseling for youth, jobs

EMPLOYMENT—Contd.

with smaller cos, in medium-size cities; jobs for older workers, private-fed plan proposed, (C) O 30 p 72-76

Exec recruiters get calls for gen engineers, scientists, (tb) N 6 p 78

Auto cos add to emp rolls, causes of heavy production, no of emps at each co, N 6 p 106

Unemp; pct, 1972, 1973, pct change, chart, N 20 p 27

Cities where business is best; N 27 p 64-67

Experimental program in California uses private emp agencies to find jobs for unemped, fee schedule, N 27 p 78

Unemp: is worst over? present, expected end of yr unemp rate, how job picture has improved in past yr, duration of unemp, decline in no of cities with high unemp, D 25 p 42

Who unemployed are: all civilian workers, age, sex, race, marital status, full or part-time, occupation, indus: no of unemped now, rate of unemp, change in rate from yr ago, pct, chart, D 25 p 42

Where jobs are; Geoffrey H Moore, retiring Comm of Labor Statistics, in "USN & WR" invu discusses latest BLS unemp count in U S, how BLS survey is conducted, how households are selected for survey, definition of emped, unemped persons; who is, who is not counted in labor force; why no of people at work has risen more than population, possibility of reducing unemp, can anyone who needs job get one, additional information on unemp needed for survey, press briefings conducted by BLS, who decides which figures to play up in mthly press releases, how mthly consumer price index measures inflation, plans for new wage index, increase in productivity in order to slow inflation, (C) D 25 p 43-47

CB's help-wanted-advertising index rose in Oct, emp in Los Angeles County, (tb) D 25 p 63

Discrimination

Can affluent Amer end poverty? (C) Ag 14 p 23-25

Bias charges in hiring: AT&T fights back; EEOC asked FCC to refuse increase in AT&T's rates because of job discrimination, FCC set up hgs, J Kingsbury, AT&T vice pres, argued EEOC misinterprets Bell's prime role in business, specific points, no of minority workers, women emp, cost factor, witness H Folk, challenges Govt's use of ratios in determining discrimination, Ag 14 p 66-68

Cong passed amdt to Equal Pay Act which will close pay gap for women, also extends coverage of equal-pay rules to execs, professional admin emps, examples of jobs, Ag 14 p 69

Antitrust ... Crime ... Drugs ... Busing; "USN & WR" invu with Attorney Gen Kleindienst, (C) S 11 p 78-83

Work vs welfare: where Nixon stands; text of Pres Nixon's Labor Day address, S 18 p 76-78

Up job ladder — gains for women; examples of six women among those holding jobs once reserved for men, Labor Dept figures show pct of women holding managerial, craftsmen's jobs; college placement officers note demand for women is up, more coeds are taking professional, technical courses; some cos promote women secs, clerks to higher jobs, others hire through female-oriented personnel agencies; "USN & WR" staff mbrs report what employers in various cities are doing to improve lot of women emps, O 2 p 44-46

Decisions of EEOC on what employers must do to erase sex discrimination that have been upheld by fed cts over yrs, O 2 p 45

EMPLOYMENT—Contd.

Fed laws, exec orders, fed program that bar job discrimination against women; no of State legis that have ratified Women's Rights Amdt to Const, O 2 p 46

Women workers: gaining power, seeking more; women seek bigger female role in unions; no of women in unions, labor force; meetings discuss how to get better jobs for women in indus, leadership posts in unions, equal pay, State protective labor laws, liberalization of maternity-leave policy; reasons why women have been passive for so long, "USN & WR" learned from union women why outlook is changing, N 13 p 104-107

Job rights for women — drive speeds up; EEOC receives sex discrimination charges at record rate; EEOC now has power to go to ct to force compliance, examples of decisions show what EEOC believes to be violations, EEOC procedures for checking out complaints, ct actions against 3 cos, cos stand; no of EEOC emps, 1971, now; Labor Dept enforces equal pay for women, D 11 p 90-92

Big surge in sex-discrimination cases ... but race bias ranks first in complaints; actionable charges of sex discrimination filed with EEOC, 1967-1972 ... basis of discrimination complaints: race, sex, natl origin, other, religion, pct, charts, D 11 p 90

EMPLOYMENT SERVICES

Are there enough jobs for all? "USN & WR" invu with R O Snelling, Sr, (C) O 30 p 72-76

ENVIRONMENT *see* Conservation

EQUAL EMPLOYMENT OPPORTUNITY COMMISSION

Job rights for women — drive speeds up; EEOC receives sex discrimination charges at record rate; EEOC now has power to go to ct to force compliance, examples of decisions show what EEOC believes to be violations, EEOC procedures for checking out complaints, ct actions against 3 cos, cos stand; no of EEOC emps, 1971, now; Labor Dept enforces equal pay for women, D 11 p 90-92

EQUAL PAY *see* Labor — Wages — Equal Pay

EQUAL PAY ACT *see* Labor — Wages — Equal Pay

ESTATE PLANNING *see also* Taxes — Estate and Gift

Growing fast: new "fringe" for co execs; personal financial planning, Jl 31 p 68,69

Pitfalls to watch for in planning your estate; A James Casner, Harvard Univ prof of Law, in "USN & WR" invu discusses purpose, importance of estate planning, meaning of estate, first step in estate planning, useful functions of will, drawing will, how often will should be checked, cost of will, spouse's will, where will should be kept, changes in will, things to keep in mind when choosing executor, executor's job, fees, why estate settlement takes so long, meaning of probate, living trust, testamentary trust, jt ownership, group life insurance proceeds subject to taxation, ways to prevent life insurance proceeds from taxation, lifetime gift allowance without paying taxes, devices used by estate lawyers to provide for spouse, children by "marital-deduction arrangement," minimizing estate taxes, using trusts, need for cash, liquid assets, finding lawyer, D 18 p 48-57

ETHICS

What Justice Powell says is wrong with Amer; excerpts from address by Supreme Ct Justice Powell at Amer Bar Assoc meeting,

ETHICS—Contd.
Justice Powell says today's belief in "new ethic" that rejects humanizing role of family, other insts is causing many Amers to loose basic values, contact with each other, but there is much cause for optimism, Ag 28 p 41,42

ETHNIC GROUPS *see* Nationality

FEDERAL BUREAU OF INVESTIGATION
FBI gets "new look"; in "USN & WR" invu, L Patrick Gray III, FBI Acting Dir, discusses his role in FBI, changes in standards, hiring of women, minorities, discipline, code of dress, major changes in FBI operations, secret dossiers, raw material on individuals, wiretapping, Communism, protecting pres candidates, gun-control laws, war on organized crime, strike task force, women agents, duties, dangers, physical requirements; natl police force, proper role of FBI, legis, tools needed to run FBI, outside study of FBI, reasons for rise in violence, awesome power of dir, (C) Jl 10 p 58-62

FEDERAL BUREAU OF INVESTIGATION'S NATIONAL ACADEMY

Campus for crime fighters — FBI's big academy; new Natl Academy can train FBI agents, State, local police, host top-level confs, seminars dealing with law enforcement; facilities, curriculum, equipment, teachers, entrance requirements; no of colleges, univs, State, city police academies offering law enforcement classes, il, Jl 10 p 63-65

FEDERAL RESERVE BOARD

FRS bought U S dollars through sales of German marks to protect exchange rates set by Smithsonian Agreement, bankers' reaction, Jl 31 p 60

Tighter money, but how tight? decisions that are being made; FRB seeks expanding econ without too much inflation, three somewhat conflicting goals, orders moderation in growth of money supply; FRS urges bankers not to raise "prime" interest rates above 6%; how banks adjust, FRB faces four obstacles to broad objective, effect of upturn, optimistic outlook of bankers, D 18 p 83,84

FINANCE, PERSONAL *see also* Budget, Household; Estate Planning

Growing fast: new "fringe" for co executives; co-paid personal financial planning involving taxes, insurance, investments, retirement benefits, estates, wills are being offered to key exees, typical cases; reasons financial counseling has gained impetus, need for objective approach, banks, trust cos offering service; advisers explain service, Jl 31 p 68,69

FIREARMS

FBI gets "new look"; "USN & WR" invu with FBI's Acting Dir L P Gray, Jl 10 p 58-62

Tighter gun controls — both sides of dispute; Sen Judiciary Com voted for stringent legis that would ban sale of guns, House Judiciary Com started hgs on bill proposed by Com Chrmn Cellar that would outlaw "Saturday-night specials", require registration, licensing of all firearms; excerpts from testimony by M Rich, Natl Rifle Assoc vice-pres, Rep J Rarick, Sen Kennedy, Gov Mandel of Maryland, Jl 10 p 68-70

Gun control: Sen vote to crack down on handguns, but — ; bill would outlaw sale of "Saturday-night specials", Sens Kennedy, Hart amdts rejected, adopted Sen Brock's amdt repealing 1968 law's requirement for record of buyers of .22 caliber rim-fire cartridges, opponents views of gun controls, no of guns owned in U S, no of handguns per 1000 people here, abroad; no of killings by firearms, 1970, Ag 21 p 37

Antitrust ... Crime ... Drugs ... Busing; "USN & WR" invu with Attorney Gen Kleindienst, (C) S 11 p 78-83

FLOODS

Where, when flood victims can be helped; OEP has set up hundreds of disaster relief centers to aid victims of Hurricane Agnes, Pres designated five States as major disaster areas, Cong voted additional funds for relief, provisions of Disaster Relief Act of 1970, wide variety of assistance is available to families, home-owners, businessmen, farmers, communities, some examples are free rent, food stamps, shelter, low-interest loans, tax deductions; description of flood-control projects that would have reduced vast amount of damage if they had been completed, OEP suggestions, (C) Jl 10 p 16-19

FLOODS—Contd.

Disastrous wk in June; toll: States, deaths, homeless, property damage, totals, chart, Jl 10 p 16

Checklist of Fed aid for people in flooded areas; disaster assistance for families, home-owners, businessmen, farmers, communities, Jl 10 p 17

"USN & WR" staff mbr reports from Harrisburg, Pa, on how disaster-relief programs operate, disaster toll in Pennsylvania, local criticism of fed effort, Jl 10 p 19

$5,000 grants, low-cost loans, Nixon's formula for flood aid; Pres in radio address, proposed loans, grants to aid flood victims, communities in six States, reaction in Cong, what's been done, Jl 24 p 37

House, Sen conferees approved bill to provide low-interest loans, grants to people who suffered from Hurricane Agnes, South Dakota flood, those hit by disasters in 1971, including California earthquake; amount of loans, grants; House Appropriations Com approved 1.6 billion dollars for relief; complaints about slowness of relief, total amount of damage from Hurricane Agnes, Ag 21 p 70

FOOD *see also* Meat; Prices

Pres Nixon announced program, "Project Find", aimed at getting aged to sign up for free food or stamps, qualifications, income limits, Ag 14 p 29

Moon-shot dividends — space payoff in medicine, food, fabric, pollution, housing, D 11 p 27

Now rising threat of widespread hunger; world food production has shrunk to point of global crisis, causes of poor crops: atrocious weather, political disruption, evidence of govt bungling; food production in poor nations cannot keep up with population growth, nations facing crop difficulties, failures; U S will meet growing export demand for food, U N report on food production, malnutrition, need for upgrading farming practices in underdeveloped countries, D 11 p 29-31

World grain output: sudden turn for worse; wheat, feed-grain, rice production, millions of metric tons, 1961-1972, chart, D 11 p 30

Prices

Behind rise in food prices; Pres warned about rise in food costs, controls on food, farm products considered, COLC asked to study lifting meat-import quotas, consumer demand for meat has pushed up prices, "USN & WR" six-city survey of grocery chains shows rise in meat prices, effect of competition in two cities; agric econ forecast for beef prices, Agric Sec Butz opposes controls, lifting meat-import quotas, (C) Jl 3 p 20,21

Food prices vs other living costs; all items except food, food, 1966-1971, April, May, 1972, chart, Jl 3 p 20

Cost of meat, food has moved up sharply in Western Europe, Canada, Japan, Argentina, how prices of food have increased (pct) in major countries over 12-mo period ending April, 1972, prices of meat abroad, chart, Jl 3 p 21

New moves to hold down food prices — outlook; Pres Nixon lifted meat import quotas, imposed controls over raw foods; move was designed to exert discipline on markups, profit margins; marketing experts say worldwide demand for meat is strong, outrunning supplies, is chief influence on prices; farmer's share of income from beef, pork; fruit, vegetable, egg prices, August, 1971, January, July, 1972, Jl 10 p 30,31

How Sec Butz explains today's price of beef; excerpts from address to California Live-

FOOD—Contd.

stock Assoc, Sec Butz said as long as incomes continue to rise, so will meat prices; factors causing doubling in demand for beef, how farmers, imports have increased beef production in last 20 yrs, why it will be hard to increase supply of beef, worldwide demand has escalated, Jl 10 p 31,32

What's coming in food prices; Admin econs forecast downturn in meat prices will continue, cost of other foods will be stable for rest of 1972; "USN & WR" spot check shows meat-price trend in five major cities, Agric Dept predicts lower pork, fish prices, rise in bread, bakery products; supermarket officials told "USN & WR" there has been little evidence of consumer resistance; biggest increases over yr were in price of meat, fish, cost of other major food groups were relatively stable, (C) S 11 p 18,19

One yr's rise in grocery bills; average rise in food costs, beef, veal, pork prices, pct up, mthly 1971, 1972, chart, S 11 p 18

Latest meat-price trends across U S; "USN & WR" spot check of five cities, prices per lb: 5 cuts of beef, pork, July, now, chart, S 11 p 19

Where jobs are; "USN & WR" invu with G H Moore, Comm of Labor Statistics; ... how consumer price index, food prices are collected, analyzed, (C) D 25 p 43-47

Agric Dept econs predict higher meat prices, (tb) D 25 p 64

FOOD STAMP PLANS *see* Welfare

FORD, GERALD

Winners, losers — what they say; Rep Gerald Ford, Minority Leader, in "USN & WR" invu, discusses Pres Nixon's success, reasons why Repubs did not gain control of Cong, Pres's impact on other candidates, Cong's attitude toward Pres's programs, overriding issues, trends in election — "conservative", "liberal", N 20 p 59

When businessmen turn their talents to govt ... ; Frederic V Malek, spec asst to Pres Nixon, writes in "Harvard Business Review" that businessman who accepts public job will find unaccustomed irritations, O 2 p 77

Pay of top execs frozen by White House; examples in exec, legis, judicial branches, chart, D 25 p 17

GOVERNMENT OWNERSHIP

East Germany's E Honecker has natlized nearly all private indus, but excluded small retail shops, (bw) Jl 10 p 50

Since Socialists took office in Chile ... more than half of U S holdings have been natlized; value of U S holdings in November, 1970, now; 16 U S cos natlized, chart, Jl 10 p 53

U S firms in Panama, Guatemala, Chile with investments in public utilities are targets for govt take-overs, some get compensation, others do not, (ca) Jl 24 p 76

Foreign businessmen operating in Uganda are uncertain on what direction to natlize indus erratic Govt of Pres Admin will take, new foreign investment has dried up, (bw) S 11 p 64

U S, other Western oil firms are negotiating with Persian Gulf nations on oil-co ownership, oil finds, explorations elsewhere (ca) S 18 p 91

Philippines Supreme Ct ruling denies Amer firms right to own land after mid-1974, (ca) O 2 p 92

Trend in Africa for local people to take over trade, commerce, (bw) O 30 p 80

Amer oil firm in India is selling most or all of its holdings to govt in New Delhi, (ca) N 13 p 86

Brit Columbia plans to take over three utilities, (ca) N 13 p 86

GOVERNMENT PAYMENTS

Revenue sharing: who'd get what; House approved revenue-sharing bill that would favor States with income taxes, heavy urbanization, substantial poverty; how money is split between State, local govts; how plan would affect different areas, communities, which States do best per capita, House formula favors wealthier States, measure's chances in Sen, Jl 3 p 46,47

Your State's portion in revenue sharing ... how 50 biggest cities would fare; under bill passed by House: States, cities, amount received in first full yr (millions), amount per person in State's population, chart, Jl 3 p 46,47

Services to poor, their runaway costs; U S budget anal are worried about explosive growth of social-service programs funded by HEW, which pays 75 pct of costs to States; wide range of programs offered, examples; J Triname, HEW admin, explains main reasons States have turned to Fed Govt; new regulations designed to make States more accountable, "USN & WR" staff mbrs examined programs in eight States, survey turns up sharply conflicting views on spending, expansion, results, Ag 14 p 26-29

Social-service program that's zooming; Fed grants to States for job, family counseling, day-care centers, treatment of alcoholic, drug-abuse cases, other social services for people on welfare or those who are potential welfare clients — $millions, $billions, 1967-1974, chart, Ag 14 p 26

Quick lesson in "revenue sharing", example of how State can expand its day-care program, reduce its cost to State taxpayers, increase cost to fed taxpayers, Ag 14 p 27

Real crisis of cities; M Landrieu, Mayor of New Orleans, in testimony before Sen Finance Com, outlined how policies of Fed, State Govt have been major cause for fiscal crisis of cities, said 90 pct of fed funds now credited to cities go for welfare benefits, only revenue sharing will provide assistance, Ag 14 p 58

Revenue sharing's chances; two widely different revenue-sharing bills are now before Cong, Sen approved bill that grants relatively more money to less populous, poorer States, House bill favors heavily populated States, examples; how funds will be divided between States, counties, cities, towns; restrictions on spending, reason for trust funds, States could choose to have Fed Govt collect State income taxes, Ag 28 p 68,69

What States stand to get ... "shares" for 50 biggest cities; States, cities, under bill passed by House June 22, total in first full yr (millions), per person in State's, city's population, under bill reported to Sen August 16, for gen revenue sharing, total in first full yr (millions), per person in State's, city's population, for "social services" allocation included in Sen plan but not in House plan (for States only) total in millions, chart, Ag 28 p 68,69

Revenue sharing — where billions will go; Sen, House agreed on fed program; how States, cities intend to use their shares; examples of States in line to receive largest, smallest shares; programs eligible for use of funds by local govts, cross-country survey by "USN & WR" discloses specific plans for spending shared revenues by States, cities, counties, (C) O 2 p 20-22

Dividing up revenue-sharing dollar — ; 33 cents goes to States for spending as legis choose, with no strings attached; 67 cents goes to counties, cities, towns for spending on these programs, chart, O 2 p 20

"Piggyback" tax collection; revenue-sharing legis provides for fed Govt to collect income taxes for States, States now in conformance, in substantial conformance with fed law; arguments for fed collection, O 2 p 22

It's official: who gets what from revenue sharing; Jt Cong Com on Taxation provides look at how $5.3 billions will be distributed, share per person, ten States getting $30 or more per capita, four States getting least; variations in amounts going to cities, cities in same State, suburban areas, counties, O 9 p 94,95

Where first $5 billion in "sharing" goes: for 50 States ... for 130 biggest cities: total for 1972 (millions), per person in State's, city's population, chart, O 9 p 94,95

Five yrs of revenue sharing: 30 billion dollars; amounts earmarked for State, local govts in first five years of revenue-sharing — for States, localities, billions, 1972-1976, total, chart, O 9 p 95

Attempt to broaden revenue sharing will be opposed because of State, local govts budget surpluses of $3 billion in 1972, $5 billion in 1973, Fed budget deficit of 25 billions, (t) O 30 p 8

How some Govs, mayors hope to spend revenue-sharing funds, (t) D 11 p 8

Where property taxes may be trimmed soon; Fed revenue sharing might provide tax relief for millions of property owners, "USN & WR" cross-country check reveals many localities are holding back on tax cuts, most localities plan property-tax relief after officials mull over amount awarded them by Treas; State, city officials in NYS, Midwest, West, Southwest, South, Southeast discuss tax relief, D 18 p 74-76

First payouts from fed revenue sharing; wide variations in per capita allotments, reason why some States, localities received more or less than their populations would entitle them to, D 25 p 48

First payouts from fed revenue sharing; for 50 States ... States: total for 1972 (millions), per person in State's population, change from Sept est, chart, D 25 p 48

First payouts from fed revenue sharing; for 50 biggest cities ... cities: total for 1972 (millions), per person in city's population, change from Sept est, chart, D 25 p 48

GOVERNMENT SPENDING *see* Government — State and Local; Spending — Government; United States — Finance — Budget

GOVERNMENT SUBSIDIES *see also* Education — Federal Aid; Housing — Finance; Shipping

Govt's financial commitments: $1.3 trillion, growing; "contingent liabilities" — amounts put up by outside sources that are guaranteed or insured by U S Govt — costs Govt little, helps stimulate business without directly affecting budget, extent, variety of fed-backed credit programs, (ptg) Ag 7 p 46,47

Govt's financial commitments; "contingent liabilities" — money to be paid off in case of default — in billions of dollars as of June, 1971: insurance, guaranteed-loan, pension, intl, other liabilities, grand total, (ptg) Ag 7 p 47

Services to poor, their runaway costs; Ag 14 p 26-29

Social-service program that's zooming; chart, Ag 14 p 26

Quick lesson in "revenue sharing", Ag 14 p 27

House, Sen conferees approved bill to provide low-interest loans, grants to people who suffered from Hurricane Agnes, South Dakota flood, those hit by disasters in 1971, including California earthquake; amount of loans, grants; House Appropriations Com approved 1.6 billion dollars for relief; complaints about slowness of relief, total amount of damage from Hurricane Agnes, Ag 21 p 70

GOVERNMENT SURPLUSES *see* Strategic Materials

GOVERNORS

Govs attending Southern Govs Conf foresee Nixon-Agnew sweep of their region, are concentrating on cong, statehouse races; their size-up of election, Gov Wallace was elected as conf's chrmn, S 18 p 32

In 18 Gov races ... ; "USN & WR" survey indicates few changes in coming elections, current lineup, party switches, vacancies, local issues, when Repubs, Dems held most govships, N 6 p 32

Way people voted — why; Pres Nixon received largest popular vote in history, biggest majority; McGovern received worst electoral-vote defeat ever suffered by any Dem nominee; Dems control both houses of Cong; previous pres candidates who lost in landslide, no of electoral votes; voting groups, cities, areas, vote pct to Nixon-Agnew; Nixon's up, down political career; Dems reaction, Repub setbacks in Cong, Gov races; Cong results, examples of ticket splitting between pres, local candidates; Gov's elections, two major factors in State races, political trends, second term's outlook, N 20 p 13-18

In 18 statehouse races ... ; Dems gained slightly, results in States where control of Govship shifted, in other States, Puerto Rico, N 20 p 49

Score on Governors; no of Dems, Repubs, party changes from Dem to Repub, Repub to Dem, map, chart, N 20 p 49

More Repub office holders were defeated for re-election; among incumbents running for re-election — in races for House, Sen, Gov seats, no of incumbents defeated, including Dems, Repubs, chart, N 20 p 83

Big winners for 1972; among races for Sen or Gov, biggest pct of votes for Sen, Gov; pcts of some other big winners, charts, N 20 p 83

How Sen Kennedy's candidates came out; results of Sen Kennedy's campaigning for 33 Dem candidates for Gov, Sen, House in 1972 election; score: no won, lost for Gov, Sen, Rep, chart, N 20 p 83

Where Repubs gained — lost; Northeast, Midwest, South, Border States, West: Gov, Sen, House, net loss, gain, no net gain, chart, N 20 p 83

GRAIN

China will buy more grain than ever; sellers: Canada, Australia, U S, (bw) N 13 p 90

World grain output: sudden turn for worse; wheat, feed-grain, rice production, millions of metric tons, 1961-1972, chart, D 11 p 30

GRAY, L PATRICK III

FBI gets "new look"; in "USN & WR" invu, L Patrick Gray III, FBI Acting Dir, discusses his role in FBI, changes in standards, hiring of women, minorities, discipline, code of dress, major changes in FBI operations, secret dossiers, raw material on individuals, wiretapping, Communism, protecting pres candidates, gun-control laws, war on organized crime, strike task force, women agents, duties, dangers, physical requirements; natl police force, proper role of FBI, legis, tools needed to run FBI, outside study of FBI, reasons for rise in violence, awesome power of dir, (C) O 10 p 58-62

GRAYSON, C JACKSON, JR *see also* Economic Controls

Nat Assoc of Business Econs heard Price Comm Chrmn Grayson cite role of productivity in bringing end to wage-price controls, factors contributing to sluggish productivity; O 2 p 95

GRAYSON, C JACKSON, JR—Contd.

What controls have done to prices; C Jackson Grayson, Jr, Chrmn of Price Comm, in "USN & WR" invu, discusses effects of controls on price index, inflation rate, food prices, grain sales abroad are problem, cos reaching profit margins, complaints about rents, lumber, health insurance; need for controls after March, popularity of controls with businessmen, consumers; where price-controls have been most effective, price increases on autos, interest rates, co-operation of business, unions; effects of price controls on productivity in indus, possible changes in price-control system, (C) N 6 p 70-73

End controls? how debate is going, N 27 p 68

GREAT BRITAIN *see also* European Economic Community; Investments — Foreign; North Atlantic Treaty Organization

Ratio of Amer households owning homes they live in, chart, Jl 17 p 49

Chase Bank econs see end to "boom, bust housing cycles," (tb) Jl 17 p 64

F W Dodge reports dip in housing starts, (tb) Jl 31 p 54

Boom that didn't come off — factory-built houses; HUD's program for factory-built homes ("Operation Breakthrough") shows mixed results, higher costs, only mobile homes met goal, HUD problems, builder's complaints, location of projects, comments of home buyers, union leader, contractors, il, Jl 31 p 64-66

Housing starts, permits were higher in August; record level of home-bldg will last longer than expected, more single people are buying homes, (tb) O 2 p 72

Demand is beginning to fade in most parts of nation says Real Estate Research Corp, (tb) O 9 p 76

Home-bldg boom hits snags in suburbs; nationwide survey by "USN & WR" shows environmental controls, sewer moratoriums, cost of land, shortage of natural gas, requiring developers to pay for schools, sewers, parks, libraries, "no-growth" ordinances threaten construction, force higher prices, (C) O 16 p 39-41

In 1960s 2 of every 3 homes added were in suburbia ... home bldg is still at record level; no of occupied dwelling units in suburbs, in cities, other than nonsuburban areas: 1960, 1970, change, 1960-70, pct; no, pct of total increase in housing units in suburbs in 1960 ... private dwelling units in suburbs authorized by bldg permits, 1967-1972, charts, O 16 p 40,41

Profile of today's Amers: new findings from Census; no, value of owner-occupied homes, O 30 p 59-61

Mixed pattern in home bldg; housing units started: single-family homes ... apartments (structures of 5 or more units) — 1971 low (Feb), 1972 peak (Feb), latest (Sept), change since housing peak, pct up, down, chart, N 6 p 80

Home bldg; housing starts, no, 1972, 1973, pct change, chart, N 20 p 26

Moon-shot dividends — space payoff in medicine, food, fabric, pollution, housing, D 11 p 27

ITT Levitt, Kaufman & Broad, Inc., are bldg houses in Europe, (ca) D 11 p 58

Yrly housing starts forecast to 1980, index of costs is lowest since early 1960s, (tb) D 11 p 82

Condominiums

For "second home" owners; stiff new tax rules; Jl 24 p 63,64

"Buy or get out" — boom in condominium apartments; increasing nos of owners are selling apartments to tenants, examples of apartments recently converted, how purchase price is set, how buyer saves on rent, some misrepresentations, rental market

HOUSING—Contd.

will not suffer, offices, shopping centers may go condominium, O 9 p 60,62

What tenant can do to protect himself; pointers for tenants who are considering purchase of their apartments, O 9 p 62

Discrimination

Antitrust ... Crime ... Drugs ... Busing; "USN & WR" invu with Attorney Gen Kleindienst, (C) S 11 p 78-83

Finance

Can spending really be cut? "USN & WR" invu with C W Weinberger, Dir, OMB, (C) Jl 17 p 21-25

For "second home" owners; stiff new tax rule; IRS has tightened rules covering vacation home, condominium used only part of yr, rented for recreational season; example of how "tax shelter" worked before new ruling, now; who's hit, how to apply new ruling, Jl 24 p 63,64

Why push for home loans with flexible interest rates; Fed Home Loan Bank Bd announced Govt agency will buy, sell variable-rate mortgages (VRM's), way flexible interest plan works, P Martin, FHLB chrmn, outlines basic gain to lenders, says variable rates are good gamble for borrowers, example; E Teague, chrmn of United S&L of California, told "USN & WR" that buyers are leery, there is need to educ public, VRM benefits everyone; R Butz, S&L vice pres, says extremes of rise, fall in interest rates would be controlled by actual cost of money to lenders, Ag 21 p 67-70

How "variable-rate mortgage" works; example: 30-yr home loan of $25,000 starting at 7 pct interest, mthly payments on standard mortgage with 7% interest rate fixed for life of loan, mthly payments on variable-rate plan — if interest rates rise, decline, 1st, 2nd, 3rd, 4th, 5th, last 5 yrs; homeowner's payments over 30-yr period: on principal, interest, total payments, chart, Ag 21 p 67

Housing muddle — is Govt putting up "instant slums"? Nixon Admin is trimming back housing programs for needy because of high costs, rising foreclosures, housing scandals; HUD Sec Romney proposed cutting off housing programs in central-city areas, switching to suburbs; impact of 10-yr housing program on budget, back of cost rise, experts contend very little housing is going to low-income families, failure of tax benefits for private developers, Cong voted for test of housing allowances, HUD experiment of leasing private homes for public shelter, S 11 p 66,67

One part of housing boom that is losing steam; homes started for low-income families eligible for fed subsidies — 1969-1972, ratio of subsidized housing to no of housing starts, 1971, 1972, chart, S 11 p 66

Why land boom in U S is picking up speed; prices of city lots, suburban homesites, farmland, recreational acreage, indus, commercial properties are soaring; Econ Unit study finds main factor is population growth, other factors; price for homesite, 1961, 1971, impact on housing costs, style, lot size; market for leisure land, (C) O 30 p 40-42

How real estate rush adds to housing costs; sampling of increases in prices of typical sites for moderate-priced homes — metropolitan areas, price of site, $s, 1961, 1971, increase, pct, chart, O 30 p 42

Outlook for home buyers as experts see it; tips for prospective home buyers from mbrs of Mortgage Bankers Assoc, housing starts in 1973, shortages of bldg materials, mortgage money is abundant, where environmental

HOUSING—Contd.
problems are troublesome, range of interest rates, 95% loans, outlook for prices, problems for "amateurs", N 6 p 80-83
Financing home: cost is edging up again; average interest rates on conventional new-home mortgage, Mar 1968 (6.75%)-Oct 1972 (7.70%), chart, N 6 p 80
Fed housing: "a crisis"; HUD Sec Romney told mortgage bankers that "drastic changes" are needed in Govt housing programs, alternatives suggested, subsidized housing, 1970, 1972, N 6 p 82
It's easier now to buy house with less cash; minimum down payment for conventional mortgage has been slashed from 10% to 5%, 95% mortgage loan becomes popular all over country, advantages over FHA-VA, buyer will be in better position if he can pay substantial amount in cash, D 18 p 85,86
Four ways to finance home; example: 30-yr loan on $30,000 home — conventional loans: 80%, 95% loan; loan backed by FHA, VA ... down payment, $s; mortgage, $s at pct; mthly payment (principal, interest), $s; mortgage insurance mthly payment, $s, chart, D 18 p 85

Mobile Homes

Shipments are 30% greater than in 1971, (tb) Jl 24 p 62
Shipments, January-June, 1971, 1972, (tb) Ag 21 p 56
Production will stay at record levels in 1973, indus in Colorado, (tb) N 20 p 96

HOUSTON, TEXAS

New role of suburbs; (C) Ag 7 p 52-56

HUDDLESTON, WALTER "DEE"

Winners, losers — what they say; Dem Walter "Dee" Huddleston, winner of Sen race, in "USN & WR" invu, discusses why he won when Kentucky went for Pres Nixon, his attitude toward McGovern, issues which helped his campaign, split tickets, N 20 p 68

HUMPHREY, HUBERT H

Hubert Humphrey talks about future of his party; in "USN & WR" invu, Sen Hubert H Humphrey discusses future of quota system for convention delegates, need for better balance instead of extremism, need for active coalition of reformers, old regulars; two-party system in South, return of union workers, ethnic voters in North to Dem Party, O 2 p 26,27

HUNGARY

Trade, travel, diplomacy: U S upswing in East Europe; Ag 14 p 36-43
Brezhnev visits Hungary, approves Western consumer goods on Hungarian shelves, (wg) D 18 p 68

INCOMES AND SALARIES *see also* Agriculture — Income; Labor — Wages; Poverty; Purchasing Power

Census Bur finding: "good life" gets better; report on Amers' ownership of homes, cars, appliances, income shows sharp rise since 1960; change in per capita, median family income, 1960-mid-1971, ownership of appliances by income, Jl 17 p 49
Ratio of Amer families with income higher than $12,000, $25,000, less than $3,000 now, 10 yrs ago, outlook in 1972, (t) Jl 31 p 12
First half increase (pct) over 1971 wages, salaries, farm income, dividends, all personal income; family median income in 1971, (tb) Jl 31 p 54
Growing fast: new "fringe" for co executives; co-paid personal financial planning involving taxes, insurance, investments, retirement benefits, estates, wills are being offered to key execs, typical cases; reasons financial counseling has gained impetus, need for objective approach, banks, trust cos offering service; advisers explain service, Jl 31 p 68,69
How McGovern sees issues; "USN & WR" invu with Sen G McGovern, Dem nominee for pres, Ag 7 p 18-22
Low pay, scarce jobs — plight of poor in big cities; Sen subcom study shows cities where at least third of inner-city labor force — counting unemped — is paid less than $80 wk, cities: pct of labor force earning less than $80 wk, 1970, chart, Ag 14 p 25
As Govt pay goes up — pinch on private employers; Econ Unit study shows at all levels of govt, wages are climbing faster than in most indus; fed workers are scheduled for another increase next January, reasons for faster gains, role of unions, business officials in cities with large nos of govt workers tell about competing for workers, S 25 p 65,66
Govt-private pay gap is widening; average annual pay of full-time workers: in Govt (fed, State, local), private indus (nonfarm workers), 1961, 1966, 1971, chart, S 25 p 65
Record of decade ... whose wages have gone up fastest? among full-time workers in 11 major indus, fed, State, local govts, average annual pay in 1971, pct increase from 1961, chart, S 25 p 65
Before another Govt pay raise — how private salaries compare ... look at some gains over past 5 yrs: average annual pay, 21 jobs,

INCOMES AND SALARIES—Contd.
govt scale, comparable job in indus, $s ... average increase in pay from June, 1967, to March, 1972, 9 jobs, govt, comparable job in indus, pct, chart, S 25 p 66
So worker's pay goes up — how much will be left? Example: typical worker in private indus, average earnings in 1965, 1972, increase in pay since 1965, $s — increase in fed income, Soc Sec taxes, "inflation tax" (31.5% increase since 1965) leaving, out of increase, $s, chart, O 2 p 19
Where people earn most; Census Bur reports counties, cities whose families rank at top level in median income; highlights from report, O 9 p 46
50 richest counties ... 50 richest cities; among counties of 50,000 or more population ... among cities of 100,000 or more population — median family income, $s, chart, O 9 p 46
Profile of today's Amers: new findings from Census; O 30 p 59-61
Family income — where your State stands; median family income in 1969: States, U S average, $s, chart, O 30 p 60
Among key voting groups — big shift to Nixon; income groups: high, middle, low income, blue-collar workers, Nixon pct of vote, 1968, 1972, chart, N 20 p 16
People's incomes; 1972, 1973, pct change, chart, N 20 p 27
What controls are doing to execs' pay; "USN & WR" survey shows latest developments, cos seek aid of compensation experts to work out long-range pay plans to attract, hold key emps; Pay Bd's regulations, changes explained; McKinsey & Co, Inc reveals exec-pay hikes; impact of income taxes spurs interest in new types of fringes, future of stock options, premium-price payments, discount option plans, D 4 p 35,36
Indus where salaries are highest; average pay of chief execs — salary, bonus, other cash compensation — in cos with $1-billion sales level, $s, chart, D 4 p 35
Pay gains for college teachers: fastest in top, bottom jobs; average annual compensation, including salary, fringe benefits of full-time faculty mbrs: profs, asst profs, instructors, 1961-62, 1971-72, pct change, chart, D 11 p 55
Pay teachers get — sampling; average compensation, including salary, fringe benefits, in 1971-72 school yr — colleges: prof, instructor, $s, chart, D 11 p 57
Total income in 1973 expected to exceed trillion for first time, (t) D 25 p 7
Pay of top execs frozen by White House; examples in exec, legis, judicial branches, chart, D 25 p 17
Boost in pay for fed workers, armed forces; Pres Nixon approved raises that will average 5.14% for civilians, 6.69% of basic pay for military; raises given to govt emps since 1966, average increase; those excluded from upcoming pay increase, D 25 p 51
How salaries for Govt jobs will compare with those in business ... what military pay is to be; govt scale now, Jan, 1973, comparable jobs in indus ... rank: typical yrs of service, old, new pay, $s, charts, D 25 p 51

Japan would sell oil refinery to Indonesia to process high-sulphur Mideastern oil for Indonesian consumption; Japan would import larger share of low-sulphur crude oil from Indonesia, (bw) O 16 p 83

INDUSTRIAL PARKS
Why land boom in U S is picking up speed; (C) O 30 p 40-42

INDUSTRY *see also* Location in Business and Industry
Execs tell — why it's harder, harder to run co; officials of corps, mgt-consulting firms, educs say mgt problems include razor-sharp competition, public's opinion of business, keeping workers satisfied through incentives, recruiting, staffing, retirement, adapting to computer technology, making top decisions; some set up "offices of pres" where corp decisions are made by no of officials, speed in decision-making, volatile forces from outside that affect cos are civil-rights legis, ct rulings, hiring minorities, women, solving social problems of communities in consumer, nutrition, environmental affairs, O 2 p 74-77
Problems that plague top mgt — 10 examples; O 2 p 75
What business can expect in era of change; excerpts from address by J Irwin Miller, Bd Chrmn of Cummins Engine Co, Inc, to Business Council; clear roles for both govt, business due to new or changed forces; businesses, individuals should be encouraged by govt to invest, operate along lines of natl interest; system of taxes should provide incentives to define natl goals, interests which should be supported by business, N 13 p 65-68

INDUSTRY—Contd.

Finance
As profits rise ... corps are in better financial shape; total cash available to corps, allowance for depreciation, depletion, profits after taxes, dividends, $billions, qtrly 1967-1972, chart, (p&m) S 4 p 65

Profits
see also Economic Controls
Profits hit record high; Econ Unit survey of 734 cos shows second-qtr earnings are up 13.5 pct over same three-mos in 1971, closer look at earnings, effect of price controls, variations in profits, exec's predictions for next six mos, outlook for textiles, oil indus, (C) Ag 7 p 42-44
Profit surge of '72; after-tax earnings (annual rates in billions of dollars), qtrly, 1966-1972, chart, Ag 7 p 42
As cos report their earnings; 64 cos, profits after taxes, 2nd qtrs, 1971, 1972, pct change, up, down, chart, Ag 7 p 43
"USN & WR" survey of corp leaders shows how wage, price controls affected profits, (tb) Ag 28 p 55
Profits, dividends — headed for squeeze? profit margins are on rise, cos boost dividends, but Price Comm is taking tougher stance on price increases, roll backs, violations; how profit controls inhibit earnings, dividends; how cos can get free of profit curbs, voluntary guidelines on dividends, examples of how they work in four corp situations; advice to stockholders, S 18 p 67,68
Profit margins: on rise, but still relatively low; after-tax profits of mfg corps on each dollar of sales, qtrly, 1966-1972, chart, S 18 p 67
Profits take big jump; "USN & WR" Econ Unit finds that earnings after taxes were running at record annual rate of more than $53 billion in study of 1,363 cos. N 6 p 74
As cos report their earnings; profits after taxes: cos, 3rd qtrs, 1971, 1972, pct, change, chart, N 6 p 74
Corp profits; billions, 1972, 1973, pct change, chart, N 20 p 27
Mfrs after-tax profits in 3rd qtr, outlook for 4th qtr, yr, 1973; pct of natl income, (tb) D 25 p 64
Cos' profit forecasts — should they be made public? SEC held hearings on proposal to permit, even force, corps to forecast in public their earnings as guide to stock investors; pros, cons, problems raised, suggestions for ways to make changeover, set safeguards; seven ground rules offered by "Harvard Business Review", D 25 p 69,70

Plant and Equipment
Spending patterns in coming yr; spending by people, business, Govt, yr ago, now, up, yr from now, $billions, pct, 2nd qtrs, 1971, 1972, 1973, charts, Jl 17 p 17
Outlays in 2nd qtr, CB forecast for next yr, (tb) S 11 p 56
Capital outlays in 2nd qtr were less than forecast, (tb) S 18 p 71
Edie Co, banks on Long Island, in North Carolina, utilities forecast boost in capital spending next yr; CB finds fewer firms with excess capacity, (tb) O 30 p 66
Laying groundwork for expansion ... comeback in orders for machine tools; machine-tool orders, 1968-1972, $s, (p&m), chart, N 27 p 83
CB reports higher appropriations in 3rd qtr, higher spending in 1973, (tb) D 11 p 82
New orders in Oct, (tb) D 25 p 63

Production
Busier factories: operating rate is moving up again; factory output as pct of plant capacity, qtrly, 1969-1972, chart, (p&m) Jl 10 p 57
Drive to make dull jobs interesting; innovations in "job enrichment" show up in "USN & WR" survey, case histories drawn from nationwide survey, Jl 17 p 50-54
Productivity of workers shows steady gains, help in stemming inflation; productivity (output per man-hr), qtrly, 1967-1972, chart, (p&m) Jl 17 p 56
One key to unemp problem ... factory output is soaring — but not factory work force; factory production, emp, 1969-1972, chart, (p&m) Jl 31 p 70
Shortages are developing in bldg materials, commodities, gas, power, (tb) Ag 7 p 50
Production workers' efficiency rose to twice usual rate during 2nd qtr, labor costs fell; outlook for productivity advances in service indus, (tb) Ag 21 p 55
Auto, rubber, coal raise operating capacity of Amer indus, (tb) S 11 p 56
Nat Assoc of Business Econs heard Price Comm Chrmn Grayson cite role of productivity in bringing end to wage-price controls, factors contributing to sluggish productivity; John W Kendrick of CB forecast slightly lower rate of increase in man-hr output through rest of 1970s, O 2 p 95
After GM's longest strike, clues to union's '73 goals; 25-wk strike at Norwood, Ohio, plant, earlier shutdowns show unions will emphasize working conditions in contract demands; UAW pres proposes higher overtime rate, chief issue in walkout was speedup by GM assembly div (GMAD), two factors that delayed settlement, record of GMAD consolidations in other plants, O 9 p 104-106
Mfg shows big gains in August, businessmen show 10-yr high in optimism, (tb) O 16 p 74
Mfg Productivity Conf held by Govt, Society of Mfg Engineers finds business efficiency will be hobbled by rebounding econ, controls on profit margins, pollution-control costs, shortage of clean energy, aging equipment; ideas offered by productivity specialists on how to streamline output, views of Ford Co's Iacocca, (tb) O 23 p 71
"Quickie" strikes — do they point to '73 demands? series of walkouts at GM's plants may be preview of next yr's contract talks, "fringes" instead of pay raises will be sought, shopping list of demands for improved working conditions, operations; low strike funds are behind UAW's tactics, role of GM Assembly Div (GMAD), record of UAW's walkouts to attack GMAD, other unions' plans to improve working conditions, AFL-CIO econ Oswald suggests remedies, O 30 p 84-86
Output per hr of work improved at slower annual rate in third qtr, factory capacity is still low, (tb) N 6 p 77
Output of all kinds of goods is moving up, at factory; factory production: consumer goods, business equipment, defense products, 1970-1972, chart, (p&m) N 6 p 84
Chicago group of contractor, union, Govt reps will test three-yr program to improve productivity in bldg indus, N 6 p 107
Gains in productivity are speeding up; productivity (output per man-hr in nonfarm sector), 1968-1972, chart, (p&m) N 13 p 76

INDUSTRY—Contd.

Output of indus; 1972, 1973, pct change, chart, N 20 p 27

Latest moves to fight boredom on job; cos start experimental programs, Urban Research Corp conf discussed what cos are doing to improve quality of working life, areas where cos are devoting attention, "career ladders" program, its objectives, roadblocks, worker consultation, union role, new facilities have advantages, D 25 p 52-54

Disenchanted workers: official study tells why; HEW panel of experts reports results of job frustration, recommends workers' participation in decisions, profits, D 25 p 52

"Blue-collar blues": just catch phrase, or real threat? Richard C Gerstenberg, GM chief exec, in address before Tax Foundation, discusses Amer factory workers unhappiness, uses assembly line at Lordstown, Ohio, as example, paycheck profile of GM emp, working conditions, proposes remedies; Irving Bluestone, UAW Vice Pres, issued reply, D 25 p 55-58

Indus output is expected to exceed other econ sectors, (tb) D 25 p 63

INFLATION *see also* Cost of Living; Economic Controls; Prices; Purchasing Power

Factors that have caused inflation rate to slowdown, (tb) Jl 3 p 49

Higher wholesale prices in July could cause higher consumer prices, (tb) Ag 14 p 59

Factors causing inflation rate to slow, (tb) S 4 p 63

Why inflation rate will climb in 1973 (tb) S 4 p 63

Wholesale prices rose moderately, consumer finished goods fell at middlemen level, examples of upward pressures on prices of some commodities, (tb) O 16 p 73

Good yr in 1973, but ... bankers give their views; O 23 p 62-66

When bank econs look ahead -- replies of 33 bank econs to questionnaire from "USN & WR"; crackdown soon against inflation; Question? when do you foresee need to tighten monetary, fiscal policy against inflation? by end of 1972, by spring 1973, by late 1973: no of econs, chart, O 23 p 63

Four factors that could cause high inflation in 1973, (tb) O 30 p 65

Econ Unit study shows trend of prices since first qtr, 1970, build-up of price-pushing pressures, (tb) D 4 p 53

Speedup in inflation? no of investment bankers that predict pace of inflation in 1973: much, moderately faster, about same, moderately, much slower, chart, D 11 p 34

Where jobs are; Geoffrey H Moore, retiring Comm of Labor Statistics, in "USN & WR" invu discusses latest BLS unemp count in U S, how BLS survey is conducted, press briefings conducted by BLS, who decides which figures to play up in mthly press releases, how mthly consumer price index measures inflation, present inflation rate measured by price index, how food prices are determined in particular area, price index revision, ways index could be improved, consumer price index compared with cost-of-living index, plans for broader price index which will cover retail, wholesale prices; plans for new wage index, increase in productivity in order to slow inflation, (C) D 25 p 43-47

Abroad

Argentines keep ahead of inflation by buying real estate, (bw) Ag 14 p 74

Bankers, OECD econs abroad say U S has improved its competitive price position against Europe, relatively slower rate of inflation, advances in Amer productivity

INFLATION—Contd.

gains, unit labor costs will probably cause improvements in U S's balance of payments, (bw) S 11 p 63

Europe looks at '70s, sees trouble coming; S 18 p 52-54

Inflation crisis in Brit, labor leaders rejected voluntary restraints, pound fluctuates, (bw) N 13 p 89

European leader assesses threat from Russia now; Manlio Brosio, former Sec Gen of NATO, invu with "USN & WR" staff mbr Alex Kucherov, Ag 28 p 45-47

L

LABOR
Natl Right to Work Com told Dem platform writers that study by Opinion Research Corp shows 65% Dem voters, 73% Repub voters, 67% ind voters believe each person has right to work whether or not he belongs to union, (Whis) Jl 10 p 6:3
"USN & WR" Econ Unit forecasts emp by mid-1973: total labor force, armed forces, civilian labor force, emped, unemped, 2nd qtrs, 1972, 1973, change, chart, (tb) Jl 17 p 63
Work vs welfare: what McGovern says; excerpts from Sen McGovern's Labor Day address, S 18 p 79-81
Mrs Carol Greenwald, Boston FRB econ, told Natl Assoc of Business Econs that businessmen should offer more part-time jobs to women in plants, offices; pct of male, female workers in labor force from 1961 to 1971, O 16 p 97
What business can expect in era of change; excerpts from address by J Irwin Miller, Bd Chrmn, Cummins Engine Co, Inc, N 13 p 65-68
Absent workers — spreading worry; causes of increase in absenteeism, type of emp most likely to be absent; conclusions of U S Labor Dept survey of 641 cos; suggestions to counteract absenteeism, other problems; discord in auto indus, examples of cos' experiments to keep workers on job, N 27 p 48,49
Where absenteeism takes biggest toll; rate of absenteeism among full-time workers in 1971, change from 1967, pct: by type of worker, indus, sex, chart, N 27 p 49
Latest moves to fight boredom on job; cos start experimental programs, Urban Research Corp conf discussed what cos are doing to improve quality of working life, areas where cos are devoting attention, "career ladders" program, its objectives, roadblocks, worker consultation, union role, new facilities have advantages, D 25 p 52-54
Disenchanted workers: official study tells why; HEW panel of experts reports results of job frustration, recommends workers' participation in decisions, profits, D 25 p 52
"Blue-collar blues": just catch phrase, or real threat? Richard C Gerstenberg, GM chief exec, in address before Tax Foundation, discusses Amer factory workers unhappiness, uses assembly line at Lordstown, Ohio, as example, paycheck profile of GM emp, working conditions, proposed remedies; Irving Bluestone, UAW Vice Pres, issued reply, D 25 p 55-58

Abroad
In Japan: job for life, free housing, even bride; cos offer fringe benefits to workers that have goal of lifetime emp, educ determines level of job, Jl 17 p 54
When Brit tried to crack down on unions — ; during four mos of experience with Indus Relations Act Govt was rebuffed in three test cases, five reasons for failure of new procedures, Prime Min Heath's meeting with top union leaders failed to bring compromise, labor's opposition is implacable, Jl 17 p 82,83

LABOR—Contd.
Strikes tied up shipping indus in Japan, Hawaii, Quebec in mid-July; effect on rates, econ impact on countries, main issues, Jl 24 p 70
Govt, unions fight it out in Brit; widespread protest strikes eased after Indus Relations Ct freed five shop stewards for violating Indus Relations Act, House of Lords ruled that unions are responsible for actions of their shop stewards, fines; Union's position, dock leaders rejected jt labor-mgt proposal, called for natl strike; work time lost this yr from strikes, Govt emphasis has shifted to voluntary conciliation, arbitration procedures, Ag 7 p 57,58
Increasing threats to food supplies prompted Brit Govt to invoke emergency powers for dealing with dock strike, Ag 14 p 68
Impact of Brit dock strike; three-wk walkout has damaged indus, farms, markets in some areas while sparing many others, country was declared in state of emergency, coastal islands were severely affected, principle strike issue, Ag 21 p 28
Unions that push for multinatl labor talks, success of metal-workers union, (bw) Ag 28 p 61
Hungary, Rumania are having trouble getting people to work, (bw) S 4 p 74
Observers fear Brit will lose competitive advantage in foreign markets because of costly dock settlement, violence in labor disputes causes concern, S 4 p 80
Europe looks at '70s, sees trouble coming; S 18 p 52-54
OECD econ experts foresee new wage demands, expansion in Govt spending in '70s, A Zanker, "USN & WR" Intl Staff mbr anals OECD report, S 25 p 103
Chaotic Italy: country stronger than it looks; Italy is surprisingly stable despite frequent changes of govt, strikes, violence; contributions to NATO, no of Amer military men in Italy, impact of tumult on Amer tourists, bureaucracy carries on when there is no Cabinet, role of Communist, neo-Fascist parties; explanation of deep, underlying pressures; numerous political parties, splinter groups vying for power result in no decisive leadership or vigorous action on reform; civil service stifles progress, effect of change from agric to indus nation, shortage of trans, housing, schools, hospitals; better standard of living brought more discontent, outlook for econ recovery, O 16 p 86-88
Brit has another go at voluntary controls; key points of program of voluntary controls proposed by Prime Min Heath, limits on price, wage increases; union leaders reaction, failure of past anti-inflation programs, effect of entry into EEC are behind incomes-policy decision; union demands are rising, strike record is highest since 1926, O 16 p 95-97
Is 4-day wk answer? latest findings in Canada; N 6 p 104-106
Switzerland faces labor shortage, wage explosion, inflation, (bw) N 13 p 90
Gloom in boom: Australia pays penalties of making it big; D 4 p 74-76

Hours of Labor
In one big union: less strike talk, more worries about jobs; Machinists Union delegates talk about ... four-day wk, S 25 p 101,102
Is 4-day wk answer? latest findings in Canada; study for Labor Ministry could alter legis to forego regulating each co's change of hours, fed, provincial govts have granted exceptions to overtime-rate requirements; advantages of "compressed workwk" cited by indus, workers; unions objections, no of cos using short workwk, N 6 p 104-106

LABOR—Contd.
In U S too ... swing toward offbeat working hrs; Riva Poor, publisher of "Poor's Workweek Letter," reports no of cos on revised workwks, gives examples of length of workday, no of workdays in wk, N 6 p 104

Unions
Women workers: gaining power, seeking more; women seek bigger female role in unions; no of women in unions, labor force; meetings discuss how to get better jobs for women in indus, leadership posts in unions, equal pay, State protective labor laws, liberalization of maternity-leave policy; reasons why women have been passive for so long, "USN & WR" learned from union women why outlook is changing, N 13 p 104-107
10 unions with most women members; no of women — total, as pct of all union mbrs, chart, N 13 p 104
No of women in unions is growing steadily; no of female union mbrs, 1958-1970, chart, N 13 p 104
From Census figures: where unions are strongest; Dept of Labor survey reveals makeup, strength of Amer labor movement, major findings; BLS report no 417, "Selected Earnings and Demographic Characteristics of Union Members, 1970" findings; Labor Dept's directory of labor unions will show greater mbrship, survey est no of women, no in occupations, earnings, no, pct of blacks, their jobs, D 18 p 98-100
Look at union mbrship in different indus ... in some specific lines of business; based on 1970 Census — union mbrs, no, as pct of total emp in indus, charts, D 18 p 98
Supreme Ct ruled that union violates labor law if it assesses fine against mbr who resigned from union during strike, returned to work, D 18 p 100

AFL-CIO
Split over McGovern is just start of union woes; AFL-CIO exec council refused to endorse McGovern's candidacy, it was personal victory for Pres Meany; three union leaders backed McGovern, five problems resulting from decision, convention fights are expected over endorsement for McGovern, minority demands for slots in union's leadership; unions endorsing McGovern, Nixon, Jl 31 p 34-36

Collective Bargaining
P Jennings, electrical-union pres, proposed contract negotiations with employers on how to make work more attractive, health, safety measures, educ opportunities, Jl 10 p 36,37
Unions, employers along West Coast have shown willingness to submit strike issues to system dubbed "MedArb", Sam Kagel, labor attorney, arbitrator, explains system, gives step-by-step example in settlement of West Coast dock strike, Jl 31 p 37
"Final-offer selection" settles dispute between Indianapolis' Public Works Dept, employees; how procedures work, S 11 p 37
Work vs welfare: where Nixon stands; text of Pres Nixon's Labor Day address, S 18 p 76-78
In one big union: less strike talk, more worries about jobs; S 25 p 101,102
"Quickie" strikes — do they point to '73 demands? series of walkouts at GM's plants may be preview of next yr's contract talks, "fringes" instead of pay raises will be sought, shopping list of demands for improved working conditions, operations; low strike funds are behind UAW's tactics, role of GM Assembly Div (GMAD), record of UAW's walkouts to attack GMAD, other

LABOR—Contd.

unions' plans to improve working conditions, AFL-CIO econ Oswald suggests remedies, O 30 p 84-86

Where strikes could come next yr; some major labor contracts that expire late this yr or in 1973: date, union, chart, O 30 p 84

Construction

In construction: growing fight over nonunion labor; shift of bldg jobs to open shop firms is resulting in protest marches, violence, vandalism; recent incidents, P Fosco, LIU pres, claims one third of construction is nonunion, Labor Dept survey of union, nonunion pay scale, 1969, average union rate in 1972; Assoc Builders, Contractors condemn vandalism, violence; costly strike-lockout in Chicago, issues, Jl 10 p 34,35

Electrical Workers

P Jennings, electrical-union pres, proposed contract negotiations with employers on how to make work more attractive, health, safety measures, educ opportunities, Jl 10 p 36,37

Farm Workers

We've been asked about ... campaign to boycott lettuce; United Farm Workers Organizing Com, headed by C Chavez, is using boycott as way to get lettuce growers to deal with his union, Teamsters already have contracts that cover 70 pct of all lettuce produced in California, Arizona, consider UFWOC actions as raid on their mbrship, meaning to growers, price of lettuce, average hrly wage, Ag 28 p 51

California voters turned down proposed law that would have barred boycotts of farm products, outlawed strikes by agric workers at harvest time, N 20 p 102

Government Employes

"Final-offer selection" settles dispute between Indianapolis' Public Works Dept, employes; how procedures work, S 11 p 37

Middletown, Ohio, abolished jobs of sanitation workers who went on strike, private firm hired to collect garbage, D 18 p 100

Machinists

Big union gives McGovern its official O K, but — ; Machinists Union endorsed Sen McGovern at its convention, comments of delegates amounted to "plague on both your houses", sample of views; dissident group opposed endorsement, Sen McGovern's promises to aerospace workers, S 18 p 86-88

In one big union: less strike talk, more worries about jobs; delegates to Machinists Union convention told "USN & WR" staff mbrs they want more job security, fringes, longer wk-ends, complained about monotony of jobs, inflation, comments about strikes, four-day-work wk, welcomed Dem Vice-Pres nominee S Shriver, Sens Kennedy, Cranston, endorsed McGovern, S 25 p 101,102

Goodyear Aerospace Corp moved to Litchfield Park, Ariz, for lower wage rates, D 4 p 95

Maritime Trades

Strikes tied up shipping indus in Japan, Hawaii, Quebec in mid-July; effect on rates, econ impact on countries, main issues, Jl 24 p 70

Unions, employers along West Coast have shown willingness to submit strike issues to system dubbed "MedArb", Sam Kagel, labor attorney, arbitrator, explains system, gives step-by-step example in settlement of West Coast dock strike, Jl 31 p 37

Longshoremen will discuss merger with Teamsters, S 4 p 80

Political Activity

Supreme Ct ruled that unions legally may donate to fed election campaigns money which its mbrs voluntarily contribute, (Pipefitters v U S); fed district ct ruled union may use fees collected from nonunion workers for State, local elections, Jl 3 p 69

Unhappy unions — uncertain role; Sen McGovern was not labor's choice for Dem pres candidate, reasons; leaves possibility of neutrality in pres race, but support for State, local races; union leaders that favor McGovern or Nixon, Jl 24 p 36

Split over McGovern is just start of union woes; AFL-CIO exec council refused to endorse McGovern's candidacy, it was personal victory for Pres Meany; three union leaders backed McGovern, five problems resulting from decision, convention fights are expected over endorsement for McGovern, minority demands for slots in union's leadership; unions endorsing McGovern, Nixon, Jl 31 p 34-36

How McGovern sees issues, "USN & WR" invu with Sen G McGovern, Dem nominee for pres, Ag 7 p 18-22

Labor's role in campaign; labor unions in growing numbers are endorsing McGovern despite AFL-CIO neutrality stand led by G Meany; unions that endorse McGovern, Nixon, leader's personal endorsements; Steelworkers, Machinists plan to challenge political decisions of exec bd at natl convention; efforts by both parties to drum up labor support; State AFL-CIO orgns ask natl council to reconsider, Colorado revolt, Midwest concern, (C) (Correction, Ag 28 p 50) Ag 21 p 23-25

States where union mbrs could tip election; 7 States, no of electoral votes, union mbrs, pct of '72 voting-age population, candidates, margin of victory in 1968, chart, Ag 21 p 23

Unions' lineup on candidates; political endorsements for McGovern, Nixon: union, mbrship, total, chart, Ag 21 p 24

Intl Ladies Garment Workers, Postal Workers, United Furniture Workers endorsed McGovern, 23 AFL-CIO unions formed Natl Labor Com for Election of McGovern-Shriver, UAW, Machinists agreed to jt effort; AFL-CIO exec council plans to support cong candidates, Ag 28 p 50

Unions' dilemma: how to be "neutral", elect friends; how top union leaders at AFL-CIO exec council meeting privately view role of unions in election, insiders say union officials coming out for McGovern can't produce votes, forsee bad defeat for labor in November; AFL-CIO Pres Meany won reaffirmation of his policy of political neutrality at union council meeting, Steelworkers' Abel agrees; McGovern labor com increases support; Colorado revolt is test, Meany indicated AFL-CIO's COPE will support cong races, denied he has been orgn Dem, S 11 p 35,36

Big union gives McGovern its official O K, but — ; Machinists Union endorsed Sen McGovern at its convention, comments of delegates amounted to "plague on both your houses", sample of views; dissident group opposed endorsement, Sen McGovern's promises to aerospace workers, S 18 p 86-88

In one big union: less strike talk, more worries about jobs; S 25 p 101,102

New tactics for steel union: boost output, limit politicking; Steelworkers' convention in Las Vegas, Nev, learned union plans to stay neutral in Pres race; AFL-CIO Pres Meany spoke against McGovern endorsement, charter of Colorado Labor Council was lifted for defying ban on endorsement of pres candidate, O 2 p 93,94

Presidents of nine bldg-trades unions, longshoremen, paperworkers endorse Nixon; McGovern won straw vote taken at Illinois AFL-CIO convention, O 9 p 107

Labor's tactics in '72 campaign; unions, split into three segments, are putting big money, effort into election campaigns; picture that emerges from reports on contributions, invus with labor leaders across country; contributions to Sen candidates, activities of Labor Com for McGovern-Shriver, other unions; reports of labor-union mbrs support for Nixon, effects of AFL-CIO leadership's neutrality policy on votes, contributions, political activity after election; COPE's spending in Sen, House contests; union contributions to liberal Sens, Reps, (C) O 23 p 19-25

Unions in politics: growing financial role; spending by labor unions in direct support of pres, cong candidates, based on official reports — 1956, 1960, 1964, 1968, $million; union share, (pct), of all direct political spending on natl-level candidates 1956, 1968, prediction for spending in 1972, chart, O 23 p 19

Actions on endorsement of pres candidate by Florida unions, NYC teachers, maritime trades, California AFL-CIO, O 30 p 87

Among key voting groups — big shift to Nixon; union-labor households: districts with large union-mbr populations — cities, precincts, Nixon's pct of vote, 1968, 1972, chart, N 20 p 17

Meaning of '72 vote to labor unions; victories, defeats in House, Sen; COPE's spending on Sen, House races, vote drives; Reps, Sens considered friendly toward labor movement, significance of labor union's refusal to endorse pres candidates, Sen Griffin won in Michigan despite union opposition, G Meany's opinion, N 20 p 100-102

Labor's power in new Cong; no of candidates for House, Sen seats endorsed by AFL-CIO, no won, lost, other winners considered friendly to labor, no of Reps, Sens expected to support labor-backed measures, House, Sen seats gained by labor, chart, N 20 p 100

Unions trying to retool their political machine; union leaders are split on tactics, three different strategies are under study for return to political influence, opinions of union officials, no of hard-core supporters of labor among House, Sen winners, N 27 p 76-78

Railroads

RRs settled 35 yr dispute over use of firemen on diesel locomotives, terms, Jl 31 p 36

Steelworkers

New tactics for steel union: boost output, limit politicking; Steelworkers' convention in Las Vegas, Nev, learned union plans to help employers increase their profits, find ways to avoid strikes, stay neutral in Pres race; Pres Abel listed other goals in collective bargaining, pledged to eliminate boom, slump in steel indus at contract time, increase productivity; AFL-CIO Pres Meany spoke against McGovern endorsement, charter of Colorado Labor Council was lifted for defying ban on endorsement of pres candidate, O 2 p 93,94

Strikes

In construction: growing fight over nonunion labor; shift of bldg jobs to open shop firms is resulting in protest marches, violence, vandalism; recent incidents, P Fosco, LIU pres, claims one third of construction is nonunion, Labor Dept survey of union, nonunion pay scale, 1969, average union rate in 1972; Assoc Builders, Contractors condemn vandalism, violence; costly strike-lockout in Chicago, issues, Jl 10 p 34,35

LABOR—Contd.

Strikes tied up shipping in Japan, Hawaii, Quebec in mid-July; effect on rates, econ impact on countries, main issues, Jl 24 p 70

Unions, employers along West Coast have shown willingness to submit strike issues to system dubbed "MedArb", Sam Kagel, labor attorney, arbitrator, explains system, gives step-by-step example in settlement of West Coast dock strike, Jl 31 p 37

Striking teachers find rough going; key officials of NEA, Amer Fed of Teachers tell why negotiators face hardest bargaining in yrs, legal restrictions on strikes, where walkouts occurred or are threatened, no of settlements; AFT endorsed Sen McGovern, pledged financial aid, S 18 p 85

After GM's longest strike, clues to union's '73 goals; 25-wk strike at Norwood, Ohio, plant, earlier shutdowns show unions will emphasize working conditions in contract demands; UAW pres proposes higher overtime rate, est of econ losses to workers, co, union, taxes, suppliers, chief issue in walkout was speedup by GM assembly div (GMAD), two factors that delayed settlement, record of GMAD consolidations in other plants, how "strike-wise" emps survived on union benefits, fed food stamps, welfare programs, extra jobs, how terms were received by strikers, O 9 p 104-106

"Quickie" strikes — do they point to '73 demands? series of walkouts at GM's plants may be preview of next yr's contract talks, "fringes" instead of pay raises will be sought, shopping list of demands for improved working conditions, operations; low strike funds are behind UAW's tactics, role of GM Assembly Div (GMAD), record of UAW's walkouts to attack GMAD, other unions' plans to improve working conditions, AFL-CIO econ Oswald suggests remedies, O 30 p 84-86

Where strikes could come next yr; some major labor contracts that expire late this yr or in 1973: date, union, chart, O 30 p 84

California voters turned down proposed law that would have outlawed strikes by agric workers at harvest time, N 20 p 102

Middletown, Ohio, abolished jobs of sanitation workers who went on strike, private firm hired to collect garbage, D 18 p 100

Teachers

Striking teachers rough going; key officials of NEA, Amer Fed of Teachers tell why negotiators face hardest bargaining in yrs, legal restrictions on strikes, where walkouts occurred or are threatened, no of settlements; AFT endorsed Sen McGovern, pledged financial aid, S 18 p 85

Are lifetime jobs for profs in jeopardy? unionization at colleges, univs may replace tenure; insts which have abolished, changed tenure procedures; pros, cons of unionization; 4 trends in reshaping process, D 11 p 55-57

Teamsters

We've been asked about ... campaign to boycott lettuce; United Farm Workers Organizing Com, headed by C Chavez, is using boycott as way to get lettuce growers to deal with his union, Teamsters already have contracts that cover 70 pct of all lettuce produced in California, Arizona, consider UFWOC actions as raid on their mbrship, meaning to growers, price of lettuce, average hrly wage, Ag 28 p 51

Longshoremen will discuss merger with Teamsters, S 4 p 80

United Auto Workers

After GM's longest strike, clues to union's '73 goals; 25-wk strike at Norwood, Ohio, plant, earlier shutdowns show unions will emphasize working conditions in contract demands; UAW pres proposes higher overtime rate, est of econ losses to workers, co, union, taxes, suppliers; chief issue in walkout was speedup by GM assembly div (GMAD), two factors that delayed settlement, record of GMAD consolidations in other plants, how "strike-wise" emps survived on union benefits, fed food stamps, welfare programs, extra jobs, how terms were received by strikers, O 9 p 104-106

"Quickie" strikes — do they point to '73 demands? series of walkouts at GM's plants may be preview of next yr's contract talks, "fringes" instead of pay raises will be sought, shopping list of demands for improved working conditions, operations; low strike funds are behind UAW's tactics, role of GM Assembly Div (GMAD), record of UAW's walkouts to attack GMAD, other unions' plans to improve working conditions, AFL-CIO econ Oswald suggests remedies, O 30 p 84-86

Goodyear Aerospace Corp moved to Litchfield Park, Ariz, for lower wage rates, D 4 p 95

"Blue-collar blues": just catch phrase, or real threat? Richard C Gerstenberg, GM chief exec, in address before Tax Foundation, discusses Amer factory workers' unhappiness, uses assembly line at Lordstown, Ohio, as example, paycheck profile of GM emp, working conditions, proposes remedies; Irving Bluestone, UAW Vice Pres, issued reply, D 25 p 55-58

United Mine Workers

How Govt is policing mine workers; ct ordered new election of UMW officers, Labor Dept to supervise internal affairs, election; "Miners for Democracy" can place observers, UMW pres Boyle faces ct sentence, how supervision will work, reasons 1969 election was invalidated, slate of candidates, Jl 3 p 67, 68

Mine Workers' election — 1,000 fed agents on hand; Labor Dept, dissident group of miners will supervise election of officers for UMW, background of candidates A Miller, "Tony" Boyle; campaign issues, pension dispute, financial operations of welfare fund, UMW; how "United Mine Workers Journal" reports campaign, D 4 p 92-95

UMW: shrinking, but still big business; mbrs, union treasury, welfare, retirement fund, other assets, chart, D 4 p 92

Wages

see also Economic Controls; Purchasing Power

"Good things" of life for Russians — can Kremlin deliver? ... Russian, Amer workers' wages in 1970; worktime of Russians, Amers to buy auto, shoes, ... , Jl 24 p 52-54

COLC raised personal exemption from wage controls from minimum-wage level of $1.90 hr to $2.75 after ct ruling, workers now exempt from wage controls, Ag 7 p 58

Key facts about control program; who's covered now: no of workers, renters, doctors, businesses, pct; how big bureaucracy: control agency — Price Comm, Pay Bd, COLC, IRS, no of employes involved in controls, total; when cos ask for price boosts: no of requests for price hikes that had been acted upon by Price Comm, as of early August — increases approved, scaled back, flatly rejected, no, pct; size of wage-price hikes approved: average price increase approved, average wage increase approved, pct, chart, Ag 21 p 14

Unions settling for less under wage controls; BLS survey shows smaller pay gains, shorter-than-usual contracts, pay gains, fringe benefits divided more uniformly over life of contracts in first half of 1972, examples; effect of wage controls, steelworkers' gain from cost-of-living clauses, average construction settlements, S 4 p 78,79

Shrinking pattern of pay boosts; yr-to-yr increases are declining, (all indus), pct, 1968-(first six mos) 1972, trend shows up across board, mfg, nonmfg, construction, all indus, pct, 1971, first 6 mos of 1972, chart, S 4 p 78

Factory wages; average hrly pay in mfg, $s, pct change, chart, N 20 p 27

Goodyear Aerospace Corp moved to Litchfield Park, Ariz, for lower wage rates, D 4 p 95

From Census figures: where unions are strongest; D 18 p 98-100

Equal Pay

Cong passes amdt to Equal Pay Act which will close pay gap for women, also extends coverage of equal-pay rules to execs, professional admin emps, examples of jobs, Ag 14 p 69

Fringe Benefits

Changing pattern of pay: more, more "fringes"; Chamber of Commerce survey shows wide range of fringe benefits that take larger share of indus' total payroll, accounts for up to third of workers' earnings; Fed Pay Bd regulations encourage more liberal emp benefits, benefits offered, their cost, pct of payroll costs varied widely by type of indus, size, location; fringes were highest in Northeast, benefit trend is toward more coverage, future possibility of "portable" pensions, natl health insurance, Ag 28 p 48-50

How indus compare; pct of payroll costs going into "fringes" in 1971 — 14 mfg, 5 nonmfg indus, pct, chart, Ag 28 p 48

Where benefits went; of $2,544 in fringe benefits per employe in 1971: 10 benefits, $s, chart, Ag 28 p 48

"Extras" grow twice as fast as wages; average per employe in private indus: fringe benefits, regular pay, total earnings, 1961, 1971, pct increase, pct of fringe benefits in payroll costs, 1961, 1971, chart, Ag 28 p 48

"Fringes": how common? pct of cos paying various kinds of employe benefits that are not required by law — 14 benefits, pct, chart, Ag 28 p 49

City, county govt orgns, city emps' union battle over statistics on fringe benefits paid to city emps compared to private-indus workers, O 30 p 86

Latest benefit to emps — day care for their children; D 11 p 64-66

Minimum Wage

Higher paychecks for millions soon; Sen approved minimum wage boost of $2 this yr, $2.20 in 1974, millions to benefit, House passed more limited bill; Sen McGovern, labor support Sen proposal, provision that lifted exemptions on overtime payments, no of new workers covered, Jl 31 p 72

How wage floors have risen in 34 yrs; wage floor, 1939-1968, chart, Jl 31 p 72

Can affluent Amer end poverty? (C) Ag 14 p 23-25

LABOR COST *see* Industry — Production

LABOR, DEPARTMENT OF

Union leaders see many problems for Peter J Brennan, Nixon's nominee for Sec of Labor; some of hard decisions ahead, duties that counter unions' positions, D 11 p 93

LATIN AMERICA—Contd.

Some Latin-Amer countries limit beef sales, some to boost, others to save foreign exchange, (bw) Ag 21 p 66

LAW, JOHN

Behind Moscow's big setback in Middle East; John Law, "USN & WR" Intl Staff mbr, reports Egypt's Pres Sadat expelled Soviet military advisers because of Russian-imposed restraints on war policy, slowdown of arms; army officers criticized "no war, no peace" policy, observers claim Sadat had nothing to lose, unsettled questions; "USN & WR" correspondent recently in Moscow explains why Soviets are accepting setback in Mideast, three important dividends for U S, Jl 31 p 30,31

Where Egypt goes next; John Law, "USN & WR" Intl Staff mbr, toured Egypt, talked to foreigners, Egyptians inside, out of Govt, found wide range of answers to questions of what future holds; 33,000 Russians are leaving, it is not yet clear how much equipment will be left, pressure back of Sadat's decision, Sadat's popularity, chances now for Egyptian-Israeli deal, Ag 7 p 38,39

Report from scene — one place in Mideast where war is over; John Law, "USN & WR" staff mbr, traveled both banks of Jordan River found that peace is accepted in occupied West Bank, inside Jordan; Arab attitude, freedom of trade, King Hussein broke commandos, econ benefits from occupation, direct subsidies, Israeli authorities keep tight rein on ind political action, Ag 14 p 47-49

"These are very desperate men"; in "USN & WR" invu, John Law, Mideast Intl Staff mbr, reports what Arab terrorists are trying to accomplish by violence; no of terrorists groups, Black September group, financial backing, responsibility for controlling terrorists, Arab views on terrorists actions, how terrorists are able to move so freely in Europe, operations in Israel, S 18 p 21

Is another round of war coming in Middle East? "USN & WR" invu with John Law, Intl Staff mbr; Soviet arms shipments to Palestinian guerrillas, Syria are not leading to war; why war is inevitable, Israeli military superiority has created a *de facto* peace, U S, USSR roles in peacekeeping, reasons for Palestinian terrorism, Egypt, Jordan want lands returned in settlement, Israel wants intl guarantees; fate of guerrillas if settlement is made, Palestinians lack clout, Lebanon cannot control terrorists, why Soviets were expelled, other Soviet commitments, role in Egypt now, U S gains respect in Arab world, O 23 p 86-88

LAW ENFORCEMENT

FBI gets "new look"; "USN & WR" invu with FBI's Acting Dir L P Gray, ... natl police force ... , Jl 10 p 58-62

Campus for crime fighters — FBI's big academy; new Natl Academy can train FBI agents, State, local police, host top-level confs, seminars dealing with law enforcement; facilities, curriculum, equipment, teachers, entrance requirements; no of colleges, univs, State, city police academies offering law enforcement classes, il, Jl 10 p 63-65

Antitrust ... Crime ... Drugs ... Busing; "USN & WR" invu with Attorney Gen Kleindienst, (C) S 11 p 78-83

"March of the News:" big gains in drive to cut off narcotics; record seizures of heroin, crackdown on overlords, pushers lowers street crime; intl co-operation produced dramatic action against major smuggling

LAW ENFORCEMENT—Contd.

rings, NYC starts comprehensive attack on rings funneling heroin from Europe to U S via Latin Amer, statistics show accomplishment in drive against drug abuse by foreign, domestic law-enforcement agencies; changes in sources of supply, smuggling routes; drug-traffic arrests, seizures of narcotics, examples of how smuggling rings try to move their contraband product; Bur of Narcotics, Dangerous Drugs agents, regional, district, overseas offices; Gen Accounting Office reported on need for manpower, co-ordination of U S Govt agencies, daily profits of drug traffickers; breakdown on countries of origin from which heroin comes to Amer market, D C Police Chief Wilson describes narcotics problem, treatment for addicts, D 25 p 32-34

Sudden spurt in antidrug fight; through operations of Bur of Narcotics, Dangerous Drugs in U S, abroad: arrests for trafficking in drugs, no, retail value of drugs seized, $s, pct increase, yr ended June 30, chart, D 25 p 32

LAWRENCE, DAVID

Can "equal time" be ordered for radio, TV and the press? today many people wonder how Federal Communications Commission can tell broadcasting stations they must give "equal time" to various groups, individuals; full text of editorial of May 21, 1943, commenting on ruling by Supreme Court affirming FCC power to regulate radio broadcasting, Jl 3 p 76,75

What young demonstrators don't understand; young people have been carrying on demonstrations demanding that "establishment" mend its ways, perhaps that it be abolished altogether; what is needed is thorough explanation to our youth not only of way our Government operates but of problems that face the nation, Jl 10 p 80

Centennials; 1976 will be significant in history of American people — their independence will have existed 200 years; President Nixon has spoken of preparations being made to mark Bicentennial, but to celebrate Americans need only look at what they have achieved in so many different fields in less than two centuries, Jl 17 p 84

Conventions — a system that ought to be reformed; weaknesses in convention system have long been well known, but both parties have been reluctant to adopt alternative — national primaries; if primaries were held in all States and nominations were tied to results, voters would have more opportunity to judge ability, qualifications of candidates, Jl 24 p 88

Nine years of fighting — all for naught? national election of November 1972 in U S can decide whether a small nation — South Vietnam — will secure right of self-determination; Election Day will show whether international policies will be carried forward or will be modified by a different President, Jl 31 p 84

J Edgar Hoover's farewell — "Let me be remembered as a man of fair play"; public had little information about J Edgar Hoover the man and the methods he employed; just before his death in May, "Family Weekly" asked Mr Hoover to write about who, what had influenced his life; full text of the article is reprinted, Ag 7 p 80,79

The people's voice in picking a vice-presidential nominee? one man — the presidential candidate — decided on vice-presidential nominee of Democratic Party, obtained necessary backing from party officials who

LAWRENCE, DAVID—Contd.
were asked to ratify his selection; this is hardly way to pick candidates for top positions in Government, Ag 14 p 80
The new political "reforms"; Paul L Martin, who reports political affairs for "U S News & World Report" and headed magazine's special staff at Democratic National Convention, has written analysis of dilemmas in the electoral process; full text of Mr Martin's explanation of current problems is presented, Ag 21 p 84
What hath man wrought! reprint of Aug 17, 1945, editorial which was written a few days after first atomic bomb was dropped on Japan; today it is not too late to confess our guilt, ask God, world to forgive our error, Ag 28 p 72,71
Atomic bombs should be banned for all nations; world is in danger of possible use of atomic bombs by any one of several countries; time has come for all nations to join in effort to protect humanity against terror man himself has created and which must be eliminated if our civilization is to be preserved, S 4 p 84
"A new majority"; numerical majority in both houses is meaningless when there are lots of defections from either party which can shift balance; Pres Nixon's appeal for "new majority" is believed to be effort to retain in Cong mbrs of both parties who have supported his programs, S 11 p 96
Violence — how to cure it; whole world denounces, condemns tragic violence at Olympic Games at Munich where 11 Israeli athletes were killed; violence can be defeated, but it will take not only intensive action by our own Govt but cooperation between all govts of world, S 18 p 92
Is there such a thing as "clean" politics? charges, countercharges aimed solely at injuring reputation or prestige of candidate are not "clean" politics; people want to hear views of candidates on problems facing nation, what their programs would be; voters really are interested in facts, not slanders of political combat, S 25 p 104
Impairing the Vietnam peace parleys at Paris; our country is best served if influences of political nature are not allowed to interfere with intl relations; it is unfortunate any encouragement is being given to North Vietnamese to believe Amer election could assist them at Paris peace conf to get dominating position, O 2 p 96
Terrorism and guerrilla warfare; during last few years, world has witnessed brutality, cruelty by terrorist groups which have kidnapped or killed many persons for political purposes or financial gain; U N has no more important task than to prevent lawlessness of all kinds which menaces peace of world, O 9 p 108
The next four years? excerpts from transcripts of recent speeches by Pres Nixon in which he discussed important questions of foreign relations, natl defense, econ policy, O 16 p 100,99
What McGovern proposes; excerpts from transcripts of recent speeches by Sen McGovern in which he discussed important questions of foreign relations, natl defense, econ policy, O 23 p 100,99
"The blade of a righteous sword"; reprinted from issue of April 24, 1967; text of article by Dr Frederick Brown Harris, Chaplain of U S Senate, from Washington "Star," which answers question as to what is religious justification of right of self-defense against aggression, O 30 p 88
Isn't there a better way to choose a President? entire pres campaign could be dignified process reflecting credit on Amer system of

LAWRENCE, DAVID—Contd.
govt; voters are interested in serious explanation of what each candidate thinks his party can do, not in charges of improper conduct or personality clashes, N 6 p 108
Time to change the presidential system; reprinted from issue of March 13, 1967; const amdt provides for prompt transfer of exec power to Vice Pres if Pres is disabled; but we need amdt permitting transition from one Pres to another immediately after election, Cabinet govt subject to check by Cong, people, N 13 p 108
The people's victory; Pres Nixon's re-election by landslide was due to desire of people not only to avoid change in White House but to endorse continuance of some of President's major policies, especially in field of intl relations; vast majority of citizens wanted continuity, N 20 p 116
Cuba can help to stop hijacking in the U.S.; virtually all who have hijacked planes in this country have either ordered pilot to fly to Cuba or have ultimately forced landing there; Cuba could set example of awareness of its responsibility to world by showing potential hijackers that nothing is to be gained by flying to that country, N 27 p 88
Every day is Thanksgiving Day; reprint of Dec. 4, 1958, editorial; some of many blessings bestowed upon us as nation for which we should give thanks every day to Divine Providence, D 4 p 96
The evolution of big government; as population grows and Fed Govt recognizes it must share some of its revenue with States, cities, we are witnessing evolution of natl govt in scope, responsibility; Pres Nixon hopes through reorganization of depts, agencies, he will be able better to serve public interest, D 11 p 104
Thoughts for Christmas; Christmas means more than annual celebration of Day or Season; it is universal symbol of generosity of human spirit; Mankind, if guided by Conscience in decisions that God tells us to make, can gradually abolish causes of friction, bring era of peace around globe, D 18 p 104,103
The challenges of our times; reprint of May 8, 1967, editorial; there have been many trying periods in Amer history, yet nation has responded to challenges, moved forward; problems Amer will face in following decades are bound to be complex, but can be solved if there is inherent sense of morality, D 25 p 76

LEBANON

Sprucing up early for inaugural day; preparations for inauguration of Richard M Nixon, outdoor events, J Willard Marriott, Sr, heads Inaugural Com, D 11 p 61

Administration and Policies
To make U S strong on high seas; Pres Nixon awarded shipbuiding contracts for 16 vessels to shipyards on both coasts, no of jobs created in shipyards, aboard ships; operating econs, how Amer shipping, shipyards have fallen behind other nations, Jl 17 p 81
$5,000 grants, low-cost loans, Nixon's formula for flood aid; Pres in radio address, proposed loans, grants to aid flood victims, communities in six States, reaction in Cong, what's been done, Jl 24 p 37
Record Nixon will run on: Vietnam, foreign affairs, defense, controls on econ, taxes, crime, public disorder, Supreme Ct, school desegregation, civil rights, welfare, Soc Sec, Cong, Govt reorgn, environment, educ, S 4 p 18,19
If Nixon wins — changes to look for in 2nd term; high officials of Nixon Admin outline what Amer people can expect if Pres is re-elected, Pres will press for peace abroad, strong position in world trade, restructured tax laws, welfare overhaul, end of price controls, revenue sharing, energy solution, comprehensive natl health insurance, reorgn of Govt; pres advisers point to past gains, plans for future; expected travel, visits from leaders of Soviet Union, China; changes in Cabinet, S 4 p 30, 31
Segregation, Northern style — how Nixon would deal with it; excerpts from memorandum submitted to Supreme Ct by U S Justice Dept attorneys in Denver school case on *de facto* segregation, (Keyes v Denver School District) O 23 p 39,40
Second Nixon Admin will bring changes in defense, foreign, intl econ, trade policies; Govt spending will be held down, social programs trimmed; outlook for broadened

NIXON, RICHARD M—Contd.
revenue sharing, law enforcement, (t) O 30 p 7

In wake of election — problems Pres will face; pressing for action: Vietnam, unemp, welfare, job, educ opportunities, how to save environment, govt spending, how to put Amer business, labor, agric on fair footing with foreign nations, energy crisis, econ controls, defense, foreign policy, tax reform, crime, school busing, govt agencies; campaign taught politicians voters object to high taxes, govt spending, welfare, politicians, N 13 p 15-17

Continuity of U S leadership, impact on policies; Pres Nixon was re-elected by wide range of voters; Dems control Cong again; few innovations expected in second term; political expert says Nixon's "coalition mandate" is composite of two main elements, (C) N 20 p 12,13

Blueprint of Nixon second term; expect shift in emphasis but not in direction in domestic programs, foreign affairs; advance look at how men far up in Admin see second term — its problems, ideas for coping with econ policies, controls, govt spending, taxes, labor, unemp, farm policy, foreign trade, fuel crisis, protecting environment, law, order, welfare, health care, govt reorgn, Cabinet, Supreme Ct, civil rights, world affairs, natl defense, N 20 p 21-24

The people's victory; David Lawrence editorial; Pres Nixon's re-election by landslide was due to desire of people not only to avoid change in White House but to endorse continuance of some of President's major policies, especially in field of intl relations; vast majority of citizens wanted continuity, N 20 p 116

White House plan to prune Govt; Pres Nixon's actions following his re-election, reforms on govt reorgn proposed by Ash Council as revised by White House, proposals on regulatory comms, changes enacted by Cong, how much Pres can do without Cong consent, Pres Nixon's call for better results from aid, social programs, control of spending, future of revenue sharing, N 27 p 54-56

Fed payroll under Nixon; down in emps ... but up sharply in $s, no of civilian workers, exec branch, Jan, 1969, Sept, 1972, pct change ... total fed pay, 1969, 1972, $s, pct change, chart, N 27 p 55

Limits on Pres's power to reorgn Govt, Pres's weapons, (t) D 11 p 7

Appointments and Resignations

With Gen Abrams as Chief — changes ahead for Army; Pres Nixon nominated Gen C Abrams to be Army Chief of Staff, Adm T Moorer for second two-yr term as JCS chrmn; two main tasks facing Gen, views on Vietnam war, careers of Gen Abrams, Adm Moorer, (p) Jl 3 p 54

Pres Nixon named Gen F Weyand as Vietnam cmdr to succeed Gen Abrams, Jl 10 p 24:3

Change in leaders for changing Army; Pres Nixon chose Gen Creighton W Abrams to be Army Chief of Staff, Gen Alexander M Haig, Jr to be Army Vice Chief of Staff; task, career, assessment of each; prospect for changes in Army, confirmation delayed by Lavelle case, (p) O 23 p 42

New team for second term; Pres Nixon announces new Cabinet mbrs, switch from intl affairs to home front, making Govt more efficient, responsive; priority is given to cut cost of govt, reducing bureaucracy; White House staff, no of emps 1969, now; proposals for reform, D 11 p 13-15

Bureaucracy Nixon wants to control; no of people on White House staff, 11 Cabinet depts, 82 ind agencies, comms, bds, total, no, ratio of jobs under Nixon's appointive power, chart, D 11 p 13

In Nixon's second-term lineup: budget tighteners; first three men named to top positions: Elliot L Richardson, Defense Sec; Caspar W Weinberger, HEW Sec; Roy L Ash, Budget Dir, careers, D 11 p 15

Union leaders see many problems for Peter J Brennan, Nixon's nominee for Sec of Labor; some of hard decisions ahead, duties that counter unions' positions, D 11 p 93

Shake-up in econ high command — why; George P Shultz, Council on Econ Policy Chrmn, will co-ordinate domestic, foreign econ operations, hopes to restore U S to its one-time position as world's no 1 competitor; Shultz will also remain Treas Sec, new Cabinet mbrs, other officials announced, D 18 p 15,16

Cabinet, Aides and Advisers

If Nixon wins — changes to look for in 2nd term; S 4 p 30, 31

White House plan to prune Govt; Pres Nixon's actions following his re-election, reforms on govt reorgn proposed by Ash Council as revised by White House, proposals on regulatory comms, changes enacted by Cong, how much Pres can do without Cong consent, Pres Nixon's call for better results from aid, social programs, control of spending, future of revenue sharing, N 27 p 54-56

Spread of White House bureaucracy ... since Nixon took office; no of White House staff mbrs: at end of 1968, 1970, latest, increase under Nixon, no or pct, no in groups on White House staff, their duties, chart, N 27 p 56

Nixon explains changes in his official family; excerpts from statement at Camp David, Md, when Pres Nixon gave reasons for his decision to recast personnel, operations of his second admin, D 11 p 102,103

Congress

"A new majority"; David Lawrence editorial; numerical majority in both houses is meaningless when there are lots of defections from either party which can shift balance; Pres Nixon's appeal for "new majority" is believed to be effort to retain in Cong mbrs of both parties who have supported his programs, S 11 p 96

Record Cong is taking to voters; 92nd Cong passed laws on educ, health, consumer interests, pollution control; one of Pres's 5 top legis goals — revenue sharing — was passed, cong leaders assessment of performance, pct of Pres's proposals passed in 91st, 92nd Cong; victories won by Nixon, spending-ceiling bill defeated, veto of water-pollution-control bill overridden, other actions by Cong, O 30 p 13,14

In battle over spending, barrage of Nixon vetoes; 9 bills Nixon vetoed; Pres approved 2 bills for veterans; funds impounded by Pres in fiscal yrs, 1971, 1972, pct of spending; exec branch is searching for cuts in next budget, N 6 p 89

93rd Cong: big changes but still split govt; what Nixon faces when 93rd Cong meets on Jan 3, problems result from unusual cong election results; Presidents who won by landslides when their party fared badly in Cong elections; new Sen will have more liberal tint; Dem, Repub leadership in House, Sen; Women, Negro winners, other interesting results, N 20 p 36-38

Economic Policy

see also Economic Controls

Businessmen abroad assess results of Nixon's new econ policy yr ago, Germans, Canadians applaud new U S policies, (bw) Ag 7 p 69,70

Pres's econ aides hint at price, unemp targets in 1973, (tb) O 16 p 73

Shake-up in econ high command — why; George P Shultz, Council on Econ Policy Chrmn, will co-ordinate domestic, foreign econ operations, hopes to restore U S to its one-time position as world's no 1 competitor; Shultz will also remain Treas Sec, D 18 p 15,16

New econ council — how it will work; excerpts from news conf held by Treas Sec George P Shultz, how he expects decisions to be made under new set up, mbrship of Council on Econ Policy, why rearrangement came about, reasons for setting it up, new departures in econ policy, continuation of present policy, has Pres created econ "czar", possibility of Pres overruling recommendation to end wage-price controls, why term "czar" is not appropriate, people he consults with, his salary, why job could not be accomplished as Treas Sec without being named Asst to Pres, D 18 p 101,102

New timetable for controls; Treas Sec Shultz announced Admin will ask Cong to extend controls in some form before they expire; Govt officials pay raises disallowed; fed agencies' hiring, promotions frozen; how things now stand on wage, price controls; important revisions in rules affecting wages, prices, rents are being debated by Sec Shultz, D Rumsfeld, COLC, Pay Bd officials; Jt Econ Com recommendations, business views from auto maker, fertilizer, cement producers, lumber cos; profit margins cause relaxed spending; business execs surveys indicate vast majority want continuation of price controls, labor leaders request change in controls, pluses, minuses which will help decide success or failure of Phase 3, (C) D 25 p 15-17

Finance

POLITICAL PARTIES *see* Elections and Politics

POLLUTION *see also* Conservation
How European countries, Canada, Japan handle pollution control violations, antipollution efforts complicate selection of plant sites, (bw) Jl 3 p 55
Two U S firms, specializing in pollution control, are expanding in Switzerland, (ca) Jl 3 p 57
War on pollution: how it's faring; R Train, Council on Environmental Quality chrmn, says report of Council shows air quality is improving, mixed picture of trends in water quality, est cost for cleansing, protecting environment in 1970s, report also included noise, radiation from nuclear plants, land reclamation, average cost per person per yr, Ag 21 p 82
Price tag on clean environment — 287 billions in '70s; outlays by govt, business to fight air, water, solid-waste, noise, radiation, other pollution, total, $s, pct, chart, Ag 21 p 82
Customer gripes — industry's side of story; O 23 p 94,95
Bridging U S-Soviet Gap — trade is just start; N 27 p 39-42
Prices, pay aren't all — U S regulates nearly everything; D 4 p 30-32

Air
Vast blanket of hot smog — maybe more to come; areas hardest hit were Eastern Seaboard, wide sections of California; cause, phenomenon explained, health warnings issued, power failures, effect on business, Fed Govt sued NYC, New Jersey communities for water pollution, Jl 31 p 62,63
If you think smog has been bad — ; EPA, Weather Service expect serious smog alerts if warm autumn weather occurs, biggest danger areas are large cities along Atlantic, California coasts, in Texas; EPA has approved pollution-control plans of 20 States, conditions in Houston, Los Angeles, NYC, Birmingham; examples of lower air-pollution levels in Midwest cities, O 16 p 80
Amer automotive cos seek rare metals from Russia, South Africa for exhaust-control devices, (ca) O 16 p 90
Moon-shot dividends — space payoff in medicine, food, fabric, pollution, housing, D 11 p 27

Water
Vast blanket of hot smog — maybe more to come; Fed Govt sued NYC, New Jersey communities for water pollution, Jl 31 p 62,63
From Cong — tough new rules for "clean water;" Cong overrode Pres Nixon's veto of Fed Water Pollution Control Act of 1972, provisions of measure, deadlines, penalties set by law; extent of water pollution in U S, how much is caused by municipalities, indus; cost to govt, indus to comply with 1977 standards during 1973-80 period,

POLLUTION—Contd.
annual cost of 1983 standards; cost for each family, O 30 p 38
Your State's share of antipollution funds; what Cong voted for each State to eliminate water pollution during 1972-75 period: States, $s, chart, O 30 p 38

POOR, RIVA *see* Labor — Hours of Labor

POPULATION *see also* Divorce; Marriage; Migration
Birth rate this yr could be lowest since 1936, ratio of population growth, 1790-1860, 1900s, (t) Jl 10 p 4
Census Bur finding: "good life" gets better; report on Amers' ownership of homes, cars, appliances, income shows sharp rise since 1960; change in per capita, median family income, 1960 — mid-1971, ownership of appliances by income, Jl 17 p 49
Pct, ratio of Amers old enough to remember events from W W I through Vietnam War, (t) Jl 24 p 14
Ratio of Amers living outside State of birth, moved between 1965, 1970, (t) S 11 p 8
Where people earn most; Census Bur reports counties, cities whose families rank at top level in median income; highlights from report, O 9 p 46
Growth since pres election in 1968, no of births, deaths, immigrants; net growth, no of marriages, new voters, persons over 65 yrs old, (t) O 16 p 11
Who stays married longer; Census Bur study finds divorces are affected by level of educ, income; no of marriages is rising, more women remain single, trend in divorces since W W II, more first marriages are ending in divorce, divorce rate of younger women, remarriage rate, no of men, women divorced, separated, O 30 p 39
Profile of today's Amers: new findings from Census; Census Bur survey findings on median income, emp in suburbs, cities; emp, pay of women; marrying age, birth rate, family, minorities income, its distribution; women, nonwhites in professional, technical jobs; mobility of population by area, family size, no, value of owner-occupied homes; educ level, best-educed area, govt emps, decline, shift in makeup of foreign-born, areas, States with highest no of foreign stock, O 30 p 59-61
Some facts about this Nation's people; based on Census Bur study of U S population in 1970 — income, age, educ, jobs, housing, origins, family size, marriage, mobility, commuting, O 30 p 59
Shifting makeup of Amer's foreign stock; country of origin of foreign-born or those with foreign-born parent: Northern, Southern, Eastern Europe, Amers, Asia, countries, no in 1970, change since 1960, chart, O 30 p 61
Changes since U S entered Vietnam war in 1965, now, in population, income, gnp, food costs, house prices, emp, (t) N 6 p 6
Natl Planning Assoc forecasts rate of population gains by regions in 1970s, (t) N 27 p 12
Population slowdown — what it means to U S; Census Bur reports nation's fertility rate in 1972 will hit record low, consequences seen by population experts, meaning of zero growth, what stable population would mean to communities, public services, schools; what econs, labor consultants predict, sectors in society affected by possible grossly maldistributed population, effect on retirement programs, reasons for smaller families trend, fertility rates among nations, estimated world population now, by yr 2000, D 25 p 59-62

POPULATION—Contd.
Will U S population level off? Census Bur "high", "low" projections: with nearly 2, 3 children per family, 1972-2020, chart, D 25 p 59
If current trends hold ... how age mix of Amers will change; children, teen-agers, young adults, younger middle-age, older middle-age group, people 65, over, now, yr 2000, pct change, chart, D 25 p 60,61
U S fertility rate hits all-time low; fertility rate, 1930-1972, chart, D 25 p 62

PORNOGRAPHY
Smut: boom that is faltering; fed, State, local law-enforcement officials agree that traffic in erotic material has declined in past two yrs, biggest decrease reported is in mail-order pornography due to fed law, major orgns fighting smut, Los Angeles' potent task force, NYC effort, books are glut on market in Washington, D C, Jl 10 p 66,67

PORTER, WILLIAM J
New team for second term; D 11 p 13

PORTS
Point Tupper, in Nova Scotia, is one of three superports in North Amer, description, operation; Maritime Admin recommendation for locations of future U S superports, depths required, S 4 p 58
To fuel U S in future, supertankers, superports; construction plans for series of superports, U S Maritime Admin recommendations, where each port will be built, present amount of crude oil, refined petroleum U S must purchase each yr, future needs; supertanker described, no in operation; no of existing superports in world, council is investigating potential oil spills, other water pollution, cost, other uses of superports, D 11 p 77

POSTAL SERVICE
Lease on life for 8-cent stamp; postage costs will remain same, but rates for magazines, other types of mail, nonprofit orgns are set for big rate hike; freeze on hiring new workers is expected to reduce postal expenses; Postmaster Gen Klassen does not rule out further rate hikes due to labor contract, maintains postal service is doing better job, outlines two programs that will improve service, S 11 p 22
Postmaster Gen Klassen announced faster special delivery, stamps by mail programs, S 11 p 22
Why mail service isn't better; Elmer T Klassen, Postmaster Gen, invu with "USN & WR"; discusses U S Postal Service performance, regaining lost parcel post business, airmail service, special-delivery, "Speedy Bag", U S Postal Service's objectives, resistance to change within Postal Service, increasing productivity, getting rid of poor workers, new types of equipment, Zip Code, possibility of new rates for service, service cutbacks, holiday mail service, financial situation, third-class mail, (C) N 13 p 82-85

POVERTY
Can affluent Amer end poverty? Econ Unit study indicates despite raft of private, public programs aimed at reducing poverty, U S may always have large no of "hard-core" poor; Pres Nixon's, Sen McGovern's proposals; no, pct of people living in poverty in 1959, 1968, 1971; profile of poverty; Govt, private studies show lack of jobs, low wages are main reasons why poor stay poor, other problems are lack of skills, educ, bias against women, minority-groups, minimum-wage; welfare mothers as workers, training welfare recipients for non-

POVERTY—Contd.
existent jobs is mistake, rise in Soc Sec benefits will help aged; T Gaines, NY banker, says welfare will be permanent, (C) Ag 14 p 23-25
People in poverty: long decline comes to halt; no of people living in poverty, as officially defined, 1960-1971, ratio of Amers who live in poverty, 1962, 1972, chart, Ag 14 p 23
Who are poor? based on official definition of poverty level — children, elderly make up majority of poor, poverty is most common in central cities, rural areas, South leads in no of poor, 7 out of 10 poor are white, poor trail in educ, no, pct of all poor, chart, Ag 14 p 24
Low pay, scarce jobs — plight of poor in big cities; Sen subcom study shows cities where at least third of inner-city labor force — counting unemped — is paid less than $80 wk, cities: pct of labor force earning less than $80 wk, 1970, chart, Ag 14 p 25

POWELL, LEWIS F, JR
What Justice Powell says is wrong with Amer; excerpts from address by Supreme Ct Justice Powell at Amer Bar Assoc meeting, Justice Powell says today's belief in "new ethic" that rejects humanizing role of family, other insts is causing many Amers to loose basic values, contact with each other, but there is much cause for optimism, Ag 28 p 41,42

PREFABRICATED HOUSES *see* Housing

PRESIDENCY *see also* Inaugurations
Conventions — system that ought to be reformed; David Lawrence editorial; weaknesses in convention system have long been well known, but both parties have been reluctant to adopt alternative — natl primaries; if primaries were held in all States, nominations were tied to results, voters would have more opportunity to judge ability, qualifications of candidates, Jl 24 p 88
Size-up of McGovern by student of presidency; "USN & WR" invu with James MacGregor Burns, Jl 31 p 48-52
Vice Presidents who have become Pres; no, ratio of Presidents who had been Vice Presidents, since country's beginnings, since W W II, il, Ag 14 p 17
Riding Pres's coattails into Cong — what record shows; Pres election yr, 1916-1968, party winning White House, party — pres, change in House seats for Pres's party, chart, O 30 p 34
Isn't there a better way to choose a President? David Lawrence editorial; entire pres campaign could be dignified process reflecting credit on Amer system of govt; voters are interested in serious explanation of what each candidate thinks his party can do, not in charges of improper conduct or personality clashes, N 6 p 108
Time to change the presidential system; David Lawrence editorial; reprinted from issue of March 13, 1967; const amdt provides for prompt transfer of exec power to Vice Pres if Pres is disabled; but we need amdt permitting transition from one Pres to another immediately after election, Cabinet govt subject to check by Cong, people, N 13 p 108
Bouncing back from landslide loss, what record shows — ; elections in 1920, 1928, 1932, 1936, 1956, 1964, elections in which party that lost won Pres in next election, chart, N 20 p 32
18 yrs, four Presidents — record of U S involvement in Vietnam; 1954-55: Eisenhower's commitment, 1956-60: prelude to war, 1961-62: Kennedy casts die, 1963:

PRESIDENCY—Contd.
change of leadership, 1964: up escalator, 1965: Johnson's full commitment, 1966-67: massive build-up, 1968: Tet, disillusion, 1969: start of Nixon's disengagement, 1970-71: accelerated pullout, 1972: cease-fire in sight? N 27 p 24,25
Pres's Camp David — rustic hideaway for big decisions; description of Camp David in Maryland where Pres Nixon finds complete relaxation, ponders important decisions; selective guest list; how previous presidents used Camp David, N 27 p 35,36

PRESS
Supreme Ct ruled on freedom of press, (Branzburg v Hayes), cong immunity, (Grand v U S), barring aliens, (Kleindienst v Mandel), Jl 10 p 27
World press reports how McGovern nomination is viewed abroad, reaction of world leaders, (wg) Jl 24 p 41,42
Pres of Sudan, in invu by Beirut wkly, explained contrast between Soviet, Chinese aid, (wg) Ag 7 p 34
New ways to speed justice; "USN & WR" invu with Chief Justice W E Burger, Ag 21 p 38-46
Brit's "Economist" reports division between Germanies, Vietnams, Koreas will probably continue, divide between Marxism, pluralist dem may count for more than natlity, (wg) S 18 p 66
"An Insidious Weapon" in "Krasnaya Zvezda" (Red Star) written by Lt Gen A Shevchenko, (wg) N 6 p 41
"New feeling of self-discipline;" excerpts from Pres Nixon's invu with Garnett D Horner of "Washington (D C) Star-News" two days before Nov 7 election, N 20 p 72,73
TV in election campaigns — call for changes; excerpts from letter written by Robert D Squier, Jane M Squier, TV operations dirs for leading Dems in 1968, 1972 campaigns; how candidates use TV, role of broadcasters, reforms proposed, N 27 p 84,85
"Times" of London suggests U S should impose same conditions on grain sales to Russia as on grain sent to India, (wg) D 18 p 68

PRICE, BEM
New focus on Asian buffer; U S, Red China, Russia are helping Afghanistan maintain neutrality, stability; other countries plus U N sponsor aid projects — public health, educ, roads, agric improvement, indus growth; nation lacks tax collection, records, civil cts, mineral exploration laws; high child mortality, widespread poverty, ineffectual Parliament, debt, starvation, shortage of trans, N 6 p 57-60

PRICE COMMISSION *see also* Economic Controls
What controls have done to prices; "USN & WR" invu with C Jackson Grayson, Jr, Chrmn of Price Comm, (C) N 6 p 70-73

PRICE-WAGE GUIDEPOSTS *see* Economic Controls

PRICES *see also* Agriculture — Prices; Automobiles — Prices; Cost of Living; Economic Controls; Food — Prices; Inflation
Utility bills: up, going higher; "USN & WR" check across nation shows rise in cost of utilities, examples of increases in electricity, gas, telephones, water, sewer; econs cite reasons for increases; who decides rates, C J Grayson, Price Comm chrmn, after series of hgs on utility rates, concludes that rises are necessary, Jl 3 p 22
FRB Chrmn Burns' prediction for price gains looks questionable, (tb) Jl 17 p 64

PRICES—Contd.
Since price curbs were imposed; change in average prices across U S since August, 1971: items that have climbed most sharply, have barely risen, have fallen, pct change up, down, chart, Jl 31 p 17
Price controllers tighten rules another notch; COLC, Price Comm reimposed price controls on lumber indus, pressured auto mfr to scale back price hike, rejected large no of requests for exemptions, price hikes, ordered raft of price rollbacks, 2 "triple rollbacks", refund record, examples of recent rollbacks, Jl 31 p 18
When cos ask for price hikes — record so far; no of requests for price boosts, results — increases approved, scaled down, flatly rejected, average price increase, no or pct, mid-November, 1971 — mid-July, 1972, chart, Jl 31 p 18
New moves by govt against rising prices; D Rumsfeld, COLC dir, turned to "jawbone" tactics as way to get auto indus to reduce its legally acceptable price increases; temporary freeze put on coffee prices, more emphasis is being placed on voluntary rollbacks of prices, rents, wages; actions taken by Price Comm, Pay Bd on wage guidelines, airline fares, price-increase violators, insts denied exemption from price controls, Ag 28 p 57
Two trends that alarm Europe's businessmen; prices are rising faster than in U S ... gains in real output are lagging behind U S, — annual rate (pct) of increase in consumer prices ... annual rate (pct) of rise in gnp: Belgium, France, West Germany, Italy, Netherlands, Switzerland, United Kingdom, U S, 1965-70, latest 12 mos, 1972, chart, S 18 p 53
Admin's goal for reducing annual rate of retail prices faces upward pressures in study by Econ Unit, (tb) N 6 p 77
Pattern of wholesale prices ... indus goods rise steadily, farm products move erratically; wholesale prices: indus commodities, farm products, mthly, 1970-1972, chart, N 20 p 86
For shoppers: not all prices have gone up; items used for Govt's consumer price index have either dropped in price or gone up less than half as fast as over-all cost of living, reasons why so many items are cheaper, D 11 p 28
Price changes in past yr; average change in prices across U S from Oct, 1971 to Oct, 1972, items that fell in price, barely rose, increased sharply, pct, chart, D 11 p 28

PRIMARY ELECTIONS *see* Elections and Politics — Primaries

PRINEVILLE, OREGON
Tip-off to vote: mood in 3 "weathervane" counties; O 30 p 24-27

PRISONERS OF WAR *see also* Vietnam — Military Action — Casualties
Freedom for POW's — what Communist record shows; North Vietnam announced it would release three Amer POW's, look at how Communist nations in world's last three major wars treated captured prisoners presents disturbing picture, prisoner issue may be with U S long after end of Vietnam war; what record shows after W W II, 1946-54 Indo-China war, Korean War, no of missing soldiers by nationality who were once under control of Communists, detailed report on difficulties nations have had in dealing with Communists on POW issues after W W II in Europe, Asia, French-Vietminh war, Korean War, no of prisoners still missing, S 18 p 33-35
Amer prisoners: their fate in four wars; W W I, W W II, Korean War, Vietnam War:

PRISONERS OF WAR—Contd.
number taken prisoner, died in captivity, repatriated, chart, S 18 p 33
Prisoners taken in December, 1971 war between India, Pakistan have become pawns in high-level political controversy, issues, no of Pakistani, Indian, Bengali POW's S 18 p 35

PRISONS AND PRISONERS *see also* Reform Schools
New ways to speed up justice; Chief Justice W E Burger, in "USN & WR" invu, discusses ... factors behind prison riots, prisons as deterrant to crime, desperate parole situation, ... , Ag 21 p 38-46
Antitrust ... Crime ... Drugs ... Busing; "USN & WR" invu with Attorney Gen Kleindienst, (C) S 11 p 78-83

PUBLIC LANDS
Push to turn fed lands into parks for public; Legacy of Parks program, initiated by Pres Nixon, is starting to turn vast amounts of fed owned acres over to States, cities to be converted into parks, public facilities, property earmarked for transfer; Property Review Bd, headed by D Rumsfeld, intends to survey all fed lands, now is concentrating on military bases, various measures are under way to induce fed agencies to give up unnecessary property, typical cases, recent additions, Ag 28 p 52-54
White House orders Pentagon to step up its effort to release more of its huge land holdings for public use, size of holdings, Defense Dept property mgrs point out need for urban posts, Presidio in San Francisco is example, Ag 28 p 54
Why land boom in U S is picking up speed; (C) O 30 p 40-42

PUBLIC OPINION
Are controls working? what survey shows; talks with people in all regions of country show that majority believe wage, price controls are doing little to curb living costs, businessmen claim that competition really regulates prices, people expect more inflation, Michigan Univ Survey Research Center poll shows pct of people that believe inflation will continue, were aware of price increases; "USN & WR" survey shows

PUBLIC OPINION—Contd.

these doubts are widespread, their viewpoints on what's needed, price increases, markups over limit, pessimistic opinions, (C) Jl 31 p 15-17

Survey shows what does, does not bother people, (t) S 4 p 7

If young voters have their way, surprises in nationwide survey; views of broad cross section of first-time voters by "USN & WR" correspondents shows many registered to vote, reasons, haven't made up their minds about whom to support for Pres, expressed sympathy for Sen Eagleton, complained about how withdrawal was done, are going to vote "against" candidate rather than "for" his opponent, plans to campaign for pres candidate, (C) S 11 p 32-34

"USN & WR" overseas burs report hopes, problems of average man in Europe, Japan, Canada; reasons for discontent in France, optimism in Japan, December election faces West Germany's Chancellor Brandt, looking inward in Switzerland, optimism in Canada, Italy, mood on world affairs, (wg) S 25 p 37,38

Tip-off to vote: mood in 3 "weathervane" counties; "USN & WR" staff mbrs survey of Laramie, Palo Alto, Crook Counties to sample voters preferences in counties that have never voted on losing side in pres election; Nixon is leading, how each county voted in 1968 election, voters' views on issues, O 30 p 24-27

What elderly voters say about candidates; no of older, younger Amers expected to vote; invus of older Amers by "USN & WR" staff mbrs give their ideas on econ matters, Vietnam, morality in govt, images of candidates, inner convictions; dispute over notice inserted with higher Soc Sec benefits, pamphlets on programs for aged, N 6 p 35-37

PUBLIC OPINION POLLS

Gallup Poll shows voter preferences for Nixon, McGovern, indicates popular vote for each, Jl 3 p 16:3

Japanese poll shows more Amers believe Japan is most important country in Asia so far as U S is concerned, with China second, (Whis) Jl 3 p 3:3

Natl Right to Work Com told Dem platform writers that study by Opinion Research Corp shows 65% Dem voters, 73% Repub voters, 67% ind voters believe each person has right to work whether or not he belongs to union, (Whis) Jl 10 p 6:3

Texas poll, just before Dem Convention, showed pct of voters that favor Nixon, McGovern, three other Dem candidates were preferred ahead of McGovern, (Whis) Jl 24 p 6:3

As Dems start campaigning — standings in polls; Gallup Poll shows McGovern trailing Pres Nixon; pct of votes, in three-way race; Nixon, McGovern, Wallace, undecided; in 1968: Nixon, Humphrey, Wallace, undecided; in two-way race: Nixon, McGovern, undecided, after Dem Convention, pre-Convention polls, chart, Jl 31 p 20

Texas Poll shows 44 pct of people rate Vietnam as most important campaign issue, rating on other issues, (Whis) Ag 14 p 10:2

"Wallace's Farmer", "Kansas City Star" polls show Nixon leads McGovern, (Whis) Ag 21 p 3:3

Sindlinger poll reports McGovern would get fewer popular votes than B Goldwater received in 1964 if election were held now, (Whis) Ag 21 p 3:3

Profile of registered voters; based on Gallup Poll — pct of voting-age Amers registered to vote in this yr's election, by party, age, sex, race, educ, region, religion, occupation, chart, Ag 28 p 18

PUBLIC OPINION POLLS—Contd.

Private polls indicate that biggest issue working against Nixon Admin is public resentment over rising food prices, particularly meat, S 4 p 12:3

Big campaign issues — as voters rank them; in "USN & WR" invu, Albert E Sindlinger, noted pollster, lists major issues, no 1 issue; what polls show on Vietnam war, strength of McGovern, Nixon, Sen Eagleton's withdrawal, S Shriver, Vice Pres Agnew's nomination, effect of vice-pres spot on election, result if election were held today; factor that could swing election to Sen McGovern, support for econ controls, voting preference of union mbrs, blacks, suburbanites, young people; over-all turnout of voters, why pollsters cannot accurately predict outcome of election, example of 1968 election, S 4 p 24-26

Nixon vs McGovern, how race stands now; latest Sindlinger report, favoring Nixon, McGovern, undecided, other, pct, chart, S 4 p 25

As campaign slugging begins — ; polls, politicians forecast Nixon landslide in November elections; Gallup Poll, taken after Nixon-Agnew nomination, shows rise in popular vote for Nixon; popular votes indicated by public preference, record of past polls show leader in Labor Day polls has been winner, with one exception; State, regional polls in key States show same story; leaders in both parties say Nixon-Agnew ticket will make clean sweep of Southern, Border States, if trend continues; Gallup Poll reports Pres leading in all regions of country, with most categories of voters; McGovern campaigners discount polls, outline campaign strategy; Nixon's campaign plans discussed in press conf, outlook now for control of Sen, House of Reps, statehouses, S 11 p 15-17

Growth of Nixon lead in Gallup Poll; Nixon, McGovern, undecided, in poll taken Aug 5 to 12, Aug 26, 27, pct-point change, up, down, chart, S 11 p 15

West coast pollster says voters are beginning to react against "political professionalism" of Nixon campaign, McGovern campaign is four wks behind in responding to changes in public opinion, (Whis) S 11 p 12:1

California Poll reports sentiment in favor of death penalty is at highest point since 1956, pct in 1966, 1969, 1971, 1972, (Whis) S 25 p 15:2

Can Dems close gap? picture 7 wks before election; almost every natl, State, regional poll shows Nixon headed for victory, McGovern losing ground; Repubs are conducting low-key campaign, surrogate candidates for Pres, their tactics; campaign plans of Vice Pres Agnew, "Nixon women", Pres Nixon; financial standing of parties, S 25 p 17,18

In past two campaigns ... how leads in polls narrowed; Gallup Poll shows: Johnson vs Goldwater, 1964, Nixon vs Humphrey, 1968, Nixon vs McGovern, 1972, August, September, October, final poll, actual result, pct, chart, S 25 p 18

Sindlinger poll shows Nixon leading McGovern by 61.5% to 20.6%, (t) O 2 p 13

Intergovtal Relations Comm poll shows no preferring income tax reform, value-added tax, (t) O 2 p 14

Opinion Research Corporation polls show sharp decline in public approval of business, wrong ideas on profits, consumers think plants that pollute should be shut down, who should pay for pollution-control equipment, O 2 p 74:2

PUBLIC OPINION POLLS—Contd.

Gallup polls show no of workers, young workers that are dissatisfied with jobs, O 2 p 75:1

Five wks to go — campaign quickens; Pres Nixon campaigned in New York, California, Sen McGovern began to use nationwide TV, to concentrate speaking tours in key States, S Agnew displayed "new style" of campaigning, S Shriver stepped up slashing attacks on Nixon Admin; polls showed Nixon's lead shrinking slightly — Harris survey showed gap narrowing by 6 points, Sindlinger poll showed Nixon lead had risen, Gallup poll showed public believes Nixon is more sincere, believable, O 9 p 17

Close-up of White House race; "USN & WR" invus with Lawrence O'Brien, McGovern Campaign Chief, Clark MacGregor, Nixon Campaign Chief, (C) O 9 p 66-72

Political pulse-taking: how pollsters do it; "USN & WR" staff mbrs watched operation of Gallup Poll, based on door-to-door invus, Sindlinger & Co, based on long-distance telephone invus; how pollsters operate, what voters are telling them, how invus are transferred into polls, O 16 p 26,27

Nixon vs McGovern, latest findings of two polls; Gallup Poll — based on personal invus, September 22-25, no of persons, no of registered voters: Nixon, McGovern, others, undecided, pct; Sindlinger & Co — based on telephone invus, September 29-October 5, no of persons, no of registered voters planning to vote: Nixon, McGovern, undecided, pct, chart, O 16 p 26

What voters tell Gallup; "USN & WR" staff mbrs accompanied G Gallup, Jr, John Davies of Gallup Poll on surveys of voters in three key precincts across U S; sampling of what was heard, O 16 p 27,28

What voters tell Sindlinger; random comments from one day of nationwide polling by telephone by Sindlinger & Co interviewers, O 16 p 28

Poll finds Japanese feel China is foreign country most important to Japan, U S next, (Whis) O 23 p 13:3

Nixon vs McGovern: score now according to polls; three political polls show large Nixon lead, small gains by McGovern as of mid-October; pollsters search for surprise shift to McGovern, 1968, 1972 polls compared; Louis Harris lists issues that McGovern might be able to exploit, Sindlinger poll shows how first-time voters will vote, standings in State polls, McGovern, his aides, dispute poll results, O 23 p 26,27

Latest State polls — ; results in surveys of 16 States across nation: Nixon, McGovern, undecided or others, pct, chart, O 23 p 26

Three natl surveys — with one conclusion; Gallup Poll, Harris Survey, Sindlinger & Co, based on personal, telephone invus, no of persons, no planning to vote: Nixon, McGovern, others, undecided or not sure, pct, chart, O 23 p 27

Which is "worst tax"? — people's choice; poll conducted for U S Advisory Comm on Intergovtal Relations shows how Amers rank opposition to local property, fed income, State income, State sales tax, don't know, pct of total U S public, chart, O 23 p 70

Texas Poll shows that Sen McGovern is not winning youth vote, O 30 p 3

U S at crossroads, Vietnam war ... election; North Vietnamese abandoned determination to continue open warfare; Hanoi secretly proposed to U S cease-fire; Gallup Poll shows voter preferences; real issues were dampened by public indifference, N 6 p 13

Talk of record landslide — final 50-State survey of campaign; "USN & WR" staff mbrs

PUBLIC OPINION POLLS—Contd.
forecast Nixon's victory by popular mandate of 55-60% of total vote; State, Gallup, Harris, Sindlinger surveys; indicated popular vote, reasons for Nixon's ground swell, agric polls favor Nixon, political factors influencing campaign; regional outlook, (C) N 6 p 20-27

In homestretch: what Gallup Poll shows; Nixon, McGovern: mid-July, early, late Aug, late Sept, early, mid-Oct, chart, N 6 p 25

How polls made out; Gallup, Harris, Sindlinger final polls for Nixon, McGovern, others, undecided; actual vote, pct, chart, N 20 p 18

How Dems' new leaders hope to reunite party; Robert S Strauss was elected to replace Mrs Jean Westwood, Dem Natl Com Chrmn; Gallup Poll anal of Nov voting, D 25 p 30,31

PUBLIC SERVICE *see* Government Employes

PUBLIC UTILITIES

Utility bills: up, going higher; "USN & WR" check across nation shows rise in cost of utilities, examples of increases in electricity, gas, telephones, water, sewer; econs cite reasons for increases; who decides rates, C J Grayson, Price Comm chrmn, after series of hgs on utility rates, concludes that rises are necessary, Jl 3 p 22

PURCHASING POWER *see also* Cost of Living; Inflation; Prices

"Good things" of life for Russians — can Kremlin deliver? ... Russian, Amer workers' wages in 1970; worktime of Russians, Amers to buy auto, shoes, ... , Jl 24 p 52-54

Who's gaining most in race against inflation; Econ Unit survey shows buying power of seven groups of workers is rising for first time since 1965, reasons for increase; workers are spending more, saving less, increasing debt; BNA survey of labor-contract settlements for first half of 1972 shows increase in wages, many deferred raises, changes in fringe benefits; trends ahead, Jl 24 p 69,70

How different groups of employes have fared in "real" pay; 7 groups of employes: average wkly pay now, before taxes, gain in pay from yr ago, change in "real" pay — after allowing for taxes, chart, Jl 24 p 69

Real pay of workers: on upgrade; average wkly pay, after taxes for nonfarm workers, 1969-1972, chart, Jl 24 p 69

How workers' take-home pay is outstripping cost of living; take-home pay (average wkly pay after taxes, for nonfarm workers), cost of living (consumer prices), mthly 1969-1972, chart, (p&m) S 11 p 54

If your pay hikes seem to melt ... ; Econ Unit study shows how inflation, taxes, Soc Sec payments are squeezing family pocketbooks; income needed now by married man with two children to match his income of $10,000, $20,000 in 1965, amount taken by inflation, taxes, O 2 p 19

Are you holding your own against inflation, taxes? for married worker with two children, taking into account inflation, higher fed taxes — if you earned this much in 1965 — $4,000 to $75,000, you need this much to be as well off — $s, additional amount needed — $s or %, chart, O 2 p 19

So worker's pay goes up — how much will be left? Example: typical worker in private indus, average earnings in 1965, 1972, increase in pay since 1965, $s — increase in fed income, Soc Sec taxes, "inflation tax" (31.5% increase since 1965) leaving, out of increase, $s, chart, O 2 p 19

RUSSIA *see also* Communism; Investments — Foreign
Soviet security police are cracking down harder on dissenters, Pyotr Yakir was arrested as "anti-Soviet", (wg) Jl 3 p 44
"Good things" of life for Russians — can Kremlin deliver? Econ Unit anal of new five-yr plan, revealed in most detailed description of targets ever disclosed by Govt, shows goal is bigger increase in production of consumer goods that Russian people are demanding, projections show increased pay, spending for household, personal goods, production of cars, farm output, standardization of models, indus, agric productivity; manpower problems, housing goals, less reliance on coal, increased use of petroleum, natural gas, atomic energy, Jl 24 p 52-54
Soviet five-yr plan: no 1 target, more goods for consumers: 8 consumer products, output in 1970, target for 1975, pct change, up, down; sharp step-up in consumer services: value of 7 services, 1970, target for 1975 (millions of dollars), pct change; upgrading average Russian's diet: pounds consumed per person — 6 fish, farm products, 1970, 1975 target, pct change up, chart, Jl 24 p 52
As Soviets move into auto age — ; auto output under latest Russian five-yr plan, 1970-1975, also sweeping expansion by 1975 of highways (miles), service stations, dealer-service centers, gasoline (pct increase), chart, Jl 24 p 53
Soviet Govt is cutting back production of vodka in effort to overcome sagging labor productivity, social problems caused by heavy drinking, Jl 24 p 54

RUSSIA—Contd.
Russia tightens grip on dissenters; Soviet leaders have ordered crackdown on Russia's dissident intellectuals, underground publications; Kremlin jailed civil-rights leader Pyotr Yakir, three reasons for crackdown, impact of large-scale Jewish immigration on dissidents in Lithuania, Ukraine, elsewhere, reasons why A Solzhenitsyn, A Sakharov have not been arrested, Ag 7 p 60,61
Outside Russia there were reports that Brezhnev was on defensive, but inside Russia all seemed calm, (wg) Ag 14 p 51
European experts on Soviet affairs do not expect poor harvest to cause downfall of Brezhnev, (wg) O 9 p 39
Why Moscow has trouble keeping consumers happy — ; excerpt from book, "World Without Borders" by Lester R Brown; centrally planned, directed econ is production oriented, not sensitive to consumer desires or service-minded; Soviets have lacked ability to supply parts, service their equipment, experience in mass production, distribution, O 16 p 18
Meaning of big trade deal between U S, Russia; Kremlin lifted diploma tax on 19 Jewish families seeking to migrate to Israel, O 30 p 36,37
Moscow memo: U S tourists, their money are welcome; "USN & WR" staff mbr, James F Lee, presents impression of today's Russia where he spent his vacation, N 13 p 57,58
Russia faces food shortages, breakdowns of production of consumer items, restlessness among non-Russians; two big problems: boredom, alcoholism; major disaster in this yr's crop made govt start natl competition with prizes for top producers, (wg) D 18 p 67
Soviet leaders worry about Russian mood, dissidents in Pushkin Square on "Const Day" stressed citizens' rights, (wg) D 18 p 68

Agriculture
Russians need food — only U S can fill order; Agric Sec Butz said only U S is capable of producing grain needed by Russia to give its people promised 25 pct increase in protein foods over next five-yrs, since visit of N Khrushchev in 1955, Russian experts have focused attention on U S farm methods; Russian private plots account for large share of total farm output, output from farms has been trending steadily upward, Russian diet has improved; background for negotiations, role of Russia's Agric Min Matskevich, reasons for difference in agric production between Russia, U S; no of U S acres withheld from production this yr, Jl 31 p 24-26
Amer's fabulous "breadbasket", Russia's "fertile triangle"; rainfall, growing season, corn, wheat production, Agric Sec Butz comments, chart, map, Jl 31 p 24
Why Russia needs U S help; crop failure has forced Russians to turn to U S for huge quantities of grain, Soviet purchases have already exceeded three-yr grain contract, they must raise sizable amount of cash, may sell gold; U S Agric Dept ests 1972 Soviet grain harvest, West German appraisal of Russian winter-crop failures; U S grain for sale is in good supply, impact of Soviet buying on prices of wheat, other grains; Agric Dept increased export subsidy, rising wheat prices could cause bread, bakery products price hikes, (C) Ag 28 p 22,23
Russia's slumping grain production ... what U S can sell other countries; major grains (million metric tons), 1970, 1971, 1972 ... major grains, soybeans, U S supply for coming yr, U S will need in coming yr, left

RUSSIA—Contd.
over for export, reserves, (billions of bushels), chart, Ag 28 p 22,23
Crop disaster is blamed on weather, bad mgt; shortage has caused hoarding, black markets, sale of gold to pay for imports, (wg) O 9 p 39
Deepening crisis in Russia; severe crop failure, series of foreign-policy setbacks, shortages of consumer goods, growing internal ideological dissent put Soviet Union in grip of worst crisis in decade; leaders turn to U S for help, Foreign Min Gromyko conferred with Pres Nixon on trade deal, signed arms pact; report on causes of severe crop failure, steps taken to increase harvest, conserve food; Press blames farm managers for lack of equipment, facilities to dry, store wheat; Amer, Russian agric operations by size of labor force, no, size of farms, tractors, use of fertilizer, produce; role of private farms, grain imports will replace equipment needed for production of consumer goods, outlook for imports for 3 to 5 yrs, O 16 p 15-18
Some of USSR's grain purchases will go to Cuba, East Europe, (bw) N 13 p 90
Now rising threat of widespread hunger; D 11 p 29-31
Russia faces food shortages, breakdowns of production of consumer items, restlessness among non-Russians; two big problems: boredom, alcoholism; major disaster in this yr's crop made govt start natl competition with prizes for top producers, (wg) D 18 p 67
"Times" of London suggests U S should impose same conditions on grain sales to Russia as on grain sent to India, (wg) D 18 p 68

Foreign Relations
If you sit in Kremlin, it's dreary world outside; besides crop failure, Russia has had series of foreign-policy setbacks in relations with China, Vietnam, North Korea, India, Middle East, Western Europe, Eastern Europe, Latin Amer, O 16 p 16,17
Russia finds that it cannot call tune in Egypt, India, (wg) N 13 p 40
Russians have stationed troops in five bordering nations, (wg) D 25 p 35

Afghanistan
New focus on Asian buffer; U S, Red China, Russia are helping Afghanistan maintain neutrality, stability; other countries plus U N sponsor aid projects — public health, educ, roads, agric improvement, indus growth; nation lacks tax collection, records, civil cts, mineral exploration laws; high child mortality, widespread poverty, ineffectual Parliament, debt, starvation, shortage of trans, N 6 p 57-60

Algeria
Algerians take Soviet arms, jets, econ aid, favor France, (wg) Jl 31 p 44

Asia

SMOKING *see* Tobacco

SNELLING, ROBERT O, SR

Are there jobs enough for all? "USN & WR" invu with Robert O Snelling, Sr, chrmn of Snelling and Snelling, Inc; surplus of job openings of every type, study of help-wanted ads found job openings nationwide exceed unemped, Govt's unemp figures are ridiculous, people have to be motivated to work, young people lack incentive, Govt should offer workers incentive to move where jobs are, unemp compensation is basic problem, people Govt counts as unemped, how Govt fosters unemp, disparity between jobless rate for married, single people; unemped should be required to take best job available; all service indus need workers, unemp-compensation laws discourage emp, U S Emp Service vs private emp services; pre-emp counseling for youth, jobs with smaller cos, in medium-size cities; jobs for older workers, private-fed plan proposed, (C) O 30 p 72-76

SOCIAL SECURITY *see also* Health and Medicine — Medical Insurance; Taxes — Social Security; Unemployment Compensation

Can spending really be cut? "USN & WR" invu with C W Weinberger, Dir, OMB, (C) Jl 17 p 21-25

Bigger pensions, higher taxes, latest turn in Soc Sec; Pres Nixon signed new Soc Sec rates into law, objected to inflationary impact on deficit, effect of automatic increases in pensions, taxes; details of benefit increases beginning in September, changes in future payroll taxes; how higher-income groups will bear burden in future, legis status of other benefit-increasing measures, Jl 17 p 32-35

Coming boost in pensions; mthly Soc Sec benefits for workers, married couples retired at 65: under old, new law, average mthly pay subject to Soc Sec taxes in working yrs: $76 or less-$1,000, chart, Jl 17 p 32

Soc Sec taxes go up, too; maximum annual tax voted by Cong on emp, employer (each), on self-employed person, 1972, 1973, 1974-85, 1986-92, yrly pay: $3,000-$12,000, over, chart, Jl 17 p 33

Top pensions: rise ahead; maximum mthly pensions for — men, married couples retiring January 1 at 65, under old, new rules, yr of retirement: 1972-2000, chart, Jl 17 p 33

Why nationwide trend to early retirement; liberalized private-indus pension plans, higher Soc Sec benefits permit more emps to retire early; pension plans provide early retirement for 90% of workers, until recently early retirement was usually involuntary, why many are reluctant, deterrents, CB tells why early retirement is more attractive now, 3 forms of liberalization, auto, steel indus plans for early retirement; losing valued emps is not gen problem, using retirement to reduce layoffs, Univ of Micigan suggests gen guidelines for those contemplating retiring, (C) O 23 p 55-58

More, more people are retiring early on Soc Sec; no of workers who had retired on Soc Sec before age 65 — or pct of all retired workers collecting benefits, in early 1962, 1967, 1972, chart, O 23 p 55

More Soc Sec: tax you pay, aid you get; Cong approved Soc Sec package — more than 5 billion yr for widows, early, late retirees,

SOCIAL SECURITY—Contd.
low-paid workers, disabled; new, other provisions, higher taxes, O 30 p 16,17
New rule on earnings after retirement; after Jan 1 pensioners under 72 can earn up to $2,100 yr without losing benefits, — no ceiling applies to those over 72; if you earn up to $2,100-$8,326, your pension will be $3,113-0, chart, O 30 p 17
Ahead in Soc Sec: rising benefits — burdens; Soc Sec growth since 1937, no of Amers covered by system, no of Amers who drew Soc Sec in 1953, today; pensions, other benefits paid out of Soc Sec trust funds in 1972; emp, employer together now pay 10.5% in Soc Sec, what they paid ten yrs ago; original Soc Sec purpose, present extended coverage, protection features added to program, endless demands for ever-wider coverage, benefits; how disability insurance, medicare have expanded in no of people covered, benefits; higher taxes, pensions predicted for future, (C) D 18 p 40-43
Paying for Soc Sec: upward march of taxes; yrly wage subject to tax, maximum tax on worker, his employer, self-employed person's maximum tax, 1937-2011, after, chart, D 18 p 40
28 million people — nearly 1 out of every 7 Amers — get Soc Sec benefit now; total benefits paid (millions), no of people getting mthly benefits, people getting benefits, as pct of all Amers, 1940, 1947, 1957, 1967, 1972, chart, D 18 p 41
Soc Sec takes rising share of natl income, one fifth of all fed taxes; total of Soc Sec taxes, contributions, as pct of U S natl income, as pct of all fed receipts, 1937, 1947, 1957, 1967, 1972, chart, D 18 p 41
Yrly income still exceeds outgo in Soc Sec accounts ... ; total income, outgo, excess of income over outgo, 1937, 1947, 1957, 1967, 1972, $millions, chart, D 18 p 42
... but outflow of benefits now is greater than reserves on hand as each yr begins; total assets in Soc Sec Trust funds at start of yr, total benefits paid out in yr, 1937, 1947, 1957, 1965 (last yr that assets exceeded benefits), 1966 (first yr that benefits exceeded assets), 1972, $millions, chart, D 18 p 42
Peek at future: pensions of $33,000 yr for retired couple by yr 2011? maximum wages subject to tax, maximum mthly benefit for worker retiring at age 65 in yr, 1972-2011, chart, D 18 p 43

SOCIAL SERVICE *see also* Welfare
Services to poor, their runaway costs; Ag 14 p 26-29
Whatever happened to — Green Berets: peace specialists now, N 6 p 46
Whatever happened to super peace corps — more aid now to more people; no of Action volunteers in U S, abroad, increase predicted; description of seven volunteer programs under Action, no of volunteers in each, N 27 p 86,87

TAXES *see also* Expense Accounts; Internal Revenue Service

Airport head taxes are common in many major cities of Europe, Africa, Asia, South Amer, Jl 31 p 83

Who really pays fed taxes — latest official report; Treas Under Sec E Cohen, in testimony before Jt Econ Com, stated Pres will ask for further tax reform; what legis of 1969, 1971 achieved; Treas Dept, Jt Com on Internal Revenue Taxation study shows individuals, corps, with high incomes pay heavy fed income taxes; effect on corps, individual income tax liability of Tax Reform Act of 1969, Revenue Act of 1971, examples; list of difficulties in est "tax subsidies" by Joint Econ Com staff in study, Ag 7 p 64-67

Individuals tax burden in dollars for every $1,000 received in 1969, 1971, 1972, under Sen McGovern's tax plan, (t) S 11 p 8

Pct of natl income taken by taxes, now, 1969, (t) O 9 p 14

Which is "worst tax"? — people's choice; poll conducted for U S Advisory Comm on Intergovtal Relations shows how Amers rank opposition to local property, fed income, State income, State sales tax, don't know, pct of total U S public, chart, O 23 p 70

Growing tax burden in Europe; examples of higher income, value-added, sales, payroll, excise, other taxes in six countries, O 30 p 58

Estate and Gift

Pitfalls to watch for in planning your estate; A James Casner, Harvard Univ prof of Law, in "USN & WR" invu discusses purpose, importance of estate planning, meaning of estate, first step in estate planning, useful functions of will, drawing will, how often wills should be checked, cost of will, spouse's will, where will should be kept, changes in will, things to keep in mind when choosing executor, executor's job, fees, why estate settlement takes so long, meaning of probate, living trust, testamentary trust, jt ownership, group life insurance proceeds subject to taxation, ways to prevent life insurance proceeds from taxation, lifetime gift allowance without paying taxes, devices used by estate lawyers to provide for spouse, children by "marital-deduction arrangement," minimizing estate taxes, using trusts, need for cash, liquid assets, finding lawyer, D 18 p 48-57

How to give money to your family — tax-free; annual, lifetime allowances, examples; special rules for married couples, example, D 18 p 56

When there's choice between gift taxes, estate taxes — ; facts on gift, estate taxes, example, D 18 p 57

Evasion

"Our findings are alarming;" excerpt from address by Johnnie M Walters, Comm of Internal Revenue; inadequacy, disparity of sentences in criminal tax cases, fraud in corp returns; imprisonment recommended for individuals, officers or empls responsible for corp evasion; aid from news-media coverage, examples of fraud found in corp returns, O 16 p 56,59

How tax dodgers are getting caught; crackdown on corps, individuals who deliberately attempt to avoid, evade taxes began in 1966; new auditing techniques, surveillance of tax advisers, preparers; examples of tax evasion, how IRS discovers corp tax avoidance, evasion schemes; criticism over fines, how computer program functions, no

TAXES—Contd.

of IRS convictions in 1972, moves against unscrupulous commercial tax-return preparers, return to "short forms", increase in manpower to assist taxpayer, (C) D 4 p 25-29

Tax drive gets results; criminal income-tax cases referred to Justice Dept for prosecution, 1968-1971, deficiencies, penalties, interest collected, $s, pct rise in 3 yrs, chart, D 4 p 25

Individual Income

Expense-account tax rules — way they're enforced now; goal of law passed in 1962 was to wipe out expense-account living, M Caplin, former IRS Comm, said there has been improvement, but enforcement is uneven; "USN & WR" survey of tax experts, execs, IRS officials in major cities shows effect of 1962 law on record keeping, expense-account entertaining, co policies, audits, Jl 10 p 46-48

For "second home" owners; stiff new tax rule; IRS has tightened rules covering vacation home, condominium used only part of yr, rented for recreational season; example of how "tax shelter" worked before new ruling, now; who's hit, how to apply new ruling, Jl 24 p 63,64

Individual income tax returns filed for 1970; adjusted-gross-income class, over $50,000-over $1,000,000, total returns, number showing no tax, tax due, average tax paid, chart, Ag 7 p 64

Effect on individual income tax liability of Tax Reform Act of 1969 ... Revenue Act of 1971; calendar yr 1971 levels of income: adjusted-gross-income class, $0-$3,000 to $100,000 over, tax under 1968 law, 1972 law, change under 1972 law from 1968 law, $millions, pct, total, chart, Ag 7 p 65

Where tax "subsidies" go; est by Treas Under Sec Cohen, in testimony before Jt Econ Com of Cong, shows tax preferences individuals were allowed in 1971: annual income, less than $3,000-$100,000 over, 32 benefits from personal deductions, exclusions, $s, total, chart, Ag 7 p 66

"Piggyback" tax collection; revenue-sharing legis provides for fed Govt to collect income taxes for States, States now in conformance, in substantial conformance with fed law; arguments for fed collection, O 2 p 22

Treas Sec Shultz told Cong that Treas is thinking of giving taxpayers chance to earn interest on tax refund checks, impact of extra-large refunds due to overwithholding, new W-4 form issued will make it easier to adjust amounts withheld from pay O 2 p 63

Ways to save on your taxes, yr-end tips; how to save on fed taxes by delaying or speeding receipt of salary, fees, other income; guidelines on deductions, paying medical expenses, interest income, exemptions, marriage date — its effects when computing tax, gains, losses on investments, (C) N 13 p 33-36

Checklist for end-of-yr tax planning; some possible ways to save money: time income properly, plan your deductible spending carefully, weigh shifts in assets, N 13 p 33

Suppose you get 5% pay raise — ; man with wife, 2 children gets 5% pay boost on Jan 1, 1973: base pay now $150, $250, $400, $500, take-home pay now; base pay after 5% raise — fed income tax takes this, Soc Sec tax takes this; take-home pay after raise; change from present take-home pay, chart, D 18 p 39

Legislation

Can spending really be cut? "USN & WR" invu with C W Weinberger, Dir, OMB, (C) Jl 17 p 21-25

TAXES—Contd.

Who really pays fed taxes — latest official report; Treas Under Sec E Cohen, in testimony before Jt Econ Com, stated Pres will ask for further tax reforms; what legis of 1969, 1971 achieved; Treas Dept, Jt Com on Internal Revenue Taxation study shows individuals, corps, with high incomes pay heavy fed income taxes; effect on corps, individual income tax liability of Tax Reform Act of 1969, Revenue Act of 1971, examples; list of difficulties in est "tax subsidies" by Joint Econ Com staff in study, Ag 7 p 64-67

Can ceiling be clamped on spending? "USN & WR" invu with Treas Sec Schultz, ... outlook for value-added tax, (C) Ag 28 p 26-29

Tax changes coming no matter who wins; McGovern announced to Security Analysts plans to propose tax reforms to bring increase in revenues, major proposals, White House has whole fed tax-system under study, may propose value-added tax; other taxes are already headed up, fed spending is forecast to top revenues, Jt Econ Com of Cong recommends increase in taxes, Nixon position, S 11 p 38

From McGovern: new blueprint for taxes, welfare; key passages of Sen McGovern's address to NY Society of Security Anals, Mr McGovern presented his proposals for defense cuts, overhauling tax system, welfare program, S 11 p 39-41

Nixon's tax goals, from White House; in "USN & WR" invu, John D Ehrlichman, Asst to Pres for Domestic Affairs, discusses Nixon's ideas for tax changes for home-owners, where money would come from, value-added tax, no serious proposal to eliminate capital-gains tax, tax credits for parents who send children to parochial schools, corp taxes, Advisory Comm on Intergovt Relations has been asked to make recommendations on decrease of property taxes, timetable for President's tax proposals, S 11 p 42

Work vs welfare: what McGovern says; excerpts from Sen McGovern's Labor Day address, S 18 p 79-81

Intergovtal Relations Comm poll shows no preferring income tax reform, value-added tax, (t) O 2 p 14

Nixon cooling on natl sales tax; Ron Ziegler, Press Sec to Pres, J Ehrlichman, Asst to Pres for Domestic Affairs, explain Nixon's position on tax reform in White House news conf; issues of property tax relief, value-added tax, tax increases, Admin's record discussed; Treas Sec Shultz gave House Com Admin's thinking on value-added tax, property taxes, tax reform, O 2 p 80,81

McGovern's tax plan: 22 billions more by 1975; text of summary written by McGovern econ staff, issued by McGovern hdqrs, giving details of Sen's proposals for fed tax reform, as proposed by McGovern advisers on tax policy; recommendations on capital gains, capital gains at death, State, municipal bonds, percentage depletion, depreciation allowances, investment credit, real estate investments, income earned abroad, farm losses, excess-investment-interest, death, gift taxes, O 2 p 82-84

McGovern advisers on tax policy, il, O 2 p 82

Impact of McGovern tax ideas on people, business; est by McGovern tax advisers on 11 proposals — increase or decrease in yrly fed taxes by calendar yr 1975 on individuals, corps, total, $billions, chart, O 2 p 84

Drive against property taxes — who can look for relief; status of Nixon Admin plans to replace local property taxes for support of

TAXES—Contd.

public schools by fed funds, natl sales or "value added" tax, shifting local tax burdens to Fed Govt, easing property taxes of older citizens; Sen McGovern's plan, property taxes collected, pct of annual income of owners, tenants, 1961, 1971; pct of income paid by low-income owners, public, legal attacks on property taxes; 3 plans for tackling problem are system of fed grants, "circuit breaker", homestead exemptions; relief proposals in California, Oregon, O 23 p 69,70

Outlook now on spending, taxes; Cong refused to allow Pres's plan to cut spending to $250 billions, OMB dir Weinberger, others tell what Nixon can do to save budget plans, prevent tax boost; parts of budget that are beyond reach of spending cutters, Econ Unit finds 180 billions of spending that cannot be cut, cutbacks in defense spending, civilian programs, O 30 p 56,57

What business can expect in era of change; excerpts from address by J Irwin Miller, Bd Chrmn, Cummins Engine Co, Inc, N 13 p 65-68

Property

Advisory Comm on Intergovtal Relations reports what typical family paid in property taxes in $s, pct of income in 1953, 1972; rates of homes paying more than 6%, no of elderly paid average of 8.1 pct, (t) S 25 p 8

Drive against property taxes — who can look for relief; status of Nixon Admin plans to replace local property taxes for support of public schools by fed funds, natl sales or "value added" tax, shifting local tax burdens to Fed Govt, easing property taxes of older citizens; Sen McGovern's plan, property taxes collected, pct of annual income of owners, tenants, 1961, 1971; pct of income paid by low-income owners, public, legal attacks on property taxes; 3 plans for tackling problem are system of fed grants, "circuit breaker", homestead exemptions; relief proposals in California, Oregon, O 23 p 69,70

Burden of real estate taxes on elderly; study by Advisory Comm on Intergovtal Relations shows — average property taxes paid for each $100 of annual income: all home-owners in U S, elderly home-owners, elderly home-owners with incomes of less than $2,000, $s, property levies in some areas of Northeast, chart, O 23 p 69

Which is "worst tax"? — people's choice; poll conducted for U S Advisory Comm on Intergovtal Relations shows how Amers rank opposition to local property, fed income, State income, State sales tax, don't know, pct of total U S public, chart, O 23 p 70

Property tax relief — where it's happening, how; "USN & WR" survey shows what States, local govts are doing; reform, relief measures will be decided by voters, legis; reforms are designed to spread property tax burden more equitably by equalizing assessments, curbing exemptions, eliminating corruption, N 6 p 92-96

Property tax collections grow in $s ... but make up shrinking share of all State-local levies; State-local property taxes ... property taxes as pct of all State-local taxes: 1961, 1966, 1972, chart, N 6 p 92

How taxes, bond issues fared in election; N 20 p 90-92

Where property taxes may be trimmed soon; Fed revenue sharing might provide tax relief for millions of property owners, "USN & WR" cross-country check reveals many localities are holding back on tax cuts, most localities plan property-tax relief

TAXES—Contd.

after officials mull over amount awarded them by Treas; State, city officials in NYS, Midwest, West, Southwest, South, Southeast discuss tax relief, D 18 p 74-76

Large-scale property-tax relief suffered setback, propositions of staff rejected by Advisory Comm on Inter-govtal Relations, conclusions reached by Comm's staff, D 25 p 70,71

Sales

Can spending really be cut? "USN & WR" invu with C W Weinberger, Dir, OMB, ... value-added tax ... , (C) Jl 17 p 21-25

Nixon's tax goals; "USN & WR" invu with Pres Asst John D Ehrlichman, ... pros, cons of value-added tax, S 11 p 42

Nixon cooling on natl sales tax; Ron Ziegler, Press Sec to Pres, J Ehrlichman, Asst to Pres for Domestic Affairs, explain Nixon's position on tax reform in White House news conf; issues of property tax relief, value-added tax, tax increases, Admin's record discussed; Treas Sec Shultz gave House Com Admin's thinking on value-added tax, property taxes, tax reform, O 2 p 80,81

Social Security

Soc Sec taxes go up, too; maximum annual tax voted by Cong on emp, employer (each), on self-employed person, 1972, 1973, 1974-85, 1986-92, yrly pay: $3,000-$12,000, over, chart, Jl 17 p 33

More Soc Sec: tax you pay, aid you get; Cong approved Soc Sec package — more than 5 billion yr for widows, early, late retirees, low-paid workers, disabled; new, other provisions, higher taxes, O 30 p 16,17

Taxes for pensions: sharp rise next yr, more to come; maximum tax on each worker, with employers paying matching amount: now 1972, next year 1973, in future years — 1974-77, 1978-80, 1981-85, by 2011, 1986, after (self-employed only), yrly pay $3,000-$12,000, over, charts, O 30 p 16

Coming: cut in take-home pay; everyone covered by Soc Sec will have more Soc Sec taxes taken out of their pay checks in 1973, two basic changes in Soc Sec withholding system effective in 1973, changes in Soc Sec taxes for workers with wkly pay of $150, $300, $500, D 18 p 39

How Soc Sec taxes will bite into your paycheck; Soc Sec tax of 5.85% will be levied on maximum of $10,800 of worker's salary; wkly pay, Soc Sec Tax, length of time tax will be levied, chart, D 18 p 39

Suppose you get 5% pay raise — ; man with wife, 2 children gets 5% pay boost on Jan 1, 1973: base pay now $150, $250, $400, $500, take-home pay now; base pay after 5% raise — fed income tax takes this, Soc Sec tax takes this; take-home pay after raise; change from present take-home pay, chart, D 18 p 39

Ahead in Soc Sec: rising benefits — burdens; Soc Sec growth since 1937, no of Amers covered by system, no of Amers who drew Soc Sec in 1953, today; pensions, other benefits paid out of Soc Sec trust funds in 1972; emp, employer together now pay 10.5% in Soc Sec, what they paid ten yrs ago; original Soc Sec purpose, present extended coverage, protection features added to program, endless demands for ever-wider coverage, benefits; how disability insurance, medicare have expanded in no of people covered, benefits; higher taxes, pensions predicted for future, (C) D 18 p 40-43

Paying for Soc Sec: upward march of taxes; yrly wage subject to tax, maximum tax on worker, his employer, self-employed person's maximum tax, 1937-2011, after, chart, D 18 p 40

TAXES—Contd.

Soc Sec takes rising share of natl income, one fifth of all fed taxes; total of Soc Sec taxes, contributions, as pct of U S natl income, as pct of all fed receipts, 1937, 1947, 1957, 1967, 1972, chart, D 18 p 41

Yrly income still exceeds outgo in Soc Sec accounts ... ; total income, outgo, excess of income over outgo, 1937, 1947, 1957, 1967, 1972, $millions, chart, D 18 p 42

Peek at future: pensions of $33,000 yr for retired couple by yr 2011? maximum wages subject to tax, maximum mthly benefit for worker retiring at age 65 in yr, 1972-2011, chart, D 18 p 43

State and Local

Can spending really be cut? "USN & WR" invu with C W Weinberger, Dir, OMB, (C) Jl 17 p 21-25

State, local tax revenues jumped 16% in first qtr; pct rise, total revenue in States where taxes depend upon income, spending; fastest-, slowest-sources of funds, Jl 17 p 35

Where taxes are pinching harder; State, local revenues rose 12 pct in 12 mos, role of taxes, taxation rates vary widely between States, three levies — gen sales, gasoline, cigarette taxes — provided nearly half of all State collections, examples, trend in receipts from different taxes, pct, $s, Jl 31 p 67

Gas, cigarette, sales taxes — how your State compares; tax rates as of July 1, 1972 — States: gasoline (per gallon), cigarette (per pack), sales (pct), chart, Jl 31 p 67

Now, "taxpayers' revolt" at some U S airports; head taxes at several U S airports has brought strong opposition from travelers, delayed flights, legis is pending to outlaw tax, Jl 31 p 82,83

Evanston, Ill proposes "tuition tax" on students attending Northwestern Univ, three small colleges, S 18 p 68

Commerce Clearing House survey reports States that have raised gasoline taxes, S 18 p 69

"Piggyback" tax collection; revenue-sharing legis provides for fed Govt to collect income taxes for States, States now in conformance, in substantial conformance with fed law; arguments for fed collection, O 2 p 22

How taxes, bond issues fared in election; results of vote on tax proposals, bond issues, other revenue measures; special groups got property-tax relief, lotteries supported, plans supported, defeated on spending, N 20 p 90-92

Tax relief plans of local govts nationwide, (t) N 27 p 12

TAYLOR, MAXWELL D

Lessons of Vietnam; Maxwell D Taylor, retired U S Gen, in invu with "USN & WR", discusses worth of fighting in Vietnam in relation to costs in Amer lives, treasure; weaknesses in govt, natl character, society which accounts for ineffectiveness; wrongness or rightness of Vietnam war, outlook for U S engaging in another land war in Asia, limited war-option for future Pres, accomplishments in Vietnam, what China, Russia gained from Vietnam; neutralism in Asia, its effect on treaties, overseas bases; Nixon Doctrine, importance for U S to keep its air, sea power in Asia; role of U S military, effectiveness of cease-fire, possibilities of enduring peace in Vietnam, why cease-fire could not have been negotiated before, (C) N 27 p 22-26

TEACHERS *see* Education — Teachers; Government Employes; Labor — Unions — Teachers

TECHNOLOGY

Changes in steel; O 9 p 47,50

Bridging U S-Soviet Gap — trade is just start; N 27 p 39-42

TELEVISION *see also* Press

Pct of families owning TV, color TV, chart, Jl 17 p 49

Should public broadcasting be fourth TV network? growing debate; Pres Nixon vetoed bill that would greatly increase spending for public broadcasting, Admin's complaints, public broadcasters position, Jl 17 p 57

Coming uses for satellites — battle to control business; FCC ruled any firm could bid for share of domestic-satellite business, restricted Comsat's, AT&T expansion plans; potential competitors, their plans; role of educ TV, NASA plans for educ TV, Ag 7 p 62,63

Big success story — Hollywood comeback; film studios are showing profits from producing for TV, upturn in box office receipts; unemp is still high, studios are expanding, using facilities night, day, cutting costs, look for more TV work as networks cut down on reruns; major corps, individuals are investing in new movies, production cos, studio invests in cruise ships, hotel, Ag 28 p 38-40

Most Western European countries are enjoying booming sales of color-TV sets, position of sales by Japan, Italian firms suffer from delay in picking color system, (bw) O 9 p 55

TV in election campaigns — call for changes; excerpts from letter written by Robert D Squier, Jane M Squier, TV operations dirs for leading Dems in 1968, 1972 campaigns; how candidates use TV, role of broadcasters, reforms proposed, N 27 p 84,85

TERRORISM *see* Violence

TEXAS

Services to poor, their runaway costs; Ag 14 p 26-29

TEXTILES

Textile business in Europe, Japan, Canada, (bw) N 6 p 102

THAILAND

As U S leaves Vietnam — bigger role for Thailand; U S combat burden has shifted to air, Seventh Fleet, bulk of firepower is coming from bases in Thailand, no, type of Amer Air Force, Marine aircraft in Thailand; reasons for Thai support, U S, Thailand have no formal pacts; Thais are anxious to develop friendlier relations with China, resolve Communist insurgency in Thailand, Ag 21 p 30-32

While U S strength dwindles in Vietnam — back near peak power in Thailand; U S military forces in Thailand, 1965-1972, U S military forces in Vietnam, April, 1969, August, 1972, chart, Ag 21 p 31

Where 45,000 U S troops are based in Thailand; air, sea bases, no of Amer men, aircraft, bases, of Air Force, Marine Corps, Army; map, Ag 21 p 31

Brit faces problem of absorbing Uganda's Indian, Pakistani expellees; "Sunday Telegraph" reports racialism is far more potent among black, brown races, (wg) S 4 p 46
Black racism in Uganda — white man's burden for Brit; Pres Amin ordered 50,000 Asians holding Brit passports out of country, reasons for expulsion, effect on econ, Brit's problems, official view, public opinion; Uganda is likely to be loser in end, S 4 p 48,49
Foreign businessmen operating in Uganda are uncertain on what direction to natlize indus erratic Govt of Pres Amin will take, new foreign investment has dried up, (bw) S 11 p 64

UNDERDEVELOPED COUNTRIES
World Bank's annual report shows how financing development of tourism in poorer nations builds their econs, (bw) S 25 p 88
Worry for world leaders — "have-not" nations lag while "haves" get richer; widening gap between rich, poor nations may cause political upheavals, troubles for foreign investors, trade; econ growth rate of poor, rich countries, 1970-71; examples of warning signs are extent of child mortality, malnutrition, higher rate of population growth in poor nations, now, yrs, 2020, 2040; widespread urban, rural unemp; educ lag, school dropouts; uneven distribution of income between poor, rich; low productivity of workers, World Bank study found how growth rate (gnp) varies in nations with per capita incomes of less than $200 - more than $500 with 67%-4% of developing nations total population, oil exporters, O 16 p 53,54
Widening gap between rich, poor nations; total natl output per person in developed, less-developed countries, $s, 1960-1971, chart, O 16 p 53
20 wealthiest nations ... among poorest — 20 examples; total natl output per person, $s, annual rate of increase in past decade, pct, charts, O 16 p 54
IMF's Com of 20 to draft ideas for monetary reform included financial experts from less-developed lands, developing countries' key demands, (bw) D 4 p 61
Now rising threat of widespread hunger; D 11 p 29-31

UNEMPLOYMENT *see* Employment and Unemployment

UNEMPLOYMENT COMPENSATION
Are there enough jobs for all? "USN & WR" invu with R O Snelling, Sr, (C) O 30 p 72-76

UNION OF SOVIET SOCIALIST REPUBLICS *see* Russia

UNITED ARAB REPUBLIC *see* Middle East
Behind Moscow's big setback in Middle East; John Law, "USN & WR" Intl Staff mbr, reports Egypt's Pres Sadat expelled Soviet military advisers because of Russian-imposed restraints on war policy, slowdown of arms; army officers criticized "no war, no peace" policy, observers claim Sadat had nothing to lose, unsettled questions; "USN & WR" correspondent recently in Moscow explains why Soviets are accepting setback in Mideast, three important dividends for U S, Jl 31 p 30,31
Soviet military forces in Egypt: total personnel, no of fighter planes, Soviet-manned missiles, Naval forces; military arms Soviets have given to Cairo: Soviet equipment in Egyptian armed forces at latest count — Air Force, Army, Navy, chart, Jl 31 p 31
Before Russians were ordered out of Egypt; naval bases used by Russia, Soviet-controlled airfields, Soviet-manned missile launchers, map, Jl 31 p 31
Sadat says he wants "new stage" of relationship with Russia, after he ordered Soviet military men home, (wg) Jl 31 p 43
Where Egypt goes next; John Law, "USN & WR" Intl Staff mbr, toured Egypt, talked to foreigners, Egyptians inside, out of Govt, found wide range of answers to questions of what future holds; 33,000 Russians are leaving, it is not yet clear how much equipment will be left, pressure back of Sadat's decision, Sadat's popularity, chances now for Egyptian-Israeli deal, Ag 7 p 38,39
Does Egypt want war? Israeli officials give views on why Sadat ousted Soviet advisers, Egypt's position since cease-fire, peace settlement, Ag 7 p 39
As Russians leave Egypt — who gains, who loses; Western experts list reasons balance of power in Mideast has been altered, Russian exodus is moving faster than expected, Egypt is looking more to U S, U S strategy now, where Egypt can turn for help, effect of Soviet departure on danger of war, Egypt is left weaker, while Israel appears far stronger, puzzle of why Sadat threw out Russians, peace remains distant goal, Ag 14 p 45,46
Brezhnev told Eastern European Communist leaders about Soviet military flight from Egypt, (wg) Ag 14 p 51
Egypt, Libya agreed to unite their govts in September, 1973, oil-rich Libya would boost Egypt's capacity to confront Israel, (wg) Ag 14 p 52
Pres Sadat ordered Russians out of country, announced union with Libya, both Russia, Egypt risk big losses if they cannot compromise, sense of relief pervades Cairo, "Al Ahram" reports results of poll of who gained, who lost by no war-no peace policy, (wg) Ag 21 p 33
Soviet withdrawal from Egypt has slowed down, Soviet warships still use Egyptian ports, maintain stores, (wg) Ag 28 p 43
Egypt's Prime Min Sidky went to Moscow to mend relations with USSR, Egypt wants Soviet spare parts, Russia wants Egypt's ports, (wg) O 30 p 52

UNITED NATIONS
China's veto in U N of Bangladesh mbrship did not stir much controversy in Asia, (wg) S 11 p 52
A Solzhenitsyn of Russia, in speech accepting Nobel prize, made blistering, eloquent criticism of U N, (wg) S 11 p 52
Cong wants to reduce U S contributions to U N, (wg) S 11 p 52
Why Third World nations are unhappy with U N; Western Europe, U S see U N as world body hamstrung by big-power vetoes, by double standards applied by Third World, example is Puerto Rico, (wg) S 11 p 52
Rogers: "Suppress these demented acts;" excerpts from address of State Sec W P Rogers to Gen Assembly of U N calling for action on several proposals to stop activities of intl terrorists, seven examples of violence, record of crimes involving aircraft, diplomats this yr; three treaties that should be enacted, O 9 p 26,27
Terrorism and guerrilla warfare; David Lawrence editorial; during last few years, world has witnessed brutality, cruelty by terrorist groups which have kidnapped or killed many persons for political purposes or financial gain; U N has no more important task than to prevent lawlessness of all kinds which menaces peace of world. O 9 p 108
After one yr of Red China in U N — ; impact of China's mbrship on U S, China relations, Peking-Moscow feud; diplomatic relations established in two yrs, social activities, hdqrs described, activities in U N, aid to "third world", payments to U N, O 30 p 64
Peking's U N special envoy called Soviet proposal to ban use of force in world affairs "downright fraud", (wg) N 27 p 37
Border raids, Pres Sadat's charges are routine when U N debates Middle East, (wg) D 4 p 46
At hand: lower U S share of U N costs; U N's Finance Com passed Amer-sponsored resolution calling for ceiling on any nation's share of dues, present U S contribution, causes of U S irritation with U N, U S contributions, $s, pct, of U N expenditures, 1945-1972; Cong passed legis forbidding U S to pay more than 25% of U N assessments, U S urges mbrs to contribute bigger share of financial burden, D 18 p 88
Who pays U N dues; U S, Russia, China, Japan, Brit, France, others, millions of $s, pct, 1972, chart, D 18 p 88

UNITED NATIONS—Contd.

Adviser to Panamanian govt feels talks with U S about new Canal treaty were getting nowhere; Panama asked U N Security Council to hold its March meeting in Panama City, U N Security Council Pres will be Panamanian, U S has tried to block meeting in Panama, (wg) D 25 p 35

UNITED STATES *see also* Investments — Foreign

What Justice Powell says is wrong with Amer; excerpts from address by Supreme Ct Justice Powell at Amer Bar Assoc meeting, Justice Powell says today's belief in "new ethnic" that rejects humanizing role of family, other insts is causing many Amers to loose basis values, contact with each other, but there is much cause for optimism, Ag 28 p 41,42

"Turn for better"; text from summary of remarks by Walter E Hoadley to annual meeting of Amer Life Convention on Oct 18, 1972, in San Francisco; business leaders, public are urged to take closer look at facts — where U S really stands now, chronic negativism should be rejected, ground rules, guidelines to be established for rest of century, N 6 p 38

Every day is Thanksgiving Day; David Lawrence editorial; reprint of Dec. 4, 1958, editorial; some of many blessings bestowed upon us as nation for which we should give thanks every day to Divine Providence, D 4 p 96

The challenges of our times; David Lawrence editorial; reprint of May 8, 1967, editorial; there have been many trying periods in Amer history, yet nation has responded to challenges, moved forward; problems Amer will face in following decades are bound to be complex, but can be solved if there is inherent sense of morality, D 25 p 76

Finance

see also Credit; Federal Reserve Board

Treas, "fedly assisted" borrowing forecast for 1972, (t) Jl 10 p 4

Amount, pct of revenue going into fed trust funds, effect on deficit, (t) S 11 p 8

Balance of Payments

Why U S Treas gets deeper in debt abroad; foreign govts provided more than half of dollars Treas had to raise to cover its budget deficits in past 3 yrs, factors behind turnaround, Admin officials predict Amer exports will increase more rapidly, reduce balance of payment deficit; amount of deficit in 1971, first six mos 1972, bleak position of dollar, choices available to Amer's creditors, Ag 14 p 53,54

Export orders, June; orders from abroad for aircraft, farm products, (tb) Ag 21 p 56

From surplus to deficit — U S trade balance keeps worsening; trade surplus, deficit, mthly averages in millions of dollars, 1964-1972, chart, (p&m) Ag 28 p 59

Hard bargaining starts again on gold, U S dollar; IMF conf in Washington will discuss reform of world monetary system, hold first meeting of Com of Twenty; disputed issues will cover gold, SDR's, wider use of controls on capital flows, greater flexibility in exchange rates; Europeans urge U S to restore convertibility of dollar into gold, "funding" U S balance of payments deficit with SDR's; OECD experts believe dollar devaluation, business recovery abroad will help U S exports, payments balance, S 25 p 68-70

Toward stronger dollar? shrinking deficit in U S balance of payments: U S balance of payments, surplus, deficit, 1968-1972, chart, S 25 p 68

UNITED STATES—Contd.

Greater oil imports will put burden on U S balance of payments, J Winger of Chase Manhattan Bank est annual oil imports by 1985, cost to balance of payments, Continental Oil's chrmn J G McLean suggests major oil-producing nations invest in U S to offset deficits from fuel costs, amount oil exporting nations may collect between 1970, 1985, (bw) O 9 p 56

U S balance of payments are expected to improve in anals by Brit, French, Japanese, (bw) N 20 p 79

Communists are using capitalist money, Euro-bonds securities are issued by Natl Bank of Hungary; securities have unusual option, est of how much Communist countries can raise in Euro-bonds, (bw) D 11 p 97

Problem for U S: persistent deficits in balance of payments; surplus or deficit in U S transactions, billions, 1968-1971, 1st-3rd qtrs 1972, chart, D 25 p 75

Bonds

Why people are buying savings bonds again; officials say purchases of E, H bonds are setting record highs, reasons for change, yields to investors, tax advantages, tax exemption for children, example of how to use series E, H bonds for retirement, advantage over other investments, disadvantages; Jl 31 p 59,60

U S savings bonds: coming back into favor; value of savings bonds redeemed, bought, 1963-1972, chart, Jl 31 p 59

Budget

Can spending really be cut? "USN & WR" invu with Caspar W Weinberger, Dir, OMB; chance of balancing budget depends upon desire, growing pressure for econ in fed spending, size of budget, now, next year; why Cong has not approved Nixon Admin spending cuts, OMB's control of Govt programs, why Cong keeps on voting for favorite programs, programs that might be cut, Brookings Inst study shows gap between promise, performance of social programs; projections on uncontrollable expenditures, effect of Soc Sec increase on budget, how SALT, ending of Vietnam War will affect defense budget; Sen McGovern's proposal to reduce defense budget, unique role of defense budget, outlook for tax increase, new kind of tax, closing "loopholes"; abolishing outmoded, unnecessary programs, agencies; pct of gnp spent on govt, hope for budget surplus, reducing natl debt; views on balancing budget, effect of continuing big budget deficits, Fed Govt will collect taxes for States, localities; what is wrong with commitment to housing, other subsidies, (C) Jl 17 p 21-25

Budget soars, worry spreads; Pres Nixon asked Cong to set rigid ceiling on fed outlays, threatened to veto bills that call for excessive spending, est deficit for 1972-73; A Burns FRB chrmn, in testimony before Jt Econ Com, indicated big deficits push up interest rates, prices; increases in spending have been favored by exec branch, Cong, examples; history of efforts, failures to improve handling of budget since 1921, effect of spending ceiling, why debt ceiling fails, Ag 7 p 14,15

No matter who is in White House, fed spending grows explosively; fed outlays, $billions: Kennedy, Johnson, Nixon yrs, 1962-1973, chart, Ag 7 p 14

Where govt outlays are climbing fastest; fed spending: defense, space, foreign, all civilian programs, $billions, 1963, 1973, change in decade, pct, chart, Ag 7 p 15

Defense Sec Laird said he would urge Admin to spare defense program from any reductions under Pres Nixon's proposed spending

UNITED STATES—Contd.

ceiling; budget deficit for 1972 shows only two agencies reduced expenditures, Ag 14 p 55

Drive to cut red ink in '73 budget; Admin is pressing for ceiling of 250 billion dollars on spending, Nixon threatens to veto legis that would push total higher, how budget battle developed, who's to blame; spending proposals by White House, action by Cong that increase spending total; sources of Govt's income, showdown coming on appropriation bills for HEW, Labor Dept, uncontrollable expenditures that cannot be cut, Ag 21 p 47,48

Govt's worsening budget picture; est for yr that started July 1 — revenues, outlays, deficit: last January, June 5, latest, chart, Ag 21 p 47

Can ceiling be clamped on spending? in "USN & WR" invu, Treas Sec George P Shultz, says Govt budget for fiscal '69, '70, '71, '72 has been balanced on full-emp basis; Admin is seeking ceiling on spending to keep budget in balance for fiscal 1973, 1974; problems caused by lack of fiscal discipline of Johnson Admin, discusses changing mood, attitude of Cong on spending; need for spending ceiling that applies to Cong, exec branch, Fed Govt; programs that increase spending, major problem with Cong, Defense budget, "you can find way" to econ, why special legis is needed to control spending, what happens to money not used, chances for spending legis; outlook for tax reform, Nixon record on tax reform, new taxes, such as value-added tax, time schedule for tax proposals, mood of Cong to make tax changes; deficit spending as main cause of inflation, effect of 1972 budget deficit on econ, amount of full-emp deficit in fiscal '72, choice public must make, (C) Ag 28 p 26-29

Push to put lid on Govt spending; Pres Nixon's plan to limit Fed spending touched off bitter clash in Cong, Nixon, Rep Mills see spending ceiling as political issue; spending earmarked for programs in "relatively uncontrollable" areas, programs in "relatively controllable" areas, proposals for long-range remedy of "spending syndrome" in Congress, O 23 p 84,85

Fed billions pour out faster ... money in pipeline piles up, assuring still more spending; budget expenditures: billions, 1969-1973, change from preceding yr — in total dollars, in pct ... carry-over of funds authorized but unspent: billions, change in pool of unspent funds, billions, 1969-1973, charts, O 23 p 84,85

Outlook now on spending, taxes; Cong refused to allow Pres's plan to cut spending to $250 billions, OMB dir Weinberger, others tell what Nixon can do to save budget plans, prevent tax boost; parts of budget that are beyond reach of spending cutters, Econ Unit finds 180 billions of spending that cannot be cut, cutbacks in defense spending, civilian programs, O 30 p 56,57

Tough task: cutting $258-billion budget; in yr ending June 30, 1973 — problem: much of spending is "relatively uncontrollable," — programs, $billions, total, thus: only $1 in $3 of spending is "relatively controllable," — programs, $billions, total spending open to cutbacks, $billions, Nixon dilemma, charts, O 30 p 56

In battle over spending, barrage of Nixon vetoes; 9 bills Nixon vetoed; Pres approved 2 bills for veterans; funds impounded by Pres in fiscal yrs, 1971, 1972, pct of spending; exec branch is searching for cuts in next budget, N 6 p 89

White House plan to prune Govt; Pres Nixon's actions following his re-election, reforms on

UNITED STATES—Contd.

govt reorgn proposed by Ash Council as revised by White House, proposals on regulatory comms, changes enacted by Cong, how much Pres can do without Cong consent, Pres Nixon's call for better results from aid, social programs, control of spending; future of revenue sharing, N 27 p 54-56

Programs that will be trimmed to reduce spending, (t) D 25 p 8

Debt

Govt's financial commitments: $1.3 trillion, growing; "contingent liabilities" — amounts put up by outside sources that are guaranteed or insured by U S Govt — costs Govt little, helps stimulate business without directly affecting budget, extent, variety of fed-backed credit programs, (ptg) Ag 7 p 46,47

Govt's financial commitments; "contingent liabilities" — money to be paid off in case of default — in billions of dollars as of June, 1971: insurance, guaranteed-loan, pension, intl, other liabilities, grand total, (ptg) Ag 7 p 47

Why U S Treas gets deeper in debt abroad; foreign govts provided more than half of dollars Treas had to raise to cover its budget deficits in past 3 yrs, factors behind turnaround, Admin officials predict Amer exports will increase more rapidly, reduce balance of payment deficit; amount of deficit in 1971, first six mos 1972, bleak position of dollar, choices available to Amer's creditors, Ag 14 p 53,54

Foreigners financing U S deficits? U S Treas debt outstanding, share of debt held by foreign Govt banks, $billions, pct, 1969, now; public debt in last three yrs, billions provided by foreign govts, chart, Ag 14 p 53

Yr's final tally — deficit up bit, where spending was higher, reduced, N 20 p 93

Foreign Relations

see also North Atlantic Treaty Organization

Nine yrs of fighting-all for naught? David Lawrence editorial; natl election of November 1972 in U S can decide whether small nation-South Vietnam-will secure right of self-determination; Election Day will show whether intl policies will be carried forward or will be modified by different Pres, Jl 31 p 84

U Alexis Johnson, Under Sec of State, told House Foreign Affairs subcom, that he finds absurd concept that trillion-dollar econ is too poor, exhausted to provide for, manage both its foreign, domestic problems, (wg) Ag 21 p 34

New Zealand's Amb Corner says U S "is bursting into something new," (t) O 16 p 12

Shifts in world, what they will mean to U S; Amer's role examined by top anals; high Admin sources report on basic shifts to be met by U S in future: Russia-China war, U S influence to keep Russia, China at peace, Japan's role in East Asia, political, diplomatic climate in Asia after Vietnam cease-fire, favorable factors in Middle East, Allied nations in Western Europe are expected to take larger share of defense burden, history of U S-USSR arms race; new arms race is expected if exec agreement expires, N 13 p 18,19

U S priorities abroad will change from Southeast Asia to rest of world after Vietnam cease-fire, (wg) N 13 p 39

Washington insider discusses course of Amer foreign policy, order of priorities by area, (t) D 4 p 14

7.5 billions — U S price tag for rebuilding Indo-China; N 20 p 47,48

Lessons of Vietnam; Maxwell D Taylor, retired U S Gen, in invu with "USN & WR", discusses worth of fighting in Vietnam in relation to costs in Amer lives, treasure; weaknesses in govt, natl character, society which accounts for ineffectiveness; wrongness or rightness of Vietnam war, outlook for U S engaging in another land war in Asia, limited war-option for future Pres, accomplishments in Vietnam, what China, Russia gained from Vietnam; neutralism in Asia, its effect on treaties, overseas bases; Nixon Doctrine, importance for U S to keep its air, sea power in Asia; role of U S military, effectiveness of cease-fire, possibilities of enduring peace in Vietnam, why cease-fire could not have been negotiated before, (C) N 27 p 22-26

18 yrs, four Presidents — record of U S involvement in Vietnam; 1954-55: Eisenhower's commitment, 1956-60: prelude to war, 1961-62: Kennedy casts die, 1963: change of leadership, 1964: up escalator, 1965: Johnson's full commitment, 1966-67: massive build-up, 1968: Tet, disillusion, 1969: start of Nixon's disengagement 1970-71: accelerated pullout, 1972: cease-fire in sight? N 27 p 24,25

After Vietnam: changed role for U S in Asia; D 11 p 16-21

Tokyo talks up $2 billion reconstruction fund for Indo-China from some 10 nations, (bw) D 25 p 50

Government

Renewal of peace talks brought no switch in attitudes on either side, Hanoi wants to get rid of Thieu's Govt because it is most effective one in recent yrs despite corruption, Jl 24 p 39

Wendell S Merick, "USN & WR" Intl Staff mbr, reports U S officials in Saigon say of South Vietnam's Thieu: "he'll knuckle under to no one,"; why getting rid of Pres Thieu is easier said than done, even if U S wanted to; Thieu's tough stance on military, U S officials; outlook for elections, Thieu's resignation after peace settlement or McGovern's election, split between U S, Vietnam, S 11 p 28,29

Chances for cease-fire — signs of Hanoi switch, ... no of district govts destroyed by Reds, no of villages outside Saigon's control, no of people in areas controlled by Reds, O 23 p 28,29

Red inroads in Indo-China; Communist forces in major portions of South Vietnam, Laos, Cambodia, map, N 6 p 16

Military Action

Gen C Abrams will be next Army Chief of Staff, his views on war, (p) Jl 3 p 54

Another GI cutback, but no letup in war; despite further troop withdrawals announced by Pres Nixon, renewal of peace talks, U S will not ease pressure until Communists start meeting terms; Communists gain in Cambodia, Laos; South Vietnamese offensive, air-sea attacks, U S strength in Thailand were increased; no of Vietnam-based forces, now, end of August, Pres named Gen Weyand as Vietnam cmdr, Jl 10 p 24

Southeast Asia's churning war; North, South Vietnam, Cambodia, Laos, Thailand, Communist controlled areas, situation in each nation, map, Jl 10 p 24

Can spending really be cut? "USN & WR" invu with C W Weinberger, Dir, OMB, (C) Jl 17 p 21-25

Rising hopes in South Vietnam; James N Wallace, "USN & WR" staff mbr, reports keys to future are morale in countryside, availability of manpower, ability to resist guerilla war in vital Mekong Delta, effort of Saigon Govt to keep country afloat; losses on both sides in past three mos will have major impact on war, no of men killed, wounded, manpower reserves, erosion of Viet Cong strength; attitudes of villagers, anals say war will be won or lost in Mekong Delta, Jl 24 p 38-40

An Loc, Kontum, Quang Tri where fighting reached peak, Mekong River Delta where war may be won or lost, map, Jl 24 p 38

War's cost is 7 billion per yr, (t) Ag 7 p 9

Why Hanoi's offensive failed; Col W Moore, U S Air Force, military anal, explains why "Easter offensive" across DMZ was tactical failure, plan of attack that was thwarted, impact of defeat on Hanoi's forces, Ag 7 p 37

Plan of attack that was thwarted by South Vietnamese; DMZ, Quang Tri, Qui Nhon, Saigon, Mekong Delta, map, Ag 7 p 37

VIETNAM—Contd.

Econ impact of end of Vietnam War on budget, emp, defense spending, (t) Ag 14 p 8

While U S strength dwindles in Vietnam — back near peak power in Thailand; U S military forces in Thailand, 1965-1972, U S military forces in Vietnam, April, 1969, August, 1972, chart, Ag 21 p 31

Cost of Vietnam War through July, 1973, cost of W W II, (t) S 11 p 8

Nixon options in Vietnam now; Pentagon officials agree that with U S troop strength at rock bottom, Pres has no other option but to continue air war, blockage of harbors; record of U S troop cuts, 1969-1972; Amer cmdrs believe air war is winning strategy, has striking power to increase level of attacks; no, types of combat planes in Southeast Asia; expanded air war would bring North Vietnam to its knees, but doubt Mr Nixon would order such drastic action, S 11 p 28,29

Record of U S troop withdrawals, date of announcement, size of troop cut, chart, S 11 p 28

Nixon on war ... troop cuts ... campaign funds, tactics; S 11 p 68-70

Vietnam war is becoming localized, attitudes of Moscow, Peking, Hanoi, (wg) S 18 p 66

Latest report on war with no winner, no end; Wendell S Merick, "USN & WR" Intl Staff mbr, reports land war in Indo-China has ground to stalemate, North Vietnam, bogged down in South Vietnam, lacks manpower to take over Laos, Cambodia, where they control huge areas; no of North, South Vietnamese killed since March 30, 1972 offensive began, South Vietnamese refugees; effect of air-naval attacks; close look at situation in South Vietnam, Cambodia, Laos under Communist attack, S 25 p 40-42

Lineup of opposing forces in Indo-China; Laos: no of regular Govt troops, U S-armed tribesmen, Amer advisers vs North Vietnamese troops, Communist Pathet Lao ... Cambodia: no of Govt, South Vietnamese troops vs North Vietnamese troops, Communist Khmer Rouge ... North Vietnam: no of North Vietnamese Regulars, regional militia, security forces, Russian military specialists, Chinese advisers, Army engineers ... South Vietnam: no of South Vietnamese regulars, regional militia, security forces, U S forces, South Korean, others vs North Vietnamese troops, Communist Viet Cong, chart, S 25 p 40

Vietnam outlook: cease-fire after one more Red push? war situation six mos after Communist invasion of South Vietnam, offensive failed in its aims, objective now is to capture territory in case of cease-fire; H Kissinger, Le Duc Tho held two more secret talks; Red, South Vietnamese casualties in six mos of battle; captured documents tell objectives that were not achieved, orders to attack in August, September were blunted by South Vietnamese; Mekong Delta will be key target, attacks expected elsewhere; major Red miscalculations, Reds control land, not people; status, capability of South Vietnamese, Communist forces; bombing, mining are major deterrents, but supplies are getting through; military advantage lies with South Vietnam, O 9 p 33-35

Six mos after Hanoi's big invasion of South; extent of Communist inroads: Northern provinces, Central Coastal Plain, Mekong Delta, Binh Long Province, Central Highlands, chart, map, O 9 p 35

If Vietnam war ends — ; Adm John S McCain, former Cdr in Chief, Pacific, in "USN & WR" invu, discusses end of fighting in Vietnam, Laos, Cambodia; bombing, mining

VIETNAM—Contd.

North Vietnamese harbors is hastening end of war; Moscow, Peking aid to Hanoi; Chinese military threat to Southeast Asia, prisoner exchange, Amer's need for bases in Thailand, future of air, navy bases in Japan; Russian naval threat in Asia, future of Amer military presence in Asia, role of SEATO, (C) O 23 p 30-32

No of Amers who served, were killed, wounded in Vietnam war, (t) N 6 p 6

Can South Vietnam survive cease-fire? Saigon's views on cease-fire agreement; assessment of military officers, Amer is key to survival, role of Russia, China; problems facing Vietnam combat units, Air Force; Hanoi's aim, no in Viet Cong infrastructure, continuing terrorism expected, N 13 p 26,27

Price of Amer's 9 major wars — how Vietnam compares; Econ Unit study compares Vietnam with other Amer wars in length, cost in lives, wounded, missing, POW's, cost in money; cost of munitions, tons of bombs, other air, ground munitions used; no, cost of aircraft, helicopters lost in combat, noncombat missions, (ptg) N 13 p 28,29

Price of Amer's 9 major wars — how Vietnam compares; Revolutionary, War of 1812, Mexican, Civil, Spanish-Amer, W W I, W W II, Korean, Vietnam War, casualties (battle deaths, wounded in action), length of war, cost in $s, (ptg) N 13 p 28,29

Among nine U S wars, Vietnam war, now almost 11 years old, has been — ; Vietnam war ranked in terms of length, battle deaths, wounded in action, direct military outlays, (ptg) N 13 p 29

Getting ready for truce — rush of arms to Vietnam; Washington, Hanoi pour tons of military equipment into Vietnam to build up their battlefield strength before cease-fire settlement; sources, types, no of aircraft being supplied; movement of Communist supplies, troops; training problems, unsettled issues, N 27 p 18,21

Photo Report: Five big battles of Vietnam; what happened in five of most important engagements told in text, pictures: Ia Drang Valley, Khe Sanh, Con Thien, Dak To, Hamburger Hill, D 18 p 28,29

Battlefields in South Vietnam, map, D 18 p 28

What U S will keep on guard after Indo-China truce; ships, planes, servicemen will be withdrawn; savings to Amer taxpayer, support will be kept near by should Communists violate truce, growth of Saigon's air power, uncertainty of Pres Nixon's response to Communist action is weapon, D 25 p 19

Air War

Nixon: "time to strip away double standard" on Vietnam; in news conf in White House, Pres said charges of attacks on dikes, dams are "propaganda" by Hanoi, faults those like U N Sec Gen Waldheim who criticize U S, ignore North Vietnam's record; no of civilian casualities, homeless from recent North Vietnamese offensive, total no, 1954-56, since 1965, Ag 7 p 68

Behind furor over bombs on Red River dikes; Pres Nixon, Amer officials, military advisers deny that U S warplanes are deliberately destroying North Vietnam's dikes, contend that Hanoi's anti-U S propaganda drive is designed to cover up its own failure to repair dikes damaged in last summer's floods; detailed description of North Vietnam's dike system, reasons bombings cannot destroy system, assigned targets, guided tours for Western visitors, reason U S will be blamed for any flooding, Nixon admin's dilemma, Ag 14 p 18-20

VIETNAM—Contd.

Text of statement by State Dept refuting charges of intentional bombings of dikes in North Vietnam, il, Ag 14 p 20

U N Sec-Gen Waldheim expressed concern over reports U S had bombed North Vietnam dikes, (wg) Ag 14 p 52

As U S leaves Vietnam — bigger role for Thailand; U S combat burden has shifted to air, Seventh Fleet, bulk of firepower is coming from bases in Thailand, no, type of Amer Air Force, Marine aircraft in Thailand; reasons for Thai support, U S, Thailand have no formal pacts; Thais are anxious to develop friendlier relations with China, resolve Communist insurgency in Thailand, Ag 21 p 30-32

Official reports made available to "USN & WR" disclose that only 1 of every 10 warplanes flying over North Vietnam was dropping bombs because air defenses are so sophisticated, widespread, 70 pct of enemy fuel facilities are intact, North Vietnamese have mobilized their total manpower resources to move supplies, Ag 21 p 32

Bombing toll: how North Vietnam is hurting; U S officials say "Operation Linebacker" has caused more destruction in five mos than 44 mos of Pres Johnson's bombing campaign from 1965 to 1968, amount of damage, no of Red troops killed, wounded, loss to U S in planes, crews; pilots report sharp drop in efficiency of Red surface-to-air missiles, Red ground-control-intercept system is highly efficient; how war material continues to enter North from China, S 4 p 33,34

South Vietnamese pilots are carrying their share of air war against Communists, no of aircraft lost, damaged, officers killed or missing; strength in nos, types of aircraft; pct of daily combat missions, training, effectiveness of fliers, S 4 p 34

Casualties

Nixon: "time to strip away double standard" on Vietnam; in news conf in White House, Pres said charges of attacks on dikes, dams are "propaganda" by Hanoi; no of civilian casualties, homeless from recent North Vietnamese offensive, total no, 1954-56, since 1965, Ag 7 p 68

War prisoners: center of political fight; Ramsey Clark, after return from Hanoi, claims that he had been assured that election of G McGovern would bring immediate release of POW's, prisoners are in good health, well treated; White House, Pentagon contend Communists have continually broken Geneva Convention terms, dispute Clark's contention of humane treatment, former prisoners of war paint grim picture of their captivity, Ag 28 p 20,21

Amers that Reds hold in captivity — how many, where held, how long, no of prisoners released, escaped, chart, Ag 28 p 21

How have POW's been treated? Defense Dept annual report for yr starting July 1, 1972 lists Geneva Convention treaty terms, violations, Ag 28 p 21

What U S had done through talks to get back its POW's; proposals in 1970, 1971, 1972, Hanoi's response, Ag 28 p 21

North Vietnam announced it would release three Amer POW's to U S antiwar reps, S 18 p 33-35

Freedom for POW's — what Communist record shows; S 18 p 33-35

Vietnam outlook; Red, South Vietnam casualties in six mos of battle, O 9 p 33-35

Return of 3 prisoners: Hanoi loses battle; POW's: Lt M L Gartley, Lt N A Charles, Maj E K Elias, released by North Vietnam to Amer antiwar activists, placed themselves under military control before returning to U S, O 9 p 38

VIETNAM—Contd.

Life as war prisoner — first-hand accounts; recently released POWs, Gartley, Charles, Elias, told reporters at news confs how they, others were treated by North Vietnamese; literature provided, none brainwashed, shelter during bombings, diet, clothing, medical care, activities, mail deliveries, O 16 p 66,67

Toll of war; detailed, close examination of who has been bearing brunt of war, no of deaths from combat, nonhostile causes since 1961, D 18 p 27

How casualties in Vietnam vary, State by State; States: deaths, deaths per 100,000 population, chart, D 18 p 27

U S war dead in Indo-China; deaths in combat, from nonhostile causes, Jan 1, 1961-Sept, 1972 — by age: 17-over 40; branch of service; cause of death; length of service: under 1-5 yrs or longer; no of deaths, chart, D 18 p 27

Casualties — Atrocities

Atrocities committed against South Vietnamese by Communists in Binh Dinh, Binh Long Provinces are being documented by official Allied investigators, officials give examples, Ag 7 p 36

Ground War

Report from scene — South Vietnam's army shows it can fight; battle for Quang Tri proved South Vietnamese can take offensive, role of warplanes, new blows expected; Wendell S Merick, "USN & WR" staff mbr, went into Quang Tri Province with advancing South Vietnamese troops, reports what he found, people tell how Reds treated them, Ag 7 p 35,36

Quang Tri Province, South Vietnam, map, Ag 7 p 35

Peace Efforts

Is there way out for U S in Vietnam? leaders in nations abroad are convinced that compromise by both sides is only solution for Vietnam, Pres's latest peace proposal, air-sea pressure on North Vietnam has not changed Hanoi's position, reasons why time may be ripe for compromise, diplomatic activity of H Kissinger, Le Duc Tho visits to China, N Podgorny visit to Hanoi added fuel to talk of compromise; European, South Vietnam views on solution for war; effect on South Vietnamese if Saigon Govt is changed; Pres Nixon deactivated two U S ground-combat troops, Jl 3 p 18,19

D Pike reports in "SEATO Record" that Hanoi wants far more than coalition in South Vietnam, outlines Hanoi's objective, coalition as Viet Cong, North Vietnamese see it, Hanoi's standard reaction to any peace proposal, Jl 3 p 19

Nixon on Vietnam: "we will return to negotiating table"; Pres in TV news conf, announced renewal of peace negotiations in Paris, answered questions on ending war, effect of mining, bombing, bombing dikes, dams, when South Vietnamese will be able to carry on alone, reason for resuming peace talks, conditions, coalition govt for Saigon, Jl 10 p 51,52

Renewal of peace talks brought no switch in attitudes on either side, Hanoi wants to get rid of Thieu's Govt because it is most effective one in recent yrs despite corruption, Jl 24 p 39

Nine yrs of fighting — all for naught? David Lawrence editorial; natl election of November 1972 in U S can decide whether small nation — South Vietnam — will secure right of self-determination; Election Day will show whether intl policies will be carried forward or will be modified by different Pres, Jl 31 p 84

VIETNAM—Contd.

How McGovern sees issues; "USN & WR" invu with Sen G McGovern, Dem nominee for pres, Ag 7 p 18-22

Saigon staff of "USN & WR" cables outlook for ending war in Paris peace talks, on battlefield is nil, (t) Ag 14 p 8

Secret negotiations — outlook for Vietnam peace; Pres adviser Kissinger conferred with Le Duc Tho in Paris, met with Pres Thieu in Saigon, Le Duc Tho went to Hanoi; 2 factors behind speculation both sides might reduce price for peace; basic issues that have stalemated talks; Pres Nixon hinted at news conf of compromise, indicates he will not ease pressure on Reds, Ag 28 p 19

What U S has done through talks to get back its POW's; proposals in 1970, 1971, 1972, Hanoi's response, Ag 28 p 21

What Amer wants from Russia in trade deals; "USN & WR" invu with Commerce Sec P G Peterson, S 4 p 40-44

Peace: did Nixon "blow" it? White House answers critics; S Shriver, Dem vice-pres nominee, charged that Mr Nixon, when he took office in January, 1969 blew opportunity for truce by ignoring, or misreading North Vietnamese troop pull-back of late 1968, his charges were supported by two delegates to Paris truce talks, A Harriman, C Vance; White House issued evaluation paper rebutting charges, text of chronology of facts, Shriver's allegations, facts, S 4 p 52-55

Nixon options in Vietnam now; Pentagon officials agree that with U S troop strength at rock bottom, Pres has no other option but to continue air war, blockage of harbors; record of U S troop cuts, 1969-1972; Amer cmdrs believe air war is winning strategy, has striking power to increase level of attacks; no, types of combat planes in Southeast Asia; expanded air war would bring North Vietnam to its knees, but doubt Mr Nixon would order such drastic action, S 11 p 28,29

Nixon on war ... troop cuts ... campaign funds, tactics; S 11 p 68-70

Impairing the Vietnam peace parleys at Paris; David Lawrence editorial; our country is best served if influences of political nature are not allowed to interfere with intl relations; it is unfortunate any encouragement is being given to North Vietnamese to believe Amer election could assist them at Paris peace conf to get dominating position, O 2 p 96

Chances for cease-fire — signs of Hanoi switch; captured North Vietnamese directives, intercepted messages, prisoner interrogations, negotiations in Paris between H Kissinger, North Vietnamese indicate Hanoi is changing policy; Nixon's chances for re-election affected Hanoi's decision, McGovern cited two basic differences between himself, Pres; how Hanoi changed orders in anticipation of cease-fire; major divisive issue that has to be settled, Amers, other authorities cite reasons Communists have to adopt more flexible position; no of district govts destroyed by Reds, no of villages outside Saigon's control, no of people in areas controlled by Reds, no of Communist casualties since March; what Thieu is expected to do if there is cease-fire, O 23 p 28,29

Terms for ending war, what candidates say; Pres Nixon set forth basic terms for ending Vietnam war in nationwide address on May 8, 1972, told news conf on October 5 that settlement would not be affected by election; Sen McGovern presented his plan

VIETNAM—Contd.

to end U S involvement by pulling out in nationwide TV broadcast, O 23 p 28,29

U S takes on friend, foe in search for Vietnam peace; Hanoi shows signs of "flexibility" in Kissinger talks in Paris, while Vietnam was intransigent in Kissinger-Thieu talks; Thieu's communique, major reason for Thieu's ind, Kissinger mission had three difficult tasks, O 30 p 15

U S at crossroads, Vietnam war ... election; North Vietnamese abandoned determination to continue open warfare; Hanoi secretly proposed to U S cease-fire; Gallup Poll shows voter preferences; real issues were dampened by public indifference, N 6 p 13

After cease-fire ... stumbling blocks to Vietnam peace; experts doubt success of cease-fire after pres aide Kissinger announced agreement is near, coalition council to implement truce, supervise elections in South; problems in policing cease-fire, Thieu's pledge, no of Red troops, divs in Indo-China, reasons for doubts; terrorism anticipated, murder record so far; military, political factors strengthening Thieu; battle for political loyalty of people, outlook in Laos, Cambodia, (C) N 6 p 14-17

Truce ... GI pull-back ... POW release, terms of historic agreement; draft of U S-North Vietnam agreement to end fighting in Vietnam, as broadcast by Hanoi Radio, confirmed by U S on Oct 26, N 6 p 15

Why Hanoi came to realize it "could not hope to win"; Patrick J Honey, Brit authority on North Vietnam, in "USN & WR" invu with senior European editor, Joseph Fromm, discusses what brought about change in Hanoi's attitude toward peace, importance of bombing North Vietnam, pressure of Moscow, Peking to end war, division inside Hanoi's Politburo, dissent, strains in North Vietnam, Gen Giap's position, effects of bombing, blockade on civilian, military supplies, N 6 p 17-19

Shifts in world, what they will mean to U S; authoritative report from high Admin sources; N 13 p 18,19

Indo-China: knottiest challenge of all; as seen from Saigon, short-range, long-term difficulties in settling Vietnam's cease-fire; uncertain future of Laos, Cambodia, N 20 p 45

Getting ready for truce — rush of arms to Vietnam; Washington, Hanoi pour tons of military equipment into Vietnam to build up their battlefield strength before cease-fire settlement; sources, types, no of aircraft being supplied; movement of Communist supplies, troops; training problems, unsettled issues, N 27 p 18,21

Lessons of Vietnam; "USN & WR" invu with Gen Maxwell D Taylor, USA (Ret), (C) N 27 p 22-26

Vietnam showdown — still rocky road to peace; U S is caught between North, South Vietnam positions on truce, H Kissinger met with Hanoi's reps, new negotiations centered on four key issues: cease-fire, withdrawal, Natl Govt, demilitarized zone; Thieu has country's support, Viet Cong is problem facing Hanoi, Saigon, (C) D 4 p 21,22

Closer look at roadblocks to peace in Vietnam; Kissinger reports to Pres on another round of difficult bargaining in Paris with North Vietnamese, situation as of mid-December, courses of action open to South Vietnam's Pres, U S plans after cease-fire is signed, Thieu's opposition to "Natl Council of Reconciliation, Concord", Communist journal confirms Hanoi will not keep cease-fire, countries which have agreed to participate

VIETNAM—Contd.
in supervisory comm to police cease-fire, D 25 p 18,19
What U S will keep on guard after Indo-China truce; ships, planes, servicemen will be withdrawn; savings to Amer taxpayer, support will be kept near by should Communists violate truce, growth of Saigon's air power, uncertainty of Pres Nixon's response to Communist action is weapon, D 25 p 19

Public Opinion

Texas Poll shows 44 pct of people rate Vietnam as most important campaign issue, rating on other issues, (Whis) Ag 14 p 10:2
How protesters lost "battle of Miami Beach"; demonstrator's failure to create chaos at Convention showed waning strength of antiwar protest, effective police tactics, mass arrests prevented wholesale disorder; Vietnam Veterans Against War staged well-disciplined protest, day-by-day developments, tight security for Pres, protest leaders cite reasons for diluted efforts, S 4 p 21,22

VIETNAM, NORTH *see also* Vietnam — Military Action

Behind furor over bombs on Red River dikes; Pres Nixon, Amer officials, military advisers deny that U S warplanes are deliberately destroying North Vietnam's dikes, contend that Hanoi's anti-U S propaganda drive is designed to cover up its own failure to repair dikes damaged in last summer's floods; detailed description of North Vietnam's dike system, reasons bombings cannot destroy system, assigned targets, guided tours for Western visitors, reason U S will be blamed for any flooding, Nixon Admin's dilemma, Ag 14 p 18-20
Area of North Vietnam's major dike system, map, Ag 14 p 18
Close-up of network that protects Hanoi, dikes: primary grid, secondary, tertiary, map, Ag 14 p 19
Text of statement by State Dept refuting charges of intentional bombings of dikes in North Vietnam, il, Ag 14 p 20
Japanese trade with North Vietnam has dropped due to U S Navy blockage of ports, (bw) S 25 p 88
Why Hanoi came to realize it "could not hope to win"; Patrick J Honey, Brit authority on North Vietnam, in "USN & WR" invu with senior European editor, Joseph Fromm, discusses what brought about change in Hanoi's attitude toward peace, importance of bombing North Vietnam, pressure of Moscow, Peking to end war, division inside Hanoi's Politburo, dissent, strains in North Vietnam, Gen Giap's position, effects of bombing, blockade on civilian, military supplies, N 6 p 17-19
7.5 billions — U S price tag for rebuilding Indo — China; N 20 p 47,48

VIOLENCE

Where terrorism seems to be letting up in some areas of world, (wg) Jl 3 p 43
FBI gets "new look"; "USN & WR" invu with FBI's Acting Dir L P Gray, Jl 10 p 58-62
Violence — how to cure it; David Lawrence editorial; whole world denounces, condemns tragic violence at Olympic Games at Munich where 11 Israeli athletes were killed; violence can be defeated, but it will take not only intensive action by our own Govt but cooperation between all govts of world, S 18 p 92
U S presses other nations to curb terror attacks; State Sec Rogers asked U N for intl action, Interpol adopted Amer resolution, Pres Nixon set up Cabinet Com to Combat Terrorism, two State Dept coms, State Dept ordered all travelers passing through U S to have visas; skyjackings, Olympic Games slaughter prompted moves; why Africans, Arabs resist action, O 9 p 26,27
Rogers: "Suppress these demented acts;" excerpts from address of State Sec W P Rogers to Gen Assembly of U N calling for action on several proposals to stop activities of intl terrorists, seven examples of violence, record of crimes involving aircraft, diplomats this yr; three treaties that should be enacted, O 9 p 26,27
Special Report: Behind rise in crime, terror; skyjackings, kidnapings, wanton murder, assault, political terrorism — causes, explanations; goals of terrorism; role of New Left, race; shift of guilt from individual aggressor to society; problems in cts; devices used by airline cos, businessmen, home owners; violent veterans; elements of hope — family, real answer, (SR), (C) N 13 p 41-49
"Terrorism is developing into form of total war"; "Economist" of London describes danger of letter bombs, skyjacking; 3 serious letter-bomb campaigns, defense against future attacks; no of successful hijack attempts, 1971, 1972; danger in pathological hijackers, three levels to tackle problem, D 11 p 49,50

VOCATIONS *see* Occupations

VOLKSWAGEN COMPANY

Business woes mount for Volkswagen; sinking sales in Germany, abroad, loss of markets to Opel hurt VW; why VW's balloon burst, why sales of larger models are down, success of Audi, R Leiding is fighting back in two directions, O 23 p 43
Volkswagen sales are slipping in U S ... and in West Germany; in first 9 mos — U S VW sales ... in first 8 mos — German VW sales, 1971, 1972, charts, O 23 p 43

VOLPE, JOHN A *see also* Crime — Crimes Aboard Aircraft

How to curb skyjacking, Jl 3 p 13

VOLUNTARY SERVICE *see* Social Service

VOLUNTEER ARMY *see* National Defense — Armed Forces

VOTERS AND VOTING *see also* Civil Rights; Elections and Politics; Negroes — Politics and Suffrage; Youth — Politics and Suffrage

What elderly voters say about candidates; no of older, younger Amers expected to vote; invus of older Amers by "USN & WR" staff mbrs give their ideas on econ matters, Vietnam, morality in govt, images of candidates, inner convictions; dispute over notice inserted with higher Soc Sec benefits, pamphlets on programs for aged, N 6 p 35-37
Older voters — who they are; no, pct of total voting-age population; impact by States, voting turnout in 1968, no, pct who are women, black, chart, N 6 p 35
Impact of over-65s — State by State; States, total U S: no of people over 65, more than 17%, 15-17%, 13-15%, less than 13% of voting-age population, chart, N 6 p 37
